BOARD COMMITMENTS TO COMMUNITY PARTNERSHIP

2021-2022 SCHOOL YEAR

PURPOSE:

The Board believes that the best interests of the district are served when district Stakeholders (all residents within the district, including students, parents, staff, and community members) and board members work together toward school improvement. The Board recognizes the importance of being responsive to Stakeholders. As publicly elected officials, the Board serves the community. The Board must therefore work with Stakeholders while we establish the mission and direction of the district.

The Board welcomes input from and collaboration with Stakeholders, whose interests and concerns contribute to the district's health and stability.

For the purpose of encouraging and enhancing communication, accountability, and public trust between members of the Board and the district Stakeholders, we, the members of the Board of Education do hereby publicly commit ourselves collectively and individually to the following:

COMMITMENTS:

We commit to:

1. Welcoming Stakeholder comments in person, in writing, and virtually at Board of Education meetings, and in person at Listening and Learning Sessions and Community Forums.
2. Being responsive to a Stakeholders' questions and concerns, including those sent by email.
3. Hosting Listening and Learning Sessions between the Board and Stakeholders, at least once each calendar quarter during the school year, except during the third quarter (summer break). During the 2021-2022 year, these sessions will be held on October 18, 2021, January 31, 2022, and April 18, 2022.
4. Participating in Community Forums facilitated by district administration when the district faces new challenges that necessitate explanations of information broadly impacting Stakeholders.
5. Making recordings of Board of Education meetings (with the exception of executive sessions), Listening and Learning Sessions, and Community Forums available online.
6. Encouraging Stakeholder input through public comment in the development or deletion of policies and policy revisions.

**"Serving the needs of all children with rigorous program choices,
high expectations, mutual respect, and excellence in all endeavors."**

7. Anticipating issues that may become important or that are sensitive to the district and to Stakeholders and endeavoring to communicate and engage with Stakeholders on such matters.
8. Continuing to promote the culture of inclusivity and respect for all Stakeholders.
9. Being open-minded and willing to deeply listen to all Stakeholders.
10. Performing our duties as Board of Education members with integrity, truthfulness, honor, and respect for all.

EXPECTATIONS OF STAKEHOLDERS:

The Board requests and expects Stakeholders to continue to engage with both the Board and the district in ways that are truthful, open, honorable, and respectful to all, and to engage in effective communication methods and discussions that are relevant to the subject matter at issue.

SCHOOL BOARD OPERATING AGREEMENT

PURPOSE:

For the purpose of enhancing teamwork among members of the board and between the board and the administration, we, the members of the School District Senior Leadership Team (board and superintendent) do hereby publicly commit ourselves collectively and individually to the following operating protocol:

1. **Don't spring surprises** on other board members or the superintendent. Surprises to the board or the superintendent will be the exception, not the rule. We agree to ask the board chair or the superintendent to place an item on the agenda instead of bringing it up unexpectedly at the meeting.
2. **Communication** between staff and the board is encouraged as long as it follows board policy. The senior leadership team recognizes that "good," "timely," "open" and "constant" communication regarding school district issues is extremely important. We will strive to anticipate issues that may become important or are sensitive to our school district and district stakeholders.
3. **Follow the chain of command.** The last stop, not the first, will be the board. We agree to follow the chain of command and insist that others do so. While the board is eager to listen to its constituents and staff, each inquiry is to be referred to the person who can properly and expeditiously address the issue. Board requests that will likely require considerable time or have political implications are to be directed to the superintendent. All personnel complaints and criticisms received by the board or its individual members will be directed to the superintendent.
4. **Own the collective decision-making process.** The senior leadership team will support decisions made by the board and/or the administrative team once a decision is made. We will support the majority decision(s).
5. **Exemplify the governance role.** The leadership team (board and superintendent) will support the policies our district currently has in place. We will continue to annually study and review policies for effectiveness and appropriately engage key stakeholders in the development or deletion of policies and policy revisions. We will maintain and apply district policies consistently while being cognizant of and recognizing the potential uniqueness of any given situation.
6. **Annually conduct a self-assessment/evaluation.** The board will address its behavior by yearly self-evaluation and by addressing itself to any individual problems, such as poor meeting attendance or disclosure of confidential information.

7. **Clearly state goals.** The board will set clear goals for itself and the superintendent. The board and superintendent will set clear goals for the district.
8. **Utilize CEO input.** The superintendent is the chief executive officer of the senior leadership team and should make recommendations, proposals, or suggestions on most matters that come before the board.
9. **Board acts only as a body.** Individual board members do not have authority. Only the board as a whole has authority. We agree that an individual board member will not take unilateral action. The board chair will communicate the position(s) of the board on controversial issues. When board members serve on various board committees, their role shall be defined by the board as a silent observer or active participant.
10. **Meeting protocol.** Conduct at a board meeting is very important. We desire to have a legacy of a well-functioning, effective board. We agree to avoid words and actions that create a negative impression on an individual, the board, or the district. We will be open-minded and willing to deeply listen to all speakers/presenters. We agree that we can disagree and will do so using common courtesy and respect for others. We will not react to impromptu complaints on the spot but will assure any individual(s) that the school district will follow up.
11. **Avoid marathon board meetings.** To be efficient and effective, long board meetings should be avoided. Points should be made in as few words as possible; speeches at board meetings will be minimal. If a board member believes s/he doesn't have enough information or has questions, either the superintendent or board chair is to be called before the meeting.
12. **Practice efficient decision-making.** Board meetings are for decision-making, action, and votes, not endless discussion. We agree to move to the question when discussion is repetitive.
13. **Speak to agenda issues.** The board will not converse with the audience. We agree to speak to the issues on the agenda and attend to our fellow board members. Facts and information needed from the administration will be referred to the superintendent.
14. **Executive/closed sessions** will be held only for legally appropriate subjects. Executive sessions will be held only when specific needs arise. Board members will be extremely sensitive to the legal ramifications of their meetings and comments.
15. **Children's interests come first.** The board will represent the needs and interests of all the children in our district.

BOARD AND SUPERINTENDENT WORKING AGREEMENTS

October 6, 2020

Purpose:

The Board of Directors is the educational policy making body for Lane ESD. To fulfill the District's mission the Board and Superintendent must function together as a leadership team. BOARD WORKING AGREEMENT (Approved 10/11/21)

The Board Working Agreement should be used as a guide to work together not used negatively against each other.

BOARD MEMBERS WILL:

1. Participate individually and as a board in discussions focused on student achievement, both at Board meetings and through ongoing engaged conversations with the community using common language.
2. Structure board meeting agendas around the Board governance calendar and hold work sessions to facilitate more open and free flowing discussions.
3. Focus on "end results" and respect administrator's authority to provide the "means" for achieving district goals. Avoid falling into problem solving discussions at the operational level when presented with informational material.
4. Be aware of the words and tone of questions. Refer to questions as "Clarifying questions" when there may be uncertainty as to whether the question implies a judgment or direction to the staff by the board member.

6. Encourage staff to provide accurate, complete and timely reports to the board in advance of meetings so Board members can expect well prepared responses to questions.
7. Give staff members the option of responding later when board members ask questions during meetings that staff have not been made aware of ahead of time. Empower staff to say "I'll get back to you with that information" if asked during a public meeting a question they are not prepared to answer.
8. Call in or email questions to the superintendent or board secretary, prior to the meeting so that staff members with the information are present and prepared to answer. This is not intended to limit board members ability to ask questions which come up during board discussion at the meeting; however the techniques above will be used to reduce stress or confusion as to the intent of questions, and allow for the appropriate preparation of responses.
9. Refer individual board member questions or requests for information which involve significant staff time to the superintendent. If denied by the superintendent, the board chair will be notified and the request may be put to a vote of the board.
10. Make board decisions on important issues only after having received critical information. Clarify the difference between items brought to the Board for action vs items which are brought to provide them with information.
11. Respect the confidentiality requirement of board meeting executive sessions and minimize executive sessions except required by law. Understand the majority of the board may vote to release information to the public when allowed by state law.

For the purpose of enhancing teamwork among members of the board and between the board and administration, we, the members of the Mt. Angel School Board and superintendent do hereby publicly commit ourselves collectively and individually to the following operating protocol**.

Priorities (if also addressed in Board Policy, that policy is listed in parentheses):

1. Board members will treat other Board members, the superintendent, staff and the public with dignity and courtesy and will provide an opportunity for all parties to be heard with due respect for their opinions. (BCD, BBF)
2. Members will review essential facts, consider others' ideas, and then present personal opinions during board deliberations but, once the board vote has been taken, support board decisions regardless of how individuals voted.
3. Board members will address issues, ask questions and/or present reasoning during discussions at the meetings to provide complete transparency in district decision- making so that the public understands how the Board reached a particular decision.
4. The Board may establish academic and financial goals for the district and evaluate the superintendent's implementation of those goals.(CBG)
5. Unanticipated controversy or non-agenda items should not be allowed to dominate a well-planned meeting. Because the board requires the most accurate and complete information before decision-making, these issues will be referred to the superintendent and may be placed on a subsequent meeting agenda. (BD/BDA)
6. Board Members will adhere to the provisions of the Public Meeting Law and will minimize Board Member to Board Member conversation and/or deliberation about Board Business outside of posted meetings. (BD/BDA, BDF)
7. Individual board members shall not give directives to any school administrator or employee, publicly or privately. (BG)
8. Board members will respect the privacy rights of individuals when dealing with confidential information gained through association with the district. Board members will keep information discussed in executive session confidential. (BDC)
9. Board members may make announcements about their personal activities related to board work during the board member report agenda period. Announcements made during the board member report agenda period will not be items for discussion. If a board member wishes to propose a topic for board discussion, they may request this be added to the agenda.
10. Board members and district staff will use district email addresses for board business.
11. Board members agree to support the will of the majority in the best interests of the district and student achievement.
12. During the Public Forum portion of meetings, board members will not respond to issues with members of the audience. Only the chair will respond to public comment during the meeting if warranted. (BDDH)

**Mt. Angel School District Policy supersedes all district protocol.

Board of Directors Board Operating Agreement

For the purpose of enhancing teamwork among members of the board, as well as between the board and administration, we, the board and superintendent do hereby publicly commit ourselves individually and collectively to the following operating agreement:

Roles & Responsibilities

1. **Student's interests come first.** The board and superintendent will represent the needs and interest of all the students in our district.
2. **The board will act as ambassadors** to the schools, the community, and the district at all times.
3. **Board members function only as a board; not individually.** Individual board members do not have authority. Only the board as a whole has authority. The board chair will communicate the position of the board on controversial issues. Board members will refrain from obligating the board and/or administration by actual speech or implication, unless authorized to do so by the board.
4. **When addressing complaints or concerns**, the last stop, not the first, will be the board. While the board is open and eager to listen to its constituents and staff, each inquiry is to be referred to the superintendent who will see that the issue is properly and expeditiously addressed.
5. **Own the collective decision-making process.** Once a decision is made, board members, the superintendent, and administrative staff will support the majority decision. Board members shall recognize and respect the superintendent's operational decisions in management of the school district.
6. **Annually conduct a self-assessment/evaluation.** The board will address its behavior by yearly self-evaluation and by addressing itself to any individual problems, such as poor meeting attendance, or leaks of confidential information.
7. **Clearly state goals** for the board and the superintendent. The board and superintendent will set clear goals for the district.

Communication:

8. **Communication between the board and superintendent** is encouraged. The board and superintendent recognizes the importance of good, timely, open and constant communication regarding school district issues. We will strive to anticipate issues which may become important or are sensitive to our school district and district stakeholders. Understand that you will receive information that is confidential and cannot be shared.

9. **The board chair is the designated voice of the board.** The chair represents the collective will of the board to the public, including media. If you are contacted by media, please direct them to the board chair, as well as the district's communications coordinator. If the board is collectively addressed by mail or email, the chair will respond.
10. **Present personal concerns of district operations directly to the superintendent**, not to staff.

Meeting Protocol:

11. **Conduct at a board meeting** is very important and we desire to have a legacy of a well-functioning, effective board. We agree to avoid words and actions that create a negative impression on an individual, the board, or the district. We will be open minded and willing to deeply listen to all speakers and presenters. We will agree we can disagree and will do so using common courtesy and respect for others. We will not react to impromptu complaints on the spot, but will assure any individual(s) that the school district will follow-up.
12. **Don't spring surprises** on other board members or the superintendent. Surprises to the board or the superintendent will be the exception, not the rule. There should be no surprises at board meetings. We agree to ask the board chair or the superintendent to place an item on the agenda instead of bringing it up unexpectedly at the meeting.
13. **Avoid marathon board meetings.** To be efficient and effective, long board meetings must be avoided. Points are to be made in as few words as possible; speeches at board meetings will be minimal and pertinent to the item being discussed. If a board member believes they don't have enough information or has questions, either the superintendent or the board chair is to be called before the meeting.
14. **Agenda items** may be suggested by any board member, staff member, student or patron of the district by notifying the superintendent at least five working days prior to the meeting. The board may amend the agenda to meet the operational needs of the district or to address a topic that is time sensitive in nature.

School Board Norms and Expectations

I. How We Treat Each Other

1. Treat each other, staff, students, and community with respect.
2. Engage with the work - distinguish between board work and staff work.
3. Tie work to the mission, our values and our strategic plan.
4. Make data-informed decisions.
5. Communication with the public is a two-way street.
6. Maintain a culture of learning and curiosity.

II. How We Work with the Superintendent and Staff

The Superintendent is the CEO of our District. The formal role of the Board is to hire, manage, evaluate, and if necessary, fire the Superintendent. When not doing that, we oversee the district budget and set policy and direction for the Board based on our position as elected representatives with the wider community, many of whom have no direct connection to schools.

Contact with Superintendent

The Board chair will meet weekly with the Superintendent, unless another mutually agreeable schedule is agreed to.

Board members are encouraged to have regular meetings with the Superintendent as well. These meetings may be conducted as 1:1 or 2:1 configurations, by mutual agreement and based on the Superintendent's availability and preference.

Contact with Other Board Members

Chair to meet regularly with other Board members, including the student board representatives, to ensure that there are no surprises at a board meeting.

Contact with Board Committees

Chair or a delegated Board member to meet regularly with Board committees.

Contact with Staff

At times, Board members may want or need additional information from a member of faculty or staff (for example, financial information). We will coordinate with the Superintendent on a mutually agreeable arrangement before contacting a member of the staff.

Contact with Community and Student Groups

Chair to meet with staff and other Board members to determine a list of community groups and organizations that a delegated Board member should meet with on a regular basis. The chair should work with the student board representatives to determine student groups that should be included in this list.

Superintendent Evaluation

The Board will annually conduct an evaluation for the Superintendent. The strategic plan shall serve as a basis for evaluation.

Community Relations

As members of the community, Board members should communicate what they are hearing from constituents to the Superintendent in a timely fashion and allow the Superintendent to determine how and what the response should be. Board members should remember that their primary constituents are the (mostly) non-voting students of our schools.

Board members are encouraged to meet with community members and community groups to listen to issues affecting those groups and the community at large and report back to the Superintendent on those issues.

From time to time, Board members may wish to advocate for issues involving school policy and direction. Board members are encouraged to work with fellow Board members and the Superintendent to come to consensus and establish direction where possible.

Board members will not always agree on every issue and may have passionate differences of opinion. They should always be respectful of these differences in both public and private meetings.

To maximize our visibility within the community, Board members are encouraged to attend community meetings (i.e. Neighborhood Associations, Respond to Racism, Rotary, LO for Love). Additionally, Board meetings and town halls should be hosted in locations other than the district board room. Any technological issues around video or live streaming should be addressed and solved.

Responding to Community Inquiries

From time to time, members of the public may contact one or more Board members via in person communication, phone, email, text, or social media. We encourage this communication.

For one-off communications sent to the entire Board, the Board chair should:

- Where a simple acknowledgement reply is appropriate, reply within 24 hours and ensure that all Board members (including student members for non-privileged information) and the Superintendent are included in the reply.
- Where more research or a more complex reply involving coordination with the Superintendent is needed, let the Board and superintendent know that a response is being developed and the timeline for this response.
- Delegate the response to the Superintendent and/or another Board member.

In general, Board members should refrain from replying to individuals addressing the entire Board. There are some exceptions, such as acknowledging a student, or positive acknowledgement of some achievement. For example, if a student sends an email saying that they are forming a club to save narwhals, brief emails from Board members such as “Great job, Hiram!” or “Way to go, Keesha!” would be appropriate. Or if a community member is thanking the Board for building a pool, a short “We couldn’t have done it without you, Mr. Wilson!” would be nice. The Board chair should still be expected to speak on behalf of the Board.

For communications to individual Board members, or to one or two Board members, the response should be forwarded to the chair. The Board member receiving the communication should work with the chair to determine the response.

For formal media communications, always work with the Superintendent and communications staff on responses to media requests.

III. Board “Must Do’s”

1. Participate in OSBA and district onboarding.
2. Complete all mandatory training (such as mandatory reporting rules).
3. Participate in regular OSBA training and development.
4. Learn about public education, financing, and our district.
5. Prioritize attendance at all school board meetings, work sessions, trainings, back to school nights, high school graduations, and more on your personal calendar.
The commitment is big but make time for it.
6. Be visible at other community events, especially school-based events.

7. Participate in community initiatives, such as Respond to Racism, City Council, etc.
8. Participate in annual Board retreat.
9. Conduct an annual self-evaluation.
10. Get communications and administrative support from the district.
11. Review and update these Board norms annually.

IV. Board Development

Things we must build to support our “must-dos”

1. Develop onboarding for new Board members and update it annually.
2. Develop and deliver information education on public education basics and finance for board members. Topics could include things such as the definitions of Title I, 504 and ADMw. The information should be developed and delivered regularly to board members and members of the community to help educate the public and recruit future board members.
3. Develop and maintain a regular calendar cycle for the year.
4. Establish process for Board appointed committees, including selection process, bylaws, and calendar cycle. Tie in our strategic plan to every committee.
5. Work toward development of a district annual report: committee reports, Board norms, etc. consolidated into a single document.

V. Board Meetings

The School Board is the policy making body for the district.

1. Read the packet and all supporting materials ahead of time.
2. Be prepared to speak on a topic if desired. Note that comments on every item is not expected, especially if your comments have been made by another Board member.
3. When receiving presentations from staff or speakers, the chair or a designated Board member can express appreciation on behalf of the Board. Comments and questions from every Board member are not expected, though if a Board member has a specific point, these points should be brief.
4. Comments from student board representatives are welcome for any topic to ensure that student voice is heard.

Board Legal Status

The Constitution of the State of Oregon charges the Legislature with providing by statute for a uniform and general system of common schools. The Legislature enacts laws to delegate the immediate control of the schools to locally elected Boards; thus, the Board is the governing body of the Alsea School District.

Federal and state statutes and State Board of Education rules define and outline the general powers and duties of the Board. The Oregon statutes authorize the Board to transact all business within the jurisdiction of the district, control the district school and educate the students residing in the district. Oregon Administrative Rules establish further requirements and guidelines for districts. The Board's duty is to carry out those statutes and regulations that are mandatory e.g., "The Board shall...;" where the laws are permissive, e.g., "The Board may....," the Board is empowered to exercise judgment and discretion.

This district will be known as the Alsea School District.

The regular term of office for Board members will be four years. The terms of office will commence on the first day of July following regular district elections. The term of office for members appointed to fill a vacancy will be until June 30 following the next regular district election. The term of office for members elected to fill a vacancy will be the time remaining in the vacated Board position.

Members of the Board will adhere to the following in carrying out the responsibilities of membership:

1. Request for Information

Any individual Board member who desires a copy of an existing written report or survey prepared by the administrative staff will make such a request to the superintendent. 2. Requests for Legal Opinions

A request for a legal opinion by a Board member, must be approved by a majority vote of the Board before the request is made to legal counsel. Board Meeting Agenda

The Board chair and the superintendent will prepare an agenda for all regular meetings of the Board. Items of business may be suggested by any Board member, staff member, student or citizen of the district by notifying the superintendent at least five working days prior to the meeting.

A consent agenda may be used by the Board for noncontroversial business. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be approved at the same time. A Board member may ask that any item be removed from the consent agenda. The removed item will then be placed on the regular agenda.

The agenda will follow a general order established by Board. Opportunities for the audience to be heard will be included. The Board will follow the order of business set up by the agenda unless the order is altered by a consensus of the Board.

Items of business not on the agenda may be discussed and acted upon if the majority of the Board agrees to consider them.

The agenda, together with supporting materials, will be distributed to Board members at least three full working days prior to the meeting. The agenda will be available to the press and to interested patrons through the superintendent's office at the same time it is available to the Board members. Copies of the agenda for the press and public will not contain any confidential information included in the Board members' packets.

A copy of the agenda will be posted in each district facility on the day of the meeting. Members of the public may request a copy of the agenda at the superintendent's office. All minutes shall be available to the public within a reasonable time after the meeting. Minutes are available in the deputy clerk's office.

The district will ensure equally effective communications are provided to qualified persons with disabilities upon request as required by the Americans with Disabilities Act.

Appropriate auxiliary aids and services available to ensure equally effective communications with qualified persons with disabilities may include large print, Braille, audio recordings and readers. Primary consideration will be given to the requests of the person with a disability in the selection of appropriate auxiliary aids and services.

Should the Board demonstrate such requests would result in a fundamental alteration in the service, program or activity or in undue financial and administrative burdens, alternate, equally effective communications will be used.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual.

Board Meetings

The Board has the authority to act only when a quorum is present at a duly called regular, special or emergency meeting. "Meeting" means the convening of a quorum of the Board as the district's governing body to make a decision or to deliberate toward a decision on any matter. This includes meeting for the purpose of gathering information to serve as the basis for a subsequent decision or recommendation by the governing body, i.e. a work session. The affirmative vote of the majority of members of the Board is required to transact any business.

All regular, special and emergency meetings of the Board will be open to the public except as provided by law. All meetings will be conducted in compliance with state and federal statutes. All Board meetings, including Board retreats and work sessions, will be held within the district boundaries. The Board may attend training sessions outside the district boundaries but cannot deliberate or discuss district business.¹ No meeting will be held at any place where discrimination on the basis of disability, race, creed, color, sex, sexual orientation², age or national origin is practiced.

The Board will give public notice reasonably calculated to give actual notice to interested persons, including those with disabilities, of the time and place for all Board meetings and of the principal subjects to be considered. The Board may consider additional subjects at a meeting, even if they were not included in the notice.

If requested to do so at least 48 hours before a meeting held in public, the Board shall provide an interpreter for hearing impaired persons. Such other appropriate auxiliary aids and services will be provided upon request and appropriate advance notice. Communications with all qualified individuals with disabilities shall be as effective as communications with others.

All meetings held in public shall comply with the Oregon Indoor Clean Air Act and the smoking provisions contained in the Public Meetings Law.

The possession of dangerous or deadly weapons and firearms, as defined in law and Board policy, is prohibited on district property.

1. Regular, Special and Emergency Meetings

No later than the next regular meeting following July 1, the Board will hold an organizational meeting to elect Board officers for the coming year and to establish the year's schedule of Board meetings (in Board election years (odd numbered years), the first meeting will be held no later than July 31). Generally, a regular Board meeting will be held each month. The regular meeting

¹ORS 192.630(4). Meetings of the governing body of a public body shall be held within the geographic boundaries over which the public body has jurisdiction, or at the administrative headquarters of the public body or at the other nearest practical location. Training sessions may be held outside the jurisdiction as long as no deliberations toward a decision are involved.

²As defined in ORS 174.100.

schedule may be changed by the Board with proper notice. The purpose of each regular monthly meeting will be to conduct the regular Board business.

Regular meetings will adjourn by 11 p.m. Extension of this deadline requires a majority vote of Board members present.

Special meetings can be convened by the Board chair upon request of three Board members, or by common consent of the Board at any time to discuss any topic. A special meeting may also be scheduled if less than a quorum is present at a meeting or additional business still needs to be conducted at the ending time of a meeting. At least 24 hours' notice must be provided to all Board members, the news media, which have requested notice, and the general public for any special meeting.

Emergency meetings can be called by the Board in the case of an actual emergency upon appropriate notice under the circumstances. The minutes of the emergency meeting must describe the emergency. Only topics necessitated by the emergency may be discussed or acted upon at the emergency meeting.

2. Communications Outside of Board Meetings

Communications to, by and among a quorum of Board members outside of a legally called Board meeting, in their capacity as Board members, shall not be used for the purpose of discussing district business. This includes electronic communication. Electronic communications among Board members shall be limited to messages not involving deliberation, debate, decision-making or the gathering of information on which to deliberate.

Electronic communications may contain:

- a. Agenda item suggestions;
- b. Reminders regarding meeting times, dates and places;
- c. Board meeting agendas or information concerning agenda items;
- d. One-way information from Board members or the superintendent to each Board member (e.g., an article on student achievement or to share a report on district progress on goals) so long as that information is also being made available to the public;
- e. Individual responses to questions posed by community members, subject to other limitations in Board policy.

E-mails sent to Board members will have the following notice:

Important: Please do not reply or forward this communication if this communication constitutes a decision or deliberation toward a decision between and among a quorum of a governing body which could be considered a public meeting. Electronic communications on district business are governed by Public Records and Meetings Law.

3. Private or Social Meetings

Private or social meetings of a quorum of the Board for the purpose of making a decision or to deliberate toward a decision on any matter are prohibited by the Public Meetings Law.

2. Work Sessions

The Board may use regular or special meetings for the purpose of conducting work sessions to provide its members with opportunities for planning and thoughtful discussion. Work sessions will be conducted in accordance with the state law on public meetings, including notice and minutes. The Board is discouraged from making official decisions during a work session. Generally, Boards do not take official action during work sessions, although there is no legal prohibition to do so.

3. Executive Sessions

Executive sessions may be held as an agenda item during regular, special or emergency meetings for a reason permitted by law (see Board policy BDC - Executive Sessions).
