MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Andrea Baker, Principal Garfield Early Childhood Center
DATE: 10-7-24
RE: Garfield Early Childhood Center Building Presentation

ISSUE:

Garfield has been scheduled to make a building presentation to the Board of Education.

BACKGROUND:

We are featuring the wonderful programs that Garfield has to offer our community and thank the Board/Leadership Team for investing in Early Childhood for our community.

ALTERNATIVES:

No other alternatives applicable.

RECOMMENDATION:

Continue looking for the growth in Early Childhood. When space/funding becomes available we would like to offer some full day preschool classroom options. Our growth in our Spanish classroom has taken off. Next year we would like to switch one of current classrooms to another Spanish PM section. These students feed into the BJ Spanish Classrooms.

FISCAL NOTE:

At this time, there is no fiscal impact for the BOE to consider.

Counseling for Little Buffs

- *All children are served through classroom lessons, groups and individual counseling.
 - *Crisis response and teacher calls.
 - *Referrals to outside agencies for student needs, especially mental health.
 - *Interventions and supports for the classroom and at home. Parent contact is vital.
 - *Coordinating services within our building/district.
 - *Food Pantry and Clothing/Food drives for our students.
- *We have a very strong partnership with Compass. A 2nd ABC Hope group was opened in the PM to accommodate the increased mental health needs of our students. Our goal is to have Compass staff and an ABC Hope group stationed in our building. Space is an issue.
- *2 of our students are in Kindergarten at TEP. We do not have access to those services for our 3 and 4 year olds. We must meet their needs internally with Garfield staff. It takes Teamwork!
- *SAT - more referrals for SEL needs than academics last year. 8 referrals for academic/developmental needs and 25 for social-emotional needs.
- *570 students being served by 1 Counselor. Currently, 319 in the AM session and 250 in the PM session. Next highest elementary enrollment is 378 with 1.5 Counselors.

Parent Activities - New Parent Engagement

- Parent Engagement Days will be planned for each unit of our curriculum giving us more purposeful opportunities to get our families in our building and into our classrooms.
- We had our first engagement day the 1st week in October. We had _____ families come and participate in their child's classroom.
- We are excited to have our families in our building as we begin to build partnerships and relationships with them.

H. NEW BUSINESS

H.1. Abe Hubert HVAC

The Board is asked to consider and take action on a bid received for HVAC replacement at Abe Hubert Elementary School. Drew Thon, Chief Human Resources Officer and Brandon Anderson, Director of Plant Facilities presented the following:

The HVAC system at Abe Hubert Elementary is 25 years old and is in need of an upgrade. This project previously bid in 2023 had only received one bid which was unopened at the bidder's request pending expected re-bid. The district re-bid the project asking for 2 different options:

- 1.) To put in a 4-Pipe System w/TES
- 2.) To put in a Variable Refrigerant System (VRF).

Again, this time the district only received one bid. The bids received for the 2 options were:

- 1.) \$5,378,769
- 2.) \$3,484,292.

The following options were presented with the recommendation from staff being to reject the bid:

- Option one, accept the bid of \$5,378,769 for the 4-Pipe System w/TES;
- Option two, accept the bid of \$3,484,292 for the VRF system;
- Option three, reject the bid at this time.

Board members' questions were answered. The following action took place.

I make a motion to reject the bid at this time. This motion, made by Nathan Haeck and seconded by Mark Hinde, Carried.

MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Jessica Nothern, Chief Financial Officer
DATE: October 7, 2024
RE: Purchase of Route Buses

ISSUE:

The Board of Education is asked to approve the bid for 4 route buses from American Bus Sales.

BACKGROUND:

We accepted bids for the purchase of 4 route buses. We received 2 bids for consideration. One company bid 4 2026 buses and American Bus Sales submitted 4 2023 buses. These buses meet all of our bid specs, including the maximum of 35,000 miles. Shane feels these year-old buses will be a great addition to our fleet. The savings between the 2 bids is nearly \$200,000.

ALTERNATIVES:

No other alternatives applicable.

RECOMMENDATION:

1. Approve the bid from American Bus Sales
2. Deny the bid
3. Rebid the purchase

FISCAL NOTE:

This purchase has been budgeted for this fiscal year from the following account:

016 E 2700 20 0000 055 00 730 Purchase of Buses

Adequate balances remaining for this purchase.

Total - \$461,200.00

The Board of Education, Unified School District #457, is requesting bids for **Four (4) Route Buses**. Bids must be mailed, emailed, or delivered to the office of the Financial Officer **by 2:00PM Friday October 4th, 2024**, and will be publicly opened at that time. Board action will be taken on **Monday, October 7th, 2024** at the regular school board meeting. A bid specification sheet is attached and the following conditions apply:

- Pricing shall be FOB Garden City, KS.
- Award will be all to ONE vendor.
- The District reserves the right to reject any or all bids, to waive any informalities, irregularities or technical defects in bids, and unless otherwise specified by the District to accept any item or groups of items in the bid, as may be in the best interest of the District.
- Time (days, weeks, etc.) required for delivery is a significant consideration with respect to this award process. The time required for delivery must be indicated in the space provided or your bid may be found non-responsive and may not be considered.
- Bid shall include copies of pertinent warranty information pertaining to the product offered. The bidder agrees that equipment furnished under any resultant purchase order issued by Garden City Kansas Public Schools shall be covered by commercial warranties the contractor gives to any customer for such supplies. All warranty information and certificates shall be furnished and become the property of the District upon delivery and acceptance of said items and/or the contractor must honor services and all rights and remedies stated in the warranties.
- All items are new manufacture unless otherwise specifically stated in this bid.
- All installations will be warrantied for a year beyond substantial completion.
- All products must have passed the first line quality standard as set by the manufacturer and no seconds, blemished articles or items having defective workmanship are included.
- Bidder shall notify the District immediately of any changes to specifications made by the manufacturer for the equipment listed.
- Bid may not be considered if a service charge, minimum dollar or minimum quantity order is applied.
- Bidder shall acknowledge all addenda for this bid and include the form acknowledgements with their bid.
- Bids are to be sealed and marked "**BID – Route Buses**".

MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Brandon Anderson, Director of Plant Facilities
DATE: 9/30/2024
RE: Consider and Act, if compelled, to enter into an HVAC Service Agreement promoting better preventative maintenance controls on our systems and units on 8 different properties.

ISSUE:

Upon arrival I followed up on a quote from P1 Services, based out of Dodge City, to come in and do bi-annual inspections of HVAC systems as well as other routine and preventative maintenance best practices at 8 properties in the district. Those properties being Jennie Wilson, Bernadine Sitts, Victor Ornelas, Kenneth Henderson, ESC, Florence Wilson, Edith Scheuerman and Charles Stones. I also asked for a similar quote from TATRO, located in Garden City, to do the same preventative maintenance agreement. Both quotes are attached listing services they would provide and annual cost.

Director of Plant Facilities, Brandon Anderson will be available to answer questions.

BACKGROUND:

The 5 sister schools, Jennie Wilson and the ESC have relatively new VRF Systems that we need to stay on top of to ensure we get the best long time service out of the system. The rooftop units at Kenneth Henderson were put in over the last couple of years and are already giving us some issues that we need to stay on top of. Currently we have 1 HVAC Apprentice on staff who could not handle the load at this time. This agreement would serve 2 purposes, 1.) To ensure we are getting the proper maintenance and upkeep done at this time and 2.) Show current and future staff the proper way to do this moving forward.

ALTERNATIVES:

-Consider the proposed quote from P1 Services of Dodge City for preventative maintenance services on the 8 district properties at a cost of \$177,312.

-Consider and Act on the proposed quote from TATRO for preventative services on the 8 district properties at a cost of \$89,125.

RECOMMENDATION:

I would respectfully ask the Board to consider the TATRO quote for a preventative maintenance agreement at \$89,125 for a 1 year term.

FISCAL NOTE:

With a reclassification of employees in the Maintenance Department this would allow for a savings \$55,203.20 to apply towards this expenditure out of the Plant Facilities budget.

CERTIFIED TERMS & CONDITIONS

1. Customer shall permit and provide Contractor free, safe and timely access to all equipment areas. Contractor will be allowed to start and stop the equipment, as necessary to perform required services. All planned work under this Agreement will be performed during Contractor normal working hours. Any additional equipment (lifts, scaffolds etc.) needed to provide service will be the responsibility of the customer, unless otherwise stated in this Agreement.
2. In case of any failure to perform its obligations under this Agreement, Contractor's liability is limited to repair or replacement at its option, and such repair or replacement shall be Customer's sole remedy. This warranty is conditioned upon proper operation and maintenance by Customer and shall not apply if the failure is caused or contributed to by accident, alteration, abuse, misuse, and acts of god or weather shall not extend beyond the term of this Agreement.
3. Customer shall be responsible for all taxes applicable to the services and/or materials hereunder, including increased refrigerant taxes and handling charges.
4. Customer will promptly pay invoices within thirty (30) days of receipt. Should a payment become sixty (60) days or more delinquent, Contractor may stop all work under this agreement without notice and/or cancel this agreement, and the entire Agreement amount shall become due and payable immediately upon demand.
5. Any alteration to, or deviation from, this Agreement involving extra work, material or labor will become an extra charge (fixed-price amount to be negotiated or on a time-and-material basis at Contractor's rates then in effect) over the sum stated in the Agreement.
6. Contractor will not be required to move, replace or alter any part of the building structure in the performance of this Agreement.
7. Contractor shall permit only their personnel or agents to perform the work included in the scope of this Agreement. Should anyone other than Contractor personnel perform such work, Contractor may, at its option, cancel this Agreement or eliminate of equipment from inclusion in this Agreement.
8. In the event, Contractor must commence legal action in order to recover any amount payable under this Agreement; Customer shall pay all court costs and Contractor attorney's fees incurred.
9. Any legal action against Contractor relating to this Agreement, or the breach thereof, shall be commenced within one (1) year from the date of work.
10. Contractor shall not be liable for any delay, loss, damage or detention caused by unavailability of machinery, equipment or materials, delay or carriers, strikes, including those by it's employees, lockouts, civil or military authority, priority regulations, insurrection or not, action of the elements, forces of nature, or by any cause beyond its control.
11. To the fullest extent permitted by law, Customer shall indemnify and hold harmless Contractor, its agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of work hereunder, provided that such claim, damage, loss or expense is caused in whole or in part by an active or passive act or omission of Customer, anyone directly or indirectly employed by Customer, or anyone for whose acts Customer may be liable for, regardless of whether it is caused in part by the negligence of Contractor.
12. Customer shall make available to Contractor personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA'S Hazard communication Standard Regulations.
13. Contractor's obligation under this proposal and any subsequent contract does not include the identification, abatement or removal of asbestos or any other toxic hazardous substances, hazardous wastes or materials. In the event such substances, wastes or materials are encountered. Contractor sole obligation will be to notify the Owner of their existence. Contractor shall have the right thereafter to suspend its work until such substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted.
14. UNDER NO CIRCUMSTANCES, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), EQUITY OR OTHERWISE, WILL CONTRACTOR BE RESPONSIBLE FOR LOSS OF USE, LOSS OF PROFIT, INCREASED OPERATING OR MAINTNANCE EXPENSES, CLAIMS OF CUSTOMER'S TENANTS OR CLIENTS, OR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES.
15. This Agreement does not include repairs to the system(s), the provisions for or installation of components or parts, or service calls required by the Customer. These services when required will be charged for at Contractor's rates then in effect.

TRAINING AND SAFETY

P1 Service recognizes the importance of education and offers unique learning opportunities for our associates and our K-12 partners.

KANSAS TRAINING FACILITY

Simply put, we built the P1 Training Facility for our customers. Our technicians hone their skills and keep them fresh through a combination of equipment operations, systems performance and troubleshooting in a laboratory environment. The facility is also a resource that provides educational hands-on opportunities to industry colleagues and partners.

The P1 Training Center has complete operational commercial-type mechanical systems, exposing all trainees to hands-on, real-world operating conditions using simulated HVAC systems.

BCTS LEARNING ACADEMY

The BCTS Learning Academy offers courses in classroom settings and through on-line training, providing education so P1 associates can continuously improve their job skills.

Course topics range from proposal writing to project management techniques to using the company's sophisticated project management, accounting and scheduling software.

COMMITMENT TO SAFETY IN OUR SCHOOLS

P1 has made a significant investment in our safety program and training, taking a proactive approach to avoiding accidents across all divisions of the company. With investments in the program and employees who take pride in doing work the right way, P1 is one of the safest contractors in the nation. In addition, our K-12 partners appreciate that all P1 associates undergo drug screenings and criminal background checks. At the request of our clients we conduct criminal background checks on field associates.

COMPANY PROFILE - P1 SERVICE SAFETY

SAFETY IS *NOT* A PRIORITY AT P1. *It's a core value.* Priorities change. Core values don't. P1 has built a "Safety First, Quality Always" culture and it is something we insist on practicing every day. We are committed to maintaining the highest level of safety and quality in everything we do.

SAFETY FIRST

Safety is an integral part of the P1 company culture. From an associate's first day at P1, they are introduced to our culture through orientation and training sessions with our full-time, CHST-certified Safety Team. With investments into the program and associates who take pride in doing work the right way, P1 is one of the safest contractors in the nation.

NATIONALLY RECOGNIZED

P1 has been a multi-year recipient of the Mechanical Contractors Association of America (MCAA) National Safety Excellence Award for best and most innovative safety programs.

In addition, P1's Vice President of Safety was named the MCAA 2021 Safety Professional of the Year by MCAA.

BUILD SAFE PARTNERSHIP

Being a member of the Build Safe Partnership means a company has adhered to a strict set of OSHA guidelines. Only 21 companies in the region participate in Build Safe, and P1 is on that exclusive list.

SAFETY CULTURE

P1 takes an upfront, hands-on approach to managing a safe workplace. Leadership authorizes all employees to stop work if they see a hazardous situation on a project, and work may not resume until the hazard has been mitigated.

COMPANY PROFILE - P1 SERVICE CAPABILITIES

The founding companies of P1 Service, LLC date back to 1919. Today, P1Service, LLC, is part of the [Best in Class Technology Services \(BCTS\)](#) family of companies.

P1 can service, repair, and replace building systems in a vast range of non-residential markets. We also provide system design and engineering, energy-efficient retrofitting, and maintenance and repair services for all system types.

"Safety First...Quality Always" Safety is not a priority at P1. *It's a core value.* Priorities change, core values don't. P1 takes pride in our exceptional safety culture.

CUSTOMER CARE AND RESPONSE POLICY

P1 Service Emergency Service & Call Response Policy

P1 Service Call Center and Answering Service Hours

24/7/365 Service: 316-267-3256

Wichita Call Center	Monday-Friday	7:30 am – 4:30 pm
Answering Service	Monday-Friday	4:30 pm – 7:30 am
	Friday-Monday	Friday 4:30 pm – Monday 7:30 am

P1 Service is capable of responding to on demand repairs (emergencies), 24 hours per day, 365 days per year within a 2-hour response time. At the first notification of an emergency, questions will be asked of the customer as to the services needed, the priority of the emergency, and therefore the expected labor costs associated with the emergency call. All phone calls made to P1 Service are answered by a live operator, 24 hours per day. The operator will forward the information to the appropriate technician or manager to handle the emergency at the direction and expectation of the customer's needs.

Calls made during regular office hours (listed above), are supported by a team of Service Coordinators. While each Service Coordinator typically is managing a trade specific group of technicians, the Service Coordinators are cross trained to take care of any customer need, whether it be mechanical, plumbing, or electrical. Should a Service Coordinator need assistance in assigning the right technician to a particular event, the Operations Manager, Division Manager, and multiple Service Managers all work within 20 feet of the Service Coordinators, so their availability to help with decisions is immediate.

Calls made outside of regular office hours (listed above), are supported by an answering service. The answering service is provided an on-call schedule to include two (2) HVAC technicians, a plumber, an electrician, an ammonia technician, and a Manager. During the summer months, a third HVAC technician is added to the on-call schedule. The answering service will ask for the specific issue in order to match the customer's needs to the correct trade or type of technician. The Manager on-call will also have the responsibility of making sure the requisite experience is matched to the situation. Upon receiving an emergency call, the answering service follows the protocol developed with P1 Service to contact the necessary people who will respond with the urgency as directed by the customer. This protocol includes an email to all of Service leadership when an emergency call is placed. This ensures awareness to all involved in order to create the desired follow-up.

RESPONSE TIME

P1 Service performs in a variety of types of facilities that all have their own urgency to response. Even within buildings, the response may vary depending on the mission of the particular piece of equipment. P1 Service Coordinators are trained to inquire about the urgency of a service call at the outset of the initial call. P1 Service will match the urgency that the facility demands. Our customers have become partners with P1 Service and work together to meet the urgency as a team for any critical equipment. In addition, our technicians will create site notes during their initial visits that will give the P1 Service Coordinators a list of any critical equipment included in the overall scope of work that may require accelerated service response time.

USD 457 – Preventative Maintenance Agreement

Company History

Started in 1952 by John Tatro as a Service Company, Tatro Plumbing Co., Inc. has evolved into a full line Plumbing and Mechanical firm, serving a primary market area of a 250 mile radius of Garden City, KS. In 2019 **TATRO** opened a satellite office in Colorado Springs, CO. Today our ~100 Employees and industry partnerships continue the quality Plumbing and Mechanical tradition by truly believing and living out our mission statement: **TATRO** continues as the *right choice* for plumbing, mechanical, and specialty services; using construction to inspire and implement solutions for a better tomorrow.

TATRO has a long tradition of providing the “BEST VALUE” through Engineering, Planning, Service and Construction. We would be honored to keep USD 457 operating and functioning as the systems should.

General Scope Clarifications:

- Semi-annual maintenance visits (Fall and Spring) to service equipment as listed within this proposal
- TATRO will provide and install replacement RTU belts as required each Spring
- Provide a 10% discount on labor rates for further HVAC service calls

The Preventative Maintenance Agreement is designed to provide our client with an on-going, comprehensive maintenance program. The Preventative Maintenance Agreement will be scheduled once approval is received from USD 457 in an executed form to include the following locations:
