We stand in solidarity-unity with all oppressed, marginalized, minoritized and targeted racial/ethnic groups against racism, bias and hate.

We support racial equality, racial equity and social justice.

We strive to disrupt and dismantle racism and ~~all other forms of systemic oppression,~~ to understand the impact of explicit and implicit biases, ~~and to recognize the power and privilege in our services, policies and practices.~~

We commit to ~~impact the college's strategic initiatives and values to ensure~~ enact an anti-racist climate in which students, faculty and staff can flourish, that is free of barriers and is uniquely designed to support each member's self-actualization.

We vow to create a transformative anti-racist ~~learning and working~~ environment ~~by being through increasingly~~ racially conscious ~~and engaging in learning about racial equity to practices that foster help us~~ understanding ing of how and when the use of power, ~~and~~ white privilege and anti-Blackness ~~have~~ influenced ~~our~~ institutional services, policies and practices.

We call upon every member of our community to ~~commit themselves to the college's anti-racism statement and to~~ refuse to accept the unjust treatment of ~~anyone in our~~ communitypeople.
