5.c.First Student Report (Written)

Board Meeting 04/09/2024-Report Prepared by Darleen Van Riper, Location Manager First Student

Talking Points-Please contact me at Darleen.vanriper@firstgroup.com with any comments or questions.

1. Leadership Change for First Student Lincoln County

With Andrew Good's promotion to Area General Manager of Northern California, First Student Lincoln County was added to the Cascade area that is led by Justin Cox, AGM. Even though the official transfer date is set for July 1, 2024, Justin is already leading the operational support, while Andrew continues to provide fiscal leadership.

You may remember Justin Cox. When First Student Lincoln County was having difficulties with the local leadership, he was the gentleman who stepped in as a temporary manager until I was hired. He made sure that operations were running according to contract, and he also supported me in my new position for the first few weeks.

2. Recruiting Plan for Lincoln County

Currently, our recruiting efforts include banner buses, signage at schools (reader boards & banners), as well as the employee referral program, Aliro. Recently, we have added/increased our efforts in other opportunities such as designing/distributing a new flyer, Worksource opportunities, Chamber of Commerce contacts, Google Ads and billboards. We hope to increase our application flow significantly.

We are also advertising for and implementing Walk-in Wednesdays in Lincoln City and Toledo from 9:00AM to 12:00PM. During this time, individuals are more than welcome to come in and visit with us to learn about becoming a school bus hero.

3. Preparing for Summer

On Saturday, 05/04/2024, we had our first summer exposure in the community. Wvwn though the weather was more on the wetter side, the diehards showed up for some parade fun in Newport for the Loyalty Days Parade.

Our FS team had fun, and even Safety Dog made an appearance.

Other events this summer will include the Beachcomber Parade in Waldport, Touch-a-Truck Events in Lincoln City and Newport, Toledo Summer Festival. For our employees we will have the annual End-of-the-Year Picnic (Fogarty Beach Park), a Lu'au at Ona Beach, a Chili Cook-off, and a Karaoke Night.

LOCAL BEEF, IT'S WHAT'S FOR LUNCH

When you think of Lincoln County and food, the mind typically goes to seafood, but did you know that we have some great quality beef in our own backyard? The Nutrition Services team, in partnership with Central Coast Food Web, got to tour a few Siletz area cattle farms to discuss bringing local beef into our school meals. During the tour, we visited Gibson Farm, Euchre Creek Farm, and Moonshine Cattle Company. Owners answered our non-rancher folk questions and showed us all the steps it takes to produce a happy, healthy cow. As a bonus, the owners also let us love on some baby animals and introduced us to the livestock guardian dogs.

**Central Coast
FOOD WEB**

Central Coast Food Web provides shared space & equipment for producers who grow and land seafood on the central coast to process and store food. They build new markets to make it easier for people to find and buy local produce, meat, and seafood.

WHAT'S GROWING ON?

-LCSD SCHOOL GARDENS-

I SPY IN THE GARDEN

On a recent visit to Yaquina View Elementary School, Garden Coordinator Sara Gibson overheard the sounds of excitement and discovery. She saw YV's ELD Teacher, Andria Douglas, working on language development in the school garden.

Andria was using the laminated Garden Scavenger Hunt, Grab and Go garden activity to hunt for things you will see in a school garden. Sara said "It brought tears to my eyes to see how excited the kids were to find worms in the garden beds and exclaim "WORMS!!!!". We love seeing the Nutrition Services motto of Growing Foods - Growing Minds - Feeding our Future put into practice in the garden.

FRESH FRUIT AND VEGETABLE PROGRAM (FFVP)

The Fresh Fruit and Vegetable Program (FFVP) is an important tool in our effort to combat childhood obesity. The program has been successful in introducing elementary school children (K-8) to a variety of produce that they otherwise might not have the opportunity to sample. This month's menu includes: Red Pears, Avocado, Purple Cauliflower, Watermelon, Strawberries, Kiwi, and Tangerines.

DID YOU KNOW?

Watermelons are over 90% water. The high water content makes them a refreshing and hydrating fruit, perfect for hot summer days. Watermelons are actually a fruit, not a vegetable. They belong to the Cucurbitaceae family, which includes other fruits such as pumpkins, cucumbers, and squash.

9.a.2. ESSER Funds Capital Projects

Instructions

Please carefully review the following instructions prior to completing this form.

The form must be submitted in Excel format to ODE.ESSER@ode.oregon.gov.

**When to Use
this Form:**

This form must be filled out and approval received for **each capital expenditure (construction project or individual non-consumable item)** that:

- 1) Has a useful life of more than one year; **and**
- 2) Costs greater than \$5,000

Project Tag:

Each capital expenditure must be assigned a **unique** tracking number. This tracking number will be used to track whether the capital expenditure has been approved or not. **It will also be used when filling in the ESSER Reimbursement Form to indicate expenses that correspond to the capital expenditure.** A spreadsheet showing all submitted approval requests and their project tags will be posted to the [ESSER II and ESSER III webpages](#) for reference.

The project tag will consist of two parts separated by a hyphen.

The first part of each project tag will be your district's four digit ID number.

Use "01" as the last part of the project tag for the first capital expenditure and continue in sequential order for each additional capital expenditure. So the first capital expenditure project tag would end in 01, the second in 02, and so on.

Example: 1234-01

**Expenditure
Name:**

A brief title of the capital expenditure, such as "Example Elementary School Modularity" or "Example Middle School HVAC"

**Expenditure
Amount:**

The **amount of ESSER funds** being used for the capital expenditure

**Expenditure
Location:**

The school campus or building where the capital expenditure will occur or be used
***Please note a separate approval form should be filled out for each construction project location.** For example, if you are replacing the HVAC system at four schools, each school will be considered a separate project and will require a separate approval form. A piece of equipment that will be used at multiple schools only needs one approval form.

Expenditure Timeline:	Estimate of when the capital expenditure is set to occur
Expenditure Description:	Description of the capital expenditure
Expenditure Relation to COVID-19:	Each capital expenditure must address a direct impact of COVID-19. In general, ESSER funds should not be used to complete projects or purchase equipment that were being considered prior to COVID-19, unless there is strong justification that the project or equipment is necessary to maintain normal operations during the pandemic. For example, replacing a leaky roof would likely not be an eligible use of ESSER funds, as it is not directly related to COVID-19. However, replacing an outdated/ineffective HVAC system could be an eligible use of funds as the increased air circulation can reduce the spread of COVID-19. Similarly, purchasing a portable/modular could be an eligible use of funds if it is necessary to accommodate social distancing.
School Board Engagement:	For expenditures greater than or equal to \$25,000, your district must engage their school board to review and approve the expenditure. This capital expenditure approval form can be submitted prior to approval from your school board. However, school board approval must be obtained prior to expending the funds. Note: During the review of this request, your district may be asked to provide meeting minutes that document this engagement.
Certification:	Your district must certify that they are aware of and will adhere to the following laws and regulations, as well as any other applicable laws and regulations regarding capital expenditures. 2 CFR § 200.311 - Real Property 2 CFR § 200.313 - Equipment 2 CFR § 200.317-200.327 - Procurement 2 CFR § 200.439 - Prior Approval 2 CFR § 200.449 - Financing Costs 34 CFR § 75.600-75.617 - EDGAR Construction Rules 20 U.S. Code § 1232b - Prevailing Wage Construction projects are also subject to the Americans with Disabilities Act - 28 CFR Part 36

Concrete pad, rubber matting , playground equipment, adaptive playground equipment. Installation not included as this will be completed by District staff.
Please provide a detailed response on how this expenditure directly addresses an impact of COVID-19 and/or why this expenditure is necessary to maintain normal operations during the pandemic.
During the COVID pandemic, students at Taft Elementary were only able to access certain portions of the existing playground because some of the play equipment has deteriorated and parts of the playground were closed to students. This greatly limited the number of students that could exercise outside and be appropriately socially distanced. This necessitated multiple rotations which cut into instructional time. Additionally, the school was originally a K-6 school. The playground was built for smaller children and the equipment is not ADA compliant, further limiting access to all students.
What percentage of students/staff will be impacted by this expenditure?
100% of the 460 students at Taft Elementary who represent 10.3% of the district ADM and 28% of elementary students at 1 of our 11 schools. The school serves all students in grades 3-6 from the north area of the county and is 23 miles from the next nearest elementary school.
Does this expenditure directly impact historically underserved students? If so, how?
Yes, Taft Elementary has a poverty rate of 100% (69% ISP for CEP + 1.6% underreporting factor) with 57 ELL students, 77 students with disabilities, and 33 native students.
Who was involved in the decision making process for this expenditure? (Superintendent, staff, school board, community, etc.)

Director of Elementary Education, Building Administrator, Director of Facilities, Business Director,

What are the short and long-term effects of this expenditure on student outcomes?

The short term effects are that there will be play equipment that is accessible to all students at this school. The long-term effects include supporting all students' physical and mental health including those with physical disabilities with a playstructure that is accessible. Appropriate and healthy outdoor spaces will be available in the event of a future outbreak of COVID-19 variants or other communicable diseases.

How does this expenditure impact the community as a whole?

It impacts our community by having a school that focuses on the needs of all students' physical and mental

Why is it important for this expenditure to be completed now, as opposed to putting resources toward other priorities? (What makes this expenditure the best use of ESSER funds for your district?)

The district does not have other funds available to replace existing outdoor spaces. We have been unable to obtain staffing for high dose tutoring and interventions outside of school hours, especially in the North area of our district and have remaining ESSER III funds. We needed to look for other ways to use these funds appropriately to enhance our position in the event of another pandemic. Having safe and accessible outdoor spaces is one way to ensure the health and safety of all students while providing an outlet for physical exercise that additionally supports student mental health and assists in reducing behaviors that detract from learning.

How is this expenditure different such that it is not considered a general operating expense?

(Why is it necessary to use ESSER funds for this expenditure, rather than general operating budget funds?)

The pandemic has created many problems that we did not have before COVID 19. Student social emotional needs for developmentally appropriate support has increased. Providing ADA and age/size appropriate equipment supports the physical activity needed for students to be healthy and successful in school.

For expenditures greater than or equal to \$25,000, your district must engage their school board to review and approve the expenditure.

Please provide a detailed response on how this expenditure directly addresses an impact of COVID-19 and/or why this expenditure is necessary to maintain normal operations during the pandemic.
During COVID, some families were unable to access preschool prior to kindergarten and as a result did not have opportunities to interact with peers whether in the classroom or in outdoor settings. Practicing SEL skills before the start to school supports a successful school experience.

What percentage of students/staff will be impacted by this expenditure?
30%

Does this expenditure directly impact historically underserved students? If so, how?
Yes, YV has a poverty rate of 88.58%% with 76 ELL students and 17 students in Indian Education.

Who was involved in the decision making process for this expenditure? (Superintendent, staff, school board, community, etc.)
Director of Elementary Education, Building Administrators, Director of Facilities

What are the short and long-term effects of this expenditure on student outcomes?
The short term effects are that there is now playgroup equipment that is accessible to our youngest students. The long-term effects include supporting preschool to kindergarten transition summer programs, and students with physical disabilities with a playstructure that is accessible.

How does this expenditure impact the community as a whole?

It impacts our community by having a school that focuses on the needs of all students physical and mental

Why is it important for this expenditure to be completed now, as opposed to putting resources toward other priorities? (What makes this expenditure the best use of ESSER funds for your district?)

We are using JSK ESSER funds to support our kindergarten transition students specifically

How is this expenditure different such that it is not considered a general operating expense?

(Why is it necessary to use ESSER funds for this expenditure, rather than general operating budget funds?)

The pandemic has created many problems that we did not have before COVID 19. Student social emotional needs for developmentally appropriate support has increased. Providing this specific equipment for PK to Kindergarten students supports the additional skill building needed for students to be successful in

fully review the following instructions prior to completing this form.

form must be submitted in Excel format to sam.ko@ode.oregon.gov .

This form must be filled out and approval received for **each capital expenditure (construction project or individual non-consumable item)** that:

- 1) Has a useful life of more than one year; and
- 2) Costs greater than \$5,000

ESSER II and III are distinct grants. Projects may span both, but will need separate project tags for each. If a project is funded from ESSER III, please ensure that it is listed on the district's Integrated Planning Tool (IPT). If you need to update the IPT, please include a copy with your Approval Form.

Each capital expenditure must be assigned a unique tracking number. This tracking number will be used to track whether the capital expenditure has been approved or not. **It will also be used when filling in the ESSER Reimbursement Form to indicate expenses that correspond to the capital expenditure.** A spreadsheet showing all submitted approval requests and their project tags will be posted to the [ESSER II and ESSER III webpages](#) for reference.

The project tag will consist of two parts separated by a hyphen.

The first part of each project tag will be your district's four digit ID number.

Use "01" as the last part of the project tag for the first capital expenditure and continue in sequential order for each additional capital expenditure. So the first capital expenditure project tag would end in 01, the second in 02, and so on. If a project is funded from both ESSER II and III grants, we will assist you with applying an A or B to the end of the tag.

Example: 1234-01

A brief title of the capital expenditure, such as "Shoreridge Elementary School Modulars" or "Central Middle School HVAC"

The **amount of ESSER funds** being used for the capital expenditure

The school campus or building where the capital expenditure will occur or be used

***Please note a separate approval form should be filled out for each construction project location.**

For example, if you are replacing the HVAC system at four schools, each school will be considered a separate project and will require a separate approval form. A piece of equipment that will be used at multiple schools only needs one approval form.

Estimate of when the capital expenditure is set to occur. Please note that the deadline for obligating funds for ESSER II is 09/30/23 and for ESSER III is 09/30/24.

Description of the capital expenditure

Select the expenditure type from the list of options that best matches the description of the expenditure. Reach out to ODE staff for assistance if needed.

If this expenditure is being approved out of ESSER III funds AND you intend for it to be considered for the 20% minimum of the ESSER III funds intended to address Unfinished Learning, please provide a brief reason and contact us for more information. Most capital expenditures fall outside of the definition of meeting the needs of Unfinished Learning.

Each capital expenditure must address a direct impact of COVID-19. In general, ESSER funds should not be used to complete projects or purchase equipment that were being considered prior to COVID-19, unless there is strong justification that the project or equipment is **necessary to maintain normal operations during the pandemic or to recover from the pandemic.**

For example, replacing a stadium scoreboard would likely not be an eligible use of ESSER funds, as it is not directly related to COVID-19. However, replacing an outdated/ineffective HVAC system could be an eligible use of funds as the increased air circulation can reduce the spread of COVID-19. Similarly, purchasing a portable/modular could be an eligible use of funds if it is necessary to accommodate social distancing.

Please provide information that details how this expenditure relates to the pandemic and your community's efforts to mitigate the effects and grow stronger.

For expenditures greater than or equal to \$25,000, your district must engage their school board to review and approve the expenditure.

This capital expenditure approval form can be submitted prior to approval from your school board. However, school board approval must be obtained prior to expending the funds.

Note: During the review of this request, your district may be asked to provide meeting minutes that document this engagement.

Your district must certify that they are aware of and will adhere to the following laws and regulations, as well as any other applicable laws and regulations regarding capital expenditures. These federal regulations are applicable to all ESSER capital expenditure projects, regardless of amount.

Is this project part of the district's plan to address Unfinished Learning and will it count towards the 20% of ESSER III funds for this purpose? If the district intends for this capital expenditure to be included as a part of their Unfinished Learning funds, please provide a brief rationale below and send an email to

Please provide a detailed response on how this expenditure directly addresses an impact of COVID-19 and/or why this expenditure is necessary to maintain normal operations during the pandemic or to recover from the
--

Olalla is housed within the Mary Harrison school in Toledo, Oregon. Mary Harrison was built in --- and closed in ----. No significant updates have been made to the grounds since XXX. The new playground equipment will provide opportunities for daily movement and exercise.

What percentage of students/staff from the district will be impacted by this expenditure?
--

Olalla serves up to 11 students residing within Lincoln County School District with two LCSD staff members.

How does this project address the needs of those students most impacted by the pandemic and/or historically underserved students?
--

The pandemic affected our students and their families in a myriad of ways. The connections that were disrupted often led to dysregulated and unsafe behavior in public school settings. By serving a population of students with intensive mental health needs, Olalla is directly addressing our increased student needs post-

Who was involved in the decision making process for this expenditure and how was the community and other stakeholder input included in this decision making?

Olalla and district staff co-created a wish-list of items and experiences that would enhance and enrich the student experience. This capital expenditure was their specific request.

What are the short and long-term effects of this expenditure on student outcomes?

Having access to a safe and engaging playground should be an expectation of all school settings. Students with intensive mental health needs benefit expressly from the physical and sensory experiences an outdoor play

Why is it important for this expenditure to be completed now, as opposed to putting resources toward other priorities? (What makes this expenditure the best use of ESSER funds for your district?)

The wish list co-created by Olalla and district staff has a variety of expenditures that speak to our priorities for student engagement. These range from the purchase of gardening and science equipment to art classes. The playground is of high priority as students do not currently have access to safe climbing equipment.

For expenditures greater than or equal to \$25,000, your district must engage their school board to review and approve the expenditure.

- **Utilize the LCSD Early Learning Web page for initial and on-going information:**
 - **Rationale:** Explain the purpose of the increase, such as ensuring program sustainability and expanding capacity.
 - **Impact on Families:** The district understands the potential financial burden and will continue to offer solutions like state funded Preschool Promise (PSP) and Employment Related Day Care (ERDC) Subsidies. We will add these opportunities to the Early Learning Handbook, Website, Social Media and include in all staff PD.
 - **FAQs:** A section addressing frequently asked questions to anticipate and address parent concerns, including rate comparisons and who to contact. Provide as much transparency as possible, keeping information current.

6. USE.

Lessee shall use the Premises for the educational program described in the approved, revised Charter School Contract dated July 2024, and shall not use or permit the

Premises to be used for any other purpose without the prior written consent of Lessor, which consent shall be within Lessor's sole discretion.

Lessee shall not do or permit anything to be done in or about the Premises, nor bring or keep anything thereon, which would, in any way, increase the existing rate of or affect any fire or other insurance upon the Premises or any of its contents, or cause cancellation of any insurance policy covering said Premises or any part thereof or any of its contents.

Lessee shall not allow the Premises to be used for any improper, immoral, unlawful, or objectionable purpose, nor shall Lessee cause, maintain, or permit any nuisance in, on, or about the Premises. Lessee shall not commit or suffer to be committed any waste in or upon the Premises. Lessee shall not cause or permit *any* hazardous substance to be brought upon, kept, or used in or about the premises by Lessee, Lessee's agents, employees, contractors or invitees without the prior written consent of Lessor, which shall not be unreasonably withheld as long as Lessee demonstrates to Lessor's reasonable satisfaction that such hazardous substance is necessary or useful to Lessee's educational program and will be used, kept and stored in a manner that complies with all laws regulating any such hazardous substance so brought upon or used or kept in or about the premises.

For purposes of this paragraph (6), the term "hazardous materials" shall mean any materials that, because of their quantity, concentration or physical, chemical or infections characteristics may cause or pose a present or potential hazard to human health or the environment when improperly used, stored, disposed of, transported or otherwise handled. This term includes, but is not limited to, asbestos, lead paint, petroleum, including crude oil, including any fraction thereof that is a liquid at standard conditions of temperature and pressure (600° Fahrenheit and 14.71 lbs. per square inch absolute), or any hazardous or toxic substance regulated under the Resource Conservation and Recovery Act, the Comprehensive Environment Response Compensation and Liability Act, or any other state, federal or local laws relating to the protection of human health or the environment.

This indemnification includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state, or local governmental agency or political subdivision because of the presence of hazardous materials in the soil or ground water on or coming from the Premises. Without limiting the foregoing, if the presence of any hazardous material on the Premises caused or permitted by Lessee, or Lessee's agents, contractors or invitees, results in contamination of the Premises, Lessee shall promptly take all actions at its sole expense as are

necessary to return the Premises to the condition existing prior to the release of any such hazardous material. Nevertheless, Lessor shall have the right to order Lessee to cease any cleanup or mitigation activity if such action would potentially have any material adverse, long-term or short-term, effect on the Premises. The foregoing indemnity shall survive the expiration or termination of this lease.

7. COMPLIANCE WITH THE LAW.

Lessee shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance, or government rule or regulation now in force or which may hereafter be enacted or promulgated. Lessee shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances, and governmental rules, regulations, or requirements now in force or which may hereafter be in force, and with the requirements of any board of fire insurance underwriters, or other similar bodies now or hereafter constituted, relating to, or affecting the condition, use, or occupancy of the Premises, excluding structural changes not related to or affected by Lessee's improvements or acts. The judgment of any court of competent jurisdiction or the admission of Lessee in any action against Lessee, whether Lessor be a party thereto or not, that lessee has violated any law, statute, ordinance, or governmental rule, regulation, or requirement, shall be conclusive of that fact between Lessor and Lessee.

8. ALTERATIONS AND ADDITIONS.

- a. Lessee shall not make or suffer to be made any alterations, additions, or improvements to or of the Premises or any part thereof without the prior written consent of Lessor, which consent shall not be unreasonably withheld. Any alterations, additions, or improvements to or of said Premises shall on the expiration of the term become a part of the realty and belong to the Lessor and shall be surrendered with the Premises. Lessee may designate, within thirty (30) days of installation, other items of personal property or equipment which may be added to or become part of the improvements of said Premises by Lessee which may be removed by Lessee on the expiration of the term of this lease, as long as Lessee repairs any physical injury to the Premises caused by such removal.
- b. If Lessor consents to the making of any alterations, additions, or improvements to the Premises by Lessee, the same shall be made by Lessee at Lessee's sole cost and expense. Any contractor or person selected by Lessee to make any alterations, additions, or improvements must first be approved of and consented to in writing by Lessor, which consent shall not be unreasonably withheld. Any improvements made to the Premises by Lessee shall be deemed to become a part of the Premises. Lessee shall not be entitled to any rental credit for the same, nor entitled to make any claim against Lessor in connection with such improvements.
- c. Except as may be otherwise specifically stated in this lease, Lessee shall have no right to remove any improvements placed on the Premises by either Lessor or

Lessee during the term of the lease. Lessee may remove trade fixtures, but not plumbing or light fixtures, installed by Lessee, at the termination of the lease, if such removal can be made without material damage to the Premises. Removal may not be made of any fixtures if the lease is in default in any way. In the case of such default, the Lessor may retain the fixtures as security for unpaid rent and for damages for other breaches, if any.

- d. In any instance where Lessee has the right to remove fixtures or other improvements and fails to do so within thirty (30) days after the expiration of this lease or termination thereof, the fixtures and all other improvements remaining on the Premises shall become the property of Lessor.

9. MAINTENANCE AND REPAIRS.

- a. Lessee, at Lessee's sole cost and expense, shall keep the Premises, including but not limited to landscaping, buildings, systems, fixtures, and equipment, and every part thereof in good condition and repair. Damage to the Premises from causes that are beyond the reasonable control of Lessee and ordinary wear and tear are excepted from this provision.
- b. Upon termination of this lease, Lessee shall surrender the Premises to Lessor in good condition, ordinary wear and tear and damage from causes beyond the reasonable control of Lessee excepted.
- c. Lessee's responsibility for maintenance, repair, and redecoration includes repairs to interior doors and windows, light fixtures (including those installed by Lessee), and painting and repair of interior walls, ceilings, and floors.
- d. Repair and maintenance work done by Lessee must be of a quality at least equal to the quality of the original installations in and on the Premises.
- e. Lessee's responsibility under this section shall include normal and routine maintenance and repair as well as capital improvements necessary to extend the life of the building(s), replace and renew building systems, and repair deterioration and damage caused by vandalism or excessive use.
- f. Lessee shall provide, at Lessee's sole expense, all necessary janitorial services and will not commit any strip or waste on the Premises. Janitorial supplies shall be environmentally friendly, and Lessee shall be responsible to keep an inventory of hazardous materials and MSDS sheets.
- g. Lessor shall have no responsibility for maintenance of the Premises, other than with respect to execution and approval of such documentation as may be required to allow Lessee to maintain and improve the Premises.

10. ASSIGNMENT AND SUBLETTING.

Lessee shall not either voluntarily or by operation of law, assign, transfer, mortgage, pledge, hypothecate, or encumber this lease or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person (the employees, agents, servants, and invitees of Lessee excepted), to occupy or use the said Premises, or any portion thereof, without the prior written consent of Lessor. A consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person or for a different use or purpose.

11. HOLD HARMLESS.

Lessee shall indemnify and defend Lessor from any claim, loss, or liability arising out of or related to activity of Lessee on the leased Premises or any condition of the leased Premises in the possession or control of Lessee related to any activity of Lessee.

12. SUBROGATION.

As long as their respective insurers so permit, Lessor and Lessee hereby mutually waive their respective rights of recovery against each other for any loss insured by fire, extended coverage, and other property insurance policies existing for the benefit of the respective parties. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

13. INSURANCE.

Lessee shall maintain a comprehensive general liability insurance policy, including premises liability, auto and personal injury, with a combined single limit coverage of not less than \$2,000,000.00 naming the Lincoln County School District as an "additional named insured." Lessee shall further maintain statutory workers' compensation and employer's liability insurance as required by state law with minimum limits of \$1,000,000.00 for each accident including a waiver of subrogation. Lessee shall also maintain a broad-form standard fire insurance policy with extended coverage endorsement covering the Premises for no less than "replacement cost" on all leased facilities. Lessee may purchase a tenant's fire insurance policy to cover the cost of recovery of Lessee's contents stored on the Premises. The limit of the above insurance shall not limit the liability of Lessee hereunder. Lessee may carry said insurance under a blanket policy, providing said insurance by Lessee shall have a Lessor's protective liability endorsement attached thereto. If Lessee fails to procure and maintain said insurance, Lessor may, but is not required to, procure and maintain the same at the expense of Lessee. Insurance required hereunder shall be in companies rated no less than A-7 from AM Best's Rating Insurance Guide.

14. SERVICE AND UTILITIES.

Lessee shall pay all utility charges and service charges including but not limited to such charges as water, telephone, internet, heat, electricity, natural gas, garbage, water, sewer, etc. all at Lessee's sole expense. Lessee shall arrange for the handling of freight by Lessee's personnel, not Lessor's personnel. Lessee may contract for the receiving of freight by Lessor's personnel.

15. SECURITY.

Lessee shall be responsible for the security of the Premises. Lessee shall also maintain a fire alarm system for all structures that will be used by children that complies with all applicable fire and safety codes. Lessee shall be responsible for all applicable phone line charges. Lessee shall be responsible for providing Lessor with a copy of keys to all locks.

16. SERVICE AND REPORTING REQUIREMENTS.

Lessor agrees to the following service and reporting requirements:

- a. Maintain a safe and secure facility by:
 1. The correct operation of the building mechanical, electrical and plumbing systems;
 2. Ensuring staff are trained in first aid and CPR;
 3. Adopting risk management and emergency procedures;
 4. Maintaining adequately stocked first aid kits.
- b. Provide the Lessor, by August 15 of each year, a written annual report for the previous fiscal year (July 1 – June 30) that describes all non-routine maintenance, repairs, and improvements made during the previous year and the cost thereof, including the value of in-kind labor and materials, and a description of the manner in which the improvements were constructed which demonstrates that the cash-financed improvements were constructed using competitive procurement practices.

17. HOLDING OVER.

If Lessee remains in possession of the Premises or any part thereof after the expiration of the term hereof, with the express written consent of Lessor, such occupancy shall be a tenancy from month to month at a rental in the amount of the last monthly rental, plus all other charges payable hereunder, and upon all the terms hereof applicable to a month-to-month tenancy.

18. ENTRY BY LESSOR.

Lessor reserves and shall have the right to enter the Premises during normal business hours of Lessee, for maintenance at any time, or in the case of an emergency at any time with prompt notice to Lessee. The purpose of entrance by Lessor may be to inspect the same, supply any service to be provided by Lessor to Lessee hereunder, to submit said Premises to prospective purchasers or tenants, to post notices of non-responsibility, and to alter, improve, or repair the Premises that Lessor may deem necessary or desirable, without abatement of rent and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing that the entrance to the Premises shall not be blocked

thereby, and further providing that the business of the Lessee shall not be interfered with unreasonably. There shall be no abatement of rent and no liability of Lessor by reason of such entry under this paragraph unless Lessor's negligence or breach of any provision of this Lease materially interferes with Lessee's business, use, or quiet enjoyment of the premises.

For each of the aforesaid purposes, Lessor shall at all times have and retain a key with which to unlock all of the doors in, upon, and about the Premises. Lessor shall have the right to use any and all reasonable means which Lessor may deem proper to open said doors in an emergency, with the consent of Lessee obtained before entering, if possible, in order to obtain entry to the Premises without liability to Lessor, except for any failure to exercise due care for Lessee's property. Any entry to the Premises obtained by Lessor by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Lessee from the Premises or any portion thereof.

19. RECONSTRUCTION.

In the event of damage or destruction of the Premises due to an event that is covered by property insurance, the Premises shall be restored in accordance with plans and specifications mutually agreeable to the Lessor and Lessee. Repair shall be accomplished with all reasonable dispatch, subject to interruptions and delays from labor disputes and other causes beyond District's reasonable control.

If the Premises are damaged such that the cost of restoration is reasonably estimated by the parties to exceed the proceeds of insurance available for such purpose, then the parties agree to proceed as follows:

- a. Lessor may elect to terminate this Lease by written notice to Lessee, given at least 30 days following the date of damage, whereupon Lessor shall be entitled to receive all proceeds of any policies of insurance held by Lessee, free of any claim by Lessee and Lessee shall take all action and execute all documents necessary to disburse the proceeds to District.
- b. Absent such an election, Lessor and Lessee may proceed to restore the improvements using value engineering to assure that the cost of restoration will not exceed available insurance proceeds together with any other funds available for such purposes from grants, donations or Lessee. Repair shall be accomplished with all reasonable dispatch, subject to interruptions and delays from labor disputes and other causes beyond the parties' reasonable control.

20. DEFAULT.

- a. The occurrence of any one, or more, of the following events, identified below shall constitute a default and breach of this Lease by Lessee:

1. The vacating or abandonment of the Premises by Lessee.

2. The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder within ten days of the date the same is due.
 3. The failure by Lessee to observe or perform any of the covenants, conditions, or provisions of this Lease to be observed or performed by the Lessee where such failure shall continue for a period of 30 days after written notice thereof; provided, however, that if the nature of Lessee's default is such that more than 30 days are reasonably required for its cure, then Lessee or Lessor shall not be deemed to be in default if Lessee commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.
 4. The making by Lessee of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt, or a petition or reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); or the appointment of a trustee or a receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within ten (10) days; or the attachment, execution or other judicial seizure of substantially all of the Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged in ten (10) days.
 5. The termination or expiration of the Lessee's Charter without a replacement or renewal shall constitute an Event of Default under this Lease.
- b. The occurrence of any one, or more, of the following events, identified below shall constitute a default and breach of this Lease by Lessor:
1. Lessor shall be considered in default if, at any time, Lessor fails to make the premises available to Lessee or creates any situation which substantially impedes the use of the premises for the uses for which they are intended.
- c. Any waiver by Lessor of strict compliance within the terms of this Lease shall not be a waiver of any subsequent violation or default.

21. REMEDIES IN DEFAULT.

In the event of any default or breach by Lessee, Lessor may at any time thereafter, upon notice and without limiting Lessor in the exercise of a right or remedy which Lessor may have by reason of each default or breach:

- a. Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default, including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proved could be reasonably avoided; that portion of the leasing commission paid by Lessor and applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of ten percent (10%) per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (a) taking possession of the Premises and recovering from Lessee the amount specified in this paragraph, or (b) proceeding under the provisions of the following Article 20b.
- b. Maintain Lessee's right to possession, in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event, Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.
- c. Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decision of the state in which the Premises are located.

22. EMINENT DOMAIN.

If any portion of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain or if all access is taken, either party hereto shall have the right, at its option, to terminate this Lease, and Lessor shall be entitled to any and all income, rent, award, or any interest therein whatsoever which may be paid or made in connection with such public or quasi-public use or purpose, and Lessee shall have no claim against Lessor for the value of any unexpired term of this Lease. If either less than or more than 25 percent of the Premises is taken, and neither party elects to terminate as herein provided, the rent thereafter to be paid shall be equitably reduced. If any part of the Premises is so taken or appropriated, Lessor shall have the right, at its option, to terminate this Lease and shall be entitled to the entire award as above provided; and in the event Lessor does not exercise its option to terminate this Lease, Lessee shall have an option to terminate this Lease without further notice if the taking or appropriation of any part of the Premises or unreasonably interferes with Lessee's use or business.

23. TERMINATION BY LESSEE.

This Lease may be terminated by Lessee for any reason with not less than sixty (60) days prior written notice to Lessor.

24. STATEMENT AND COOPERATION BY LESSEE.

Lessee shall at any time and from time to time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge, and deliver to Lessor a statement in writing, (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease as so modified is in full force and effect), and the date to which the rental and other charges are paid in advance, if any, and (b) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of the Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be relied upon by any prospective purchaser or encumbrancer of all or any portion of the real property of which the Premises is a part. Lessee will cooperate with Lessor in providing other reasonable information to prospective purchasers or encumbrancers of the Premises. If a prospective purchaser or encumbrancer requests minor modification of this Lease, Lessee will not unreasonably refuse such modifications unless Lessee deems the modifications to be major or significant modifications affecting its rights, use of the premises, or Lessor's or Lessee's obligations under this Lease. In the event of a dispute between Lessor and Lessee under this provision, either party may, within 90 days of the occurrence of the dispute, request in writing that the matter be submitted to arbitration by a mutually acceptable arbitration according to the provisions of paragraph 26 of this Lease.

25. AUTHORITY OF PARTIES.

- a. Corporate Authority. If Lessee is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he is duly authorized to execute and deliver this lease on behalf of said corporation, in accordance with a duly-adopted resolution of the Board of Directors of said corporation or in accordance with the Bylaws of said corporation, and that this Lease is binding upon said corporation in accordance with its terms.

26. GENERAL PROVISIONS.

a. Plats and Riders.

Clauses, plats, and riders, if any, signed by the Lessor and the Lessee and endorsed on or affixed to this Lease are a part hereof.

b. Waiver.

The waiver by Lessor of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition on any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Lease, other than the failure of the Lessee to pay the particular rental so accepted, regardless of Lessor's knowledge of such preceding breach at the time of the acceptance of such rent.

c. Notices.

All notices and demands which may or are to be required or permitted to be given by either party to the other hereunder shall be in writing.

All notices and demands by the Lessor to the Lessee shall be sent by United States mail, postage prepaid, addressed to the Lessee c/o:

Eddyville Charter School
Attn: Principal
PO Box 68
Eddyville, OR 97343

or to such other places as Lessee may from time to time designate in a notice to the Lessor.

All notices and demands by the Lessee to the Lessor shall be sent by United States Mail, postage prepaid, addressed to the Lessor c/o:

Lincoln County School District
Attn: Superintendent
PO Box 1110
Newport, Oregon 97365

or to such other person or place as the Lessor may from time to time designate in a notice to Lessee.

Rent shall be addressed to Lessor c/o:

Lincoln County School District
Business Office
PO Box 1110
Newport, Oregon, 97365

or to such other person or place as the Lessor may from time to time designate in a notice to Lessee.

d. Headings.

The headings and Article titles to the Articles of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

e. Time.

Time is of the essence of this Lease in each and all of its provisions in which performance is a factor.

f. Successors and Assigns.

The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators, and permitted assigns of the parties hereto.

g. Recording.

Neither Lessor or Lessee shall record this Lease or a short form memorandum hereof without the prior written consent of the other party.

h. Quiet Possession.

Upon Lessee paying the rent reserved hereunder and observing and performing all of the covenants, conditions, and provisions on Lessee's part to be observed and performed hereunder, Lessee shall have quiet possession of the Premises for the entire term hereof, subject to all the provisions of this Lease.

i. Late Charges.

Lessee hereby acknowledges that late payment by Lessee to Lessor of rent or other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Lessor by terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or of a sum due from Lessee shall not be received by Lessor or Lessor's designee within 10 days after written notice that said amount is past due, then Lessee shall pay to Lessor a late charge equal to ten percent (10%) of such overdue amount. The parties hereby agree that such late charges represent a fair and reasonable estimate of the cost that Lessor will incur by reason of the late payment by Lessee. Acceptance of such late charges by the Lessor shall in no event constitute a waiver of Lessee's default with respect to such overdue amount, nor prevent Lessor from exercising any of the other rights and remedies granted hereunder.

j. Prior Agreements.

This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest. This Lease shall not be effective or binding on any party until fully executed by both parties hereto.

k. Inability to Perform.

This Lease and the obligations of the Lessee hereunder shall not be affected or impaired because the Lessor is unable to fulfill any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike, labor troubles, act of God, or any other cause beyond the reasonable control of the Lessor.

l. Attorney Fees.

If any action or proceeding is brought by either party against the other under this Lease, the prevailing party shall be entitled to recover all costs and expenses,

including the fees of its attorneys in such action or proceeding in such amount as the court may adjudge reasonable as attorney's fees.

- m. Separability.
Any provision of this Lease which shall prove to be invalid, void, or illegal shall in no way affect, impair, or invalidate any other provision hereof and such other provision shall remain in full force and effect.

- n. Cumulative Remedies.
No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

- o. Choice of Law.
This Lease shall be governed by the laws of the State of Oregon.

IN WITNESS WHEREOF, the parties have executed this Contract as of the date first above written.

FACILITIES LEASE

This Lease Agreement ("lease"), dated July 1, 2024, is made between LINCOLN COUNTY SCHOOL DISTRICT, Lincoln County, Oregon ("Lessor") and SILETZ VALLEY SCHOOL, Siletz, Lincoln County, Oregon ("Lessee").

This lease is subject to the terms, covenants, conditions, and restrictions set forth herein, and which are a material part of the consideration for this lease.

1. PREMISES.

Lessor hereby leases to Lessee and Lessee accepts that certain space and improved real property ("Premises") located at 245 NW James Franks Ave., Siletz, OR 97380, described in the attached and incorporated Exhibit 1, including, a school building of approximately 64,665 square feet, together with all fixtures and improvements to the real property existing now or at any time in the future, except for fixtures that Lessee installs at its own expense which can be removed without causing damage to any other part of the Premises.

2. TERM.

The term of this lease begins on July 1, 2024, and ends on June 30, 2034.

3. POSSESSION.

The Lessee is currently in possession of the Premises and will continue to maintain possession under this lease.

4. RENT.

Lessee agrees to pay Lessor rent for the Premises in the sum of \$1.00 per year, beginning August 1, 2024, and payable on each August 1, with the first payment due on August 1, 2024.

5. ADDITIONAL RENT.

In addition to the rent described in paragraph (4) above, Lessee agrees to pay the following as additional rent:

- a. The cost of all insurance which Lessee is required to have under this lease;
- b. All amounts necessary to maintain and operate the Premises as provided herein; and,
- c. Any taxes due on or with respect to the uses made of the Premises.

6. USE.

Lessee shall use the Premises for the educational program described in the approved, revised Charter School Contract dated July 2024, and shall not use or permit the

Premises to be used for any other purpose without the prior written consent of Lessor, which consent shall be within Lessor's sole discretion.

Lessee shall not do or permit anything to be done in or about the Premises, nor bring or keep anything thereon, which would, in any way, increase the existing rate of or affect any fire or other insurance upon the Premises or any of its contents, or cause cancellation of any insurance policy covering said Premises or any part thereof or any of its contents.

Lessee shall not allow the Premises to be used for any improper, immoral, unlawful, or objectionable purpose, nor shall Lessee cause, maintain, or permit any nuisance in, on, or about the Premises. Lessee shall not commit or suffer to be committed any waste in or upon the Premises. Lessee shall not cause or permit *any* hazardous substance to be brought upon, kept, or used in or about the premises by Lessee, Lessee's agents, employees, contractors or invitees without the prior written consent of Lessor, which shall not be unreasonably withheld as long as Lessee demonstrates to Lessor's reasonable satisfaction that such hazardous substance is necessary or useful to Lessee's educational program and will be used, kept and stored in a manner that complies with all laws regulating any such hazardous substance so brought upon or used or kept in or about the premises.

For purposes of this paragraph (6), the term "hazardous materials" shall mean any materials that, because of their quantity, concentration or physical, chemical or infections characteristics may cause or pose a present or potential hazard to human health or the environment when improperly used, stored, disposed of, transported or otherwise handled. This term includes, but is not limited to, asbestos, lead paint, petroleum, including crude oil, including any fraction thereof that is a liquid at standard conditions of temperature and pressure (600° Fahrenheit and 14.71 lbs. per square inch absolute), or any hazardous or toxic substance regulated under the Resource Conservation and Recovery Act, the Comprehensive Environment Response Compensation and Liability Act, or any other state, federal or local laws relating to the protection of human health or the environment.

Lessee shall indemnify, defend, and hold Lessor harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses (including without limitation, diminution in value of the Premises and sums paid in settlement of claims, attorney fees, consultant fees and expert fees) which arise during or after the Lease term because of the contamination by hazardous materials as a result of the use or activities of Lessee, Lessee's agents, contractors, and invitees. This indemnification includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state, or local governmental agency or political subdivision because of the presence of hazardous materials in the soil or ground water on or coming from the Premises. Without limiting the foregoing, if the presence of any hazardous material on the Premises caused or permitted by Lessee, or Lessee's agents, contractors or invitees, results in contamination of the Premises, Lessee shall promptly take all actions at its sole expense as are

necessary to return the Premises to the condition existing prior to the release of any such hazardous material. Nevertheless, Lessor shall have the right to order Lessee to cease any cleanup or mitigation activity if such action would potentially have any material adverse, long-term or short-term, effect on the Premises. The foregoing indemnity shall survive the expiration or termination of this lease.

7. COMPLIANCE WITH THE LAW.

Lessee shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance, or government rule or regulation now in force or which may hereafter be enacted or promulgated. Lessee shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances, and governmental rules, regulations, or requirements now in force or which may hereafter be in force, and with the requirements of any board of fire insurance underwriters, or other similar bodies now or hereafter constituted, relating to, or affecting the condition, use, or occupancy of the Premises, excluding structural changes not related to or affected by Lessee's improvements or acts. The judgment of any court of competent jurisdiction or the admission of Lessee in any action against Lessee, whether Lessor be a party thereto or not, that lessee has violated any law, statute, ordinance, or governmental rule, regulation, or requirement, shall be conclusive of that fact between Lessor and Lessee.

8. ALTERATIONS AND ADDITIONS.

- a. Lessee shall not make or suffer to be made any alterations, additions, or improvements to or of the Premises or any part thereof without the prior written consent of Lessor, which consent shall not be unreasonably withheld. Any alterations, additions, or improvements to or of said Premises shall on the expiration of the term become a part of the realty and belong to the Lessor and shall be surrendered with the Premises. Lessee may designate, within thirty (30) days of installation, other items of personal property or equipment which may be added to or become part of the improvements of said Premises by Lessee which may be removed by Lessee on the expiration of the term of this lease, as long as Lessee repairs any physical injury to the Premises caused by such removal.
- b. If Lessor consents to the making of any alterations, additions, or improvements to the Premises by Lessee, the same shall be made by Lessee at Lessee's sole cost and expense. Any contractor or person selected by Lessee to make any alterations, additions, or improvements must first be approved of and consented to in writing by Lessor, which consent shall not be unreasonably withheld. Any improvements made to the Premises by Lessee shall be deemed to become a part of the Premises. Lessee shall not be entitled to any rental credit for the same, nor entitled to make any claim against Lessor in connection with such improvements.
- c. Except as may be otherwise specifically stated in this lease, Lessee shall have no right to remove any improvements placed on the Premises by either Lessor or

Lessee during the term of the lease. Lessee may remove trade fixtures, but not plumbing or light fixtures, installed by Lessee, at the termination of the lease, if such removal can be made without material damage to the Premises. Removal may not be made of any fixtures if the lease is in default in any way. In the case of such default, the Lessor may retain the fixtures as security for unpaid rent and for damages for other breaches, if any.

- d. In any instance where Lessee has the right to remove fixtures or other improvements and fails to do so within thirty (30) days after the expiration of this lease or termination thereof, the fixtures and all other improvements remaining on the Premises shall become the property of Lessor.

9. MAINTENANCE AND REPAIRS.

- a. Lessee, at Lessee's sole cost and expense, shall keep the Premises, including but not limited to landscaping, buildings, systems, fixtures, and equipment, and every part thereof in good condition and repair. Damage to the Premises from causes that are beyond the reasonable control of Lessee and ordinary wear and tear are excepted from this provision.
- b. Upon termination of this lease, Lessee shall surrender the Premises to Lessor in good condition, ordinary wear and tear and damage from causes beyond the reasonable control of Lessee excepted.
- c. Lessee's responsibility for maintenance, repair, and redecoration includes repairs to interior doors and windows, light fixtures (including those installed by Lessee), and painting and repair of interior walls, ceilings, and floors.
- d. Repair and maintenance work done by Lessee must be of a quality at least equal to the quality of the original installations in and on the Premises.
- e. Lessee's responsibility under this section shall include normal and routine maintenance and repair as well as capital improvements necessary to extend the life of the building(s), replace and renew building systems, and repair deterioration and damage caused by vandalism or excessive use.
- f. Lessee shall provide, at Lessee's sole expense, all necessary janitorial services and will not commit any strip or waste on the Premises. Janitorial supplies shall be environmentally friendly, and Lessee shall be responsible to keep an inventory of hazardous materials and MSDS sheets.
- g. Lessor shall have no responsibility for maintenance of the Premises, other than with respect to execution and approval of such documentation as may be required to allow Lessee to maintain and improve the Premises.

10. ASSIGNMENT AND SUBLETTING.

Lessee shall not either voluntarily or by operation of law, assign, transfer, mortgage, pledge, hypothecate, or encumber this lease or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person (the employees, agents, servants, and invitees of Lessee excepted), to occupy or use the said Premises, or any portion thereof, without the prior written consent of Lessor. A consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person or for a different use or purpose.

11. HOLD HARMLESS.

Lessee shall indemnify and defend Lessor from any claim, loss, or liability arising out of or related to activity of Lessee on the leased Premises or any condition of the leased Premises in the possession or control of Lessee related to any activity of Lessee.

12. SUBROGATION.

As long as their respective insurers so permit, Lessor and Lessee hereby mutually waive their respective rights of recovery against each other for any loss insured by fire, extended coverage, and other property insurance policies existing for the benefit of the respective parties. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

13. INSURANCE.

Lessee shall maintain a comprehensive general liability insurance policy, including premises liability, auto and personal injury, with a combined single limit coverage of not less than \$2,000,000.00 naming the Lincoln County School District as an "additional named insured." Lessee shall further maintain statutory workers' compensation and employer's liability insurance as required by state law with minimum limits of \$1,000,000.00 for each accident including a waiver of subrogation. Lessee shall also maintain a broad-form standard fire insurance policy with extended coverage endorsement covering the Premises for no less than "replacement cost" on all leased facilities. Lessee may purchase a tenant's fire insurance policy to cover the cost of recovery of Lessee's contents stored on the Premises. The limit of the above insurance shall not limit the liability of Lessee hereunder. Lessee may carry said insurance under a blanket policy, providing said insurance by Lessee shall have a Lessor's protective liability endorsement attached thereto. If Lessee fails to procure and maintain said insurance, Lessor may, but is not required to, procure and maintain the same at the expense of Lessee. Insurance required hereunder shall be in companies rated no less than A-7 from AM Best's Rating Insurance Guide.

14. SERVICE AND UTILITIES.

Lessee shall pay all utility charges and service charges including but not limited to such charges as water, telephone, internet, heat, electricity, natural gas, garbage, water, sewer, etc. all at Lessee's sole expense. Lessee shall arrange for the handling of freight by Lessee's personnel, not Lessor's personnel. Lessee may contract for the receiving of freight by Lessor's personnel.

15. SECURITY.

Lessee shall be responsible for the security of the Premises. Lessee shall also maintain a fire alarm system for all structures that will be used by children that complies with all applicable fire and safety codes. Lessee shall be responsible for all applicable phone line charges. Lessee shall be responsible for providing Lessor with a copy of keys to all locks.

16. SERVICE AND REPORTING REQUIREMENTS.

Lessor agrees to the following service and reporting requirements:

- a. Maintain a safe and secure facility by:
 1. The correct operation of the building mechanical, electrical and plumbing systems;
 2. Ensuring staff are trained in first aid and CPR;
 3. Adopting risk management and emergency procedures;
 4. Maintaining adequately stocked first aid kits.
- b. Provide the Lessor, by August 15 of each year, a written annual report for the previous fiscal year (July 1 – June 30) that describes all non-routine maintenance, repairs, and improvements made during the previous year and the cost thereof, including the value of in-kind labor and materials, and a description of the manner in which the improvements were constructed which demonstrates that the cash-financed improvements were constructed using competitive procurement practices.

17. HOLDING OVER.

If Lessee remains in possession of the Premises or any part thereof after the expiration of the term hereof, with the express written consent of Lessor, such occupancy shall be a tenancy from month to month at a rental in the amount of the last monthly rental, plus all other charges payable hereunder, and upon all the terms hereof applicable to a month-to-month tenancy.

18. ENTRY BY LESSOR.

Lessor reserves and shall have the right to enter the Premises during normal business hours of Lessee, for maintenance at any time, or in the case of an emergency at any time with prompt notice to Lessee. The purpose of entrance by Lessor may be to inspect the same, supply any service to be provided by Lessor to Lessee hereunder, to submit said Premises to prospective purchasers or tenants, to post notices of non-responsibility, and to alter, improve, or repair the Premises that Lessor may deem necessary or desirable, without abatement of rent and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing that the entrance to the Premises shall not be blocked

thereby, and further providing that the business of the Lessee shall not be interfered with unreasonably. There shall be no abatement of rent and no liability of Lessor by reason of such entry under this paragraph unless Lessor's negligence or breach of any provision of this Lease materially interferes with Lessee's business, use, or quiet enjoyment of the premises.

For each of the aforesaid purposes, Lessor shall at all times have and retain a key with which to unlock all of the doors in, upon, and about the Premises. Lessor shall have the right to use any and all reasonable means which Lessor may deem proper to open said doors in an emergency, with the consent of Lessee obtained before entering, if possible, in order to obtain entry to the Premises without liability to Lessor, except for any failure to exercise due care for Lessee's property. Any entry to the Premises obtained by Lessor by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Lessee from the Premises or any portion thereof.

19. RECONSTRUCTION.

In the event of damage or destruction of the Premises due to an event that is covered by property insurance, the Premises shall be restored in accordance with plans and specifications mutually agreeable to the Lessor and Lessee. Repair shall be accomplished with all reasonable dispatch, subject to interruptions and delays from labor disputes and other causes beyond District's reasonable control.

If the Premises are damaged such that the cost of restoration is reasonably estimated by the parties to exceed the proceeds of insurance available for such purpose, then the parties agree to proceed as follows:

- a. Lessor may elect to terminate this Lease by written notice to Lessee, given at least 30 days following the date of damage, whereupon Lessor shall be entitled to receive all proceeds of any policies of insurance held by Lessee, free of any claim by Lessee and Lessee shall take all action and execute all documents necessary to disburse the proceeds to District.
- b. Absent such an election, Lessor and Lessee may proceed to restore the improvements using value engineering to assure that the cost of restoration will not exceed available insurance proceeds together with any other funds available for such purposes from grants, donations or Lessee. Repair shall be accomplished with all reasonable dispatch, subject to interruptions and delays from labor disputes and other causes beyond the parties' reasonable control.

20. DEFAULT.

- a. The occurrence of any one, or more, of the following events, identified below shall constitute a default and breach of this Lease by Lessee:

1. The vacating or abandonment of the Premises by Lessee.

2. The failure by Lessee to make any payment of rent or any other payment required to be made by Lessee hereunder within ten days of the date the same is due.
 3. The failure by Lessee to observe or perform any of the covenants, conditions, or provisions of this Lease to be observed or performed by the Lessee where such failure shall continue for a period of 30 days after written notice thereof; provided, however, that if the nature of Lessee's default is such that more than 30 days are reasonably required for its cure, then Lessee or Lessor shall not be deemed to be in default if Lessee commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.
 4. The making by Lessee of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt, or a petition or reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 60 days); or the appointment of a trustee or a receiver to take possession of substantially all of Lessee's assets located at the Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within ten (10) days; or the attachment, execution or other judicial seizure of substantially all of the Lessee's assets located at the Premises or of Lessee's interest in this Lease, where such seizure is not discharged in ten (10) days.
 5. The termination or expiration of the Lessee's Charter without a replacement or renewal shall constitute an Event of Default under this Lease.
- b. The occurrence of any one, or more, of the following events, identified below shall constitute a default and breach of this Lease by Lessor:
1. Lessor shall be considered in default if, at any time, Lessor fails to make the premises available to Lessee or creates any situation which substantially impedes the use of the premises for the uses for which they are intended.
- c. Any waiver by Lessor of strict compliance within the terms of this Lease shall not be a waiver of any subsequent violation or default.

21. REMEDIES IN DEFAULT.

In the event of any default or breach by Lessee, Lessor may at any time thereafter, upon notice and without limiting Lessor in the exercise of a right or remedy which Lessor may have by reason of each default or breach:

- a. Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default, including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Lessee proved could be reasonably avoided; that portion of the leasing commission paid by Lessor and applicable to the unexpired term of this Lease. Unpaid installments of rent or other sums shall bear interest from the date due at the rate of ten percent (10%) per annum. In the event Lessee shall have abandoned the Premises, Lessor shall have the option of (a) taking possession of the Premises and recovering from Lessee the amount specified in this paragraph, or (b) proceeding under the provisions of the following Article 20b.
- b. Maintain Lessee's right to possession, in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises. In such event, Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.
- c. Pursue any other remedy now or hereafter available to Lessor under the laws or judicial decision of the state in which the Premises are located.

22. EMINENT DOMAIN.

If any portion of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain or if all access is taken, either party hereto shall have the right, at its option, to terminate this Lease, and Lessor shall be entitled to any and all income, rent, award, or any interest therein whatsoever which may be paid or made in connection with such public or quasi-public use or purpose, and Lessee shall have no claim against Lessor for the value of any unexpired term of this Lease. If either less than or more than 25 percent of the Premises is taken, and neither party elects to terminate as herein provided, the rent thereafter to be paid shall be equitably reduced. If any part of the Premises is so taken or appropriated, Lessor shall have the right, at its option, to terminate this Lease and shall be entitled to the entire award as above provided; and in the event Lessor does not exercise its option to terminate this Lease, Lessee shall have an option to terminate this Lease without further notice if the taking or appropriation of any part of the Premises or unreasonably interferes with Lessee's use or business.

23. TERMINATION BY LESSEE.

This Lease may be terminated by Lessee for any reason with not less than sixty (60) days prior written notice to Lessor.

24. STATEMENT AND COOPERATION BY LESSEE.

Lessee shall at any time and from time to time upon not less than ten (10) days' prior written notice from Lessor execute, acknowledge, and deliver to Lessor a statement in writing, (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease as so modified is in full force and effect), and the date to which the rental and other charges are paid in advance, if any, and (b) acknowledging that there are not, to Lessee's knowledge, any uncured defaults on the part of the Lessor hereunder, or specifying such defaults if any are claimed. Any such statement may be relied upon by any prospective purchaser or encumbrancer of all or any portion of the real property of which the Premises is a part. Lessee will cooperate with Lessor in providing other reasonable information to prospective purchasers or encumbrancers of the Premises. If a prospective purchaser or encumbrancer requests minor modification of this Lease, Lessee will not unreasonably refuse such modifications unless Lessee deems the modifications to be major or significant modifications affecting its rights, use of the premises, or Lessor's or Lessee's obligations under this Lease. In the event of a dispute between Lessor and Lessee under this provision, either party may, within 90 days of the occurrence of the dispute, request in writing that the matter be submitted to arbitration by a mutually acceptable arbitration according to the provisions of paragraph 26 of this Lease.

25. AUTHORITY OF PARTIES.

- a. Corporate Authority. If Lessee is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he is duly authorized to execute and deliver this lease on behalf of said corporation, in accordance with a duly-adopted resolution of the Board of Directors of said corporation or in accordance with the Bylaws of said corporation, and that this Lease is binding upon said corporation in accordance with its terms.

26. GENERAL PROVISIONS.

a. Plats and Riders.

Clauses, plats, and riders, if any, signed by the Lessor and the Lessee and endorsed on or affixed to this Lease are a part hereof.

b. Waiver.

The waiver by Lessor of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition on any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Lease, other than the failure of the Lessee to pay the particular rental so accepted, regardless of Lessor's knowledge of such preceding breach at the time of the acceptance of such rent.

c. Notices.

All notices and demands which may or are to be required or permitted to be given by either party to the other hereunder shall be in writing.

- Plan for improving four-year cohort graduation by 3% each year until reaching and maintaining 90% or greater.
- Plan for improving 9th grade on-track rates by 3% each year until reaching and maintaining 90% or greater.

- SVS will work towards increasing their Regular Attenders rate by 5% annually until they reach and sustain a Regular Attenders rate of 90% or greater. Regular Attenders are defined as students who attend school 90% of the time or more. Strategies to attain this goal will be outlined in the SIP, including timelines and ways to measure progress.

2. If requested, SVS will give a SIP progress update with metrics and present it to the District Board in the spring.

3. Methodology for Reporting Growth

Throughout the term of this Agreement and after the annual evaluation by the District the parties will continue to work together to improve the methodology for analyzing and reporting achievement growth. - ECS will work towards increasing their Regular Attenders rate by 5% annually until they reach and sustain a Regular Attenders rate of 90% or greater. Regular Attenders are defined as students who attend school 90% of the time or more. Strategies to attain this goal will be outlined in the SIP, including timelines and ways to measure progress.

2. If requested, ECS will give a SIP progress update with metrics and present it to the District Board in the spring.

3. Methodology for Reporting Growth

Throughout the term of this Agreement and after the annual evaluation by the District the parties will continue to work together to improve the methodology for analyzing and reporting achievement growth.
