CABE Policy: Emergencies and Disaster Preparedness Pandemic/Epidemic Emergencies

https://www.cabe.org/uploaded/Policy/6114.8_Pandemic_Policy_2020.pdf

Paying Employees During Closure:

Decisions on the issue are made locally based on a number of variables including, input from school counsel, budget circumstances, input from the first selectman/mayor/local legislative bodies, and other district specific considerations.

All of the districts from which we have heard are paying all unionized employees through at least the next two weeks and then are going to reevaluate.

The majority are paying all employees, union and non-union, full time and part time, except daily subs (since there are not any) at least through the end of the month.

All districts reporting say that this is a fluid situation and they will continue to evaluate as events unfold.

Reports from additional districts through the public school human resource directors association mirror our information.

Sunday, March 15, 2020 Executive order important points:

Extends regional school budget deadlines and municipal budget deadlines (including deadlines for local action on school budgets) and allows the Commissioner of Education to waive:

1. high school graduation requirements
2. educator preparation programs requirements
3. educator certificate timelines
4. educator evaluation requirements

5. in-school service/professional development requirements

...NOW, THEREFORE, I, NED LAMONT, Governor of the State of Connecticut, by virtue of the authority vested in me by the Constitution and the laws of the State of Connecticut, do hereby ORDER AND DIRECT:

1. **Cancellation of School Classes.** To promote and secure the safety and protection of children in schools related to the risks of COVID-19, all public school classes will be cancelled for all students effective Tuesday, March 17, 2020 until March 31, 2020, unless extended beyond that date. Private schools and other non-public schools are encouraged to follow the same schedule. The Connecticut State Department of Education, the Connecticut Department of Public Health, the Department of Children and Families, and the Connecticut Office of Early Childhood, are directed to immediately work together to implement measures to provide for the health, nutrition, safety, educational needs and well-being of children during the class cancellation period.
2. **Flexibility of Graduation Requirements, and Prescribed Courses of Study.** The provisions of Sections 10-16b and 10-22 la, and any associated regulations, rules, and policies regarding prescribed courses of study and graduation requirements are modified to authorize the Commissioner of Education to temporarily waive any requirements contained therein as he deems necessary to address the impact of COVID-19 and school class cancellations.
3. **Flexibility for Educator Prep Programs.** The provisions of Section 10-1 45a, and any associated regulations, rules, and policies regarding educator preparation programs are modified to authorize the Commissioner of Education to temporarily waive any requirements, contained therein as he deems necessary to address the repercussions of college, university, and school class cancellations on students pursuing secondary education programs. The Commissioner may issue any order that he deems necessary to implement this order.
4. **Flexibility for Educator Certification Timelines, Educator Evaluations, and School In-Services.** The provisions of Sections 10-145, 10-1 45b, 10-145d, 10-151b, 10-151 and 10-220a, and any associated regulations, rules, and policies regarding educator certification timelines, evaluations, and professional development requirements are modified to authorize the Commissioner of Education to temporarily waive any requirements contained therein as he deems necessary to address the impact the school class cancellations and COVID-19 risks when classes resume and students return. The Commissioner may issue any order that he deems necessary to implement this order.
5. **Extension of Municipal Budget Adoption Deadlines.** Notwithstanding any provision of the Connecticut General Statutes, including Title 7, or any special act, municipal charter or ordinance, that conflicts with this order, all municipal budget deadlines for the preparation of the municipal budget for the fiscal year ending June 30, 2021 that fall on any date prior to and including May 15, 2020 are extended by thirty (30) days. The legislative body of the municipality, or in a municipality where

the legislative body is a town meeting, the board of selectmen, may alter or modify the schedules and deadlines pertaining to the preparation and submission of a proposed budget and the deliberation or actions on said budget by the legislative body or other fiscal authority, including any required public hearing(s), publication, referendum or final budget adoption. All submission dates may be postponed until such time as the legislative body approves said modified schedule and deadline, consistent with the thirty (30) day extension.

6. Extension of Regional Board of Education Budget Adoption Deadlines. Notwithstanding any provision of the Connecticut General Statutes, including Title 10, or any special act, municipal charter or ordinance, that conflicts with this order, all budget deadlines for the preparation of regional school district budgets for the fiscal year ending June 30, 2021 that fall on any date prior to and including May 15, 2020 may be extended by thirty (30) days. Any regional board of education may alter or modify the schedules and deadlines pertaining to the preparation and submission of a proposed budget and the deliberation or actions on said budget by the legislative body or other fiscal authority, including any required public hearing(s), publication, referendum or final budget adoption.

Board of Education Meetings and FOIA During the Coronavirus Pandemic:

While it may seem obvious, it is important for the board to remember there must always be a quorum present to legally take any action/vote.

Saturday, March 14, 2020, Governor Lamont signed executive order 7B, in which he suspended sections 1-206, 1-225, and 1-226 of the Connecticut Freedom of Information Act in order to allow public agencies to meet remotely so long as they meet 5 requirements discussed in detail below.

CABE offers the following meetings guidance to boards of education, superintendents, and central office staff.

1. Meet only to discuss and vote on agenda items requiring immediate attention

The Governor has the authority to relax legal meeting requirements by executive order because the State of Connecticut is in a State of Emergency.

The ability to meet remotely, during this state of emergency, is necessary to allow boards of education to discuss and take action/vote on board business agenda requiring immediate action, while taking all appropriate steps to protect of public health and safety, i.e. acting with an "abundance of caution."

Boards should hold meetings only when they must take action for the good of the district and postpone routine business and subcommittee meetings until the state of emergency is lifted.

2. Boards of education may meet remotely with or without a policy covering electronic meetings

The in-person open meeting requirements of the FOIA ***and any municipal charter, ordinance or regulation, i.e. board of Education policy and bylaw***, are suspended to the extent necessary to permit a public agency to meet and take action without permitting or requiring in-person, public access to such meetings.

Executive order 7B provides all public agencies with the authority to meet remotely.

3. Remote Meetings

Per the executive order, public agencies, including Boards of Education, may hold meetings remotely, i.e. without the public physically present, so long as they:

1. Make arrangements for the public to watch or listen in real time by telephone, video or other technology.
2. Record or transcribe the meeting and then make that record available on the board website within seven days of the event.
3. Post an agenda for the meeting on the district website and include information on how the meeting can be accessed remotely.
4. Post all supporting documents and materials relevant to the agenda to the district's website. They also must be filed with Board of Education holding the remote meeting at least 24 hours beforehand.
5. Require all officials and others taking part in the meeting to clearly state their name and title before each time that they speak.

Documents relevant to agenda items must be posted with the meeting notice/agenda at least 24 hours in advance:

The major difference is that the board packet/materials discussed/acted upon will now need to be "filed with the Board" and posted along with the agenda at least 24 hours in advance of the meeting.

Previously, meeting documents, as public records, did not need to be filed with the agenda but, unless covered by an exception or exemption in the FOIA, needed to be available to the public by request after the meeting.

Meetings may be via audio conference call

The executive order specifically contemplates meetings via conference call, requiring boards to provide real time access for the public to "watch or listen." We have received a number of questions from districts for which video conferencing is not a realistic option. There are a number of free and low cost large capacity conference calling services you can utilize, including, but not limited to, FreeConferenceCall.com.

It is likely that truly remote meetings would have complied with the FOIA prior to the executive order. It appears that the order was in response to questions about boards and commissions meeting in person and physically excluding the public from the meeting room.

Public Comment

Public comment is not required at any meeting. However, we recognize how important public input is to the relationship boards have with their communities. Consider adding a line to the agenda encouraging the public to send comments via email. Some towns are working on setting up call in public comment period.

It is likely that boards will receive more email input than they would have in person attendees. While it is important for boards to devote a set amount of meeting time to acknowledging electronic input you solicit, it may not be practical to do more than thank people and describe the comments generally.

Electronic Mail Communications

The Board of Directors believes that Board members electronically connected to other Board members is an efficient and convenient way to communicate. The main goal of electronic mail (e-mail) is to expedite the passage of information. E-mail gives Board members quick access to one another. Communication among Board members via e-mail should conform to the same standards as other forms of communication. (i.e., committee meetings, etc.) as directed by the Freedom of Information Act. When used properly, e-mail is an effective communications tool and can provide a formal record.

All Board members are encouraged to access email. It will be the responsibility of individual Board members who use email to provide the hardware, hook-up and pay all consumable expenses associated with email usage.

Guidelines for Board E-Mail Usage

The Freedom of Information Act mandates that all meetings of public bodies such as school Boards be open to the public. It is the policy of the Board of Education that email shall not be used in such a manner as to deprive the public of the rights given to it under the Freedom of Information Act. For this purpose, this bylaw sets forth guidelines for the uses intended to be made of e-mail by Board members when communicating with other Board members.

1. E-mail, like other written forms of communication relating to the conduct of the public business is subject to the Freedom of Information Act and subject to disclosure.

Bylaws of the Board

Attendance at Meetings via Electronic Communications

Recognizing the inherent responsibility and statutory duties of Board members, the Board strongly encourages members to attend and participate at all meetings of the Board. Though great importance is given to the physical presence of Board members at meetings, the attendance and participation of members electronically is authorized under limited conditions.

The Boards recognizes that factors such as illness, travel, schedule conflicts and weather conditions can make impossible the physical presence of a Board member at a Board meeting, and that electronic communications can enable a Board member to participate in a meeting from a remote location.

The Board may allow members to participate in meetings by telephone or other electronic means. Board members participating electronically may cast votes; but must be connected with the meeting throughout the discussion of business. If a Board member electronically joins the meeting after an item of business has been opened, the remotely located member shall not participate until the next item of business is opened. All votes taken during such a meeting shall be by roll call vote. A school board member may participate in a meeting by electronic means when a quorum of the Board is physically assembled at the meeting location.

If the Board allows a member to participate electronically, the member will be considered present and will have his or her actual physical presence excused. The members shall not be counted present for purposes of convening a quorum and an officer may not chair a meeting if not physically present. The Administrative Assistant to the Board will document it in the minutes when members participate in the meeting electronically. The Chairperson shall take the necessary steps to ensure that a Board member participating via electronic means has adequate opportunity to express himself/herself in Board discussion, including the opportunity to take the floor and make motions.

Any Board member wishing to participate in a meeting electronically will notify the Board Chairperson and Superintendent as early as possible. The superintendent will arrange for the meeting to take place in a location with the appropriate equipment so that Board members participating in the meeting electronically may interact and the public may observe or hear the comments made. The Superintendent will take measures to identify the identity of any remotely located participants.

Each part of a meeting required to be open to the public shall be audible or otherwise discernable to the public at the location specified in the meeting notice as the location of the meeting. Each member participating electronically or otherwise must be able or simultaneously hear each other and speak to each other during the meeting, and shall be audible or otherwise discernable to the public in attendance at the meeting's location.

Bylaws of the Board

Attendance at Meetings via Electronic Communications (continued)

If the Board Chairperson determines the condition is not occurring, he/she shall terminate the Board Member's attendance through electronic communications. Any member participating in such fashion shall identify the persons present in the location from which the member is participating. No meeting shall be conducted by electronic mail or any other form of communication that does not permit the public and all participants, board members, or staff, to hear, read, or otherwise discern meeting discussion contemporaneously at the meeting location specified in the meeting notice.

BOARD OPERATIONS
Adopted: October 14, 2003
5th Revision: February 10, 2014
Monitoring Method: Internal
Monitoring Frequency: Annual - October

The Milford Board of Education will operate as follows:

- 12.1 The Milford Board of Education shall file with the City Clerk, not later than January 31st of each year, the schedule of the formal business meetings of the Board of Education. No meetings shall be held sooner than thirty days after such filing.
- 12.2 The Board will conduct a monthly business meeting. This business meeting will be held on the second Monday of the month, with exceptions based on holiday or school vacation conflicts, and in August when it will be held on the fourth Monday of the month. Business conducted during this regular monthly meeting will be devoted to Consent Items, (those addressing action on routine matters not requiring discussion); Action Items, (those requiring a board vote on items which may require discussion); and Informational items (such as presentations and reports).

A second working meeting will routinely be held on the fourth Monday of the month. This second meeting will be known as either a Committee of the Whole Meeting or a Workshop, depending on the time of year and the cycle of current events. The schedule of assigned topics will be included on the Annual Meeting Planner, and kept on file with the Board Secretary. A second monthly meeting will not be held in December, June, July or August.

A notice of each regular meeting of the Milford Board of Education shall be filed not less than 48 hours in advance of the meeting with the City Clerk. All scheduled meetings of the Board shall follow provisions of the Freedom of Information act as required by statute.

The Superintendent, along with the Board Chair and in consultation with the Majority and Minority Leaders, shall prepare an agenda for each regular meeting. No item can be added to the agenda at a meeting without a two-thirds vote of the Board.

Board members must receive their agenda for a regular meeting at least 72 hours before the date.

At least 24 hours prior to a regular/special meeting, the agenda shall be posted on the Board of Education bulletin board outside the Board of Education Meeting Room, on the district's web site, in each school in a place readily available to parents, teachers and the general public, and shall be on file in the Superintendent's office.

Every effort will be made to communicate meetings and agendas through a variety of multi-media forms. A written notice of meetings will be made available for individuals filing a written request renewable in January of each year. The Board of Education will charge a fee per copied page for these notices as provided by law.

If a meeting is to be cancelled, all members shall be notified. When a meeting is to be rescheduled, a notice of a new meeting shall be given to all Board members at least 72 hours prior to the rescheduled meeting.

- 12.3 Special meetings may be called at the discretion of the Chair or at the request of three members of the Board. A notice of each special meeting of the Board of Education shall be filed not less than 24 hours in advance of the meeting with the City Clerk and shall be in writing. No other business shall be considered by the Board at that special meeting.

Each member of the Board of Education shall be notified by the Superintendent or the clerk not less than 24 hours prior to the time of the special meeting and shall be advised of the time, place and business to be transacted and provided with an agenda, although any Board member may waive the 24 hour notification by a written waiver.

- 12.4 The Board may schedule special meetings for the purpose of conducting work sessions to provide its members with opportunities of planning and thoughtful discussion. Topics for discussion and study will be announced publicly. Work sessions shall be conducted in accordance with the state law on public meetings.

- 12.5 All meetings of the Board of Education shall be open to the public with the exception of executive sessions. Executive sessions may be held upon a two-thirds vote of the members present and voting taken at a public meeting for one or more of the following reasons:
- 12.5.a Discussion concerning the appointment, employment, performance, evaluation or dismissal of a public officer or employee, (unless the employee concerned requests that the discussions be open to the public);
 - 12.5.b Strategy and negotiations with respect to pending claims and litigations;
 - 12.5.c Matters concerning security, strategy or the deployment of security personnel, or devices affecting public security;
 - 12.5.d Discussion of the selection of a site, or the lease, sale or purchase of real estate by a political subdivision of the state when publicity regarding such lease, sale, purchase or construction would cause a likelihood of increased price; and
 - 12.5.e Discussion of any matter which would result in the disclosure of public records or the information contained therein described in subsection (b) of section 1-19 of the Connecticut General Statutes.
- 12.6 Attendance at Meetings via Electronic Communications
- Recognizing the inherent responsibility and statutory duties of Board members, the Board strongly encourages members to attend and participate at all meetings of the Board. Though great importance is given to the physical presence of Board members at meetings, the attendance and participation of members electronically, from a remote location, is permitted under limited conditions.
- A Board member shall be able to attend a Board meeting, and participate in Board deliberations and voting, through electronic communications, but only under extraordinary circumstances: (1) personal illness or disability, (2) extraordinary employment conflicts, or (3) a family emergency. When a Board member attends a meeting via electronic communications, the minutes shall reflect the member's remote attendance and the reason that physical attendance is not reasonably practical.
- A quorum of Board members must be physically present at a Board meeting when a Board member attends through electronic communications.

A Board member who attends a meeting through electronic communications shall be considered present only if the member can hear everything said at the meeting and all those attending the meeting can hear everything said by that member. If the Board Chairperson determines either condition is not occurring, he/she shall terminate the Board member's attendance through electronic communications.

Board members participating electronically may cast votes; in these instances, all votes shall be by roll call vote. However, if a Board member electronically joins the meeting after an item of business has been opened, the remotely located member shall not participate, nor cast any vote, until the next item of business is opened.

Meeting Conduct

Meetings of the Board of Education shall be conducted by the Chair of the Board of Education in a manner consistent with the adopted Bylaws of the Board.

1. A 3 minute time limit may be allowed to each speaker with a maximum of 20 minutes per meeting being allocated for any one item of the Agenda.
2. The Chair shall not permit actions which disrupt or interrupt the orderly conduct of the Board meeting. A willful participant in such conduct will be asked to leave the meeting of the Board. In case of a general disturbance the meeting room may be cleared except for non-participating representatives of the press.
3. The Board may, by a majority vote, decide to cancel or alter the time limits in #1 above.
4. Questions which can be answered during the meeting may be answered at the option of the Chair. Other inquiries which may require analysis/investigation will, at the option of the Chair, be answered at a future specified date.
5. Hi Sally,

Our BOE Policy #9321.1(which is online thru our BOE Page) states

Whenever circumstances dictate that the BOE cannot have a public meeting in person, all BOE meetings and subcommittee meetings may be held virtually via teleconferencing. All teleconference meetings will adhere to the protocols established by BOE policy and adhere to Connecticut's Freedom of Information Act.

Somers BOE did Zoom meetings in the Spring, late August went back to in person meetings but at a much large room and we have gone back to Zoom meetings in November. It works for us. Linda

Hampton has allowed attendance via Skype or cell phone for years. I can't quickly locate the policy. I am curious though, has your board been meeting publicly during the pandemic? We have been meeting via Zoom. Once the pandemic has passed it is possible that we will still live Zoom. This would make it easier for citizens to attend when they are unable to get to a public meeting at the time scheduled.

Hi Sally!

Happy New Year to you too!!!

With regard to your question, we currently run our Board Meetings in-person and via Zoom so if a Board Member cannot attend a meeting they do have the option to attend via Zoom and fully participate. Unfortunately, however, we do not have a policy about this.

Take care and have a great rest of the year (we're halfway there)!
