3. Patron Comments:

The Alsea School Board of Directors values the opinions and input of students, staff, parents, and community members. Although board meetings are held in public, they are not meetings of the public. Please keep your comments to 3 minutes or less. If you intend to speak to the board this evening, you will need to fill out one of the blue comment cards and hand it to the Board Secretary, Lora Nickle. Public comments may also be made via Zoom. If you intend to speak via Zoom, please put your name in the comments so that the board chair can call on you. Before you begin your comments, please state your name and if you are speaking for an organization, please state that organization. For more information about public comments at a board meeting, please see Alsea School District Policy BDDH.

4. Reports

a. Superintendent Report

Alsea School District

August 2024 Board Meeting Board Report

Krista Nieraeth, Superintendent and Special Education Director

1. Gym Floor

Our gym floor is fully refinished and ready to be used as of August 12th, 2024. I'm very excited to have been able to get this project done for our students and our community. Thank you to Phenom Flooring for designing and completing our floor! It will be an expectation that no street shoes will be on our floor for any class or during any activities.

2. Summer Assessment Conference / COSA Workgroup

I attended the COSA Summer Assessment Conference in Eugene August 1 – 2. I attended sessions regarding Early Literacy, State Funding, Team Dynamics, and Early Indicators Systems. On July 31st, a COSA workgroup that I am a part of, the Student Services Group, met to discuss priorities that COSA and administrators would like to advocate for in the upcoming legislative sessions. We will be meeting throughout the fall to finalize priorities and start making plans on advocacy work.

3. Grants

Allocations for State Grants (SIA, HSS, CSI/TSI, and EIIS) have been released and I am working with Don to create budgets for each of these grants. As predicted, all of our grants, which are based on ADMw, have decreased for this upcoming year. We lost approximately 43% of our allocation of SIA from last year to this year, approximately 25% of HSS of our allocation of HSS from last year to this year. Our CSI/TSI grants and the EIIS grants both were reduced as well. This is due to the decreasing ADMw for our district.

4. Updated Website

Our updated website went live on Monday, August 5th. The old website was quite cumbersome and hard to find pertinent information. Lora and I work with Devon and Tim at LBLESD and discussed requirements of our website, as well as look, ease of use, and where information should go. Lora spent June and July reviewing our website, and networking with other districts on theirs. Thank you to Lora and Devon for their hard work in getting our website more effective and efficient. You can see the new layout at www.alsea.k12.or.us

5. Facilities/Maintenance

The windows and doors in the kindergarten and 2nd grade classrooms have been completed installed and Keenan is working on the final touches. The custodial staff has continued to move rooms, do the annual cleaning of different parts of our building, including the outside, and is helping me go through the storage containers to decide which items can be used in school and which items can be surplus.

b. Financial Report

Financial Summary

The interim audit of the financial statements has been completed, which review internal controls and tests transactions to ensure procedures are followed. This review also determines the scope of the audit.

General Fund Resources

- State School Support – Final property taxes for July and August from both Benton and Lane County have yet to be received. Once these dollars are posted, an adjustment to the 23-24 financial statements is still required.
- 1510 - Earnings on investments – As shared last month funds in the Local Government Investment Pool (LGIP) are earning 5.2% compared to 1% last year at this time. The district earned \$299,439 this fiscal year, and \$88,276 in the Bond Fund (410)
- 1943 – Charter Fees – Represents service charges to WLA. The reduction compared to the budget is due to Kings Valley terminating the agreement with the district.
- No other changes in revenues

General Fund Expenditures

- No major changes in the expense accounts. All payrolls have been processed and invoices paid for the 23-24 fiscal year.
- 5200 – Food Service Transfer – The final transfer amount for food service was \$66,650.52 and has been posted to the Food Service Program (299) .

Ending Fund Balance - Presently the balance projected is \$6,689,735. The 24-25 Approved Budget includes a \$6,700,000 beginning cash balance.

Special Revenue

- All grants have been invoiced for expenditures through June 30.
- No major changes.
- Included in the packet is a comparison of the 24-25 budget grant amounts compared to the awards the district has received to date. Included in the summary are the carryover dollars amounts for grants awarded in 23-24. The final date of expenditures is reflected on the summary with the majority on 9/30/24. Krista and I will go over these during the financial statement presentation.

Debt Service

- No change – the ending fund balance is projected at \$26,000.

Capital Projects

- Interest has been recorded for the fiscal year. Expenditures reflected in the statements are for window replacements. The ending fund balance is projected at \$ 282,454.

Bond 2021 and OSCIM Grant

- No change. Once the HVAC upgrade has been completed, the final OSCIM claim will be submitted to collect the remaining funds in this grant. The final date for the OSCIM grant is 12/31/24. The balance in the financial statements reflects revenues received, including projected OSCIM dollars, and actual expenditures. It does not reflect encumbrances that will occur after June 30, 2024.

Alsea School District Bond Projects Construction Manager's Report

Report Date: 7 August 2024

GENERAL OVERVIEW

The CTE Building continues on-schedule for occupancy on Monday, August 19.

The Electrical Upgrade work will be finished next week. All areas of the school have power restored.

HVAC Upgrade systems have been completed. Startup and final testing is in progress. Our third-party commissioning agent will verify system function and quality beginning later this month.

Design continues for the Seismic Retrofit to the gym and adjacent office areas. Specialty consultants will be on site next week to perform tests on the affected walls. Design is scheduled for completion in February 2024. Proposals are due from interested contractors on August 13th. We hope to confirm the proposal review team at this month's School Board meeting.

A second seismic grant application for the High School classroom wing is in progress and will be submitted late this year for the next round of grants.

We initiated design planning meetings for a new kitchen building with the District and Soderstrom Architects. Concepts are being refined for the next meeting in early September.

PROJECT TEAM

No changes.

BUDGET

The updated budget summary and details for both the bond projects and the seismic retrofit project are attached. Comments are noted below along with notes about the kitchen project costs.

Bond Projects

The current program budget is \$4.78 million including ESSER funds and the OSCIM grant. Bond interest is being added to the income budget as it's earned and a final projected interest value from the District is reflected in the Current Budget income value.

The "Current Budget" column in Expenses shows the projected costs matched to the Revenue budget. All budget elements have been included and there is \$120k remaining

Alsea School District Bond Program Construction Manager's Report

in Owner's Contingency for unforeseen costs, although ~\$10k of this has been committed to pending change orders.

The "Committed Costs" column shows the value of work that has been contracted so far. There were no significant changes in the last month.

The "Paid to-Date" column shows the value of work that has been paid for. So far, \$3.8 million has been spent on completed work. The project management fee from IMS does not include a donated value of \$64k to-date.

Seismic Retrofit

The current project budget is \$2.48 million from the seismic grant.

The "Current Budget" column in Expenses shows the projected costs for construction design, management and other associated elements. There is a projected value of \$187k in Owner's Contingency for actual construction costs or unforeseen items.

The "Committed Costs" column shows the value of work that has been contracted so far. The design team is fully contracted as is project management. Geotech and material testing are being contracted as needed.

The "Paid to-Date" column shows the value of work that has been paid for. So far, \$4k has been spent on completed work.

Kitchen Building

Soderstrom Architects was contracted for master planning and conceptual design for a new kitchen and commons building. A not-to-exceed fee of \$12k has been authorized for this work.

SCHEDULE

Todd Construction's work is on-schedule with the primary milestones in their master schedule and they continue to show substantial completion for occupancy on Monday, August 19 with final punchwork completed before school starts. Primary construction elements are scheduled as follows:

- Final finishes and trim – completed August 14
- Final inspections and punchlist walk with architect – August 15
- Final cleaning – August 16
- Substantial completion for move-in – August 19

CB Construction's electrical contractor has completed installing new power feeders and priority areas of the school were reenergized in late July. Remaining areas are being completed this week with all finish work completed next week. Our 3rd party commissioning agent will inspect the installation to verify quality later this month.

CB Construction's HVAC contractor has completed the interior HVAC work and units were started up in late July. Our 3rd party commissioning agent will continue their inspections later this month when programming and pre-verification testing is completed.

PROJECT-SPECIFIC ACTIVITY

CTE Building

All exterior metal trim has been completed and fencing is nearing completion.
