Mr. Colt Gill
ODE Director and Deputy Superintendent of Public Instruction
Oregon Department of Education
255 Capitol St NE
Salem, OR 97310

Dear Director Gill:

I have received the official ODE "Notice of potential financial and performance audit". Since I became the Alsea School District (ASD) Acting Superintendent in March 2022 after the mid-year departure of Superintendent Marc Thielman, I have been privy too multiple financial and performance issues that include those documented through public complaint as defined in your letter as well as many other areas that I would like to add to the investigatory list. I welcome ODE's presence since I do believe that ODE has more resources than the district does to fully investigate and correct any areas that need to be addressed.

I am aware of approximately 85% of the listed areas listed in the audit letter and I will have many more to add. I would prefer to discuss these additional areas in a face-to-face meeting with the auditing team. Many staff have expressed concerns over how the district conducted financial expenditures and accountabilities prior to my arrival. The 2022 business manager and I redesigned the entire budgeting process to align with state laws which resulted in presenting a balanced budget for approval in the spring of 2022. Concerns over payroll practices, expenditures, errant contracts, etc... still persist. Many areas that we have found that are out of financial compliance with state laws have been corrected. We do not have the ability to govern campaign finance concerns, we most definitely need ODE's help with this area.

The district is currently in the middle of multiple reset projects. These include:

1. Human Resources (HR) Reset project with the help of an HR consultant secured through the Coalition of Oregon School Administrators (COSA) organization. The district is resetting contracts, job descriptions, salary schedules, classifications, staff handbooks, etc... within this project.
2. Board Policy Reset – the district's board policies are very outdated and do not include current state and federal laws. ASD has contracted with Oregon School Boards Association (OSBA) to help conduct this work. This will bring alignment of policies back to ASD.
3. School Board – The current school board has two newly appointed board members after the last board chair and vice-chair were recalled. The board has contracted with OSBA to provide strategic training to the entire board to help the board conduct efficient and effective board meetings and focus on board business.

4. Division 22 Standards – the district is currently re-evaluating the Division 22 standards requirements and attempting to address current deficiencies. The previous Division 22 standards reports were obviously falsified.
5. Teacher Evaluation – the district currently does not have a teacher evaluation tool that was developed in collaboration with the local union. The district is in the process of starting this work immediately and plans on conducting evaluations in accordance with state law for the 2022-23 school year. Prior years did not include proper teacher evaluations if they even existed.
6. Budget – the district is implementing new checks and balances processes with built in accountabilities to stay within approved budgets. Prior budgets were mismanaged, over expenditures in the 100's of thousands were common. There was not any oversight. These processes are changing, accountabilities will be in place for the 2022-23 school year.
7. Business Manager (BM) – the district has contracted with LBL ESD to provide business manager services for 2022-23. The assigned BM has multiple years of prior experience and is working hard to bring the district into further financial alignment. The district has also contracted with LBL ESD to provide a 2021-22 payroll audit as I have found many payroll practices that do not align with State BOLI laws.
8. Continuous Improvement Plan (CIP) – the district will be fully implementing the ODE designed Aligning for Student Success project during the 2022-23 school year. Any CIP's previously created were not inclusively designed.

The list above includes a small snapshot into the multiple heavy lift projects we are conducting. I look forward to working collaboratively with ODE through the audit. I hope that we will be able to evaluate current district and state practices that need to be redesigned to prevent any non-compliances with state and federal laws in the future for not only ASD, but all state school districts. This district is a very special place. The kids and staff are amazing and deserve the very best education possible. It all starts with solid personnel, policy, budget, and compliance procedures. I look forward to seeing your team soon.

Sincerely,

RE: Notice of potential financial and performance audit

Dear Superintendent Gallagher:

Pursuant to ORS 327.141 and based on factors identified by the State Board of Education by rule, the Department of Education may initiate a financial audit or a performance audit of a school district. Prior to initiating an audit the Department must provide notice to the school district and an opportunity to provide to the Department information related to the subject of the audit.

For your reference we are providing the text of ORS 327.141:

(1)(a) Based on factors identified by the State Board of Education by rule, the Department of Education may initiate a financial audit or a performance audit of a school district or an education service district.

(b) Prior to initiating an audit, the Department of Education shall:

(A) Give notice to the school district or the education service district of the department's intent to initiate the audit; and

(B) Provide the school district or the education service district with the opportunity to provide to the department any information related to the subject of the audit.

(c) Following the review of any information provided under paragraph (b) of this subsection, the department may:

(A) Decline to proceed with the audit; or

(B) Cause the audit to be conducted.

(2) For the purpose of causing an audit to be conducted as authorized by this section, the department may enter into a contract with:

(a) The Secretary of State in accordance with ORS 297.210; or

(b) If the Secretary of State is unable or unwilling to conduct the audit, a private entity.

(3)(a) If the Secretary of State conducts the audit, the school district or education service district may be charged for a portion of the costs incurred for the audit as provided by ORS 297.210.

(b) If a private entity conducts an audit, the Department of Education may charge the school district or education service district for a portion of the costs incurred for the audit.

(4) A copy of an audit conducted as provided by this section must be forwarded to the Department of Education and to any other entity identified by the department in accordance with rules adopted by the State Board of Education.

The State Board of Education has provided through OAR 581-023-0036 factors that Department is required to follow in determining whether to initiate an audit under ORS 327.141:

581-023-0036

Factors for when audit initiated by Department

(1) Pursuant to ORS 327.141, the Department of Education shall use the following factors to determine whether to initiate a financial audit or a performance audit of a school district or an education service district:

- (a) Total annual expenditures of district.
- (b) Total full time equivalent employees of district.
- (c) The district's annual financial audit, including any findings it contains.
- (d) Any other audits, reviews or reports indicating inappropriate, inefficient or ineffective operations or business practices at one or more school districts or education service districts.
- (e) A request from the Governor.
- (f) A request from a member or committee of the Oregon Legislature.
- (g) A request from a school district or education service district.
- (h) A request from a member of the public.

(2) The Department shall weigh these factors when determining whether to initiate an audit.

(3) The Department shall forward a copy of any audit conducted as provided in ORS 327.141 to:

- (a) The school district or education service district that is the subject of the audit;
- (b) The requestor of the audit; and
- (c) Any other entity that either the Department determines would benefit from review of the audit or that has requested a copy of the audit.

Multiple members of the public have raised concerns to the Oregon Department of Education about the administration of the Alsea School District and have requested that the Department initiate an audit. After reviewing these concerns we believe that the following may rise to the level of a financial or performance audit:

Type of Audit	Allegation/Concern	School District response
Financial	Actual student enrollment was significantly different from forecast which may put the district in a negative financial situation of approximately \$1.3 million.	
Performance or financial	A former school board chair supervised the executive assistant who was the chair's spouse. In the Learn at Home Program, a mother supervises her daughter.	
Financial	Alsea School District has paid a substantial sum of money to a firm called All Stages Marketing, which is not a firm widely used in the education field, and according to campaign finance records, is also engaged to perform work for former Superintendent Thielman's gubernatorial campaign.	
Performance	Concerns about whether Alsea School District is operating in compliance with Local Budget and Public Contracting Law. There are numerous instances where it is not at all clear to district employees that public contracting processes have been followed or that expenditures are within the parameters of budgets adopted in accordance with Local Budget Law	
Financial	Concerns about the use of District credit cards to ensure they are not being misused.

This notice also provides the District with an opportunity to respond by August 12, 2022. A response may include any measures taken by the district since Superintendent Thielman's departure from the district to address the allegation or concern. Additionally, the district may choose to add areas for audit consideration. The district also is not required at this point in the process to provide ODE with information or a specific response to each allegation or concern.

Additionally, the Secretary of State or contract auditor may add areas to the audit that are discovered during the audit. If you have any questions about this notice or process please contact Cindy Hunt at Cindy.L.Hunt@ode.oregon.gov.

Re: IGA Corvallis School District Foods

Attached is the Intergovernmental Agreement (IGA) with Corvallis School District Food Service Department. I have been negotiating this agreement in good faith with Tara Sanders – Director of CSD Food Services. With the increased costs of food, supplies, labor, etc... this agreement covers the costs for CSD and includes a reimbursement of \$34,383 back to ASD to help cover labor costs. There is a slight increase in adult meal costs, the student meal costs remain free K-12 since our district still qualifies for the Community Eligibility Provision based upon community income and students served. Our school district has a long standing history with CSD providing meal services. I look forward to continuing this relationship until come day the district is hopefully in the place to become a stand alone food service program.

MEMO

Date: 7/7/22

To: Board of Directors

From: Sean Gallagher – Acting Superintendent

Re: Personnel Policy Revisions

As a part of the HR Reset project, a number of board policies need to be updated, sooner than later. I will review each of these policies below to help explain as to why these changes are necessary, some are simply to comply with recent legal changes. Keep in mind that any section with brackets [] indicates this language is only recommended by OSBA, not required. The board has full dominion over this language. All other language reflects state laws referenced at the end of the policy and can't be changed. I recommend that the board approves as a first reading any new policies, then conducts a final approval during the second reading. The board can choose to go to a third reading if further research and time for consideration is needed. I do not recommend going past three readings before a policy is approved.

BP GAA – Personnel Definitions

This policy update is vitally important as the district current maintains Coordinator, Manager, and Specialist categories as a part of the administrative salary schedule. It is important that these allocations are actually used following board and state definitions. The policy upgrade includes:

1. An expanded definition of “administrator” to include Oregon administrative licensure
2. Restricts classified definitions to only regular, part-time, and temporary. I recommend that the board adopts all bracketed language under “Classified Personnel”
3. Supervisory employees – eliminates reference to nurses
4. Confidential employees – further defines the definition and references the ORS

BP GCN/GDN – Evaluation of Staff

This policy brings the district into compliance with current state law in regards to staff evaluations. The highlights of the policy include:

1. Reference to core teaching standards set by Oregon State Board of Education and the Oregon Framework for Teacher and Administrator Evaluation and Support systems. All evaluation systems used by the district must comply with these standards.
2. The remainder of the policy simply defines in detail the requirements referenced in #1 above

BP GB – General Personnel Policies

This policy reflects current best practices associated with hiring employees. It reinforces that districts are obligated to hire the best qualified person for the job....period. If a district does not do this and hires in accordance to favoritism and/or other inappropriate standards, it would violate this policy and subject the district to liabilities. Highlights include:

1. Advertising requirements
2. To whom to direct applications and who supervises the process I recommend [personnel] office for applications and the [superintendent] to supervise the process
3. Indicates that licensed hires are to be board approved and the [superintendent] handles all classified hires
4. The superintendent will establish [guidelines] regarding the process. This is usually defined in a staff and/or HR handbook.

BP GD – Classified Staff/Classified Staff Positions

This policy simply reinforces the definition of a classified employee under current laws referenced at the end of the policy.

BP GAB – Job Descriptions

This policy is crucial to be updated as the district is revising and reauthoring job descriptions. I recommend that the board approves “Job Descriptions for the [Alsea School District]” be adopted. I also recommend that the district reviews [annually] all job descriptions. This should be a natural part of the annual evaluation process where the job description is reviewed with each employee to further define job duties and any updates that need to be reflected.

Personnel: Definitions *

“Licensed employees” are those holding a position that requires a license issued by the state Teacher Standards and Practices Commission (TSPC).

1. A “teacher” is an employee who holds a teacher’s license or is registered to teach by TSPC.
2. A “contract teacher” is any teacher who has been regularly employed by a district for a probationary period of not more than three successive school years and who has been retained for the next succeeding school year.
3. A “probationary teacher” is one who is not a contract teacher and who is employed for at least 135 consecutive days in any school year as a teacher in the district. At least 30 consecutive days of employment in the district in a successive year shall be sufficient to keep the service intact, and the teacher shall not lose credit for previous probationary years served.
4. A “temporary teacher” is any teacher employed to fill a position designated as temporary or experimental or to fill a vacancy that occurs after the opening of school because of unanticipated enrollment or the death, disability, retirement, resignation, contract non-extension or dismissal of a contract or probationary teacher.
5. A “substitute teacher” is any teacher employed to take the place of a probationary or contract teacher who is temporarily absent. A substitute teacher is employed on a day-to-day basis, without contract, and does the work of the regularly assigned teacher during the latter’s absence from duty.
[Substitutes will not be eligible for fringe benefits and will be paid at a rate established annually by the Board in accordance with the provisions of Oregon law.]
6. An “intern teacher” is a regularly enrolled candidate of an approved educator preparation provider, who teaches under the supervision of the staff of the provider and of the employing district, in order to acquire practical experience in teaching. The intern teacher receives both academic credit from the provider and financial compensation from the district or education service district.
7. An “administrator” is an employee who holds a valid Oregon administrative license or registration and who works in a position requiring an administrative license. An administrator includes, but is not limited to, all superintendents, assistant superintendents, principals and academic program directors in public schools or education service districts, who have direct responsibility for supervision or evaluation of licensed teachers and who are compensated for their services with public funds.
8. A “specialist” is an employee who has a teaching license or a letter of authorization from the Oregon Department of Education and who is employed half-time or more.

Evaluation of Staff *

An effective evaluation program is essential to a quality educational program. It is an important tool to determine the current level of a teacher's performance of the teaching responsibilities. It is also an important assessment of classified employees and current performance of their job assignments. Under Board policy, administrators are charged with the responsibility of evaluating the staff. An evaluation program provides a tool for supervisors who are responsible for making decisions about promotion, demotion, contract extension, contract non-extension, contract renewal or non-renewal, dismissal and discipline.

Licensed Staff

The evaluations for licensed staff shall be based on the core teaching standards adopted by the Oregon State Board of Education. The standards shall be customized based on collaborative efforts with teachers and any exclusive representatives of the licensed staff.

Evaluation and support systems established by the district for teachers must be designed to meet or exceed the requirements defined in the Oregon Framework for Teacher and Administrator Evaluation and Support Systems, including:

1. Four performance level ratings of effectiveness;
2. Classroom-level student learning and growth goals set collaboratively between the teacher and the evaluator;
3. Consideration of multiple measures of teacher practice and responsibility which may include, but are not limited to:
 - a. Classroom-based assessments including observations, lesson plans and assignments;
 - b. Portfolios of evidence;
 - c. Supervisor reports; and
 - d. Self-reflections and assessments.
4. Consideration of evidence of student academic growth and learning based on multiple measures of student progress, including performance data of students, that is both formative and summative. Evidence may also include other indicators of student success;
5. A summative evaluation method for considering multiple measures of professional practice, professional responsibilities and student learning and growth to determine the teacher's professional growth path;
6. Customized by each district, which may include individualized weighting and application of standards.

General Personnel Policies *

The quality of the professional and support staff is of primary importance in achieving the district's educational objectives. In filling any licensed or classified position, the district will seek out and appoint the best qualified person available for the position.

* Notice of all regular job openings will be available to current staff members. Vacant positions may also be advertised through professional and institutional placement agencies, appropriate employment agencies, and general and specialized media.

Applications or inquiries concerning job openings will be directed to the [personnel] office on standard district application forms. The selection process will be coordinated and supervised by the [], with the involvement of other appropriate administrators and supervisors.

Each candidate selected for a position with the district must possess or demonstrate eligibility for any license or permit required to fill the position. In addition, the individual must be insurable by the district's insurance carrier for any position requiring liability insurance coverage or bonding.

In accordance with Oregon law, the district may require any candidate, as a condition of employment, to hold a current, recognized first-aid card. A current employee required to hold a card will obtain it within 90 days from the date the district gives notification.

The superintendent will recommend candidates to fill licensed positions for Board approval. The [superintendent] will hire all classified employees, substitutes and part-time personnel as needed.

* Personnel selected for employment will be notified in writing following Board approval. This notification will specify the assignment, the job classification, the salary or hourly rate, the length of the workweek and the length of the assignment. Unsuccessful applicants [who were interviewed] will be notified.

Initial assignments of staff will be made by the superintendent or designee.

The superintendent will establish [rules] [guidelines] governing the recruitment, selection and employment of personnel in accordance with this policy.

Attached is the grant agreement we received from the State of Oregon regarding recruitment and retention of educators. We have been working with this grant for awhile, the dollars will be allocated specifically to the teacher mentor/mentee program, HR Reset, and the instructional coach position. This grant will provide meaningful outcomes that will promote consistency of staffing now and in the future. I recommend the board approve this grant.

7.2.1 Agency has received sufficient funding, appropriations, expenditure limitation, allotments or other necessary expenditure authorizations to allow Agency, in the exercise of its reasonable administrative discretion, to make the disbursement from the Funding Source;

- 7.2.2 No default as described in Section 15 has occurred; and
- 7.2.3 Grantee's representations and warranties set forth in Section 8 are true and correct on the date of disbursement(s) with the same effect as though made on the date of disbursement.
- 7.3 **No Duplicate Payment.** Grantee may use other funds in addition to the Grant Funds to complete the Project; provided, however, the Grantee may not credit or pay any Grant Funds for Project costs that are paid for with other funds and would result in duplicate funding.
- 7.4 **Suspension of Funding and Project.** Agency may by written notice to Grantee, temporarily cease funding and require Grantee to stop all, or any part, of the Project dependent upon Grant Funds for a period of up to 180 days after the date of the notice, if Agency has or reasonably projects that it will have insufficient funds from the Funding Source to disburse the full amount of the Grant Funds. Upon receipt of the notice, Grantee must immediately cease all Project activities dependent on Grant Funds, or if that is impossible, must take all necessary steps to minimize the Project activities allocable to Grant Funds.

If Agency subsequently projects that it will have sufficient funds, Agency will notify Grantee that it may resume activities. If sufficient funds do not become available, Grantee and Agency will work together to amend this Grant to revise the amount of Grant Funds and Project activities to reflect the available funds. If sufficient funding does not become available or an amendment is not agreed to within a period of 180 days after issuance of the notice, Agency will either (i) cancel or modify its cessation order by a supplemental written notice or (ii) terminate this Grant as permitted by either the termination at Agency's discretion or for cause provisions of this Grant.

SECTION 8: REPRESENTATIONS AND WARRANTIES

- 8.1 **Organization/Authority.** Grantee represents and warrants to Agency that:
 - 8.1.1 Grantee is School District duly organized and validly existing;
 - 8.1.2 Grantee has all necessary rights, powers and authority under any organizational documents and under Oregon Law to (i) execute this Grant, (ii) incur and perform its obligations under this Grant, and (iii) receive financing, including the Grant Funds, for the Project;
 - 8.1.3 This Grant has been duly executed by Grantee and when executed by Agency, constitutes a legal, valid and binding obligation of Grantee enforceable in accordance with its terms;
 - 8.1.4 If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and
 - 8.1.5 There is no proceeding pending or threatened against Grantee before any court or governmental authority that if adversely determined would materially adversely affect the

Project or the ability of Grantee to carry out the Project.

- 8.2 False Claims Act.** Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any “claim” (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a “false claim” (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges in addition to the remedies under Section 16, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Grantee.
- 8.3 No limitation.** The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: OWNERSHIP

- 9.1 Intellectual Property Definitions.** As used in this Section and elsewhere in this Grant, the following terms have the meanings set forth below:
- “Third Party Intellectual Property” means any intellectual property owned by parties other than Grantee or Agency.
- “Work Product” means every invention, discovery, work of authorship, trade secret or other tangible or intangible item Grantee is required to create or deliver as part of the Project, and all intellectual property rights therein.
- 9.2 Grantee Ownership.** Grantee must deliver copies of all Work Product as directed in Exhibit A. Grantee retains ownership of all Work Product, and grants Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, to reproduce, to prepare derivative works based upon, to distribute, to perform and to display the Work Product, to authorize others to do the same on Agency’s behalf, and to sublicense the Work Product to other entities without restriction.
- 9.3 Third Party Ownership.** If the Work Product created by Grantee under this Grant is a derivative work based on Third Party Intellectual Property, or is a compilation that includes Third Party Intellectual Property, Grantee must secure an irrevocable, non-exclusive, perpetual, royalty-free license allowing Agency and other entities the same rights listed above for the pre-existing element of the Third party Intellectual Property employed in the Work Product. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires Agency or the United States to own the intellectual property in the Work Product, then Grantee must execute such further documents and instruments as Agency may reasonably request in order to make any such grant or to assign ownership in such intellectual property to the United States or Agency.

SECTION 10: CONFIDENTIAL INFORMATION

- 10.1 Confidential Information Definition.** Grantee acknowledges it and its employees or agents may,

in the course of performing its responsibilities, be exposed to or acquire information that is: (i) confidential to Agency or Project participants or (ii) the disclosure of which is restricted under federal or state law, including without limitation: (a) personal information, as that term is used in ORS 646A.602(12), (b) social security numbers, and (c) information protected by the federal Family Educational Rights and Privacy Act under 20 USC § 1232g (items (i) and (ii) separately and collectively “Confidential Information”).

- 10.2 Nondisclosure.** Grantee agrees to hold Confidential Information as required by any applicable law and in all cases in strict confidence, using at least the same degree of care Grantee uses in maintaining the confidentiality of its own confidential information. Grantee may not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties, or use Confidential Information except as is allowed by law and for the Project activities and Grantee must advise each of its employees and agents of these restrictions. Grantee must assist Agency in identifying and preventing any unauthorized use or disclosure of Confidential Information. Grantee must advise Agency immediately if Grantee learns or has reason to believe any Confidential Information has been, or may be, used or disclosed in violation of the restrictions in this Section. Grantee must, at its expense, cooperate with Agency in seeking injunctive or other equitable relief, in the name of Agency or Grantee, to stop or prevent any use or disclosure of Confidential Information. At Agency’s request, Grantee must return or destroy any Confidential Information. If Agency requests Grantee to destroy any Confidential Information, Grantee must provide Agency with written assurance indicating how, when and what information was destroyed.
- 10.3 Identity Protection Law.** Grantee must have and maintain a formal written information security program that provides safeguards to protect Confidential Information from loss, theft, and disclosure to unauthorized persons, as required by the Oregon Consumer Information Protection Act, ORS 646A.600-646A.628. If Grantee or its agents discover or are notified of a potential or actual “Breach of Security”, as defined by ORS 646A.602(1)(a), or a failure to comply with the requirements of ORS 646A.600-628, (collectively, “Breach”) with respect to Confidential Information, Grantee must promptly but in any event within one calendar day (i) notify the Agency Grant Manager of such Breach and (ii) if the applicable Confidential Information was in the possession of Grantee or its agents at the time of such Breach, Grantee must (a) investigate and remedy the technical causes and technical effects of the Breach and (b) provide Agency with a written root cause analysis of the Breach and the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not recur. For the avoidance of doubt, if Agency determines notice is required of any such Breach to any individual(s) or entity(ies), Agency will have sole control over the timing, content, and method of such notice, subject to Grantee’s obligations under applicable law.
- 10.4 Subgrants/Contracts.** Grantee must require any subgrantees, contractors or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this Section.
- 10.5 Background Check.** If requested by Agency and permitted by law, Grantee’s employees, agents, contractors, subcontractors, and volunteers that perform Project activities must agree to submit to

a criminal background check prior to performance of any Project activities or receipt of Confidential Information. Background checks will be performed at Grantee's expense. Based on the results of the background check, Grantee or Agency may refuse or limit (i) the participation of any Grantee employee, agent, contractor, subgrantee, or volunteer, in Project activities or (ii) access to Agency Personal Information or Grantee premises.

SECTION 11: INDEMNITY/LIABILITY

- 11.1 Indemnity.** Grantee must defend, save, hold harmless, and indemnify the State of Oregon and Agency and their officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including attorneys' fees, resulting from, arising out of, or relating to the activities of Grantee or its officers, employees, subgrantees, contractors, subcontractors, or agents under this Grant (each of the foregoing individually or collectively a "Claim" for purposes of this Section). If legal limitations apply to the indemnification ability of Grantee, this indemnification must be for the maximum amount of funds available for expenditure, including any available contingency funds, insurance, funds available under ORS 30.260 to 30.300 or other available non-appropriated funds.
- 11.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon's interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 11.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other indirect damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither Party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

SECTION 12: INSURANCE

- 12.1 Private Insurance.** If Grantee is a private entity, or if any contractors, subcontractors, or subgrantees used to carry out the Project are private entities, Grantee and any private contractors, subcontractors or subgrantees must obtain and maintain insurance covering Agency in the types and amounts indicated in Exhibit B.
- 12.2 Public Body Insurance.** If Grantee is a "public body" as defined in ORS 30.260, Grantee agrees to

insure any obligations that may arise for Grantee under this Grant, including any indemnity obligations, through (i) the purchase of insurance as indicated in Exhibit B or (ii) the use of self-insurance or assessments paid under ORS 30.282 that is substantially similar to the types and amounts of insurance coverage indicated on Exhibit B, or (iii) a combination of any or all of the foregoing.

SECTION 13: GOVERNING LAW, JURISDICTION

This Grant is governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively “Claim”) between Agency or any other agency or department of the State of Oregon, or both, and Grantee that arises from or relates to this Grant must be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event may this Section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, to or from any Claim or from the jurisdiction of any court. GRANTEE, BY EXECUTION OF THIS GRANT, HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF SUCH COURTS.

SECTION 14: ALTERNATIVE DISPUTE RESOLUTION

The Parties should attempt in good faith to resolve any dispute arising out of this Grant. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Grant. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. Each Party will bear its own costs incurred for any mediation or non-binding arbitration.

SECTION 15: DEFAULT

- 15.1 Grantee.** Grantee will be in default under this Grant upon the occurrence of any of the following events:
- 15.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe or discharge any of its covenants, agreements or obligations under this Grant;
 - 15.1.2** Any representation, warranty or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds or the performance by Grantee is untrue in any material respect when made; or
 - 15.1.3** A petition, proceeding or case is filed by or against Grantee under any federal or state bankruptcy, insolvency, receivership or other law relating to reorganization, liquidation, dissolution, winding-up or adjustment of debts; in the case of a petition filed against Grantee,

Grantee acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal; or Grantee becomes insolvent or admits its inability to pay its debts as they become due, or Grantee makes an assignment for the benefit of its creditors.

- 15.2 Agency.** Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 16: REMEDIES

- 16.1 Agency Remedies.** In the event Grantee is in default under Section 15.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 18.2, (ii) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right of recovery of overpayments under Section 17 of this Grant or setoff, or both, or (vi) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.
- 16.2 Grantee Remedies.** In the event Agency is in default under Section 15.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

SECTION 17: WITHHOLDING FUNDS, RECOVERY

Agency may withhold from disbursements of Grant Funds due to Grantee, or Grantee must return to Agency within 30 days of Agency's written demand:

- 17.1** Any Grant Funds paid to Grantee under this Grant, or payments made under any other agreement between Agency and Grantee, that exceed the amount to which Grantee is entitled;
- 17.2** Any Grant Funds received by Grantee that remain unexpended or contractually committed for payment of the Project at the end of the Performance Period;
- 17.3** Any Grant Funds determined by Agency to be spent for purposes other than allowable Project activities; or
- 17.4** Any Grant Funds requested by Grantee as payment for deficient activities or materials.

SECTION 18: TERMINATION

18.1 Mutual. This Grant may be terminated at any time by mutual written consent of the Parties.

18.2 By Agency. Agency may terminate this Grant as follows:

18.2.1 At Agency's discretion, upon 30 days advance written notice to Grantee;

18.2.2 Immediately upon written notice to Grantee, if Agency fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient in Agency's reasonable administrative discretion, to perform its obligations under this Grant;

18.2.3 Immediately upon written notice to Grantee, if federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that Agency's performance under this Grant is prohibited or Agency is prohibited from funding the Grant from the Funding Source; or

18.2.4 Immediately upon written notice to Grantee, if Grantee is in default under this Grant and such default remains uncured 15 days after written notice thereof to Grantee.

18.3 By Grantee. Grantee may terminate this Grant as follows:

18.3.1 If Grantee is a governmental entity, immediately upon written notice to Agency, if Grantee fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to perform its obligations under this Grant.

18.3.2 If Grantee is a governmental entity, immediately upon written notice to Agency, if applicable laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project activities contemplated under this Grant are prohibited by law or Grantee is prohibited from paying for the Project from the Grant Funds or other planned Project funding; or

18.3.3 Immediately upon written notice to Agency, if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.

18.4 Cease Activities. Upon receiving a notice of termination of this Grant, Grantee must immediately cease all activities under this Grant, unless Agency expressly directs otherwise in such notice. Upon termination, Grantee must deliver to Agency all materials or other property that are or would be required to be provided to Agency under this Grant or that are needed to complete the Project activities that would have been performed by Grantee.

SECTION 19: MISCELLANEOUS

19.1 Conflict of Interest. Grantee by signature to this Grant declares and certifies the award of this Grant and the Project activities to be funded by this Grant, create no potential or actual conflict of interest, as defined by ORS Chapter 244, for a director, officer or employee of Grantee.

19.2 Nonappropriation. Agency's obligation to pay any amounts and otherwise perform its duties under this Grant is conditioned upon Agency receiving funding, appropriations, limitations,

allotments, or other expenditure authority sufficient to allow Agency, in the exercise of its reasonable administrative discretion, to meet its obligations under this Grant. Nothing in this Grant may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of Agency.

- 19.3 Amendments.** The terms of this Grant may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.
- 19.4 Notice.** Except as otherwise expressly provided in this Grant, any notices to be given under this Grant must be given in writing by email, personal delivery, or postage prepaid mail, to a Party's Grant Manager at the physical address or email address set forth in this Grant, or to such other addresses as either Party may indicate pursuant to this Section. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system.
- 19.5 Survival.** All rights and obligations of the Parties under this Grant will cease upon termination of this Grant, other than the rights and obligations arising under Sections 11, 13, 14, 16, 17 and subsection 19.5 hereof and those rights and obligations that by their express terms survive termination of this Grant; provided, however, termination of this Grant will not prejudice any rights or obligations accrued to the Parties under this Grant prior to termination.
- 19.6 Severability.** The Parties agree if any term or provision of this Grant is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Grant did not contain the particular term or provision held to be invalid.
- 19.7 Counterparts.** This Grant may be executed in several counterparts, all of which when taken together constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Grant so executed constitutes an original.
- 19.8 Compliance with Law.** In connection with their activities under this Grant, the Parties must comply with all applicable federal, state and local laws.
- 19.9 Intended Beneficiaries.** Agency and Grantee are the only parties to this Grant and are the only parties entitled to enforce its terms. Nothing in this Grant provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Grant.
- 19.10 Assignment and Successors.** Grantee may not assign or transfer its interest in this Grant without the prior written consent of Agency and any attempt by Grantee to assign or transfer its interest in this Grant without such consent will be void and of no force or effect. Agency's consent to Grantee's assignment or transfer of its interest in this Grant will not relieve Grantee of any of its duties or obligations under this Grant. The provisions of this Grant will be binding upon and inure to the benefit of the Parties hereto, and their respective successors and permitted assigns.

- 19.11 Subgrants.** Grantee may not, without Agency's prior written consent, enter into any subgrants for any of the Project activities required of Grantee under this Grant. Agency's consent to any subgrant will not relieve Grantee of any of its duties or obligations under this Grant.
- 19.12 Time of the Essence.** Time is of the essence in Grantee's performance of the Project activities under this Grant.
- 19.13 Records Maintenance and Access.** Grantee must maintain all financial records relating to this Grant in accordance with generally accepted accounting principles. In addition, Grantee must maintain any other records, whether in paper, electronic or other form, pertinent to this Grant in such a manner as to clearly document Grantee's performance. All financial records and other records, whether in paper, electronic or other form, that are pertinent to this Grant, are collectively referred to as "Records." Grantee acknowledges and agrees Agency and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. Grantee must retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Grant, or until the conclusion of any audit, controversy or litigation arising out of or related to this Grant, whichever date is later.
- 19.14 Headings.** The headings and captions to sections of this Grant have been inserted for identification and reference purposes only and may not be used to construe the meaning or to interpret this Grant.
- 19.15 Grant Documents.** This Grant consists of the following documents, which are incorporated by this reference and listed in descending order of precedence:
- This Grant less all exhibits
 - Exhibit A (the "Project")
 - Exhibit B (Insurance)
- 19.16 Merger, Waiver.** This Grant and all exhibits and attachments, if any, constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Grant. No waiver or consent under this Grant binds either Party unless in writing and signed by both Parties. Such waiver or consent, if made, is effective only in the specific instance and for the specific purpose given.

SECTION 20: SIGNATURES

EACH PARTY, BY SIGNATURE OF ITS AUTHORIZED REPRESENTATIVE, HEREBY ACKNOWLEDGES IT HAS READ THIS GRANT, UNDERSTANDS IT, AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS. The Parties further agree that by the exchange of this Grant electronically, each has agreed to the use of electronic means, if applicable, instead of the exchange of physical documents and manual signatures. By inserting an electronic or manual signature below, each authorized representative acknowledges that it is their signature, that each intends to execute this Grant, and

EXHIBIT A THE PROJECT

SECTION I. BACKGROUND AND GOALS

Section 7 of HB 4030 provides \$78,127,971.00 in grants to support retention and recruitment of education personnel across Oregon. The legislative and executive intent for the funds is to use them for strategies identified and prioritized through involvement of school personnel to:

- Address high need specialties and workforce shortage areas for both classified and licensed staff, including non-instructional staff;
- Build on existing efforts which address root causes of workforce attrition while responding to urgent needs; and
- Diversify the workforce, as well as ensure every educator and staff member can meet the academic and well-being needs of students, particularly students from historically and persistently underserved groups.

SECTION II. PROJECT ACTIVITIES, SCHEDULE, AND BUDGET

Agency will disburse Grant Funds only for the costs of Project activities that occur, including expenses incurred, during the Performance Period.

Upon receipt of a fully executed grant agreement, the Grantee may claim up to 85% of their awarded grant funds.

Upon the completion of all final reporting requirements, the remaining 15% of funds may be claimed. If a district fails to provide the required final reporting, then all grant funds will be required to be returned to the Agency.

All funds will be distributed through ODE's Electronic Grant Management System (EGMS).

April 15, 2022:	Grant start date.
June 30, 2023:	Grant end date. All goods and services bought with grant funds must be received.
July 31, 2023:	Last day to claim funds from ODE in EGMS.

The Grantee shall expend the funds in alignment with the categories listed below and demonstrate the use of an equity lens in making budget decisions. The Grantee shall select the category/categories based on the local needs as informed by personnel needs and analysis of local workforce data. More information on these categories can be found in the Grant Parameters document at

<https://www.oregon.gov/ode/schools-and-districts/grants/Documents/Education%20Staff%20Retention%20Grant/Education%20Staff%20Retention%20Grant%20Parameters%204.20.22.pdf>.

2. Reducing persistent local workforce shortages
3. Supportive working conditions
4. Local or regional career pathways
5. Education pre-service and in-service training
6. New staff support
7. School-level structural conditions

Grantee shall expend funds to implement the plan submitted to and approved by ODE in the grant application. Grantee must get prior approval from ODE if the grantee needs to create a new plan due to unforeseen circumstances.

Indirect/Administrative Costs. Grantee will not be reimbursed for any indirect or administrative costs with Grant Funds. The information described in this paragraph overrides any other verbal or written rate(s) or information provided by Agency, including in any notice of award provided by Agency's Electronic Grants Management System ("EGMS").

SECTION III. ACCESSIBILITY

Worldwide Web Accessibility. If, as part of the Project, Grantee develops data or information that will be displayed or accessed through an Agency public website or world-wide web application (the "Content"), Grantee must comply with Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. 794d), as amended by the Workforce Investment Act of 1998 (P.L. 105-220), and provide individuals with disabilities access to and use of the Content in the website or application that is comparable to the access provided to individuals without disabilities. Grantee must design and format Content that meets at least the following standards, including as the standards are updated or replaced by subsequent versions (collectively, "Mandatory Standard"):

- The Web Accessibility Initiative Accessible Rich Internet Applications Suite (WAI-ARIA) 1.0;
- The World Wide Web Consortium's (W3C's) Web Content Accessibility Guidelines (WCAG) 2.0 Level AA for web content, including as each is updated (Mandatory Standard);
- The web accessibility evaluation tool (WAVE), found at: <http://wave.webaim.org/extension/>
- Content to be posted on the web must be checked and made compliant using the tool available at <https://www.webaccessibility.com/>
- PDF files must comply with: <http://webaim.org/techniques/acrobat/>
- Word files must comply with: <http://webaim.org/techniques/word/>
- PPT files must comply with: <http://webaim.org/techniques/powerpoint/>
- Excel files must comply with: <https://webaim.org/techniques/excel/>

Testing. Grantee must test all Content prior to submission to Agency to ensure it meets the Mandatory Standard. Agency will test the web or application to validate the Content meets the Mandatory Standards, including a manual validation review of the Content against the current W3 Checklist for Web

Content Accessibility (link included for reference: <https://www.w3.org/TR/1999/WAI-WEBCONTENT-19990505/full-checklist.pdf>). If the Content fails the testing, Agency will notify Grantee and Grantee must remedy any deficiencies as provided in Section 7.1.3 of this Grant. If Agency determines that previously accepted Content does not meet the Mandatory Standard, Agency may issue a written notice to Grantee to remove the Content. Grantee shall remove Content identified in any such notice within 3 calendar days and take other corrective action specified in the notice.

SECTION IV. PROJECT EVALUATION/REPORTING REQUIREMENTS

The Grantee shall submit a final report with a narrative portion explaining how funds were used in support of their identified strategies. The report will also require some quantitative data from the district, including:

- How many and what types of school personnel were directly impacted through the grant funding; and
- Measurable impacts of the grant funding, such as improved retention rates for certain personnel groups, reduced substitute shortages, or increased job satisfaction among personnel.

Additionally, the Grantee shall provide a financial report of how the funds were spent. The Agency will provide the Grantee with templates for both of these reports. All reports shall be submitted electronically to the Agency using the required templates.

September 1, 2022:	Report templates and requirements posted.
May 1, 2023:	Final narrative and financial reports due to ODE. Please submit to the Agency's Grant Manager at
May 1 – June 30, 2023:	Final reports reviewed and approved by ODE. Grantees submit final claims of remaining funds upon receipt of reports' approval.

SECTION V. DISBURSEMENT PROVISIONS

Agency will disburse the Grant Funds using EGMS. Upon receipt of a fully executed grant agreement, the Agency will provide an initial disbursement of Grant Funds up to 85% of the award amount. The remaining 15% of funds will be released upon the completion of all final reporting requirements. The final disbursements will be only for reimbursement of moneys expended or contractually committed by Grantee for the Project.

With the final request for disbursement, Grantee must submit an expenditure report via email to Agency's Grant Manager identified in Section 4.

EXHIBIT B INSURANCE

INSURANCE REQUIREMENTS

Grantee must obtain at Grantee's expense, and require its first tier contractors and subgrantees, if any, to obtain the insurance specified in this exhibit prior to performing under this Grant, and must maintain it in full force and at its own expense throughout the duration of this Grant, as required by any extended reporting period or continuous claims made coverage requirements, and all warranty periods that apply. Mr. Colt Gill
ODE Director and Deputy Superintendent of Public Instruction
Oregon Department of Education
255 Capitol St NE
Salem, OR 97310

Dear Director Gill:

I have received the official ODE "Notice of potential financial and performance audit". Since I became the Alsea School District (ASD) Acting Superintendent in March 2022 after the mid-year departure of Superintendent Marc Thielman, I have been privy too multiple financial and performance issues that include those documented through public complaint as defined in your letter as well as many other areas that I would like to add to the investigatory list. I welcome ODE's presence since I do believe that ODE has more resources than the district does to fully investigate and correct any areas that need to be addressed.

I am aware of approximately 85% of the listed areas listed in the audit letter and I will have many more to add. I would prefer to discuss these additional areas in a face-to-face meeting with the auditing team. Many staff have expressed concerns over how the district conducted financial expenditures and accountabilities prior to my arrival. The 2022 business manager and I redesigned the entire budgeting process to align with state laws which resulted in presenting a balanced budget for approval in the spring of 2022. Concerns over payroll practices, expenditures, errant contracts, etc... still persist. Many areas that we have found that are out of financial compliance with state laws have been corrected. We do not have the ability to govern campaign finance concerns, we most definitely need ODE's help with this area.

The district is currently in the middle of multiple reset projects. These include:

1. Human Resources (HR) Reset project with the help of an HR consultant secured through the Coalition of Oregon School Administrators (COSA) organization. The district is resetting contracts, job descriptions, salary schedules, classifications, staff handbooks, etc... within this project.
2. Board Policy Reset – the district's board policies are very outdated and do not include current state and federal laws. ASD has contracted with Oregon School Boards Association (OSBA) to help conduct this work. This will bring alignment of policies back to ASD.
3. School Board – The current school board has two newly appointed board members after the last board chair and vice-chair were recalled. The board has contracted with OSBA to provide strategic training to the entire board to help the board conduct efficient and effective board meetings and focus on board business.

4. Division 22 Standards – the district is currently re-evaluating the Division 22 standards requirements and attempting to address current deficiencies. The previous Division 22 standards reports were obviously falsified.
5. Teacher Evaluation – the district currently does not have a teacher evaluation tool that was developed in collaboration with the local union. The district is in the process of starting this work immediately and plans on conducting evaluations in accordance with state law for the 2022-23 school year. Prior years did not include proper teacher evaluations if they even existed.
6. Budget – the district is implementing new checks and balances processes with built in accountabilities to stay within approved budgets. Prior budgets were mismanaged, over expenditures in the 100's of thousands were common. There was not any oversight. These processes are changing, accountabilities will be in place for the 2022-23 school year.
7. Business Manager (BM) – the district has contracted with LBL ESD to provide business manager services for 2022-23. The assigned BM has multiple years of prior experience and is working hard to bring the district into further financial alignment. The district has also contracted with LBL ESD to provide a 2021-22 payroll audit as I have found many payroll practices that do not align with State BOLI laws.
8. Continuous Improvement Plan (CIP) – the district will be fully implementing the ODE designed Aligning for Student Success project during the 2022-23 school year. Any CIP's previously created were not inclusively designed.

The list above includes a small snapshot into the multiple heavy lift projects we are conducting. I look forward to working collaboratively with ODE through the audit. I hope that we will be able to evaluate current district and state practices that need to be redesigned to prevent any non-compliances with state and federal laws in the future for not only ASD, but all state school districts. This district is a very special place. The kids and staff are amazing and deserve the very best education possible. It all starts with solid personnel, policy, budget, and compliance procedures. I look forward to seeing your team soon.

Sincerely,

RE: Notice of potential financial and performance audit

Dear Superintendent Gallagher:

Pursuant to ORS 327.141 and based on factors identified by the State Board of Education by rule, the Department of Education may initiate a financial audit or a performance audit of a school district. Prior to initiating an audit the Department must provide notice to the school district and an opportunity to provide to the Department information related to the subject of the audit.

For your reference we are providing the text of ORS 327.141:

(1)(a) Based on factors identified by the State Board of Education by rule, the Department of Education may initiate a financial audit or a performance audit of a school district or an education service district.

(b) Prior to initiating an audit, the Department of Education shall:

(A) Give notice to the school district or the education service district of the department's intent to initiate the audit; and

(B) Provide the school district or the education service district with the opportunity to provide to the department any information related to the subject of the audit.

(c) Following the review of any information provided under paragraph (b) of this subsection, the department may:

(A) Decline to proceed with the audit; or

(B) Cause the audit to be conducted.

(2) For the purpose of causing an audit to be conducted as authorized by this section, the department may enter into a contract with:

(a) The Secretary of State in accordance with ORS 297.210; or

(b) If the Secretary of State is unable or unwilling to conduct the audit, a private entity.

(3)(a) If the Secretary of State conducts the audit, the school district or education service district may be charged for a portion of the costs incurred for the audit as provided by ORS 297.210.

(b) If a private entity conducts an audit, the Department of Education may charge the school district or education service district for a portion of the costs incurred for the audit.

(4) A copy of an audit conducted as provided by this section must be forwarded to the Department of Education and to any other entity identified by the department in accordance with rules adopted by the State Board of Education.

The State Board of Education has provided through OAR 581-023-0036 factors that Department is required to follow in determining whether to initiate an audit under ORS 327.141:

581-023-0036

Factors for when audit initiated by Department

(1) Pursuant to ORS 327.141, the Department of Education shall use the following factors to determine whether to initiate a financial audit or a performance audit of a school district or an education service district:

- (a) Total annual expenditures of district.
- (b) Total full time equivalent employees of district.
- (c) The district's annual financial audit, including any findings it contains.
- (d) Any other audits, reviews or reports indicating inappropriate, inefficient or ineffective operations or business practices at one or more school districts or education service districts.
- (e) A request from the Governor.
- (f) A request from a member or committee of the Oregon Legislature.
- (g) A request from a school district or education service district.
- (h) A request from a member of the public.

(2) The Department shall weigh these factors when determining whether to initiate an audit.

(3) The Department shall forward a copy of any audit conducted as provided in ORS 327.141 to:

- (a) The school district or education service district that is the subject of the audit;
- (b) The requestor of the audit; and
- (c) Any other entity that either the Department determines would benefit from review of the audit or that has requested a copy of the audit.

Multiple members of the public have raised concerns to the Oregon Department of Education about the administration of the Alsea School District and have requested that the Department initiate an audit. After reviewing these concerns we believe that the following may rise to the level of a financial or performance audit:

Type of Audit	Allegation/Concern	School District response
Financial	Actual student enrollment was significantly different from forecast which may put the district in a negative financial situation of approximately \$1.3 million.	
Performance or financial	A former school board chair supervised the executive assistant who was the chair's spouse. In the Learn at Home Program, a mother supervises her daughter.	
Financial	Alsea School District has paid a substantial sum of money to a firm called All Stages Marketing, which is not a firm widely used in the education field, and according to campaign finance records, is also engaged to perform work for former Superintendent Thielman's gubernatorial campaign.	
Performance	Concerns about whether Alsea School District is operating in compliance with Local Budget and Public Contracting Law. There are numerous instances where it is not at all clear to district employees that public contracting processes have been followed or that expenditures are within the parameters of budgets adopted in accordance with Local Budget Law	
Financial	Concerns about the use of District credit cards to ensure they are not being misused.	

Oregon Department of Education

This notice also provides the District with an opportunity to respond by August 12, 2022. A response may include any measures taken by the district since Superintendent Thielman's departure from the district to address the allegation or concern. Additionally, the district may choose to add areas for audit consideration. The district also is not required at this point in the process to provide ODE with information or a specific response to each allegation or concern.

Additionally, the Secretary of State or contract auditor may add areas to the audit that are discovered during the audit. If you have any questions about this notice or process please contact Cindy Hunt at Cindy.L.Hunt@ode.oregon.gov.

Superintendent Gallagher.

I am writing to you in support of hiring Kristina Severns as our new 1st grade teacher. I have had the opportunity to have both an informal phone conversation and a formal interview with 4th grade teacher Eleanor Jones participating, and feel that Kristina Severns is the person for the job here at Alsea School.

Kristina comes to us with extensive experience in both private and public elementary education with stops in New Mexico and Southern Oregon. She represented herself as a strong professional and her references were glowing in support of her fit for this position.

In short, I believe we have found the next strong fit for our team!

Please let me know if you need any more information or have questions.

Respectfully submitted,

Eric S. Clendenin

We strongly recommend the hire of Brenda Ballinger for our 1st grade teaching position. She is a very experienced online teacher, who did very well in the interview. She comes strongly recommended from both Cheryl Doe and Heather Shunk who have worked around each other in former districts.

Thank you for consideration

Tim
