The Board of Education, Unified School District #457, is requesting bids for **Four (4) Route Buses**. Bids must be mailed, emailed, or delivered to the office of the Financial Officer **by 2:00PM Friday October 4th, 2024**, and will be publicly opened at that time. Board action will be taken on **Monday, October 7th, 2024** at the regular school board meeting. A bid specification sheet is attached and the following conditions apply:

- Pricing shall be FOB Garden City, KS.
- Award will be all to ONE vendor.
- The District reserves the right to reject any or all bids, to waive any informalities, irregularities or technical defects in bids, and unless otherwise specified by the District to accept any item or groups of items in the bid, as may be in the best interest of the District.
- Time (days, weeks, etc.) required for delivery is a significant consideration with respect to this award process. The time required for delivery must be indicated in the space provided or your bid may be found non-responsive and may not be considered.
- Bid shall include copies of pertinent warranty information pertaining to the product offered. The bidder agrees that equipment furnished under any resultant purchase order issued by Garden City Kansas Public Schools shall be covered by commercial warranties the contractor gives to any customer for such supplies. All warranty information and certificates shall be furnished and become the property of the District upon delivery and acceptance of said items and/or the contractor must honor services and all rights and remedies stated in the warranties.
- All items are new manufacture unless otherwise specifically stated in this bid.
- All installations will be warrantied for a year beyond substantial completion.
- All products must have passed the first line quality standard as set by the manufacturer and no seconds, blemished articles or items having defective workmanship are included.
- Bidder shall notify the District immediately of any changes to specifications made by the manufacturer for the equipment listed.
- Bid may not be considered if a service charge, minimum dollar or minimum quantity order is applied.
- Bidder shall acknowledge all addenda for this bid and include the form acknowledgements with their bid.
- Bids are to be sealed and marked "**BID – Route Buses**".

Bids are to be sent to:

ATTACHMENT A-USD 457 STANDARD TERMS AND CONDITIONS

1. **SCOPE:** The following terms and conditions shall prevail unless otherwise modified by the District within this bid document. The District reserves the right to reject any bid which takes exception to these terms and conditions.
2. **DEFINITIONS AS USED HEREIN:**
 - a. The term "bid request" means a solicitation of a formal sealed bid.
 - b. The term "bid" means the price offered by the bidder.
 - c. The term "bidder" means the offeror or vendor.
 - d. The term "District" means Unified School District No. 457.
 - e. The term "Board of Education" or "BOE" means the governing body of Unified School District No. 457.
3. **COMPLETING BID:** Bids must be submitted ONLY on the form provided in this bid document. All information must be legible. Any and all corrections and /or erasures must be initialed. Each bid sheet must be signed by the authorized bidder and required information must be provided.
4. **CONFIDENTIALITY OF BID INFORMATION:** Each bid must be sealed and submitted in or under cover of the enclosed envelope to provide confidentiality of the bid information prior to the bid opening. Supporting documents and/or descriptive literature may be submitted with the bid or in a separate envelope marked "Literature for Bid (Number)." Do NOT indicate bid prices on literature. All bids and supporting bid documents become public information after the bid opening and are available for inspection by the general public in accordance with the Kansas Open Records Act.
5. **ACCURACY OF BID:** Each bid is publicly opened and is made part of the public record of the District. Therefore, it is necessary that any and all information presented is accurate and/or will be that by which the bidder will complete the contract. If there is a discrepancy between the unit price and extended total, the unit price will prevail.
6. **SUBMISSION OF BID:** Bids are to be sealed and submitted to the Business Office located at the Educational Support Center, 1205 Fleming St, Garden City, KS prior to the date and time indicated on the cover sheet.
7. **ADDENDA:** All changes in connection with this bid will be issued by the Business Office in the form of a written addendum. Signed acknowledgement of receipt of each addendum must be submitted with the bid.
8. **LATE BIDS AND MODIFICATION OR WITHDRAWALS:** Bids received after the deadline designated in this bid document shall not be considered and shall be returned unopened.
9. **BIDS BINDING:** All bids submitted shall be binding upon the bidder if accepted by the District within sixty (60) calendar days after the bid opening.
10. **EQUIVALENT BIDS:** When brand or trade names are used in the bid invitation, it is for the purpose of item identification and to establish standards for quality, style and features. Bids on equivalent items of substantially the same quality, style and features are invited unless items are marked "No Substitute." Equivalent bids must be accompanied by descriptive literature and/ or samples may be required and shall be supplied at no charge to the District.
11. **NEW MATERIALS, SUPPLIES AND EQUIPMENT:** Unless otherwise specified, all materials, supplies or equipment offered by a bidder shall be new, unused, of recent manufacture, first class in every respect, and suitable for their intended purpose. All equipment shall be assembled and fully serviced, ready for operation when delivered.
12. **WARRANTY:** Supplies or services furnished as a result of this bid shall be covered by the most favorable commercial warranties, expressed or implied, that the bidder and/or manufacturer gives to any customer. The rights and remedies provided herein are in addition to and do not limit any rights afforded to the District by any other clause of this bid reserves the right to request from bidders a separate manufacturer certification of all statements made in the Proposal.
13. **METHOD OF AWARD AND NOTIFICATION:** Bids will be analyzed and the award made to the lowest and best, responsive and responsible bidder(s) whose bid conforms to the specifications and whose bid is considered to be the best value in the opinion of the District.
14. The District reserves the right to reject any or all bids and any part of a bid: to waive informalities, technical defects, and minor irregularities in bids received: and to award the bid on an item by item basis by specified groups of items or to consider bids submitted on an "all or nothing" basis if the bid is clearly designed as such or when it is determined to be in the best interest of the District.
15. The signed bid shall be considered an offer on the part of the bidder: such offer shall be deemed accepted upon the issuance by the District of a Purchase Order or other contractual document.
16. **DELIVERY TERMS:** All deliveries shall be F.O.B. Destination and all freight charges shall be included in the bid price.
17. **DAMAGED AND/OR LATE SHIPMENTS:** The District has no obligation to accept damaged shipments and reserves the right to return at the vendor's expense damaged merchandise even though the damage was not apparent or discovered until after receipt of the items. The Vendor is responsible to notify the District of any late or delayed shipments. The District reserves the right to cancel all or any part of an order if the shipment is not made as promised.
18. **CREDIT TERMS:** Bidder shall indicate all discounts for full and/or prompt payment. Discounts shall be considered as a cost factor in the determination of award, except discounts offered for payment within less than ten (10) calendar days. Discounts offered shall be computed from date of receipt of correct invoice or receipt and acceptance of products, whichever is later.

19. **SELLER'S INVOICE:** Invoices shall be prepared and submitted in duplicate to address shown on the Purchase Order. Invoices shall contain the following information: Purchase Order number, contract number, item number, description of supplies or services, sizes, unit of measure, quantity, unit price and extended totals.
20. **TAX EXEMPT:** The District is exempt from Federal, State and local taxes by KS-95R26L52. Sites of all transactions under the order(s) that shall be derived from this bid request shall be deemed to have been accomplished within the State of Kansas.
21. **SAFETY:** All practices, materials, supplies and equipment shall comply with the federal Occupational Safety and Health Act, as well as any pertinent Federal, State and/or local safety or environmental codes.
22. **DISCLAIMER OR LIABILITY:** The District will not hold harmless or indemnify any bidder for any liability whatsoever.
23. **TERMINATION RIGHTS:** The District shall have the right to terminate/cancel the Agreement for its convenience and without penalty upon thirty (30) days prior written notice to the vendor.
24. **HOLD HARMLESS:** The vendor agrees to protect, defend, indemnify and hold the Board of Education, its officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character in connection with or arising directly or indirectly out of this agreement and/or the performance hereof. Without limiting the generality of the foregoing, any and all such claims, etc., relating to personal injury, infringement of any patent trademark, copyright (or application for any thereof) or of any other tangible or intangible personal or property right, or actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation, or decree of any court, shall be included in the indemnity hereunder. The vendor further agrees to investigate, handle, respond to, provide defense for and defend any such claims, etc., at his/her sole expense and agrees to bear all other costs and expenses related thereto, even if such claim is groundless, false or fraudulent.

NO MUTUAL INDEMNIFICATION:

K.S.A.72-8201a: Contracts; indemnification or hold harmless provisions, void.

(a) It is the public policy of the state of Kansas that all contracts entered into by the board of education of a school district, or any officers or employees thereof acting on behalf of the board, provide that the school district and board of education shall be responsible solely for the district's or board's actions or failure to act under a contract.

(b) The board of education of a school district or any officers or employees thereof acting on behalf of the board shall not have the authority to enter into a contract under which the school district or board agrees to, or is required to, indemnify or hold harmless against damages, injury or death resulting from the actions or failure to act on the part of any party to a contract other than the board or district.

(c) The provisions of any contract entered into in violation of this section shall be contrary to the public policy of the state of Kansas and shall be void and unenforceable.

25. **LAW GOVERNING:** All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Kansas.
26. **ANTI-DISCRIMINATION CLAUSE:** No bidder on this request shall in any way, directly or indirectly, discriminate against any person because of age, race, color handicap, sex, national origin, or religious creed.

MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Brandon Anderson, Director of Plant Facilities
DATE: 10/16/2024
RE: Bi-Annual Review of 2025 Proposed Capital Projects

ISSUE:

It should be expected from time to time to have the School Board involved in Long Range Planning. The Board has reviewed and approved the long-range plan but as decisions are made and arising needs are addressed, the focus of projects can shift and need to be updated due to these decisions or arising needs.

Director of Plant Facilities, Brandon Anderson will present and stand for questions.

BACKGROUND:

As the decision was made by the board to not close any campuses this results in a few adjustments that need to be made to our 2025 plan for Plant Facilities projects.

ALTERNATIVES:

None

RECOMMENDATION:

For review and discussion, my intent is to do this on a bi-annual occasion to keep everyone informed of substantial projects and needs of campuses.

FISCAL NOTE:

The listed projects and alternates are addressing needs as well as staying within budgeted figures for the 2024-2025 Fiscal Year.

MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Brandon Anderson, Director of Plant Facilities
DATE: 9/30/2024
RE: Consider and Act, if compelled, to enter into an HVAC Service Agreement promoting better preventative maintenance controls on our systems and units on 8 different properties.

ISSUE:

Upon arrival I followed up on a quote from P1 Services, based out of Dodge City, to come in and do bi-annual inspections of HVAC systems as well as other routine and preventative maintenance best practices at 8 properties in the district. Those properties being Jennie Wilson, Bernadine Sitts, Victor Ornelas, Kenneth Henderson, ESC, Florence Wilson, Edith Scheuerman and Charles Stones. I also asked for a similar quote from TATRO, located in Garden City, to do the same preventative maintenance agreement. Both quotes are attached listing services they would provide and annual cost.

Director of Plant Facilities, Brandon Anderson will be available to answer questions.

BACKGROUND:

The 5 sister schools, Jennie Wilson and the ESC have relatively new VRF Systems that we need to stay on top of to ensure we get the best long time service out of the system. The rooftop units at Kenneth Henderson were put in over the last couple of years and are already giving us some issues that we need to stay on top of. Currently we have 1 HVAC Apprentice on staff who could not handle the load at this time. This agreement would serve 2 purposes, 1.) To ensure we are getting the proper maintenance and upkeep done at this time and 2.) Show current and future staff the proper way to do this moving forward.

ALTERNATIVES:

-Consider the proposed quote from P1 Services of Dodge City for preventative maintenance services on the 8 district properties at a cost of \$177,312.

-Consider and Act on the proposed quote from TATRO for preventative services on the 8 district properties at a cost of \$89,125.

RECOMMENDATION:

I would respectfully ask the Board to consider the TATRO quote for a preventative maintenance agreement at \$89,125 for a 1 year term.

FISCAL NOTE:

With a reclassification of employees in the Maintenance Department this would allow for a savings \$55,203.20 to apply towards this expenditure out of the Plant Facilities budget.

CERTIFIED TERMS & CONDITIONS

1. Customer shall permit and provide Contractor free, safe and timely access to all equipment areas. Contractor will be allowed to start and stop the equipment, as necessary to perform required services. All planned work under this Agreement will be performed during Contractor normal working hours. Any additional equipment (lifts, scaffolds etc.) needed to provide service will be the responsibility of the customer, unless otherwise stated in this Agreement.
2. In case of any failure to perform its obligations under this Agreement, Contractor's liability is limited to repair or replacement at its option, and such repair or replacement shall be Customer's sole remedy. This warranty is conditioned upon proper operation and maintenance by Customer and shall not apply if the failure is caused or contributed to by accident, alteration, abuse, misuse, and acts of god or weather shall not extend beyond the term of this Agreement.
3. Customer shall be responsible for all taxes applicable to the services and/or materials hereunder, including increased refrigerant taxes and handling charges.
4. Customer will promptly pay invoices within thirty (30) days of receipt. Should a payment become sixty (60) days or more delinquent, Contractor may stop all work under this agreement without notice and/or cancel this agreement, and the entire Agreement amount shall become due and payable immediately upon demand.
5. Any alteration to, or deviation from, this Agreement involving extra work, material or labor will become an extra charge (fixed-price amount to be negotiated or on a time-and-material basis at Contractor's rates then in effect) over the sum stated in the Agreement.
6. Contractor will not be required to move, replace or alter any part of the building structure in the performance of this Agreement.
7. Contractor shall permit only their personnel or agents to perform the work included in the scope of this Agreement. Should anyone other than Contractor personnel perform such work, Contractor may, at its option, cancel this Agreement or eliminate of equipment from inclusion in this Agreement.
8. In the event, Contractor must commence legal action in order to recover any amount payable under this Agreement; Customer shall pay all court costs and Contractor attorney's fees incurred.
9. Any legal action against Contractor relating to this Agreement, or the breach thereof, shall be commenced within one (1) year from the date of work.
10. Contractor shall not be liable for any delay, loss, damage or detention caused by unavailability of machinery, equipment or materials, delay or carriers, strikes, including those by it's employees, lockouts, civil or military authority, priority regulations, insurrection or not, action of the elements, forces of nature, or by any cause beyond its control.
11. To the fullest extent permitted by law, Customer shall indemnify and hold harmless Contractor, its agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of work hereunder, provided that such claim, damage, loss or expense is caused in whole or in part by an active or passive act or omission of Customer, anyone directly or indirectly employed by Customer, or anyone for whose acts Customer may be liable for, regardless of whether it is caused in part by the negligence of Contractor.
12. Customer shall make available to Contractor personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA'S Hazard communication Standard Regulations.
13. Contractor's obligation under this proposal and any subsequent contract does not include the identification, abatement or removal of asbestos or any other toxic hazardous substances, hazardous wastes or materials. In the event such substances, wastes or materials are encountered. Contractor sole obligation will be to notify the Owner of their existence. Contractor shall have the right thereafter to suspend its work until such substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted.
14. UNDER NO CIRCUMSTANCES, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), EQUITY OR OTHERWISE, WILL CONTRACTOR BE RESPONSIBLE FOR LOSS OF USE, LOSS OF PROFIT, INCREASED OPERATING OR MAINTNANCE EXPENSES, CLAIMS OF CUSTOMER'S TENANTS OR CLIENTS, OR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES.
15. This Agreement does not include repairs to the system(s), the provisions for or installation of components or parts, or service calls required by the Customer. These services when required will be charged for at Contractor's rates then in effect.

- ✓ Disconnect - Verify Proper Operation
- ✓ Check for Unusual Bearing Wear - Condenser Fan
- ✓ Tighten Set Screws on Condenser Fan Blades
- ✓ Verify Operation of All Fans/ Inspect Fan Blades for Cracks and Wear
- ✓ Clean Finned Surfaces - Condenser Coil
- ✓ Remove and Clean Economizer Filters While Cleaning Condenser Coil if Applicable
- ✓ Inspect for Damage - Condenser Coil
- ✓ Inspect Cooling Coil
- ✓ Clean (Annually) / Inspect Condensate Pans and Drains
- ✓ Inspect / Tighten All Electrical Connections
- ✓ Inspect All Contactors
- ✓ Compressor - Inspect for Refrigerant and Oil Leaks
- ✓ Check Compressor Oil Level if Applicable
- ✓ Check Crankcase Heater for Operation
- ✓ Check Compressor's Refrigerant Charge
- ✓ Inspect Main Air Fan Blades
- ✓ Lube Bearings on Fan - Motor Assembly
- ✓ Check Housing Clearance on Fan - Motor Assembly
- ✓ Replace RTU Belts (Annually)
- ✓ Test Safety and Operating Controls
- ✓ Check Thermostat Settings and Operation. Check Set points and Parameters in the Microprocessor Control if Applicable
- ✓ Sequence Test Unit - Operation Inspection
- ✓ Check and Record Evaporator Temperature Drop
- ✓ Check and Record Suction Pressure/Discharge/Superheat
- ✓ Check and Record Amps and Volts on Compressors and Motor
- ✓ Check Low Ambient Controls
- ✓ Verify Minimum outside Air Damper Position and Setting
- ✓ Check Dampers and Linkage for Binding – Economizer
- ✓ Verify Unit has an Equipment Tag that is Legible and Correct Replace as Needed
- ✓ Review Reports and Repairs Needed with the Customer

TRAINING AND SAFETY

P1 Service recognizes the importance of education and offers unique learning opportunities for our associates and our K-12 partners.

KANSAS TRAINING FACILITY

Simply put, we built the P1 Training Facility for our customers. Our technicians hone their skills and keep them fresh through a combination of equipment operations, systems performance and troubleshooting in a laboratory environment. The facility is also a resource that provides educational hands-on opportunities to industry colleagues and partners.

The P1 Training Center has complete operational commercial-type mechanical systems, exposing all trainees to hands-on, real-world operating conditions using simulated HVAC systems.

BCTS LEARNING ACADEMY

The BCTS Learning Academy offers courses in classroom settings and through on-line training, providing education so P1 associates can continuously improve their job skills.

Course topics range from proposal writing to project management techniques to using the company's sophisticated project management, accounting and scheduling software.

COMMITMENT TO SAFETY IN OUR SCHOOLS

P1 has made a significant investment in our safety program and training, taking a proactive approach to avoiding accidents across all divisions of the company. With investments in the program and employees who take pride in doing work the right way, P1 is one of the safest contractors in the nation. In addition, our K-12 partners appreciate that all P1 associates undergo drug screenings and criminal background checks. At the request of our clients we conduct criminal background checks on field associates.

COMPANY PROFILE - P1 SERVICE SAFETY

SAFETY IS *NOT* A PRIORITY AT P1. *It's a core value.* Priorities change. Core values don't. P1 has built a "Safety First, Quality Always" culture and it is something we insist on practicing every day. We are committed to maintaining the highest level of safety and quality in everything we do.

SAFETY FIRST

Safety is an integral part of the P1 company culture. From an associate's first day at P1, they are introduced to our culture through orientation and training sessions with our full-time, CHST-certified Safety Team. With investments into the program and associates who take pride in doing work the right way, P1 is one of the safest contractors in the nation.

NATIONALLY RECOGNIZED

P1 has been a multi-year recipient of the Mechanical Contractors Association of America (MCAA) National Safety Excellence Award for best and most innovative safety programs.

In addition, P1's Vice President of Safety was named the MCAA 2021 Safety Professional of the Year by MCAA.

BUILD SAFE PARTNERSHIP

Being a member of the Build Safe Partnership means a company has adhered to a strict set of OSHA guidelines. Only 21 companies in the region participate in Build Safe, and P1 is on that exclusive list.

SAFETY CULTURE

P1 takes an upfront, hands-on approach to managing a safe workplace. Leadership authorizes all employees to stop work if they see a hazardous situation on a project, and work may not resume until the hazard has been mitigated.

COMPANY PROFILE - P1 SERVICE CAPABILITIES

The founding companies of P1 Service, LLC date back to 1919. Today, P1Service, LLC, is part of the Best in Class Technology Services (BCTS) family of companies.

P1 can service, repair, and replace building systems in a vast range of non-residential markets. We also provide system design and engineering, energy-efficient retrofitting, and maintenance and repair services for all system types.

"Safety First...Quality Always" Safety is not a priority at P1. *It's a core value.* Priorities change, core values don't. P1 takes pride in our exceptional safety culture.

P1 Service Emergency Service & Call Response Policy

P1 Service Call Center and Answering Service Hours

24/7/365 Service: 316-267-3256

Wichita Call Center	Monday-Friday	7:30 am – 4:30 pm
Answering Service	Monday-Friday	4:30 pm – 7:30 am
	Friday-Monday	Friday 4:30 pm – Monday 7:30 am

P1 Service is capable of responding to on demand repairs (emergencies), 24 hours per day, 365 days per year within a 2-hour response time. At the first notification of an emergency, questions will be asked of the customer as to the services needed, the priority of the emergency, and therefore the expected labor costs associated with the emergency call. All phone calls made to P1 Service are answered by a live operator, 24 hours per day. The operator will forward the information to the appropriate technician or manager to handle the emergency at the direction and expectation of the customer's needs.

Calls made during regular office hours (listed above), are supported by a team of Service Coordinators. While each Service Coordinator typically is managing a trade specific group of technicians, the Service Coordinators are cross trained to take care of any customer need, whether it be mechanical, plumbing, or electrical. Should a Service Coordinator need assistance in assigning the right technician to a particular event, the Operations Manager, Division Manager, and multiple Service Managers all work within 20 feet of the Service Coordinators, so their availability to help with decisions is immediate.

Calls made outside of regular office hours (listed above), are supported by an answering service. The answering service is provided an on-call schedule to include two (2) HVAC technicians, a plumber, an electrician, an ammonia technician, and a Manager. During the summer months, a third HVAC technician is added to the on-call schedule. The answering service will ask for the specific issue in order to match the customer's needs to the correct trade or type of technician. The Manager on-call will also have the responsibility of making sure the requisite experience is matched to the situation. Upon receiving an emergency call, the answering service follows the protocol developed with P1 Service to contact the necessary people who will respond with the urgency as directed by the customer. This protocol includes an email to all of Service leadership when an emergency call is placed. This ensures awareness to all involved in order to create the desired follow-up.

RESPONSE TIME

P1 Service performs in a variety of types of facilities that all have their own urgency to response. Even within buildings, the response may vary depending on the mission of the particular piece of equipment. P1 Service Coordinators are trained to inquire about the urgency of a service call at the outset of the initial call. P1 Service will match the urgency that the facility demands. Our customers have become partners with P1 Service and work together to meet the urgency as a team for any critical equipment. In addition, our technicians will create site notes during their initial visits that will give the P1 Service Coordinators a list of any critical equipment included in the overall scope of work that may require accelerated service response time.

USD 457 – Preventative Maintenance Agreement

Company History

Started in 1952 by John Tatro as a Service Company, Tatro Plumbing Co., Inc. has evolved into a full line Plumbing and Mechanical firm, serving a primary market area of a 250 mile radius of Garden City, KS. In 2019 **TATRO** opened a satellite office in Colorado Springs, CO. Today our ~100 Employees and industry partnerships continue the quality Plumbing and Mechanical tradition by truly believing and living out our mission statement: **TATRO** continues as the *right choice* for plumbing, mechanical, and specialty services; using construction to inspire and implement solutions for a better tomorrow.

TATRO has a long tradition of providing the “BEST VALUE” through Engineering, Planning, Service and Construction. We would be honored to keep USD 457 operating and functioning as the systems should.

General Scope Clarifications:

- Semi-annual maintenance visits (Fall and Spring) to service equipment as listed within this proposal
- TATRO will provide and install replacement RTU belts as required each Spring
- Provide a 10% discount on labor rates for further HVAC service calls
- Current rates good for the 1 year of this proposal is as follows:
 - HVAC Rate Per Man Hour \$114.00 after discount \$104.00
 - HVAC Truck Charge 1 per call out \$ 32.00
 - Miscellaneous parts 1 per call out \$ 5.00

The Preventative Maintenance Agreement is designed to provide our client with an on-going, comprehensive maintenance program. The Preventative Maintenance Agreement will be scheduled once approval is received from USD 457 in an executed form to include the following locations:

RE: Peer Leadership 2

ISSUE: The Board of Education is asked to consider and approve the addition of a new course, Peer Leadership 2, as a .5 credit elective course.

BACKGROUND: GCHS seeks to add a new elective course called Peer Leadership 2 that will provide students with the opportunity to earn .5 elective credit. Selected peers will work with Life Skills students in the general education classroom setting. Students will be employed by USD 457 as paraprofessionals. They will support the student by providing accommodations and modifications in the general education classroom and help implement behavior plans when needed.

Peers will be held to a professional standard. Confidentiality is required. Availability will depend on scheduling needs of the student and peer.

This course requires the following prerequisites: Instructor permission, the successful completion of at least 1 semester of Peer Leadership and strong attendance. Parent and student signatures will also be required that demonstrate agreement with class expectations .

The Kansas Course Code (KCCMS) for this class is 22995.

ALTERNATIVES:

1. Approve the course as presented as an elective course to be offered as a .5 credit course.
2. Do not approve the course as an elective and the course will not be offered.

RECOMMENDATION:

It is recommended that the Board of Education approve the course as presented.

FISCAL NOTE:

No additional funding will be necessary for these courses.

RE: GCHS Honors Government

ISSUE: The Board of Education is asked to consider and approve the addition of a new course, GCHS Honors Government, as a .5 credit elective course.

BACKGROUND:

GCHS seeks to add a new Social Studies course called GCHS Honors Government that will provide students with the opportunity to earn .5 credit. This course will build upon students' previous learning of history, government, economics, and geography to assist them in becoming truly informed, thoughtful, and engaged citizens in a democracy. The course will integrate thinking skills, historical processes, and content so that students are able to apply the learning to their own lives.

This course will be offered to students who need more rigorous coursework than Government, but who are not yet ready to take this course for college credit for various reasons. Typically Senior students would be those who are enrolled in the course, but exceptions may be made for students who are in lower grades. This could include, but is not limited to, students who are in the gifted program or students who are on track to graduate early.

The Kansas Course Code (KCCMS) for this class is 04151.

ALTERNATIVES:

1. Approve the course as presented as an elective course to be offered as a .5 credit course.
2. Do not approve the course as an elective and the course will not be offered.

Course Description

The high school government course builds upon and adds to students' previous learning of history, government, economics, and geography to assist them in becoming truly informed, thoughtful, and engaged citizens in a democracy. The course should be rigorous and relevant with instruction that integrates thinking skills, historical processes, and content so that students are able to apply the learning to their own lives. Instruction should include the integration of concepts and principles from history, economics, geography, civics, and the humanities.

Connecting with Past Learning

Students should come to the United States Government course with a foundational knowledge of the story of how the United States came into being and developed a government based on the principles laid out in the Declaration of Independence. The basic structure of the government, including the three branches, separation of powers, and checks and balances should already be part of their background knowledge. In world history, they will have learned about the Enlightenment's influence on both the structure and principles of the American government. The narrative of the United States and world history will have introduced the student to the concepts of democracy and totalitarianism, the interaction of government and the economy, and the struggle for human and civil rights that has occurred throughout history. Students should possess a general understanding of Kansas and its geography, symbols, industry, and culture, and identify with a community or region of the state. They should have basic geography skills and an awareness of the different regions of the United States and the world. They should have experience with the Effective HGSS Classroom Practices of the Kansas standards and should be aware of the discipline's ways of thinking or habits of mind.

Connecting with Future Learning

While a small percentage of students will pursue the post-secondary study of political science at the university level, most will not continue to study American government after high school. But they will participate in society as informed, thoughtful, engaged citizens and voters. Students should leave high school equipped with the ability to better understand the complex domestic and international issues which will directly and indirectly impact their lives and assist them in making decisions as individuals and citizens. Students should be able to link learning in this class to future learning as they fuse experience, knowledge, and reasoning to understand, identify, and solve problems.

Culturally Relevant Pedagogy

Culture is central to learning. It plays a role not only in communicating and receiving information, but also in shaping the thinking process of groups and individuals. Instructional designs that acknowledge, respond to, and celebrate fundamental cultures offer a full and equitable access to education for

students from all cultures. Culturally Relevant Teaching is a pedagogy that recognizes the importance of including students' cultural and experiential references in all aspects of learning.

The Role of the Citizen: Civic Values, Politics, and Government

Students will examine democracy in the United States and how citizens participate in the governing of the nation

Ideas: citizenship, civic values, Enlightenment, democracy, direct democracy, indirect democracy, citizen, republic, constitutional republic, right and responsibilities, freedom, rule of law, civil liberties, civil rights, registering and voting

- How should the United States' ideas on human rights influence foreign policy?
- How do "American values" influence foreign and domestic policy?
- How do historical and current circumstances affect foreign and domestic policy?
- Is it possible to be both safe and free?

State and Local Government

Students will analyze how local and state governments are structured and how these interact with each other, citizens, and the federal government

Ideas: federalism, popular sovereignty, state's rights, supremacy clause of the Constitution, dual court system, local government structures, eminent domain

Sample Compelling Questions

- Why are local governments important?
- What level of government is best able to protect the rights of minority groups?
- How does a community's diversity affect state and local governments?
- How does the state and local government impact the quality of life in my community?
- Does the local, state, or federal government govern best?

Politics, Interest Groups, and Media

Students will analyze and evaluate how our political process works, the growing role of interest groups, and mass media's impact on our political ideologies.

Ideas: Political parties, interest groups, primary and general elections, conservatism, liberalism, libertarianism, moderate ideologies, Political Action Committees, role of journalism, gerrymandering, grassroots movements, party platforms, internet and traditional media, voter registration, media bias and sensationalism

Sample Compelling Questions

- How should we decide what to believe?
- How do personal values and beliefs influence who we vote for?
- How has the role of the lobbyist and media in politics changed over time?
- What are the responsibilities of the media and interest groups in a democracy?
- What motivates a politician?

MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Brandon Anderson, Director of Plant Facilities
DATE: 10/14/2024
RE: Consider and Act on starting the process of releasing District Capital Roofing Projects out for bid by hiring and approving A/E Services Proposal from GMCN Architects to provide the scope of work, project administration and construction documents.

ISSUE:

Every year Plant Facilities works with staff and other experts to pin point needed capital projects in the district that require more detail and expertise to complete and desire to work with an Architect or Engineering firm to assist with the vital basics to the projects to ensure we are properly preparing and supervising this important work. The 2025 plan for roofing projects are prioritized as;

Bernadine Sitts Partial Re-Roof (approximately 70,000 sq. ft.)

Plymell Elementary Partial Re-Roof (approximately 11,330 sq. ft.)

Garfield Early Childhood Partial Re-Roof (approximately 33,107 sq. ft.)

Director of Plant Facilities, Brandon Anderson will present and stand for questions.

BACKGROUND:

Within discussions with staff we have recommended the following roof projects for the district in 2025. We have asked GMCN to make a proposal for services for the 3 jobs and give proposed total costs. Prior to moving forward these estimates allow us to recommend projects that are needed and affordable within our annual capital budget.

ALTERNATIVES:

We know that Sitts needs attention but as you can tell from the proposal, depending on the ability to recover the current roof or to do require a complete tear-off and replace will be dictated by a scan done within the scope of work. If we are able to do it for the lesser cost of the 2 then this would allow the Garfield project within budget. The Plymell roof costs are manageable within the current budget regardless of Sitts costs and is badly needed as well. We are also looking at another technology for Plymell that we would anticipate being cheaper than currently budgeted funds.

RECOMMENDATION:

Staff is recommending the approval of all 3 A/E Services Proposals for the work at Sitts, Plymell and Garfield.

FISCAL NOTE:

Approval allows us to get started with the scan of Sitts. If we are able to do it for the lower cost then since approved by the board we could sign and imitate the A/E Services Proposal for Garfield.

A/E Services Proposal

Mr. Brandon Anderson
USD 457 Garden City Schools
1205 Fleming Street
Garden City, KS 67846

Dear Brandon,

RE: Garfield Early Childhood Center Re-Roof Area A

On behalf of GMCN, let me thank you for this opportunity to offer you a proposal for the project referenced above. This shall serve as a letter of agreement for architectural services as described below.

Project Scope

Partial re-roof of Garfield Early Childhood Center, 121 W Walnut St., Garden City, Kansas. I understand the scope of work is as follows:

Re-Roof:

- Approximately 33,107 s.f. +/-
- Tear off existing Built-Up Gravel Roofing – down to existing roof deck.
- Install new Polyisocyanurate roof insulation
- Install new 1/2" Cover-Board – Isogard HD Cover Board
- Install new TPO or Mod-Bit Roofing
- Sheet Metal – Pre-Finished 24 gauge – KYNAR 500 – coping cap and counterflashing where required

The construction budget has yet to be determined, however based on the information above and on past project experience and current market conditions I would anticipate an approximate construction budget for this project is between \$1,026,320 and \$1,092,550. The project will be design/bid/build.

Architect Services

GMCN will be contracted directly with USD 457 and therefore all communiqué shall be through USD 457. Any Contractors selected to perform this work and GMCN will be under separate contracts throughout the project and independent as to each other.

We propose to provide the following services:

- Basic Architectural Design Services for Re-Roofing
- Construction Administration

GMCN will provide the following construction documents;

- Roof Plan
- Roof Details
- Specifications

Services not provided

Services not provided include but are not limited to: analysis of Kansas Department of Health and Environment (KDHE) Stormwater Discharges associated with construction activity requirements, water retention calculations and/or plans, Civil Engineering, hazard materials survey, testing, and/or abatement, land/property survey, geotechnical services, furniture selection, equipment selection, and any other services not stated in "Architect

▪ Power in Design ▪

Services". Compensation for additional services beyond the terms and conditions of this agreement shall be computed at Architect's then current hourly rate schedule.

Fee

The fee for the Architect Services stated above will be a fixed fee of **\$47,670.00** plus reimbursable expenses.

Reimbursable Expenses

Expense for mileage, meals, lodging, travel time, plots, reproductions, photography, postage, long distance telephone charges including faxes, shall be billed as a reimbursable expense. A multiple of 1.15 times the expenses incurred by the Architect shall be applied. We will endeavor to keep these expenses to a minimum.

Payment

Regular monthly payment shall be made based on the percentage of work completed by the Architect within 30 days of receipt of Architect's invoice. Amount unpaid 60 days after the invoice date shall bear a late payment fee of 1.5% per month (18% annually).

Hourly / Additional Services

Compensation for work done on an hourly basis and additional services beyond this proposal shall be computed at Architect's then current hourly rate schedule. GMCN's current hourly rate schedule is as follows:

Principal 1	\$140 / hr
Principal 2	\$120
Associate 1	\$105
Associate 2	\$95
Staff 1	\$85
Staff 2	\$75
Staff 3	\$65

Limitation of Liability & Indemnification

In recognition of the relative risks and benefits of the project to both the Owner and the Architect, the risks have been allocated such that the Owner agrees, to the fullest extent permitted by law, to limit the liability of the Architect to the Owner, Contractor, and all subcontractors on the project for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, so that the total aggregate liability of the Architect and to all those named shall not exceed the Architect's total fee for services rendered on the project for which the claim(s) originate. Such claims and causes include, but are not limited to negligence, professional errors or omissions, strict liability, breach of contract or warranty.

The Owner agrees, to the fullest extent permitted by law, to indemnify and hold the Architect harmless from any damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the extent caused by the Contractor's negligent acts, errors or omissions and those of his or her subcontractors or consultants or anyone for who the Contractor is legally liable, and arising from the project that is the subject of this Agreement.

GMCN shall not have control or charge of and shall not be responsible for construction means, methods, techniques, sequences of procedures or for safety precautions or programs in connection with the work, for the acts or omissions of the Owner, Contractor, its subcontractors or any other person performing any of the work, or for the failure of any of them to carry out the work in accordance with the construction documents.

Dispute Resolution

Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to arbitration or the institution of legal or equitable proceedings by either party. If such matter relates to or is the subject of a lien arising out of GMCN's services, GMCN may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by arbitration. The Contractor and GMCN shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be in

September 17, 2024

accordance with the Construction Industry Mediation Rules of the American Arbitration Association currently in effect. Request for mediation shall be filed in writing with the other party to this Agreement and with the American Arbitration Association. The request may be made concurrently with the filing of a demand for arbitration but, in such event, mediation shall proceed in advance of arbitration or legal or equitable proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in Wichita, Kansas, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

Qualifications

This proposal is offered with the following qualifications:

1. This proposal is offered to USD 457 exclusively.
2. Architectural fees are based on current project scope as outlined above. GMCN reserves the right to revise our fees if this scope or budget is modified.
3. This proposal is good for 30 days from the date of issuance.

If this proposal is acceptable, please sign below. If terms and/or conditions of this proposal are not acceptable, please call me and we can discuss items that may need to be negotiated. GMCN will request a Purchase Order from USD 457 to bill towards.

We look forward to working with you. If you have any questions or require further information, please call. Thank you again!

A/E Services Proposal

Mr. Brandon Anderson
USD 457 Garden City Schools
1205 Fleming Street
Garden City, KS 67846

Dear Brandon,

RE: Bernadine Sitts

On behalf of GMCN, let me thank you for this opportunity to offer you a proposal for the project referenced above. This shall serve as a letter of agreement for architectural services as described below.

Project Scope

Partial re-roof of Bernadine Sitts Intermediate School, 3101 N Belmont, Garden City, Kansas. I understand the scope of work is as follows:

Re-Roof Option A – Recover existing roof:

- Approximately 70,000 s.f. +/-
- Install new 1/2" Cover-Board over coated area of existing Mod-Bit membrane – Isogard HD Cover Board
- If Infrared scan reveals wet insulation or cores show more than one existing roof – tear off existing down to existing roof deck and install new Polyisocyanurate roof insulation
- Install new TPO or Mod-Bit Roofing
- Sheet Metal – Pre-Finished 24 gauge – KYNAR 500 – coping cap and counterflashing where required

The construction budget has yet to be determined, however based on the information above and on past project experience and current market conditions I would anticipate an approximate construction budget for this project is between \$1,050,000 and \$1,155,000. The project will be design/bid/build.

Re-Roof Option B – Complete tear off and replacement:

- Approximately 70,910 s.f. +/-
- Tear off existing Built-Up Gravel Roofing – down to existing roof deck.
- Install new Polyisocyanurate roof insulation
- Install new 1/2" Cover-Board – Isogard HD Cover Board
- Install new TPO or Mod-Bit Roofing
- Sheet Metal – Pre-Finished 24 gauge – KYNAR 500 – coping cap and counterflashing where required

The construction budget has yet to be determined, however based on the information above and on past project experience and current market conditions I would anticipate an approximate construction budget for this project is between \$2,135,000 and \$2,310,000. The project will be design/bid/build.

Architect Services

GMCN will be contracted directly with USD 457 and therefore all communiqué shall be through USD 457. Any Contractors selected to perform this work and GMCN will be under separate contracts throughout the project and independent as to each other.

We propose to provide the following services:

- Basic Architectural Design Services for Re-Roofing
- Construction Administration

▪ Power in Design ▪

GMCN will provide the following construction documents;

Compensation for additional services beyond the terms and conditions of this agreement shall be computed at Architect's then current hourly rate schedule.

Fee

The fee for the Architect Services stated above will be a fixed fee plus reimbursable expenses. We will have a thermal scan of the roof done to determine if it would be viable for the recover option. If the scan reveals that Option A – Recover is viable then our fee would be Option A below. If the scan determines that a complete tear off and replacement is what should be done our fee would be Option B below.

Option A	\$47,250.00
Option B	\$62,500.00

Reimbursable Expenses

Expense for mileage, meals, lodging, travel time, plots, reproductions, photography, postage, long distance telephone charges including faxes, shall be billed as a reimbursable expense. MEMORANDUM

TO: Board of Education
THRU: Dr. Mike Dominguez, Superintendent
FROM: Brandon Anderson, Director of Plant Facilities
DATE: 10/14/2024
RE: Consider and Act on approving the purchase of playground equipment with installation from Next Generation Recreation.

ISSUE:

Edith Scheuerman Elementary is up for playground improvements according to our long-range plan. Staff from PF as well as Principal Ochs have worked with vendor to create plan to stay within budget but add new and useful playground equipment for all students.

Director of Plant Facilities, Brandon Anderson will present and stand for questions.

BACKGROUND:

Each year we focus on upgrades to playground equipment on each campus.

ALTERNATIVES:

We have had a long-standing relationship with Next Generation Recreation and much of our district wide equipment has been sourced through them to ensure consistency and maintain a good relationship. They are a source well vendor which allows us to continue this relationship and ensure we are getting the best deal we can as a district

RECOMMENDATION:

Staff is recommending the approval of the proposal for playground equipment and installation from Next Generation Recreation for \$93,215.10

FISCAL NOTE:

We do have these funds budgeted and earmarked for this project. We will be fencing the playground as well as placing an ADA compliant sidewalk to the gate.
