World's Best Workforce Meeting

December 17, 2024

6:00 PM – WEM Board room

Purpose of the World's Best Workforce Plan

Minnesota Schools strive to provide the best educational opportunities for all children. Providing an education to Minnesota youth that leads to creating the world's best workforce is a goal that must be addressed early on in every child's life.

This legislation mandates that districts will develop goals to address identified issues locally. The comprehensive strategic plan that districts create under this legislation is intended to serve as a foundational document to align district educational initiatives from pre-kindergarten to post high school graduation and can serve as a blueprint to create a quality workforce equipped with skills for the 21st Century. The plan is to be developed with involvement and input from district stakeholders including administrators, Board members, teachers, parents, students, business leaders and community members.

Purpose of the World's Best Workforce Plan Continued

Students are more likely to reach this goal if they:

- are ready for school upon entering kindergarten **(KG Ready)**
- achieve grade level literacy by grade three **(Read Well by 3 rd Grade)**
- **close the achievement gap** between all racial and ethnic groups and between students living in poverty and students not living in poverty
- attain **career and college readiness** before graduating from high school
- graduate from high school **(Graduation Rate)**

Win-E-Mac WBWF Plan 24-25

The Win-E-Mac ISD 2609 Institutional Effectiveness Committee will be meeting to review the district's data/goals/missions statement & beliefs, building goals, and community input from today's meeting in order to update the current WBWF plan.

Truth In Taxation Public Meeting

6:00 PM

December 17, 2024

at the

Win-E-Mac School

Win-E-Mac
ISD 2609

Truth in Taxation Law

Minnesota's Truth in Taxation Law requires that cities, counties and school districts follow certain steps before adopting a tax levy for the following year. One important part of that law requires a **mailed notice** to each property owner in the county, which describes the tax levies proposed by the city, county and school district and what percent increase such a levy would mean in dollars.

Win-E-Mac
ISD 2609

Truth in Taxation Public Meeting

A second part of the law pertains to a "**Truth in Taxation" public meeting** for each taxing jurisdiction.

You are here tonight as part of the school district's public meeting process.

Win-E-Mac
ISD 2609

Requirements of the Truth in Taxation Public Meeting

1. Discuss proposed property tax levy for taxes payable 2025
2. Provide and discuss information on the current budget (2024-2025).
3. Public must be given a reasonable amount of time to comment on the proposed property tax levy and budget and to ask questions.

- Minnesota Statute 275.065

Win-E-Mac
ISD 2609

Points to Remember:

1. Revenue formulas are set by the State Legislature except for voter approved referendums.
2. Local Levy and State Aid mix (Equalization) are set by the State Legislature.
3. An increase in local taxes does not necessarily mean an increase in revenues for the school district.
