3. **Patron Comments:**

The Alsea School Board of Directors values the opinions and input of students, staff, parents, and community members. Although board meetings are held in public, they are not meetings of the public. Please keep your comments to 3 minutes or less. If you intend to speak to the board this evening, you will need to fill out one of the blue comment cards and hand it to the Board Secretary, Lora Nickle. Public comments may also be made via Zoom. If you intend to speak via Zoom, please put your name in the comments so that the board chair can call on you. Before you begin your comments, please state your name and if you are speaking for an organization, please state that organization. For more information about public comments at a board meeting, please see Alsea School District Policy BDDH.

HD Tutoring Program – End-of-Year Report

As we close out the school year, we are pleased to report that all students who participated in HD Tutoring demonstrated measurable growth, as indicated by both the iReady diagnostic assessments and Core Phonics evaluations. While we fully recognize that this growth is not solely the result of our individual tutoring sessions, we see these results as a testament to the excellent, ongoing instruction provided by the Brick and Mortar classroom teachers. The tutoring program serves as a strong complement to that core instruction, although common sense may have to be used to some extent in that we certainly cannot attribute these improvements to one factor. At the end are snapshots of the 4 B & M students in my charge. The names have been omitted.

Four foundational reading skills were addressed which we tried to balance as evenly as possible. Print concepts and phonological awareness supported phonics instruction, morphological instruction extended students' word recognition, and fluency automatized word reading. Core phonics evaluations were done by the classroom teacher or assistants and then recommendations were passed to us in the form of primarily phonics-related material. Through a wide variety of activities on letter boards, within decodables and on whiteboards, we were able to address gaps in foundational literacy skills. Our small-group and one-on-one sessions contribute in several meaningful ways:

1. Targeted Focus on Individual Needs

Each session was designed to intensify student focus on specific areas of need identified through classroom data and **Core Phonics Assessments**. By working directly with students on these targeted skills, we were able to deepen their understanding and reinforce essential concepts. Letter and phoneme identification, blends, consonants, digraphs, long vowel / short vowel spellings, "R" controlled vowels, reading fluency and confidence etc. were targeted according to identified unique needs of each student.

2. Repetition for Reinforcement

One of the key advantages of the HD Tutoring model is the opportunity for focused repetition. We repeatedly returned to priority skills and strategies, ensuring students had multiple chances to practice and internalize them.

3. Positive Student-Teacher Relationships

Students responded positively to the individualized attention they received. Many expressed excitement about having "their own teacher," which appeared to boost motivation and confidence. These relational dynamics helped lower affective filters, allowing students to engage more fully and take academic risks in a supportive environment.

4. Maximizing Short Timeframes

Although tutoring sessions were brief, the combination of personalized instruction, student comfort, and purposeful activities allowed us to achieve a high impact in a short amount of time.

We are proud of the progress our students made and believe that the HD Tutoring program played a valuable supporting role in their success. We look forward to continuing and refining this work in future school years.

Respectfully submitted,
Adam Sederlin

June 2025 Board Meeting Board Report

Krista Nieraeth, Superintendent and Special Education Director

1. **Transportation**

We are winding down the end of the school year. Transportation has been a struggle this year, but I applaud Mr. Elbers for the hard work he has put into getting this department up and running. We've had to work on streamlining systems between us and WLA, getting reports correct, find creative ways to ensure that all of our bus routes, morning and afternoon, are filled, among the many other items. This summer will be filled with completing annuals for all district vehicles, working on CDL and Type 20 licenses for staff, and working on recruiting drivers for our positions.

2. **Facilities**

Football Field - Work on the football field began last week. They have completely scrapped the existing grass off the field and are now working on adding the topsoil to the field. Work will hopefully be done by the end of next week, and then the hydroseed will be put into place.

Seismic Construction - Mr. Elbers and I have been coordinating with the Giggy's and Todd Construction to hand areas off to Todd to start the seismic construction. The pass through between the metal wing and the elementary wing is currently closed off, as they have abated it and will be starting construction there as well. We are working with the staff now who's areas will be affected in the construction to pack up and begin storing their items before construction starts on June 16th.

3. **COPS – SVPP Grant**

I am working with Mr. Roberts and Mr. Elbers in writing for and getting a budget for the COPS – SVPP Grant. We are resubmitting our application, with some revisions, to again include a schoolwide intercom system, new doors, and automatic closing and locking systems. We are working on a budget for the project, but there is match of 25% for the district for the total budget. The grant will be submitted by June 26th. We should know by Fall 2025 if we are recipients of this grant. For more information on this grant, please visit <https://cops.usdoj.gov/svpp>.

4. **OSAS Testing**

Our district has completed the OSAS testing for this year. Please remember that we are required to test in the subject areas of ELA and Math for grades 3 – 8 and 11, and Science for grades 5, 8, and 11. Thank you to Ms. Wilson, Mrs. Shunk, Mrs. Naylor, Mrs. Dapkus, Ms. Snyder, Ms. Boser, Mr. Chilcote, and Mrs. White for all their help in getting our students tested by the end of the year. We have some preliminary results, but the actual results will be posted later this summer.

5. Legislative Update

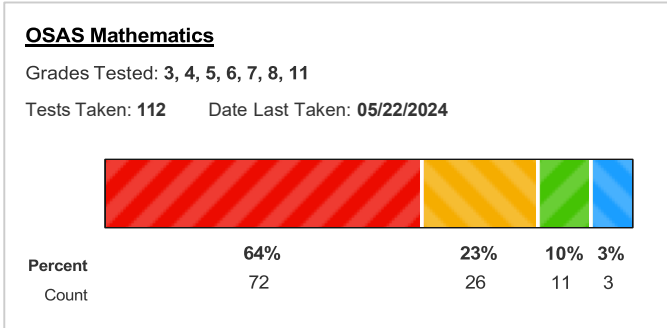

As you all know, the Joint Ways and Means Committee has sent to the full Legislative Body the recommendation that the funding for the next biennium be \$11.36 billion. Senate Bill 5516 is the bill for funding and hopefully will be up for a vote within the next week. There is also an accountability bill, SB 141, that will be up for vote in this session that is considered the Accountability bill, which will provide metrics for school districts to meet, with actions for those who do not meet them in certain time frames. SB 916 is one that is going for vote in the House this week. This bill addresses unemployment benefits to striking workers after the 2nd week of a strike. This bill will have financial implications for all districts, especially small ones.

These are bills to keep your eyes on. All bills have to be signed by Jun 30th.

12 - Kendra Stone	12 - Callie Rariden

2. K – 2 Field Trip to Newport

Mrs. Shondell and Mrs. Olsen took their classes to the Aquarium in Newport, as well as having lunch on the beach. Thank you to Mrs. Shondell, Mrs. Olsen, Mrs. White, and Ms. Pedder, along with all the parent volunteers, for taking the students on this experience.

3. After School Choir Concert

We partnered with Ms. Ellis to host an after school choir at school for the spring. They met 2x a week throughout the spring. On June 4th, they hosted a choir concert in our gym. Students in grades K – 6 participated in the event. Thank you to Ms. Ellis and her father for their hard work in teaching the students music and providing the music. It was a great event.

4. Unified CTE and Kickball Events

In May, Ms. Cessnun took our students to Sweet Home High School to attend CTE and Kickball events. These events were unified events that were hosted by our regional ESD. At the CTE event, our students were able to participate in different CTE activities, such as welding, horticulture, and tractor driving. At the kickball event, students were able to participate in a tournament with other schools. Thank you to Mr. Martin and the Sweet Home staff for putting on amazing events for our students.

5. OSAS and I – Ready Scores

Our school completed the OSAS and I – Ready Diagnostics this June. Our staff will use this data to drive schoolwide systems and classroom instruction, as well as help inform decisions in terms of different grants we qualify for, including the Summer Learning grant for 2026 and the Early Literacy grant. I’ve included this data in my superintendent packet for this month.

6. Alsea Class of 2025 Commencement Ceremony

Our Class of 2025 Commencement Ceremony was held on Friday, June 6th. We graduated 11 students, with each of them having a plan after graduation. I am very proud of our students and staff for their hard work in getting to this point.

Budget Information
May 27, 2025

BUDGET BASICS

Oregon State School Fund

- Funded on a 2-year (biennium) cycle
- We are in year 2 of the 23-25 biennium
- Funds are disbursed 49% year 1 - 51% year 2
- All funds are contingent on student enrollment
- Our enrollment (along with most Oregon SD's) is declining
- We received \$10,217 in 24/25 and will receive approx. \$11,000 in 25/26 for each student with some student groups receiving additional ADM (IEP up to 11%, ELL, Poverty, Foster Care, etc.)
- We receive payment on enrollment of the higher of 2 years (current and last year)
- All budgets are estimates until audited ADM numbers are submitted to the state. In May the following school year, districts may get more money or must repay money based on Actuals vs. Estimates.
 - This past week, Alsea had to pay to ODE \$87,988 based on our actual ADM coming in lower than what our estimated ADM was funded at for the 23/24 school year.

Comparison between 23/24 and 24/25

End of Year ADMr for 23/24- 265

Projected ADMr for 24/25 - 233

32 less students = \$326,944

Projected Enrollment for 25-26

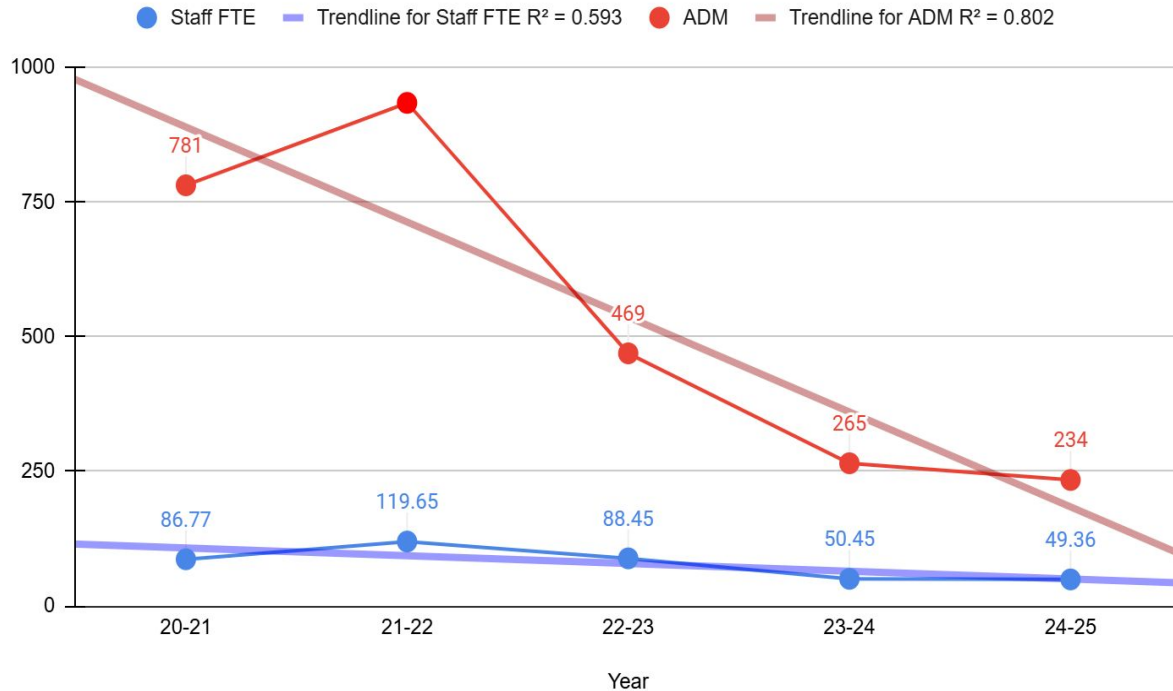

Projected Incoming Kindergartners = 8

2025 Senior class = 11

Enrollment/Staffing Levels

Staff FTE vs ADM

Year	ADM	Staff FTE	ADM/FTE
20-21	781	83.02	9.41
21-22	934	110.9	8.42
22-23	469	87.95	5.33
23-24	265	50.95	5.20
24-25	234	47.23	4.95

Grant Funds vs. General Fund

- Our largest State grants are SIA (Student Investment Account), HSS (High School Success), CSI/TSI, and Early Literacy.
- Most grants are **enrollment connected**, so we will receive less funds, unless we are at the floor amount.
- Each grant funds specific programming and can only be spent on specified expenditures.
- One major requirement for most federal grants is the supplement vs supplant rule, meaning we cannot take something already funded with general funds and move it to a grant. Examples are Title and IDEA.
- The district does not generally write for grants to fund FTE. Grants, outside of ones we know we are getting consistently from the state, should not be counted upon to maintain FTE. Even grants from the state should not be counted upon to maintain FTE.

Where are staff funded?

Year	Staff FTE	General Fund	Other
20-21	83.03	73.34	9.69
21-22	110.9	92.55	18.35
22-23	87.95	68.76	19.19
23-24	50.95	35.7	15.25
24-25	47.23	35.2	12.03

How do we make it work?

- For the 25/26 fiscal year, we are projecting that we will deficit spend from our carryover funds by \$1.1 million.
- Our Grants Funds from State (SIA, HSS, CSI/TSI, EIS, EL) will decrease by 20% from 24/25 to 25/26.
- Approx. 73% of our budget is personnel costs.
- The carryover should include at least 2 month worth of payroll and utility bills (approximately \$900K).
- To help reduce our carry over dependence for the 25/26 fiscal year, we will be looking at reducing FTE through attrition, reduction of days in personnel contracts, and reduction of FTE hours.
- For 26/27 year, if enrollment stay stagnant or declines, the district will be looking at reducing any usage of carryover by half, plus any additional amount equal to the reduced enrollment. This reduction **may** include reduction of FTE.

What we don't know and the future....

- Actual budget from the state
- Level of funding for special education students
- Amount of Federal Grants (Title, IDEA, SRSA)
- Any legislation that has gone and is currently going through the House and Senate that affects us financially (i.e. Cell Phone bill ban (HB 2251), unemployment during strikes (SB 916), unemployment for classified staff during breaks (SB 489 from the 2023 session)).
- If we continue to spend at the same rate we are now without a major increase in enrollment, our carryover will be depleted by the 28/29 school year, if not sooner.
- The district will not add spending to 25/26 even if we receive more funds than we anticipate.

Future....

Current Projects and Priorities:

Summative Assessments for Teachers, IA, and Principal
 - Our summative assessment process for teachers provides a comprehensive reflection on instructional practices, student engagement, and professional responsibilities. Grounded in the Danielson Framework, the evaluation focuses on instructional planning, classroom environment, assessment of student learning, and professional collaboration. This process not only supports accountability, but also promotes professional growth by identifying strengths and areas for improvement. By aligning evaluations with student outcomes and school goals, we ensure a continuous cycle of improvement that benefits both educators and learners.

Comprehensive Literacy State Development (CLSD) Grant Work
 We are actively working on the CLSD Grant application to secure funding that would significantly strengthen our school's literacy instruction from early learning through sixth grade. This grant supports evidence-based practices, high-quality professional development, family engagement, and equitable access to literacy resources. If awarded, the CLSD Grant would enable us to enhance reading and writing instruction, close achievement gaps, and provide targeted support for multilingual learners and students in underserved communities. This opportunity aligns with our school's mission to ensure all students become confident, capable readers and communicators.

Priority Standards and Proficiency-Based Learning
 Our school is actively focused on implementing clearly defined priority standards in K-6 English Language Arts and Math starting SY 25-26. These essential standards were identified in collaboration with our curriculum support teams from I-Ready (Math) and Savvas (ELA) to ensure alignment with high-impact, research-based instruction. To support clarity and transparency, we are also developing parent-friendly 1-4 proficiency rubrics that clearly describe what student progress looks like at each level. This work is a critical step in our district's commitment to proficiency-based learning, helping every student focus on mastering the most essential skills for long-term success.

d. Athletics and Activities

Board Report – 6/10/25

Summary:

Middle school (7-8) academic and sports awards will take place on 6/11/25 along with 8th grade promotion. The awards will start at 7pm and promotion will take place following the awards. There will be a rising 9th grade parent meeting at 6:15 the same evening. This will be facilitated by Ms. Nieraeth and Ms. Wilson.

MWL held our last meeting of the year on June 4th. We voted on the HS basketball schedule for next year. The schedule is a 1 league game schedule then all other scheduled games will be considered non-league. The rationale for this change is so the more competitive schools can schedule accordingly. We are still finalizing these schedules; I should have this complete prior to leaving for the summer.

We also voted to welcome Falls City and ECHS into the MS league. This gives the league 10 teams for FB and 9 teams for VB. Mannahouse of Eugene has been absorbed by ECHS so they are now beginning their program building. Another vote was taken concerning MS basketball schedule which will be a split schedule for next year. The MS girls will play their season first and then boys will play second. Split schedules give schools flexibility for facility scheduling where only one gym is available.

MS girls will begin their season on Nov. 10th, and the tournament will be on Jan 24. MS boys will begin their season on Jan 21, and the tournament will be March 21.

The PBIS committee met for the final time this school year to finalize our school wide expectations matrix. This provides specific, consistent behavioral expectations from one classroom to the next and in all the common areas of the school.

Update on Parent/Coaches meeting for Fall sports. Looking at August 5.

e. Business Manager Report

Financial Summary – May 31, 2025

General Fund Resources

- State School Support – The ODE issued the final computation for the 23-24 and 24-25 SSF. As shared last month, the IEP figure was updated by the ODE, which caused a significant loss of funding for 23-24, \$87,988.85. The 24-25 SSF estimate is based on projected figures. As with the 23-24 SSF final payment, it will not be made until all audited figures by all school districts have been submitted and will be made in May 2023. Included in the statements is the final computation for 23-24 SSF and estimated figures for 24-25 SSF.
- Property taxes – the statements reflect tax turnover through April 30. The remaining amounts projected are per the SSF estimates. May through July collections will be recorded in the 24-25 fiscal year.
- 1312 – Tuition from Other Districts – payment for students attending the Learn at Home Online that are residents of another district and reported by that district to the ODE for funding purposes.
- 1510 - Earnings on investments – The earnings rate with the Local Government Investment Pool (LGIP) is 4.60%, the same as the prior month. The district is earning approximately \$35,000 per month, which is allocated to the various funds that have cash balances.
- No changes in the other revenues.

General Fund Expenditures

- All salaries and benefits have been encumbered, as well as projections for substitutes and additional salaries are included in the financial statements. The substitute and additional salaries are based on the average for September through May. The month of June will have three payrolls for all licensed and classified staff. The district will be paying off all employee agreements in June.
- As shared prior months, all non-payroll items have also been encumbered.
- Ending Cash Balance – The ending cash balance is project at \$6.4 million. \$6.7 million was used as the beginning cash balance for the 25-26 proposed budget. The difference is due to the SSF loss. However, as shared in the budget meetings, unemployment and PERS rate change compared to the amount budgeted will offset a major portion of this loss.

Special Revenue

- All claims have been made for funds spent year to date. All grants are being monitored to ensure dollars are spent by the end of the grant period to ensure completion by the end of the grant period.
- The district received a \$10,000 grant from Benton County for the kitchen design. These funds have been expended.

Food Service Program

- Included are the student participation, financial statements and per meal breakdown through 5/31/25. The attached statement reflects the participation by month, with the annual participation at 66.1% for the breakfast program; 65.8%, lunch program.
- The projected transfer from the General Fund will be approximately \$54,936.53. The average cost per meal is \$5.88 while reimbursement is \$4.26, or a transfer from the General Fund of \$1.62 per meal.

Debt Service

- No change in the Debt Service, with the projected fund balance ending, is estimated at approximately \$32,000.

Capital Projects

- 400 – Capital Projects - reflects interest received on monies at the LGIP. Expenditures are the replacement of the windows, architectural services for the kitchen, and the upgrade to the fire alarm system. Per the Board direction, \$140,000 has been transferred into 400, and \$560,000 transferred into 430 – Seismic Rehabilitation grant. The fund has approximately \$215,000 available for additional projects.
- 410 - Bond 2021 and OSCIM Grant –The financial statements show a remaining balance of \$3,698.92. This amount will be used for the initial fee for Phase III – Seismic upgrade. The bond has been completely spent and will be closed by year end.
- 430 – Seismic Rehabilitation – represents approved service contracts. The district has received reimbursement for all invoices through April 30 and has submitted the Mayl claim to the Oregon Business Development Department. Per the grant, claims will be made after each month's end. Per Board direction, \$560,000 has been transferred into this fund to cover estimated overages.

Internal Service Funds

Unemployment Reserve

- As shared last month, currently the district is charging all salaries approximately 4% on each payroll and transferring the funds into the Unemployment Reserve Fund to cover quarterly unemployment claims. The \$9,776 represents claims for the first two quarters of 24-25. However, it is still unknown what the costs will be for Spring and Summer breaks. The reserve will have sufficient funds to cover claims during the 25-26 fiscal year. No payroll costs will be charged during the 25-26 fiscal year for this cost.

PERS Reserve

- No change compared to last month.

f. Construction and Seismic Report

Alsea School District Construction Manager's Report

Report Date: June 4, 2025

GENERAL OVERVIEW

A special Board meeting was held May 19 to review Todd Construction's GMP for the Seismic Renovations project. The Board approved additional funds to address budget overrun in the final design after the cost-cutting exercise was completed. The budget summary included in this report shows the adjusted budget with these additional funds. Construction began May 12 with abatement and floor demolition in the locker rooms. Additional work began in the staff room the week of June 1. The remaining work areas will begin after school is out on June 16. Construction completion is scheduled for August 29.

The second Seismic Grant application for the High School Classroom Wing was not approved in this year's round. The engineer will resubmit that application as well as one for the Elementary School Wing at the end of this year for potential acceptance in May 2026.

The Fire Alarm Replacement work is scheduled to begin on June 16 after school is out. We're coordinating their work with the Gym Seismic project team.

BUDGET

The updated budget summaries for the various projects are provided below with comments for each.

Gym Seismic

The updated budget summary for the Gym Seismic project is provided below. The final construction cost has been added and all costs have been committed. The current owner's contingency budget of \$78.9k is for unforeseen costs as well as selected improvements requested by the District and approved by the Board.

To date, 15% of the project budget has been spent.

SCHEDULE

Gym Seismic

Alpine Abatement completed asbestos removal in May. Todd Construction began select demolition work in the locker rooms the week of May 19. The Staff Room was turned over to Todd June 1 to begin work there; the remaining construction areas will be turned over to the contractors on June 16 after school is out.

Alsea School District
Construction Manager's Report

Major milestones for the project are:

- Locker rooms will be completed in early August
- North gym wall exterior work will be completed in early August
- Stage and staff rooms will be completed in early August
- Admin areas will be completed in late August
- Roof replacement will be completed in late August
- All work will be completed by August 29

Early turn-over of the gym and locker rooms in mid-August may be possible depending on how work progresses, but we won't know for sure until that time.

Fire Alarm Replacement

Salem Fire Alarm is scheduled to begin construction June 16 when school is out. Completion is expected by August 29.

PROJECT-SPECIFIC ACTIVITY

Gym Seismic

Asbestos abatement began on schedule and was completed in mid-May.

Select demolition in locker rooms, including removal of concrete and substrate in the flooring was completed by the end of May. Forms for footing pourback are being installed.

Alsea School District
Construction Manager's Report

Select demolition in the Staff Room began the week of June 1.

Fire Alarm Replacement

No new activity pending construction starting June 16.

COMMUNICATIONS

IMS monthly reports are being provided to the School Board.

**Alsea School District 7J
Board Recommendation Form**

To: The Board of Directors of Alsea School District
Prepared By: Don Staehely, Business Manager
Date: June 10, 2025

Background:

On May 20st, 2025, the Alsea School District Budget Committee approved the FY 25-26 budget totaling \$16,924,161. As required by law, a hearing notice was published in the Albany Democrat – Herald and Corvallis Gazette Times on June 3th, 2025. Prior to the June 10th, 2025 Alsea School District Board Meeting, a budget hearing was held to receive public input on the approved budget for the FY 25-26. Insurance Services: Overview

WHA Insurance provides specialized services tailored to the unique needs of school districts. Our primary role is to act as intermediaries between your school district and the insurance companies, ensuring you have the most appropriate and cost-effective insurance coverage. Here are the key service responsibilities of WHA for school districts.

Risk Assessment & Management

WHA will assess the specific risks associated with your operations, including property damage, liability, and the health and safety of all employees. We advise on managing these risks, often suggesting training or operational changes in addition to insurance solutions.

Policy Customization & Selection

Given Oregon's unique insurance requirements for school districts, we customize insurance policies that cover all potential risks. This may include property and casualty insurance, workers' compensation, liability insurance, and specialized coverages such as accident and sickness for volunteers, equipment breakdown, and cyber liability.

Market Research & Comparison

WHA researches insurance markets to find the best policies at competitive rates that meet the specific needs of your school district. We compare offerings from various insurers to recommend the most suitable coverage options.

Claims Assistance & Advocacy

In the event of a claim, WHA assists in the claims process, acting as an advocate on the municipal organization's behalf to ensure fair and prompt settlement by the insurance companies. We help prepare documentation, negotiate with insurers, and provide guidance throughout the claims process.

Review & Adjustment

Insurance needs can evolve as your organization grows and evolves its operations. WHA conducts regular reviews of policies to ensure coverage remains adequate and makes adjustments as necessary. This includes adding or removing coverage, adjusting limits, and updating policies to reflect new assets or operations.

Education & Training

WHA often provides educational resources and training opportunities for school districts and public entity associations. This can include information on risk management, safety protocols, regulatory compliance, best practices for reducing insurance costs, and much more.

Regulatory Compliance & Advisory

WHA ensures that you comply with state and federal insurance regulations and advises on any changes in legislation that might affect insurance requirements or liabilities.

Customer Service

WHA provides responsive, knowledgeable customer service, which is a crucial part of our responsibilities to our clients. This includes answering questions, resolving issues, and being available to discuss concerns about coverage or the insurance market.

In Summary

WHA Insurance provides a comprehensive service that includes risk analysis, policy customization, market research, claims support, and ongoing policy management, all tailored to the unique environment in which school districts operate.

Property & Casualty Services

At WHA, we are dedicated to providing our clients with unparalleled expertise and personalized service. Our mission is to safeguard your assets, mitigate risks, and ensure peace of mind through tailored insurance solutions. Our Property/Casualty Services are designed to address the unique needs of each client, offering a range of services that cover every aspect of risk management and insurance.

1

Risk Assessment and Analysis

WHA evaluates the specific risks associated with the client's property or activities to tailor insurance solutions that meet their needs. Our risk assessment process involves a thorough examination of potential exposures and vulnerabilities, ensuring that every aspect of risk is identified and addressed. This comprehensive analysis enables us to provide targeted recommendations that enhance protection and minimize potential losses.

2

Policy Customization and Placement

We design and secure customized insurance policies that cover various risks, ensuring that the client receives comprehensive protection. By working closely with a broad network of insurers, WHA can offer a wide range of policy options that are specifically tailored to the client's unique risk profile. This ensures that clients receive the most appropriate and cost-effective coverage available.

3

Claims Management and Support

WHA assists clients throughout the entire claims process, from initial notification to final settlement, helping to ensure a smooth and efficient claims experience. Our dedicated claims management team provides guidance, advocacy, and support, aiming to achieve the best possible outcome for our clients.

4

Insurance Renewals and Reviews

Regular reviews and adjustments of insurance policies are essential to reflect changes in the client's circumstances or risk profile. WHA conducts periodic policy reviews to ensure that coverage remains adequate and relevant, making necessary adjustments to adapt to evolving risks and client needs.

5

Market Research and Insights

WHA provides key services such as up-to-date information on market trends, changes in insurance law, and other relevant data that affect property and casualty insurance. Our team continuously monitors the insurance landscape to deliver valuable insights that inform strategic decisions and optimize insurance programs.

6

Risk Management Consulting

Offering advice and strategies to minimize risk, WHA's risk management consulting services include safety training, disaster preparedness planning, and loss prevention strategies. We work with clients to develop and implement proactive measures that reduce the likelihood of losses and enhance overall risk resilience.

7

Legal and Compliance Guidance

It is crucial to ensure that clients' insurance policies comply with local, state, and federal regulations. WHA provides expert legal and compliance guidance to help clients navigate the complex regulatory environment and ensure that their insurance programs meet all necessary legal requirements.

8

Cost Management

WHA prioritizes helping clients manage insurance costs through deductible strategies, coverage limits, and policy bundling. We strive to optimize insurance costs without compromising coverage quality, leveraging our industry expertise to identify and implement cost-saving opportunities.

9

Insurance Program Auditing

Reviewing existing insurance policies and practices to identify areas of overlap or gaps in coverage and making recommendations for improvement is a core service at WHA. Our insurance program audits provide clients with a clear understanding of their current coverage landscape and actionable insights to enhance their insurance portfolio.

10

Specialty Coverage Consultation

A key area of WHA's expertise is assisting clients with obtaining specialized insurance coverage that may not be readily available through standard insurers, such as cyber liability, environmental liability, or professional liability insurance. Our team has extensive experience in securing niche and specialty coverages, ensuring that clients are protected against unique and emerging risks.

In Summary

Through these comprehensive services, WHA is committed to delivering exceptional value and peace of mind to our clients, helping them navigate the complexities of the insurance world with confidence and ease.

Workers' Compensation Services

At WHA, we understand the critical importance of protecting both employees and employers through comprehensive workers' compensation solutions. Our Workers' Compensation Services are designed to ensure compliance, mitigate risks, and manage costs effectively. We offer a full spectrum of services that cater to the unique needs of our clients, helping them maintain a safe and compliant workplace while managing the complexities of workers' compensation.

1

Policy Placement and Management

A cornerstone of our service is helping clients secure workers' compensation insurance policies that meet state requirements and are tailored to their specific needs. WHA works with a broad network of insurers to find the best policy options, ensuring comprehensive coverage that aligns with regulatory standards and the unique risks faced by each client.

2

Risk Assessment and Mitigation

Evaluating workplace risks and recommending safety measures to reduce the likelihood of accidents and injuries is a key service we provide. WHA conducts thorough risk assessments and collaborates with clients to implement effective safety protocols, aiming to create a safer work environment and minimize the occurrence of workplace incidents.

3

Claims Administration Support

A critical component of our service is assisting in the management and administration of claims, including guidance on the claims process and ensuring timely and fair handling. WHA provides expert support throughout the claims process, helping clients navigate the complexities of workers' compensation claims and ensuring that claims are handled efficiently and equitably.

4

Cost Control Strategies

WHA prioritizes providing strategies to control and reduce workers' compensation costs, such as implementing return-to-work programs and safety training sessions. We work with clients to develop cost-effective solutions that reduce the financial impact of workers' compensation claims while promoting a safe and productive workplace.

5

Compliance Assistance

Ensuring that employers comply with all applicable workers' compensation laws and regulations is essential. WHA offers comprehensive compliance assistance, helping clients stay abreast of regulatory changes and ensuring that their workers' compensation programs meet all legal requirements.

6

Audit Support

Assisting clients during workers' compensation insurance audits to ensure accuracy in classification and payroll reporting is a vital service. WHA provides expert guidance and support throughout the audit process, helping clients prepare for audits and ensuring that their reporting is accurate and compliant.

7

Employee Education Programs

Conducting workshops and training for employees on workplace safety and the workers' compensation system is an essential part of our service offering. WHA provides educational programs designed to enhance employee awareness of safety practices and the workers' compensation process, fostering a culture of safety and compliance.

8

Data Analysis and Reporting

Analyzing claims data to identify trends, areas of concern, and opportunities for improvement in workplace safety and claims management is a key service at WHA. Our data analysis capabilities provide clients with valuable insights that inform strategic decisions and drive continuous improvement in their workers' compensation programs.

9

Experience Modification Rate Review

Reviewing and advising on the Experience Modification Rate (EMR), which affects insurance premiums, helping clients understand how it is calculated and how to improve it is a critical service. WHA provides detailed reviews and strategic advice on managing and improving EMR, helping clients reduce their workers' compensation insurance costs.

10

Return-to-Work Programs

An important focus of WHA is developing programs that help injured workers return to work as soon as medically possible. This can reduce the cost of claims and boost employee morale. Our return-to-work programs are designed to facilitate the reintegration of injured employees into the workplace, promoting recovery and reducing the financial impact of workers' compensation claims.

In Summary

Through these comprehensive Workers' Compensation Services, WHA is committed to supporting our clients in maintaining a safe, compliant, and cost-effective workplace. We provide the expertise and resources needed to navigate the complexities of workers' compensation, ensuring that both employees and employers are protected.

Don't let your Workers' Compensation insurance be a puzzle — we piece it together so you don't have to.

Employee Benefits Services

At WHA, we understand that a well-structured employee benefits program is crucial for attracting and retaining top talent. Our Employee Benefits Services are designed to provide comprehensive solutions that meet the diverse needs of our clients and their employees. With our extensive experience and third-party administrator (TPA) capabilities, we offer a wide range of services to ensure that your employee benefits programs are effective, compliant, and cost-efficient.

1

Benefit Plan Design and Implementation

A core service of WHA is helping clients design and implement employee benefit plans that meet their specific needs. WHA works closely with clients to understand their goals and create tailored benefit programs that include health insurance, dental and vision plans, retirement plans, and more. Our implementation support ensures a smooth transition and effective communication with employees.

2

Third-Party Administrator (TPA) Services

WHA offers TPA capabilities to manage and administer employee benefit plans efficiently. Our TPA services include claims processing, eligibility management, and compliance monitoring, providing clients with a seamless and integrated benefits administration experience.

3

Compliance and Regulatory Support

Ensuring that employee benefit plans comply with all applicable laws and regulations is essential. WHA provides comprehensive compliance support, helping clients navigate the complexities of regulations such as the Affordable Care Act (ACA), ERISA, and HIPAA. We stay current with legislative changes to ensure that your benefit programs remain compliant.

4

Employee Communication and Education

Effective communication and education are key to maximizing the value of employee benefits. WHA conducts workshops, webinars, and personalized sessions to educate employees about their benefits options, enrollment processes, and how to make the most of their plans. Clear and informative communication helps employees appreciate and fully utilize their benefits.

5

Cost Management Strategies

Providing strategies to control and reduce the costs of employee benefit programs is a priority. WHA offers solutions such as plan design optimization, wellness programs, and employee health initiatives that can lower healthcare costs and improve employee well-being. Our cost management strategies ensure that clients get the best value for their benefits investment.

6

Data Analysis and Reporting

Analyzing benefits data to identify trends, areas of concern, and prospects for improvement is a key service. WHA leverages advanced data analytics to provide clients with actionable insights into their benefits programs, helping them make informed decisions and enhance plan performance.

7

Vendor Management

Managing relationships with benefits providers and vendors is an integral part of our service. WHA handles vendor selection, contract negotiations, and performance monitoring to ensure that clients receive high-quality services at competitive prices. Our vendor management expertise ensures a cohesive and efficient benefits program.

8

Wellness and Preventive Programs

As a vital aspect of our service offering, WHA designs and implements wellness initiatives that encourage healthy lifestyles, reduce absenteeism, and increase productivity. These programs include health screenings, fitness challenges, and mental health support.

“Well-designed benefits don’t just protect your employees—they empower your business to thrive.”

9

Open Enrollment Support

Assisting clients with the annual open enrollment process is a crucial service. WHA provides comprehensive support, including communication materials, enrollment meetings, and online tools to facilitate a smooth and efficient enrollment experience for employees.

10

Employee Navigator™

Employee Navigator is a benefits administration and HR software that streamlines employee benefits, compliance, and HR processes. It offers tools for benefits enrollment, ACA reporting, onboarding, PTO tracking, and document management and integrates with insurance carriers and payroll systems to enhance efficiency and ensure compliance.

11

MyWave™ – Online Portal

The MyWave Online Portal is a digital platform providing clients 24/7 access to policy documents, claims management, safety training materials, and personalized content. It features user-friendly dashboards and real-time updates and supports online reporting and analytics for effective insurance program management.

In Summary

WHA is committed to helping clients create and manage effective benefits programs that attract and retain talent, enhance employee satisfaction, and ensure compliance with regulatory requirements. Our TPA capabilities further streamline benefits administration, providing a seamless and integrated approach to managing employee benefits.

Risk Management Program

WHA believes in a consultative approach, integrating our knowledge of your risk appetite, tort liability, best practices techniques, and property exposures with cutting-edge strategies to craft a cohesive plan. Risk management involves strategies to minimize the potential negative impacts of risks faced by organizations. There are five fundamental risk management options used to handle risks:

Avoidance

This involves eliminating the risk by not engaging in the activity that generates the risk.

Reduction

This strategy aims to reduce the likelihood and/or impact of a risk.

Transfer

Risk transfer involves shifting the risk to another party, usually through insurance or outsourcing.

Acceptance

Sometimes, the cost of mitigating a risk may be more than the risk itself.

Sharing

This involves sharing the burden of the risk with other parties.

These options provide a framework for organizations to analyze and decide on the most appropriate strategies to handle various risks they face in their operations. We evaluate loss experience against similar providers in Oregon and across the Western U.S., considering Tort law limits. Federal lawsuits pose additional risks, exemplified by wildfire claims, ice storms, discrimination claims, and bodily injury claims. Real property valuations and equipment costs are monitored closely due to inflation and supply chain issues.

We'll continue to assist school districts in selecting and implementing the most suitable risk management framework, as well as in program development and ongoing management.

Available Risk Management Solutions

Available Risk Management (RM) services include, but are not limited to:

Inspection Services

Property risk assessments, thermal imaging inspections, and UAS (drone) roof and infrastructure inspections.

Contract Liability Services

Our Contract Liability Services are designed to help clients navigate the complexities of contract law, minimize potential liabilities, and ensure comprehensive protection through tailored insurance solutions.

1

Contractual Risk Analysis

Evaluating contracts to identify potential liabilities and advising on risk mitigation strategies is a critical service we offer. WHA conducts thorough analyses of contractual agreements to pinpoint areas of vulnerability and provide actionable recommendations to mitigate risks, ensuring clients are fully aware of their exposure and how to manage it effectively.

2

Customized Insurance Solutions

One of our core strengths is developing insurance policies that specifically address the risks identified in contracts, such as contractual liability insurance or professional indemnity insurance. WHA works closely with clients to design bespoke insurance solutions that offer targeted protection against contractual liabilities.

3

Negotiation Support

A vital part of our service is assisting clients in negotiating contract terms to minimize liability and ensure fair risk distribution between contracting parties. Our experts provide strategic advice and support during contract negotiations, helping clients achieve favorable terms that reduce their exposure to risk.

4

Claims Management

Guiding clients through the process of filing and managing claims related to contractual disputes or liabilities is a key service at WHA. Our dedicated claims team provides expert assistance throughout the claims process, ensuring that clients receive the support they need to resolve disputes efficiently and effectively.

5

Compliance Consulting

It is crucial to ensure that all contractual agreements and the corresponding insurance policies comply with industry standards and legal requirements. WHA offers comprehensive compliance consulting services to help clients navigate the regulatory landscape and ensure their contracts and insurance policies meet all necessary legal standards.

6

Policy Placement and Procurement

A core service is facilitating the purchase of appropriate insurance policies from suitable insurers to cover potential contractual liabilities. WHA leverages its extensive network of insurers to secure the best possible coverage for clients, ensuring that their contractual risks are adequately insured.

7

Education and Training

Providing training sessions on contract law, risk management, and effective contract drafting to minimize exposure is an essential service. WHA offers educational programs to equip clients with the knowledge and skills needed to draft, review, and manage contracts effectively, reducing their exposure to potential liabilities.

8

Renewal and Policy Review

A critical part of our service is regularly reviewing insurance policies and contract terms to update coverage as business needs and legal environments evolve. WHA conducts periodic reviews to ensure that clients' insurance coverage remains relevant and adequate, making necessary adjustments to reflect changes in their risk profiles.

Dispute Resolution Support

WHA offers key services in resolving disputes that arise from contract interpretations or the execution of contract terms. Our team provides expert guidance and support to help clients navigate contractual disputes, aiming to achieve amicable resolutions that protect their interests.

10

Risk Transfer Strategies

We offer strategic advice on methods to transfer risk through insurance, indemnification clauses, or other contractual terms. WHA helps clients develop and implement effective risk transfer strategies, ensuring that risks are appropriately managed and transferred to protect their business interests.

In Summary

Through our comprehensive Contract Liability Services, WHA is committed to helping clients manage their contractual risks effectively, providing the expertise and support needed to safeguard their business and ensure peace of mind.

Safety, Health, & Wellness Services

At WHA, we are dedicated to supporting your personnel in achieving their health, wellness, fitness, and safety goals. Our Safety, Health, & Wellness Services provide a comprehensive suite of tools, guidance, and information designed to enhance the overall well-being of your workforce. Here are some of the key tools we utilize to achieve success and the benefits they offer:

InBody 270: Body Composition Analyzer

The InBody 270 delivers precise measurements, including body fat percentage, skeletal muscle mass, and basal metabolic rate (BMR). This accurate data supports personalized fitness and nutrition plans tailored to individual goals. Regular scans help employees track progress, stay motivated, and remain committed to their health and wellness journeys, making the InBody 270 a powerful tool for workplace wellness programs.

LION Intelligent Training System (I.T.S.): Live Fire Extinguisher Training

The LION (I.T.S) delivers realistic, hands-on fire extinguisher training, building employee confidence and competence. Enhancing fire response skills reduces the risk of workplace fire incidents and promotes a safer environment. This training also supports compliance with safety regulations and standards, reinforcing an organization's commitment to employee safety and preparedness in emergencies.

*Winslow Cervantes, WHA's President and Risk Manager, is conducting a training on how to properly use a fire extinguisher during an emergency using our LION (I.T.S) system.

Creative Safety Supply LabelTac: Industrial OSHA and Custom Sign/Label Printers

LabelTac printers from Creative Safety Supply make it easy to create durable, custom labels and signs that improve workplace communication and safety. Clear labeling helps employees quickly identify hazards, follow procedures, and navigate workspaces safely. By using OSHA-compliant designs, businesses can meet regulatory requirements, reduce the risk of accidents, and avoid costly fines. From equipment tags to floor markings, LabelTac enhances visibility and organization across your facility. With the ability to create labels on demand, you gain control over your safety messaging—ensuring it’s always accurate, up-to-date, and effective.

American Red Cross CPR, AED, & BLS Training Kit

Equip your team with essential life-saving skills through hands-on CPR, AED, and Basic Life Support training. This program builds confidence by allowing employees to practice with real manikins and AED devices, ensuring they can respond quickly and effectively in emergencies. The training often results in certification, adding value to their professional credentials while promoting a safer workplace. Whether responding to cardiac arrest or other medical emergencies, trained staff can make all the difference. Investing in this kit demonstrates your commitment to safety, preparedness, and employee development—all in one comprehensive program.

*Dave Pickhardt (far right), one of WHA’s Risk Managers, conducting a CPR training using WHA’s CPR, AED, & BLS Training Kit.

Blood Pressure Monitor: Supporting Employee Health and Wellness

A blood pressure monitor provides vital insights into cardiovascular health, allowing employees to track their readings regularly and detect early signs of potential health issues. Consistent monitoring supports preventive care by helping to identify and manage conditions like hypertension before they become serious. By making blood pressure monitors accessible in the workplace, employers promote a culture of wellness and encourage proactive health management. This simple yet effective tool empowers employees to take charge of their well-being, contributing to a healthier, more engaged workforce and reducing long-term health risks through early awareness and intervention.

In Summary

By integrating these advanced tools and training resources, WHA is committed to fostering a safer, healthier, and more productive workplace. Our Safety, Health, & Wellness Services are designed to empower employees with the knowledge and skills they need to achieve their wellness goals and contribute to a positive organizational culture.

Pulse Oximeter: A Simple Tool for Health Monitoring

A pulse oximeter offers quick, reliable readings of pulse rate and blood oxygen saturation, making it an essential tool for monitoring employee health. Regular use can aid in the early detection of potential health concerns, allowing for prompt intervention and support. Its compact, portable design makes it convenient for use in various workplace settings—from offices to field operations. Easy to operate and noninvasive, the pulse oximeter empowers employees to take an active role in their well-being while helping employers maintain a healthier, more responsive work environment.

Risk Management Philosophy

WHA has honed a proprietary Enterprise Risk Management (ERM) system that integrates with your strategic plan and offers a proactive stance on emerging risks. This system is the product of WHA's 40-year commitment to public entities and is enriched by Jeff Griffin's recognized expertise.

The system draws from advanced risk management practices in aviation, emergency medicine, and the military, incorporating tools like Just Culture, High-Reliability Organization, and Safety Management Systems. These tools are tailored to enhance and simplify your risk management processes.

Despite the challenges organizations face in implementing ERM, such as vision clarity, process complexity, and fear of negative impacts on productivity and autonomy, WHA's approach is designed to overcome these hurdles. The method fosters a collaborative culture across all departments, enhancing leadership's understanding of risk and empowering them to make informed decisions about risk appetite and tolerance.

Training & Culture Transformation

WHA's commitment extends to training your team in ERM principles. This training is part of a broader strategy to transform leadership and employee culture, ensuring that reporting concerns is seen as a constructive, non-punitive action.

Outcome & Benefits

WHA's refined ERM system enhances decision-making, reduces losses, improves collaboration, and lowers insurance costs. Aligned with ISO 31000, it's tailored for complex organizations and offers lasting risk management solutions.

Insight-driven strategies for a safer, stronger organization.

Controlling Premiums: A 7-Step Analysis

To assess your insurance programs' cost-effectiveness, we utilize a seven-step analysis for each line of insurance:

1

Risk Management Programs

Implementing comprehensive risk management strategies, such as safety training, disaster preparedness, regular risk assessments, and more, can reduce the likelihood and impact of insurance claims.

2

Increase Deductibles

Opting for higher deductibles can significantly lower premium costs. This shifts more initial financial risk to the business but reduces the periodic payment amounts.

3

Claims History Review

Regularly reviewing and managing the claims history can help identify patterns or frequent issues that can be addressed to prevent future claims, thereby potentially lowering premiums.

4

Loss Prevention Measures

Security assessments, employee training, and safety equipment can mitigate risks, leading to fewer claims and potentially lower premiums.

5

Marketing

Comparing quotes from several insurers can help find the most competitive rates and coverages suited to the specific needs of school districts.

6

Review Coverage Annually

Reviewing policies annually ensures that coverage is not only adequate but also cost-effective, avoiding over-insurance or under-insurance.

7

Utilize Data and Analytics

Leveraging data analytics to understand risk profiles better can help negotiate better terms with insurers based on factual risk assessments.

Service Plan

At WHA, we proudly offer the following services as part of our comprehensive and systematic approach to meeting all of your insurance and risk management needs.

Insurance Administration Services

Your dedicated service team at WHA will consistently assess your risks and gather data throughout the policy period for review. Through initial and ongoing evaluations, we'll arrange, develop, and market your insurance coverage needs. We'll present a package of policy terms, conditions, and premiums aligning with your school district's goals. You'll receive a detailed schedule of policies, coverages, deductibles, and premiums. We'll ensure timely premium invoicing to prevent policy lapses and provide updates on industry developments affecting your coverage.

Systematic Approach to Renewals

Our systematic approach includes:

180 Days

- Conduct a market survey
- Update carrier records
- Develop a budget projection.

150 Days

- Create bid specifications and review them with you.

120 Days

- Forward bid specifications to carriers and request quotes.

30 Days

- Prepare a review of coverage and rates for decision-makers
- Finalize renewal instructions
- Produce documentation.

Claims Support: Data Analysis

Your WHA Insurance team will provide open claims review annually and as needed to identify trends and create a service plan to mitigate and address losses and near misses. We'll analyze coverage forms, exclusions, claims handling, rates, and financial strength against bid specifications, adjusting plan design as needed.

Throughout the year, you'll receive monthly summaries of loss history and retrospective premiums. We also train key personnel to ensure they understand the program's financial impact on safety and performance.

Each year, WHA sends you a spreadsheet of all assets, including locations, structure values, contents values, PIO values, and expected trended values. As part of our service plan, we meet with you 120 days before renewal to thoroughly review all assets and discuss how, if any, changes should be made to the schedule.

Reporting

The following reports are provided to school districts:

- Monthly loss run report for all property & casualty as requested.
- Monthly Policy Performance Dashboard for workers' compensation.
- Quarterly review and recommendation of Nondisabling Claims Reimbursement Statement.
- Each year, in the first quarter, WHA provides a Budget Letter that considers market trends, values, risks, and claims from both the Oregon Public Entities and at the national level to provide you with an accurate budget projection.

Claims aren't the end of the story—they're where our service begins.

Highest Standard

Our commitment is to prioritize and provide excellence in risk management to school districts. Our approach includes:

-  Comprehensive Coverage: Tailored solutions for all risks.
-  Mitigation Strategies: Proactive risk reduction.
-  Transparency: Clear communication.
-  Responsive Claims: Swift and empathetic handling.
-  Continuous Improvement: Evolving to meet needs.
-  ISO31000: We use guidelines such as ISO31000, which guide effective risk management practices and emphasize continuous improvement.

The Cornerstone of Service

WHA prioritizes claims support as a cornerstone service, aiming for industry leadership. Upon claim notification, we collaborate with you to classify each claim as Urgent, Manage, Support, Third-Party, or Claims Analytics:

Urgent

Claims are significant to your operations, receive 24/7 support tailored to your needs, including legal and media assistance, resource coordination, and grief counseling.

Managed

Claims involve hands-on management, especially for complex or unclear liability cases. We assign specific expectations and manage timeframes.

Support

Claims require monitoring to ensure timely and satisfactory outcomes, activating appropriate coverages.

Third-Party

Claims involve overseeing insurers and lines of insurance, aiding in subrogation or settlements.

Claims Analytics

Offers data analysis for future prevention and insurance planning, including annual reports on losses and regional trends.

National Incident Management

We collaborate with public entities and FEMA to manage events seamlessly with local governments. Using the NIMS system, we respond to major incidents involving fatalities, multiple hospitalizations, or significant losses. Recently, we cut a client's hydro-turbine downtime from 90 days to 7. During an out-of-state wildfire, we swiftly reported a public employee's injury to State and Fed OSHA. Our commitment goes beyond emergencies, ensuring full support through recovery.

1

Legal & Federal Notifications

We assist you in handling all state and federal legal notifications, including those from OSHA, the State Fire Marshal, and other relevant agencies. Additionally, we manage contractual notifications related to insurance and workers' compensation.

2

Operational Support

Our services include keeping your operations functional. This involves collaborating with other public entities and insurance providers to find necessary support resources, which may include equipment, infrastructure (such as portable offices), and trained staff.

3

Public Information Office Assistance

We work closely with your Public Information Office to create and manage information and media notifications. Effective communication during critical events is essential for public safety.

4

Support for Families

In the unfortunate event of a loss of life or property, we assist you in supporting affected families. Our compassionate approach helps navigate the emotional challenges during such difficult times.

5

Post-Traumatic Impact Support

Our team is dedicated to helping your staff cope with the aftermath of traumatic events. Whether it's an emergency or a complicated return home after an

PLEASE CAREFULLY REVIEW THE PROPOSED ENDORSEMENT AS IT MODIFIES/ AMENDS THE LIABILITY COVERAGE DOCUMENT

This Endorsement modifies the **Liability Coverage Document** issued under the Certificate Number indicated above, to the **Named Participant** identified above, for the **Coverage Period** indicated.

SCHEDULE

Additional Coverage 12-Liability for Bodily Injury or Personal Injury because of Sexual Misconduct-Limits of Liability (Eroding Limits):

Each Incident Limit:	\$10,000,000
Sexual Misconduct Aggregate Limit:	\$10,000,000
Sexual Misconduct Each Incident Deductible :	\$10,000
Contribution:	\$5,885

Except as expressly stated in this Endorsement, the **Liability Coverage Document** to which this Endorsement is attached does not apply to or provide coverage for any **incident, occurrence, wrongful act, claim, suit, damages, defense costs**, or any liability or obligation of any kind, caused by, resulting from, or arising out of any actual or alleged **sexual misconduct**, including attempted or threatened **sexual misconduct**.

As consideration for the additional contribution made by or on behalf of the **Named Participant**, as indicated in the **Schedule** of this **Sexual Misconduct Liability Coverage Endorsement**, the following is added to III. Additional Coverages of the **Liability Coverage Document**:

Additional Coverage 12: Liability for Bodily Injury or Personal Injury Because of Sexual Misconduct

1. Subject to the terms, conditions, limitations, exceptions, and exclusions set forth in this **Liability Coverage Document**, the Trust will pay those sums that a covered **Participant** becomes legally obligated to pay as **damages** for **bodily injury** or **personal injury** because of **Sexual Misconduct** to which this **Additional Coverage 12** applies. The total amount that we will pay in indemnification of **damages**, judgements, or settlements under this **Additional Coverage 12** is limited as shown in the **Schedule** of the **Sexual Misconduct Liability Coverage Endorsement**.
 - a. We have the right and duty to defend a covered **Participant** against any **suit** seeking **damages** for **bodily injury** or **personal injury** to which this **Additional Coverage 12** applies.
 - (1) We will defend a covered **Participant** against any **suit** seeking **damages** for **bodily injury** or **personal injury** to which this **Additional Coverage 12** applies, even if any or all of the allegations against the covered **Participant** are groundless, false, or fraudulent.

- (2) **Defense costs** are in addition to the Limits of Liability set forth in the **Schedule** of the **Sexual Misconduct Liability Coverage Endorsement**, and payment of **Defense costs** by the Trust will not reduce or exhaust these Limits of Liability.
- (3) Our right and duty to defend a covered **Participant** ends when:
 - (a) a **suit** no longer seeks recovery of **damages** from a covered **Participant**; or
 - (b) we have exhausted the limit of coverage available under **Coverage Agreement D**, as shown in the **Schedule** of the **Sexual Misconduct Liability Coverage Endorsement**, in payment of judgments or settlements.
- b. We may, at our discretion, investigate any **incident** resulting in **bodily injury** or **personal injury** to which this **Additional Coverage 12** may apply, and settle any **claim** or **suit** arising out of that **incident**.
- c. We have no duty to defend or indemnify any **Participant** against any **claim** or **suit** seeking **damages** for **bodily injury** or **personal injury** to which this **Additional Coverage 12** does not apply.

2. **Additional Coverage 12** applies to **bodily injury** and **personal injury** because of **sexual misconduct** *only if*:

- a. The **Named Participant** is in full compliance with all Oregon statutes, administrative rules, and regulations governing the investigation and reporting of abuse and sexual conduct, including, if applicable to the **Named Participant**, the background check, reporting policies, and training requirements set forth in ORS 339.370, ORS 339.372, ORS 339.388, and ORS 339.400;
- b. The **bodily injury** or **personal injury** is caused by an **incident** that takes place within the **Coverage Territory**;
- c. The **bodily injury** or **personal injury** is caused by an **incident** that first occurs or is initiated during the **Coverage Period**; and
- d. Prior to the **Coverage Period**, no **Participant** knew that the **bodily injury**, **personal injury**, or **incident** was occurring or had occurred, whether in whole or in part.
 - (1) If any **Participant** knew, prior to the **Coverage Period**, that the **bodily injury**, **personal injury**, or **incident** was occurring or had occurred, whether in whole or in part, then any continuation, change or resumption of such **bodily injury**, **personal injury**, or **incident** will be deemed to have been known prior to the **Coverage Period**.
 - (2) **A Participant** will be deemed to have known that **bodily injury**, **personal injury**, or **incident** was occurring or had occurred, whether in whole or in part, at the earliest date upon which any **Participant**:
 - (a) observes, causes, or is directly involved in the **incident** resulting in **bodily injury** or **personal injury**;
 - (b) becomes aware by any means that **bodily injury**, **personal injury**, or the **incident** is occurring or has occurred, whether in whole or in part;
 - (c) receives a written or verbal **claim** alleging that **bodily injury**, **personal injury**, or the **incident** is occurring or has occurred, whether in whole or in part; or
 - (d) reports all, or any part, of the **bodily injury**, **personal injury**, or **incident** resulting in the **bodily injury** or **personal injury**, to us, any insurance agent or broker, or any insurance company.

3. **Exclusions**

Additional Coverage 12 does not apply to or provide any coverage for:

- a. **Direct Participation**
Any **Participant** or other person who actually or allegedly committed, attempted to commit, threatened to commit, directed, encouraged, knowingly facilitated, or otherwise directly participated in the **incident**.
- b. **Criminal Acts or Conduct**
Any actual, alleged, or attempted criminal, fraudulent, or malicious act or omission committed by, at the direction of, or with the knowledge and consent of the **Participant**, regardless of whether or not the **Participant** is charged with, prosecuted, or convicted of the crime alleged.
For purposes of this exclusion, and in the application of this exclusion, any actual or alleged criminal, fraudulent, or malicious act or omission committed by, at the direction of, or with the knowledge and consent of one **Participant** will only be imputed to another **Participant** if that **Participant** directly and knowingly participated in the **incident**.

c. **Expected Or Intended Injury**

Any actual or alleged intentional act of a **Participant** carried out with the intent to cause **bodily injury** or **personal injury** if the act results in the intended **bodily injury** or **personal injury** that was reasonably certain to result from the intentional act.

This exclusion does not apply to **bodily injury** that occurs as a direct result of a **Participant's** use of **authorized self-defense** to protect the **Participant** or other persons from imminent physical harm.

d. **Failure Comply With Policies, Procedures, Rules, Or Statutory Mandates Or Requirements**

Any **claim, suit, damages, defense costs**, or any liability or obligation of any kind, caused by, resulting from, or arising out of any actual or alleged:

- (1) failure of the **Named Participant** to:
 - (a) adopt, implement, and enforce policies related to the investigation and reporting of abuse or sexual conduct as required by statute, administrative rule, regulation, ordinance, or other law;
 - (b) conduct a background check as required by statute, administrative rule, regulation, ordinance, or other law;
 - (c) adopt, implement, and enforce reporting and investigation requirements required by statute, administrative rule, regulation, ordinance, or other law;
 - (d) provide training and information to its **employees**, agents, contractors, and volunteers, on the subjects of abuse or sexual conduct as required by statute, administrative rule, regulation, ordinance, or other law;
- (2) failure of any trustee, board member, director, officer, superintendent, official, or administrator of the **Named Participant** to follow any written policy, procedure, protocol, rule, or regulation addressing the investigation, prevention, or reporting of **sexual misconduct**;
- (3) failure of any other person to whom the **Named Participant** has delegated responsibility for the investigation, prevention, or reporting of **sexual misconduct** to follow any written policy, procedure, protocol, rule, or regulation addressing the investigation, prevention, or reporting of **sexual misconduct**; or
- (4) failure of any person identified in (2) or (3) above to report **sexual misconduct** when under a legal duty or obligation to do so.

e. **Incidents Occurring Or Initiated Prior To Coverage Period**

Any **claim, suit, damages, defense costs**, or any liability or obligation of any kind, caused by, resulting from, or arising out of any actual or alleged **incident** that commenced or occurred prior to the **Coverage Period** regardless of whether or not the **incident** continues, resumes, reoccurs, or involves changes in degree or type of **sexual misconduct**, during the **coverage period**.

f. **Protected Class Discrimination**

Any **claim, suit, damages, defense costs**, or any liability or obligation of any kind, for **bodily injury** or **personal injury** caused by, resulting from, or arising out of any actual or alleged act, pattern, or practice of discrimination based on a person's race, color, national origin, religion, disability, sex (including pregnancy), sexual orientation, gender or gender identity, age, or marital status.

g. **Contractual Liability**

Any actual or alleged breach of any **contract**. This exclusion applies regardless of whether or not the **contract** was made orally or in writing, or is legally binding or enforceable.

h. **Assumed Liability**

Any assumption of liability or any other obligation to pay **damages** or indemnify, hold harmless, or reimburse any other person or entity, under the terms of any **contract**.

i. **Workers Compensation**

Any liability or obligation of any **Participant** under any workers' compensation, disability benefits, or unemployment compensation law or similar law.

j. **Employer's Liability**

Any **claim** or **suit** made by or on behalf of:

- (1) any **employee** of the **Named Participant** alleging **bodily injury, personal injury**, or any liability for **damages** arising out of or in the course of employment by the **Named Participant**; or
- (2) any person as a consequence of (1) above.

This exclusion applies:

- (1) whether the **Named Participant** may be liable as an employer or in any other capacity; and
- (2) to any obligation to share **damages** with or repay anyone else who must pay **damages** because of **bodily injury, personal injury**, or any other injury.

k. **Employment-Related Practices**

Any **claim** or **suit** made by or on behalf of any person alleging **bodily injury, personal injury**, or any liability for **damages** arising out of any:

- (1) refusal to hire or employ that person;
- (2) termination of that person's employment; or
- (3) employment-related practice, policy, act, or omission, including coercion, demotion or failure to promote, evaluation or failure to evaluate, reassignment, discipline or failure to discipline, defamation, libel, slander, retaliation, invasion of privacy, harassment, hazing, hostile work environment, humiliation, or discrimination.

This exclusion applies:

- (1) whether the **Named Participant** may be liable as an employer or in any other capacity; and
- (2) to any obligation to share **damages** with or repay anyone else who must pay **damages** because of **bodily injury, personal injury**, or any other injury.

l. **Punitive Or Exemplary Damages**

Any sum awarded for punitive, exemplary, or multiplied **damages**, taxes, or interest, arising out of or in relation to any **incident**.

m. **Fines Or Penalties**

Any civil, criminal, or administrative fine or penalty arising out of or levied in relation to any **incident**.

n. **Property Damage**

Any actual or alleged liability for **damages** because of **property damage**.

o. **Liability For Damages Covered Elsewhere In This Liability Coverage Document**

Any **claim, suit, damages**, defense costs, or any liability or obligation of any kind for which coverage is provided under any other Coverage Part or Coverage Agreement set forth in this **Liability Coverage Document**.

4. **Limits Of Liability**

a. The Limits of Liability shown in the **Schedule** of the **Sexual Misconduct Liability Coverage Endorsement** and the rules below is the most that the Trust will pay under **Additional Coverage 12** regardless of the number of:

- (1) **Participants**;
- (2) **claims** made or **suits** initiated; or
- (3) persons or organizations making **claims** or initiating **suits**.

b. The Sexual Misconduct Aggregate Limit is the most the Trust will pay for all **claims, suits, damages**, and all liability and obligations of any kind, caused by, resulting from, or arising out of any actual or alleged **sexual misconduct** to which **Additional Coverage 12** applies.

- c. Notwithstanding a and b above, and subject to the Each **Incident** Limit and Sexual Misconduct Aggregate Limit, if any **incident** is subject to the Oregon Tort Claims Act (OTCA), then the most the Trust will pay for all **claims, suits, or damages** arising from such **incident** under **Additional Coverage 12** are the Limitations on Awards set forth in the OTCA (ORS 30.269 through ORS 30.273). For purposes of the coverage afforded under this Endorsement, all **claims, suits, or damages** arising from a single incident shall be deemed to “[a]rise out of a single accident or occurrence,” as such phrase is used in ORS 30.272.
- d. Subject to the Sexual Misconduct Aggregate Limit, the Each **Incident** Limit is the most the Trust will pay for all sums incurred, paid in settlement, and awarded as **damages** in relation to any one **incident**.
- e. The Sexual Misconduct Aggregate Limit and the Each **Incident** Limit are eroding limits, which means that the amount that the Trust will pay under **Additional Coverage 12** is reduced, and may be exhausted, by all payments and **damages** made by the Trust pursuant to **Additional Coverage 12**.

5. **Deductible**

- a. The **Deductible** shown in the **Schedule** of the **Sexual Misconduct Liability Coverage Endorsement** is to be applied to each **Incident**, regardless of the number **incidents** that take place during the **Coverage Period**. If the **Trust** requests reimbursement of the **Deductible** after paying the full amount of a **Claim**, settlement, or judgement, the **Named Participant** shall reimburse the **Trust** for any **Deductible** within thirty (30) calendar days.
- b. The **Deductible** will apply only to the actual **Damages** paid to a claimant. Actual **Damages** will include all settlement amounts paid to a claimant.
- c. Payment of **Defense Costs** incurred will not be included within the **Deductible**.

ALL OTHER TERMS AND CONDITIONS OF THE LIABILITY COVERAGE DOCUMENT REMAIN UNCHANGED

This proposed Endorsement amends Section **III. Additional Coverages** of the **Liability Coverage Document** only, and does not modify, amend, waive or otherwise affect any of the other terms, conditions, limitations, exceptions, or exclusions of the **Liability Coverage Document**.

To request that coverage be bound, please sign, date and return this Proposal before the effective date.

Proposal is provided only for those coverages where a contribution is shown.

PLEASE CAREFULLY REVIEW THE PROPOSED ENDORSEMENT AS IT MODIFIES/ AMENDS THE PROPERTY COVERAGE DOCUMENT

This proposed endorsement amends the **Property Coverage Document** by adding the following to Section **XII. COVERAGE EXTENSIONS**:

L. Extension of Coverage for Property Damaged by Earth Movement

Subject to the additional conditions and limitations set forth below, we will indemnify you for direct physical loss or damage to **Covered Property** caused by or resulting from **earth movement** that occurs on premises listed on the Schedule of Property Values on file with the Trust.

1. This **Coverage Extension** is subject to per-occurrence deductibles as follows:
 - a. The deductible shall be no less than the greater of:
 - (1) \$5,000;
 - (2) Five percent (5%) of the **actual cash value** of the **Covered Property** damaged by **earth movement** in a single **occurrence** on premises listed on the Schedule of Property Values on file with the Trust; or
 - (3) The Deductible stated in the Declarations.
 - b. The deductible shall be no more than the greater of:
 - (1) \$50,000; or
 - (2) The Deductible stated in the Declarations.
2. For the purposes of this **Coverage Extension** only, **earth movement** means:
 - a. Sudden and accidental earthquake, seaquake, shock, tremor, landslide, submarine landslide, avalanche, subsidence, sinkhole, collapse, mud flow, rock fall, or any similar seismic activity, resulting in cracking, lateral movement, rising, shifting, settling, sinking, or upheaval of **land**;
 - b. **Flood** that would not have occurred but for tsunami cause by, resulting from, or arising out of **earth movement**, regardless of any other cause or event that contributes concurrently or in any sequence to such **flood**;
 - c. **Collapse** directly caused by **earth movement**.
3. **Earth Movement** does not mean, and we will not indemnify you or anyone else for, damage caused by, resulting from, or consisting of:
 - a. Gradual cracking, crumbling, horizontal, lateral or vertical movement, rising, shifting, settling, sinking, or upheaval of **land** caused by, exacerbated by, or arising out of artificial means or artificially created soil conditions, including contraction, corrosion, erosion, excessive or insufficient moisture, expansion, freezing, improperly compacted soil, insufficient fill, liquefaction, slope instability, slumping, subsidence, or thawing;
 - b. Gradual cracking, crumbling, horizontal, lateral or vertical movement, rising, shifting, settling, sinking, or upheaval of **land** caused by, exacerbated by, or arising out of underground activity of animals, vegetation, or **water**; or
 - c. Any **water movement** or **flood**, except for **flood** that would not have occurred but for tsunami caused by, resulting from, or arising out of **earth movement** as described in section **XII.L.2**.

4. All **Earth Movement** that occurs within a 72-hour period will constitute a single **occurrence**.
5. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss cause by or resulting from **earth movement**, unless the damaged **Covered Property** is expressly identified on the Schedule of Property Values on file with the Trust as having coverage for **earth movement**.
6. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **earth movement**, unless the damage or loss occurs during the **Property Coverage Period**, and is discovered and reported to the Trust by you during the **Property Coverage Period**.
7. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **earth movement**, unless you notify us as soon as reasonably possible after the **earth movement** occurs and allow us to inspect the damaged **Covered Property** prior to making any repairs or replacing the damaged or destroyed **Covered Property**.
8. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **earth movement**, if the **Covered Property** damaged by **earth movement** is demolished, discarded, reconstructed, repaired or replaced before the Trust has actually inspected the damage or loss and agreed, in writing, upon the scope of reconstruction, repair, or replacement of the damaged **Covered Property**.
9. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss to boardwalks, bridges, bulkheads, dams, dikes, docks, levees, piers, pilings, seawalls, wharves, or similar property structures located on, in or over water, or their appurtenances or accessories, regardless of whether or not expressly identified as **scheduled outdoor property**, caused by, exacerbated by, or arising out of tsunamis.
10. Indemnification under this **Coverage Extension** is subject to the following limits:
 - a. The most we will pay under this **Coverage Extension** for all damage or loss sustained by the **Named Participant** in any single **occurrence** is **\$10,000,000**;
 - b. The most we will pay under this **Coverage Extension** for all damage or loss sustained by the **Named Participant** during the **Coverage Period**, is an **Annual Aggregate Loss Limit** of **\$10,000,000**;
 - c. The **PACE Per-Occurrence Aggregate Loss Limit**;
 - d. A **PACE Annual Aggregate Loss Limit** of **\$450,000,000*** for all damage or loss caused by, resulting from, or arising out of **earth movement, flood, or both**.
11. Any amounts paid under this **Coverage Extension** are included in, subject to, and not in any event in addition to, the **Total Limit of Indemnification** stated in the Declarations.

This proposed Endorsement ammdends Section **XII. Coverage Extensions** of the **Property Coverage Document** only, and does not modify, ammdend, waive or otherwise affect any of the other terms, conditions, limitations, exceptions, or exclusions of the **Property Coverage Document**.

* The **PACE Annual Aggregate Loss Limit** is not finalized and is dependent on negotiations with reinsurers. The final limit is not likely to be less than \$300,000,000. The finalized **PACE Annual Aggregate Loss Limit** will be listed on the final renewal endorsement.

To request that coverage be bound, please sign, date and return this Proposal before the effective date.

PLEASE CAREFULLY REVIEW THE PROPOSED ENDORSEMENT AS IT MODIFIES/ AMENDS THE PROPERTY COVERAGE DOCUMENT

This endorsement amends the **Property Coverage Document** by adding the following to Section **XII. COVERAGE EXTENSIONS**:

M. Extension of Coverage for Property Damaged by Flood

Subject to the additional conditions and limitations set forth below, we will indemnify you for direct physical loss or damage to **Covered Property** caused by or resulting from **flood** that occurs on premises listed on the Schedule of Property Values on file with the Trust.

1. This **Coverage Extension** is subject to per-occurrence deductibles as follows:

a. If the damaged **Covered Property** is located, either partially or wholly, within a federally designated 100-year or greater Special Flood Hazard Area ("SFHA"), as defined by the Federal Emergency Management Agency ("FEMA"), at the time of the **occurrence**, then the deductible shall be:

- (1) \$500,000 per occurrence for damage to each covered **building, other structure, outdoor property and scheduled outdoor property** listed on the Schedule of Property Values on file with the Trust;
- (2) \$500,000 per occurrence for damage to covered **personal property, scheduled personal property, fine arts and scheduled fine arts** located within each covered **building, other structure, outdoor property and scheduled outdoor property** listed on the Schedule of Property Values on file with the Trust; and
- (3) \$500,000 per occurrence for damage to covered **mobile equipment and scheduled mobile equipment** listed on the Schedule of Property Values on file with the Trust.

b. If the damaged **Covered Property** is located, either partially or wholly outside of a federally designated 100-year or greater Special Flood Hazard Area ("SFHA"), as defined by the Federal Emergency Management Agency ("FEMA"), at the time of the **occurrence**, then the deductible shall be:

- (1) no less than the greater of:
 - (a) \$25,000;
 - (b) five percent (5%) of the **actual cash value** of the **Covered Property** damaged by **flood** in a single **occurrence** on the premises listed on the Schedule of Property Values on file with the Trust; or
 - (c) the Deductible stated in the Declarations; and
- (2) no more than the greater of:
 - (a) \$100,000; or
 - (b) the Deductible stated in the Declarations.

2. All **Flood** including **collapse** directly caused by **flood**, that occurs within a 72-hour period will constitute a single **occurrence**.

3. Whether or not damaged **Covered Property** is located, either partially or wholly, within a federally designated 100-year or greater SFHA, as defined by FEMA, at the time of **occurrence**, will be determined solely by reference to FEMA Flood Maps and the FEMA Flood Map Service Center, regardless of any previous information, estimate, or designation provided the **Named Participant** or appearing in the Declarations.

4. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **flood**, including **collapse** directly caused by **flood**, unless the damaged **Covered Property** is expressly identified on the Schedule of Property Values on file with the Trust as having coverage for **flood**.
5. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **flood**, including **collapse** directly caused by **flood**, unless the damage or loss occurs during the **Property Coverage Period**, and is discovered and reported to the Trust by you during the **Property Coverage Period**.
6. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **flood**, including **collapse** directly caused by **flood**, unless you notify us as soon as reasonably possible after the **flood** occurs and allow us to inspect the damaged **Covered Property** prior to making any repairs or replacing the damaged or destroyed **Covered Property** .
7. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss caused by or resulting from **flood**, including **collapse** directly caused by **flood**, if the **Covered Property** damaged by **flood** is demolished, discarded, reconstructed, repaired or replaced before the Trust has actually inspected the damage or loss and agreed, in writing, upon on the scope of reconstruction, repair or replacement of the damaged **Covered Property** .
8. This **Coverage Extension** does not apply, and we will not indemnify you for any damage or loss to boardwalks, bridges, bulkheads, dams, dikes, docks, levees, piers, pilings, seawalls, wharves, or similar property or structures located on, in or over **water**, or their appurtenances or accessories, whether or not expressly identified as **Covered Property** , caused by, exacerbated by, or arising out of **flood** , including **collapse** directly caused by **flood** .
9. Indemnification under this **Coverage Extension** is subject to the following limits:
 - a. The most we will pay under this **Coverage Extension** for all damage or loss sustained by the **Named Participant** in any single **occurrence** is \$5,000,000;
 - b. The most we will pay under this **Coverage Extension** for all damage or loss sustained by the **Named Participant** during the **Coverage Period**, is an **Annual Aggregate Loss Limit** of \$5,000,000;
 - c. The **PACE Annual Aggregate Loss Limit** ;
 - d. A **PACE Annual Aggregate Loss Limit** of \$100,000,000 for all damage or loss to **Coverage Property** located, either partially or wholly, within a federally designated 100-year or greater SFHA as defined by FEMA.
 - e. A **PACE Annual Aggregate Loss Limit** of \$450,000,000* for all damage or loss caused by, resulting from, or arising out of **earth movement, flood**, or both.
10. The **Coverage Extension** are included in, subject to, and not in any event in addition to, the **Total Limit of Indemnification** stated in the Declarations.

This proposed Endorsement amends Section **XII. Coverage Extensions** of the **Property Coverage Document** only, and does not modify, amend, waive or otherwise affect any of the other terms, conditions, limitations, exceptions, or exclusions of the **Property Coverage Document**.

* The **PACE Annual Aggregate Loss Limit** is not finalized and is dependent on negotiations with reinsurers. The final limit is not likely to be less than \$300,000,000. The finalized **PACE Annual Aggregate Loss Limit** will be listed on the final renewal endorsement.

* Flood Zones shown on the Schedule of Property Values are an estimate, either provided by the member, the insurance agent, or an independent appraiser. It is not a guarantee that the location is or is not in federally designated Special Flood Hazard Area (SFHA). In the event of a covered claim under this Supplemental Coverage, a determination on the flood zone will be made based on a review of Federal Emergency Management Agency flood maps, not by the estimated flood zone indicated on this Schedule of Property Values. If there is any question that a location is in a Special Flood Hazard Area, then make sure you obtain NFIP coverage for the location.

Proposal is provided only for those coverages where a contribution is shown.

Table with 3 columns: AIG Coverage Sections, Deductibles, Contribution. Rows include Security And Privacy, Event Management, Media Content, Network Interruption, and Cyber Extortion.

AIG Cyber Liability Coverage Limits

With respect to this Coverage, to this Additional Insured(s), AIG will not be liable, in any one annual coverage period, for more than: \$1,000,000

Annual Aggregate Limit - Regardless of the number of Additional Insureds that experience a loss; the most AIG will pay to all Additional Insureds in the aggregate for the Cyber Liability Coverage, in any one annual coverage period, is: \$5,000,000 (1)

AIG Cyber Extortion Coverage Limits

With respect to this Coverage to this Additional Insured, AIG will not be liable, in any one annual coverage period, for more than: \$200,000 (2)

Annual Aggregate Limit - Regardless of the number of Additional Insureds that experience a loss; the most AIG will pay for this Cyber Extortion Coverage, in any one annual Coverage Period, is: \$2,000,000 (1) (2)

PACE does not provide Cyber Liability or Cyber Extortion Coverage ('Cyber Coverage'). PACE procured Cyber Coverage from AIG Insurance and permits members of OSBA, who purchase Property/Casualty coverage from PACE and fulfill certain requirements, to be Additional Insureds on the AIG Cyber Coverage policy. Additional Insureds are bound by, and will not receive benefits that exceed, the deductibles and limits in this document.

This document provides a brief summary of Cyber Coverage from AIG and in-no-way replaces or supersedes the AIG policy or coverage terms. Please refer to the AIG Cyber Coverage Policy and associated documents for detailed coverages, exclusions and conditions.

To request that coverage be bound, please sign, date and return this Proposal before the effective date.

(1) This Annual Aggregate Limit amount will be paid and reduced by claims of all Additional Insureds in the order in which the claims are paid by AIG. In the event the incurred losses arising from a single claim involving multiple Additional Insureds exceeds any remaining annual aggregate limit, that remaining amount will be paid on a pro-rata basis among those Additional Insureds involved in the claim.
(2) These limits include all amounts paid for Cyber Extortion claims including, but not limited to, loss amounts as well as defense and investigation expenses.

PERSONAL SERVICES CONTRACT #

Requisition Order Number

THIS PERSONAL SERVICES CONTRACT ("Contract"), made and entered into as of the ___ day of ___, 2024 by and between Alsea School District ("District") and **Donald E Staehely LLC** ("Contractor"). The District requires services which the Contractor represents that it is capable of providing, and desires to enter into an agreement with Contractor under the following terms and conditions, including but not limited to the attached General Terms and Conditions, which are incorporated herein by this reference.

1. SERVICES

Contractor will perform the scope of business manager services, together with all other services necessary or incidental to perform the required services in a manner satisfactory to District.

2. TERM

The term of this Contract will commence on July 1, 2025, and continue until June 30, 2026, unless earlier terminated in accordance with this contract.

3. COMPENSATION

As full consideration for performance of the Services, District will pay \$65 per hour. The maximum amount for services rendered is \$84,000. The District will also reimburse mileage at the IRS rate.

4. TERMINATION

If it is beneficial to the District to terminate this agreement, the district only needs to provide a written notice defining the last date the Contractor will provide services pursuant to this agreement. If the Contractor terminates the agreement, the Contractor must provide in writing a 30-day notice to the District.

5. MODIFICATION

District may at any time, without invalidating this Contract, direct Contractor to prepare a draft modification that describes any scope-related changes to the Services that the District deems desirable. Upon receipt of those directions, provided they do not materially change the nature of the Contract or exceed Contractor's capacity to perform (to be determined in Contractor's reasonable discretion), Contractor will promptly prepare and submit to District a draft modification reflecting the District's desired changes and proposing reasonable adjustments, if any, to the work schedule and delivery dates for the Services, or the amount of Contractor's compensation. No modification of the terms of this Contract, including assignment of rights or obligations, will be effective unless made in writing and signed by all parties.

THE DISTRICT IS NOT BOUND OR OBLIGATED BY THIS CONTRACT AND NO WORK SHALL COMMENCE UNTIL ALL DISTRICT APPROVALS HAVE BEEN SECURED AS REQUIRED BY DISTRICT

- a. Review of IIBG and IIBG-AR

Code: IIBG
Adopted:

Responsible Use of Technology

The Board believes access to technology should be equitable for all students, differentiated to meet varied student needs, and utilized and promoted in a transformational manner that enhances academic achievement. The District shall guide the responsible use of technology including, but not limited to, generative artificial intelligence and other technologies, and shall outline best practices for technology use. The Board encourages staff to responsibly integrate technology into instruction in a manner that promotes student engagement, future readiness, innovation, and expanded learning opportunities.

The Board authorizes the superintendent to develop and implement administrative regulations governing how and when technology use is allowed or disallowed. Such procedures will protect appropriate staff and student use of technology and encourage equitable opportunities for learning about and experiencing technology.

The superintendent implements this policy by developing and implementing procedures listed in IIBG-AR.

END OF POLICY

Code: IIBG-AR
Adopted: 8/26/24

Responsible Use of Technology

Definitions

Technology: Any digital tool or mechanical system designed to enhance tasks, communication, or learning experiences.

Universal Design for Learning (UDL): A framework for flexible learning environments where all students can access, engage with, and express their knowledge and skills in diverse and varied ways.

Artificial Intelligence (AI): A machine-based system that can, for a given set of human-defined objectives, make predictions, recommendations, or decisions influencing real or virtual environments.¹

Generative AI: The class of AI models that emulate the structure and characteristics of input data to generate derived synthetic content.²

Technology-Generated Material: Texts, images, audio files, videos, and other material produced by artificial intelligence or other technologies.

Deepfake: Highly realistic and manipulated media created using advanced technology such as artificial intelligence and machine learning.

Cheapfake: Manipulated media created using simple editing tools, with or without technology.

Purpose

The District enforces the administrative rules listed below so students and staff may be empowered to use technology in an innovative, informed, and equitable manner to support Board Policy ACB - Every Student Belongs.

Student Responsibilities

1. Student Technology Expectations:
 - a. Use technology honestly, respectfully, and responsibly.
 - b. Follow instructor guidance and classroom technology use agreements.
 - c. Actively avoid using technology in a harmful or dishonest manner.
 - d. Follow the guidance listed in the District Student Rights and Responsibilities Handbook.

¹ Exec. Order 14110.2023

² Exec. Order 14110.2023

Shared Student, Staff, and Administrator Responsibilities

1. Manage Data Responsibly
 - a. Keep full names, passwords, addresses, personal information, identification numbers, video and images of staff and students private.
 - b. Review and adjust privacy settings.
 - c. Report harmful and suspicious online activity such as unauthorized mimicry (deepfakes, etc), cyberbullying, and phishing (false emails, etc.).
2. Conscious When Creating Content
 - a. Avoid creating or generating inaccurate, harmful, or inappropriate content in material.
3. Review Material for Accuracy, Bias, and Potential Harm
 - a. Review material for bias, accuracy and potential harm before sharing it or using it in research.
4. Honor Agreements
 - a. Comply with product-specific usage agreements for all technologies used on campus on district-provided devices off campus.
5. Avoid Mimicry:
 - a. Avoid creating material mimicking the likeness, voice, or copyrightable material of students, staff and others, such as deepfakes and cheapfakes, unless it is created ethically and transparently.
 - (1) Mimicry regarding minors is prohibited unless there is clear educational value and parent/guardian permission is obtained in writing in advance.
 - (2) Prior consent and post-generation approval shall be gathered in writing and kept on file if creating any type of material that could be considered mimicry.
 - (3) Harmful or inappropriate mimicry is always prohibited, regardless of consent, and will invoke discipline from a school administrator.
- ~~6. Practice Disclosure and Citation:
