### E. CONSENT AGENDA

#### Action(s):

I move to approve the Consent Agenda as presented. This motion, made by Dr Kathleen Todd

**Speaker (s):** Jason Weber

and seconded by Bryan Vincent, Carried.

**Voting Detail:**

Sonya Ash-Selanoff: Absent  
Kalin King: Yea  
Scott McCumby: Yea  
Dr Kyra Meyer: Yea  
Dr Kathleen Todd: Yea  
Bryan Vincent: Yea  
Carey Wade: Yea

**Voting Summary:** Yea: 6, Nay: 0, Absent: 1

E.1. Approve Personnel Action Report

E.2. Approve Budget Amendment #26-5

**F. NEW BUSINESS**

F.1. Approve FY26 Scheduled 1:1 Program Device Inventory Replacement

**Speaker (s):** Megan Gunderson

**Action(s):**

I move to approve the FY26 scheduled 1:1 program device inventory replacement in the amount of \$237,950. This motion, made by Carey Wade and seconded by Bryan Vincent, Carried.

**Voting Detail:**

Sonya Ash-Selanoff: Absent  
Kalin King: Yea  
Scott McCumby: Yea  
Dr Kyra Meyer: Yea  
Dr Kathleen Todd: Yea  
Bryan Vincent: Yea  
Carey Wade: Yea

**Voting Summary:** Yea: 6, Nay: 0, Absent: 1

**Discussion:** Dr Todd asked if we could get Apple Care for longer. Megan explained they have a 3-year lease option or a 4-year Apple Care. This allows us to hang onto them longer. Dr Todd asked what we do with the older ones? Megan explained that she keeps the best and backfills to make our investment last longer.

F.2. Approve Purchase of 12 Welding Booths

**Speaker (s):** Jason Weber

**Action(s):**

I move to approve the purchase of 12 welding booths from Central Welding in the amount of \$134,817. This motion, made by Carey Wade and seconded by Dr Kathleen Todd, Carried.

**Voting Detail:**

Sonya Ash-Selanoff: Absent  
Kalin King: Yea  
Scott McCumby: Yea  
Dr Kyra Meyer: Yea  
Dr Kathleen Todd: Yea

Bryan Vincent: Yea

Carey Wade: Yea

**Voting Summary:** Yea: 6, Nay: 0, Absent: 1

**Discussion:** Carey asked if we had enough interest to warrant this purchase. Isaac Deaton said he had to cut his class off at 7-9 students and could host many more with additional booths. Wants to become one of the standards for CTE in the state.

Bryan Vincent is very happy we are heading in this direction. Great that these new booths incorporate ventilation. Asked about making sure we have the appropriate power sources. Jason reassured him we could meet these needs.

Kalin King asked what account this is coming from. Jason explained that this is coming from undesignated reserves. We have an excess we must spend as we can only carry over 10%

Scott asked how old our existing welding booths were. Isaac Deaton said these were the originals from the 70s that he has modified a few times to meet the changing needs.

F.3. Approve 5th Grade Field Trip to Cordova

**Speaker (s) :** Krista Howell

**Action(s) :**

I move to approve the HHES 5th grade field trip to Cordova in May as presented. This motion, made by Scott McCumby and seconded by Carey Wade, Carried.

**Voting Detail:**

Sonya Ash-Selanoff: Absent

Kalin King: Yea

Scott McCumby: Yea

Dr Kyra Meyer: Yea

Dr Kathleen Todd: Yea

Bryan Vincent: Yea

Carey Wade: Yea

**Voting Summary:** Yea: 6, Nay: 0, Absent: 1

**Discussion:** Dr Todd stated that the policy states we have Travel Forms for this and asked if this could be completed. Jason stated that this historically hasn't applied to HHES. Dr. Todd asked if we could do something similar to be sure chaperons are listed, money raised, etc. and wants to be sure we are following our own policy. Kalin King asked if we should postpone this to the next meeting. Dr Todd said we could just use the high school form and fill it out as it applies.

G. **BOARD BUSINESS FROM THE FLOOR**

G.1. Comments From Board Members

**Discussion:** Dr Kyra Meyer: Lovely to see Erik Vincent and family and getting our students academically ready. PAR is happy and sad with so

many emotions as we move forward.

Dr Kathy Todd: COVID looks like strep throat this time around. It would be wise if sick students and family members wore masks if needed.

Bryan Vincent: Congrats to the Bucs with Nordic Skiing and Elk Tourney coming up this weekend.

Scot McCumby: Thank you to Christine for your hard work, and you will be missed.

Carey Wade: No Comment

Kalin King: Masks are suggested, not mandated.

## Office of Superintendent Valdez City Schools

# BOARD REPORT

Feb 23, 2026

### Goals:

- I am moving forward with making the rifle range a weight room. I talked with Amber and we have funds available to buy additional equipment to stock the weight room this year, which means I will need to move quickly to get a recommendation to the board in time to have the equipment here before the end of the fiscal year. I expect to have a proposal to buy weight lifting equipment for the high school weight room on the March 9th board meeting.
- The high school desks and chairs arrived during Elks basketball and had to be stored at the bus barn due to the timing of delivery and Elks weekend. For the most part they are preassembled which should expedite the process of getting them in classrooms. Dan's team has already been working to get them into classrooms.
- We have begun interviewing for special education and English. We have been receiving applications for the other positions and remain optimistic in filling our open positions. The administrative team and staff have been outgoing in reaching out to candidates and encouraging people to apply.
- Friday January 30th was the last day to turn in contracts. All open teaching positions are now posted externally and we are seeking applicants for Middle School Counselor, HS English, HS Science, Secondary CTE/Shop, and Special Education.
- The DO/HHES project is in its final stages, during the substantial completion meeting there were a few mechanical and electrical issues that were identified which is delaying the handover of the project. Visually it looks completed, the front desk is in place etc. The city is working on ordering furniture. So our new timeline looks more like spring break.

- The district has started meeting with Prince William Sound College and has had some very productive conversations. We identified several areas where we could support each other. We will be meeting more regularly to ensure our partnership grows. I have asked Kate Gaudreau to work with the college to survey our kids to figure out what things they would be interested in taking with the college so we can work to provide more opportunities in our school.
- RFQ High School will be going out soon, Kasey has been working hard and keeping me informed.

## Engagement

- The administrative team was able to meet and start working/looking at the draft mission and vision and conceptualize the work they will need to do to support the writing of a strategic plan.

## SEL

➤

## Concerns

- Hiring teachers will continue to be a challenge. There is a shortage of teachers statewide and nationally. We are being proactive and working hard to both advertise and get our name out through virtual job fairs, facebook postings, job boards, and reaching out to potential candidates to encourage them to consider Valdez.

## Achievement/celebrations

➤

## VCS Legislative Update

- I wrote a letter in support of HB 256 Purple Star Schools. HHES has been working hard to get our school designated as a Purple Star School. We will find out if we were selected in April. Being selected as Purple Star School shows our commitment to military students and families in their transition and experience at our schools. If selected we would like to work to get the same designation for our other schools. The bill in the House would allow for a small cost factor to be added to the student funding equation, much the same as CTE. It would not be a huge amount of money. It's been good for our district to be

partnering with the Coast Guard and Earnest Kincade of the USAF who oversees the Purple Star program. He had reached out personally for our support.

## **Director of Curriculum, Instruction, and Assessment Board Report**

Monday, February 23, 2026

### **Planning:**

- Testing Windows
  - The WIDA ACCESS testing window for English Language Learners (ELL) is now open. The testing window is from February 2, 2026 to March 30, 2026. Mrs. Carrie Stander is the district ELL teacher and will be administering the test to our ELL students (We have less than 5).
  - The AKSTAR state testing window opens April 1 and closes May 1, 2026. The district testing window begins April 14, 2026 with AKSTAR ELA/Math and the Alaska Science test the following week April 21, 2026. There may be some shifting in which test is given on a particular day, but the testing window should stay the same.
  - NAEP testing will be held on March 5, 2026. As a reminder, the NAEP test is a national test that tests students in grades 4, 8, and 12 in Reading, Math, and Science. It is also known as “The Nation’s Report Card”. GMS students in 8th grade will be taking the NAEP test in either Reading or Math. A visiting NAEP testing proctor will administer the test.
- Reordering
  - Ordering consumables for our core programs will begin soon. There should be little to no cost for our core program consumables as the initial purchases were based on a six year agreement. The student edition numbers will be based on the current year’s student enrollment in each grade or class at the secondary level. Principal and teacher input will also be sought to refine the ordering numbers.
- Budget for FY27
  - I have reviewed the Professional Development spending for this school year and based on the number of teacher requests, planned PD events, and conference attendance I have requested the PD budget be increased from \$30K this school year to \$60K for next year’s budget. This will be reflected in Amber and Susan’s budget draft(s). As we continue to refine and review our goals, professional development is a constant that needs to be adjusted from year to year that is based on staff needs.

- BTC Planning Meeting
  - I will be meeting with all three Building Testing Coordinators (BTCs) before the spring break to discuss the testing schedule, account access, issues or questions from the Spring 2025 testing window, etc. Last year's state testing went very smoothly with minor hiccups that were quickly dealt with.

**In Process:**

- Curriculum Committee
  - I have asked the curriculum committee members to begin to narrow down a field of choice to begin working on the curriculum. We have a good balance of staff from all three buildings. This will be an easier task for secondary than elementary school as elementary teachers have all subjects in the classroom during the school day. We are up to nine staff members on the committee. Our first meeting will focus on this focus choice, key terms, building background knowledge, and discussing questions or comments regarding the template or reference documents.
- District Testing Coordinator + Certified Facilitator Training w/NWEA
  - I attended the DTC training and CF training in Anchorage last week. There was a lot of information shared and discussed in preparation for the upcoming AKSTAR and Alaska Science tests.

# Facilities Report

February 2026

### Hermon Hutchens Elementary School (HHES)

- **Office Remodel:** Nearing completion; we anticipate moving in very soon, pending a few final action items.
- **Heating System:** The new expansion tank is scheduled for installation on the 20th.
- **IT Server Room:** The new air conditioning system has been installed and is functioning well.
- **Access Control:** Arcticom will be on-site on the 26th to complete the installation of the remaining access devices on doors within the construction zone.

### Gilson Middle School (GMS)

- **Access Control:** Arcticom is finalizing the design for the new system. Installation is projected for April.
- **Kitchen:** The cooking hood malfunctioned following its 6-month inspection; the contractor returned the next day and completed the necessary repair.

### Valdez High School (VHS)

- **Locker Room Revitalization:** New sinks have been installed. We are awaiting the final piece of trim to finish the counter/wall area. Water fountains are planned for installation in the same area as the sinks.
- **Fire Sprinkler System:** The contractor was scheduled to rebuild the backflow protector but brought incorrect parts, so the job was not completed. The backflow device is still functional but is leaking.
- **Furniture:** New desks have arrived. We are currently inventorying and assembling them at the Warehouse. A plan is in place to swap the new desks for the old ones, one classroom at a time, which should take only a couple of days.
- **Elevator Remodel:** The project is scheduled for mid-March, but we have requested the contractor to start earlier. We have also addressed the necessary code requirements.

### District Office (DO)

- **Relocation Prep:** Move preparations are underway. Boxes have been distributed, and a

roll-off dumpster has been staged to help dispose of obsolete or damaged items.

### **Warehouse (Bus Barn)**

- **Freezer:** A new issue has developed; the contractor is scheduled to be on-site the week of February 23rd-27th.

### **Vehicle & Equipment Status**

- **Volvo L20 Loader:** Corrosion has damaged the electrical components of the accelerator pedal, causing it to malfunction. A new part is currently on hand and is scheduled for immediate installation.
- **Volvo L30 Loader:** The front windshield wipers failed to operate. Troubleshooting identified a faulty wiper arm drive as the cause. A warranty claim has been filed, and Volvo is shipping the necessary replacement parts.

### **General District Updates**

- **Kitchens:** The commercial kitchen hoods at all three schools passed their 6-month inspection by a fire protection contractor.
- **Lawn Care:** We are currently obtaining quotes for summer lawn care, which is expected to free up maintenance staff time for deep cleaning of gyms and other intensive preventive maintenance tasks.
- **Snow Removal:** The tracked bobcat and snow blower attachment have been successfully used to clear snow away from the windows at HHES. GMS is the next priority for this service.

Please feel free to reach out with any questions regarding these updates, or let me know if you would like a behind-the-scenes tour of any of our facilities.

## Special Education/Federal Programs

# BOARD REPORT

February 23, 2026

### **Goals:**

To provide equal educational opportunities for all children through access to specialized services for those experiencing a disability.

To strengthen and improve educational quality and practices across all school settings.

### **Engagement**

- CPI training was successful with eleven staff members re-certifying or going through the course for the first time. In total, VCS has 21 certified CPI staff members.
- Certified sped staff participated in a training on the updated academic evaluation tool used to assess students' broad achievement.
- Title I-A stakeholder meeting will be on Tuesday, March 3, at the HHES library from 11:45-12:45. The District Plan, School Plan, and Family Compact will be presented. Stakeholders are encouraged to attend and provide feedback.

### **Challenges**

- Special education teacher applicants are limited

# TECHNOLOGY & COMMUNICATIONS REPORT

Director: Megan Gunderson || February 2026

## GOALS

### Priority Goal Area 1: Academic Cohesion and Achievement

- **Student & Staff Support**

- **Classroom and Common Area Displays:** All Apple TV display devices are scheduled for retirement by the end of this year. Their replacements have been purchased and are on hand. Technician Rios is developing a deployment plan for device rollout, to be implemented in the coming weeks. This project should create greater reliability for educators and guest presenters screen-mirroring to classroom displays across the district. The new devices will also be easier for the Technology Department to remotely manage and keep up-to-date.
- **Student Devices:** 3rd-5th grade iPads scheduled for replacement and approved by the school board at the last meeting will be purchased this week, to be configured this summer and deployed in the fall. Apple offered a small price break after a discussion at ASTE, so the purchase price will ultimately be slightly less than was presented to the Board in early February.

### Priority Goal Area 3: Professional Learning and Staff Retention

- **Professional Learning**

- **ASTE:** Director Gunderson attended the Alaska Society for Technology in Education (ASTE) annual conference and Tech Director Summit. Presented a session on using targeted and intentional communication strategies to develop a district's identity and strengthen trust with stakeholders. Collaboration with fellow Tech Directors, DEED, Apple engineers, and Google representatives was particularly valuable and will inform many of our future steps towards continuous improvement.
- **Legislative Fly-In:** Director Gunderson registered to attend the ACSA Legislative Fly-In in late March with Superintendent Weber.

### Priority Goal Area 4: Operational Clarity and Communication

- **Technology Operations**

- **Handbook:** Finalized revisions to the Technology Department Process and Resource Guide for Employees, to be included in a future meeting with other district handbooks.
- **Technology Weekly Newsletter/Updates:** Began early plans for a weekly technology department newsletter. ETA for launch pending further planning.

- **Districtwide Communication**

- **Facebook Marketing Campaigns:** Targeted employment ad campaigns for open VCS positions were launched on Facebook and Instagram.
- **FY27 Financial Plan:** Supported Business Office with budget presentation design.
- **VCS Strategic Plan:** Began early draft and design work of public-facing strategic plan resources.

### Priority Goal Area 5: Stewardship of Facilities and Resources

- **Infrastructure and Network Management**

- **SERRC TechOps January On-site Visit:** SERRC TechOps Technology Specialist Elric Heckathorn visited VCS in January. His primary tasks were port configuration in the HHES/DO construction area, and wrapping up all network changes related to the recent security camera/door access project.

- **SERRC TechOps Remote Tasks:** The TechOps team is collaborating on plans for the server infrastructure replacement, tentatively scheduled for purchase in Spring 2026 and installation in Summer 2026.
- **HHES Data Room:** The VCS Facilities Department installed a new cooling system in the main data room of HHES. This closet has been 10-20 degrees hotter than is ideal for an enclosed space hosting network infrastructure (switches, servers, etc). This upgrade will allow us to close the door and secure our most sensitive pieces of hardware, while also maintaining a stable operating temperature that protects equipment longevity and network reliability. Thank you, Maintenance Crew!
- **Systems Management and Projects**
  - **Security Camera/Door Access Control Project:** Arcticomm will be on-site next week to install a few more of our security cameras that were on backorder during the last visit, and prepare for the door access installation at GMS. The final door access phase is tentatively scheduled for March 2026.
  - **VHS Gym Sound System RFP:** Installation by Sound Decisions is scheduled for Spring Break.
- **Cybersecurity**
  - **Cybersecurity Risk Protection:** VCS will continue to strengthen its defensive posture over the next month. The following measures are scheduled for future work:
    - Review of PC and server system malware monitoring system updates through Avast
    - Refinement of defensive settings in VCS's Google domain, in partnership with SERRC

## Upcoming Projects & Plans

- **March:**
  - Spring Break: VHS Gym A/V Installation
  - Finish Security Camera/Door Access Project, Final Phase
  - VCS Communication Plan and Crisis Management Plan drafting
  - Major purchases: UPS unit replacements
  - Confirm devices are prepped and ready for state testing
- **April**
  - Spring OASIS State Reporting
  - State Testing

## **BP 5113 Absences and Excuses**

The School Board believes that regular attendance plays a key role in the success a student achieves in school. The Board recognizes its responsibility under the law to ensure that students attend school regularly. Parents/guardians of children aged 7 to 16 are obligated to send their children to public school except as allowed by law. The Board shall abide by all state attendance laws and may use any legal means to correct the problems of excessive absence or truancy.

A student has an obligation to attend all assigned classes and to be present in the classroom at the required time.

The Board is committed to keeping students in school. Truancy is defined as the absence of a student from class without the knowledge or prior consent of the parent/guardian. The Superintendent or designee shall implement all steps appropriate to reduce student absences and to ensure that all children residing within the district are receiving appropriate educational services as required by law.

*(cf. 5147 - Dropout Prevention)*

*(cf. 6164.5 - Student Study Teams)*

*(cf. 6176 - Weekend/Saturday Classes)*

A student's grades may be affected by excessive unexcused absences in accordance with Board policy.

*(cf. 5121 - Grades/Evaluation of Student Achievement)*

The Superintendent or designee shall report to the Board any apparent violations of compulsory attendance laws. The Board shall investigate such reports and any public complaints of violations of state compulsory attendance laws.

### **Make Up Work**

Any student who knowingly will be absent from school must make arrangements before the absence to make up all the class requirements. This requirement will be satisfied for any school sponsored activity and/or parent-sponsored activity. Failure to complete the make-up work assigned will result in the absence being deemed unexcused and treated accordingly. Make-up work for a pre-planned absence is due upon return to school.

In case of an unplanned absence such as illness or a family emergency, the student will be given one (1) day to make up work for each day absent. For extended absences, two (2) weeks make-up time may be allowed at the discretion of the building administrator.

### **Parent Notification**

The School District will make every effort to notify parents/guardians of unexcused absence of their child and informed of state compulsory attendance laws.

Students experiencing difficulty with attendance shall be counseled in an attempt to alleviate the problem. The district, the parents/guardians, and the student shall work together to develop an appropriate plan for improving school attendance.

### **Compulsory Attendance**

Unless a child subject to compulsory attendance laws is exempted, excluded, or expelled from school attendance, each five days of unlawful absence constitutes a separate violation of the law and will be referred to local law enforcement. ([A.S. 14.30.020](#))

### **Return to School**

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. Written note from parent/guardian or parent-representative.
2. Conversation, in person or by telephone, between the school district and the student's parent/guardian or parent representative.
3. Any other reasonable method that establishes the fact that the student was actually absent for the reasons stated. A written recording shall be made, including information outlined above.

### **ABSENCE LIMITS**

Middle and High School students (grades 6-12) must not be absent, for any reason not related to school activities, more than eight (8) times from each semester course in which they are enrolled if they are to receive credit for that course.

Middle School students (grades 6-8) must not be absent more than 8 times per semester or they may be considered for retention in the same grade the following year.

Elementary (grades Pre-K-5) students must not be absent more than ten (10) times per semester or they may be considered for retention in the same grade the following year.

The following absences shall not count toward the absence limit:

1. Illness, injury, or medical appointment substantiated by a statement from a parent/guardian, and/or medical practitioner. The principal may ask a parent/guardian to provide medical evidence from a physician or medical practitioner for excessive absences.
2. Death in the student's family necessitating an absence
3. Absences from school due to school-sponsored activities
4. Absences due to work or training college as an approved part of their educational plan
5. Unavoidable emergencies at home as determined by the principal
6. Medical or dental appointments
7. Religious observances
8. Other special circumstances approved by the principal.

### **ADDITIONAL EXCEPTIONS:**

1. A student may be absent up to five (5) days in addition to the absence limits each semester for special reasons if approved by the building principal.
2. Additional days may be granted for exceptional circumstances such as national competition or academic competition. Additional exceptions shall be determined by the building principal.

The following absences shall count against the absence limits:

A student:

1. Skips a class having once arrived at school.
2. Leaves the school campus without checking out through the office, except during lunch.
3. Is more than 10 minutes late for a class.  
If the absence is not excused, make-up work will be assigned for the absence, but no credit will be given.

Note: Should the school district move back to a five-day school week in grades 6-12 all grades would have a ten (10) day absence limit.

## **LOSS OF CREDIT/COURSE FAILURE**

When a high school student's absence exceeds the 8 time absence limit he/she will lose credit/fail the class for each affected course. He/she may be given the option of either staying in the class, or be withdrawn from the class, assigned to a study area for the remainder of the semester during the period he/she was scheduled for that class. The determination of placement shall be made by the principal based upon input from the student, parent/guardian, and teachers.

Students who are habitually truant may be dropped from school enrollment or denied admission if a remedial plan of action is not successful. Credits lost due to poor attendance may be made up in the regular school program, or through correspondence school. A notation shall be made on the student's report card/interim report, transcript, when a grade has been lowered due to a violation of the attendance policy. Students withdrawn from a course for non-attendance will have a "WF" (Withdrawn-Failing) recorded on their report cards and transcripts. That grade will be included in the calculation of his/her grade point average and will affect extra-curricular eligibility. The loss of credit and/or course failure does not preclude disciplinary action initiated by the school where otherwise warranted.

When a middle school student's absences exceed the 8-day limit, the principal will consider the student for retention in the same grade.

When an elementary student's absences exceed the 10-day limit, the principal will consider the student for retention in the same grade.

## **HIGH SCHOOL CREDIT LOSS MAKEUP**

Students who have lost credit due to excessive absences may attend a scheduled Saturday School to make up the needed days. Credit may be reinstated at the completion of the appropriate makeup time. Students must gain makeup approval from the principal.

## **ELEMENTARY SCHOOL TARDINESS**

Being absent from school for more than 30 minutes at the beginning of the day or after lunch is considered a half-day absence.

## **MIDDLE SCHOOL AND HIGH SCHOOL TARDINESS**

Students are considered tardy through the 10<sup>th</sup> minute of the class period. After the 10<sup>th</sup> minute, the student is considered absent from that period. If the student is tardy for a class, he/she should report directly to the office to secure an admit slip. The office will assign a 30-minute detention on the third tardy and a 48-minute detention each for the fourth and fifth tardies during a quarter. Detention shall be completed within two school days and must be served at lunch, or after school. If a student accrues six or more tardies in any quarter, a parent conference will be requested to develop a special plan to remedy this issue.

## **PARENT NOTIFICATION**

Each time that a student is absent from school, the school Attendance Secretary shall initiate telephone contact with the parent/guardian if the school has not already been contacted by the parent. The school shall place a student on attendance probation when the student reaches six (6) absences **on a five day school week and five (5) on a 4 day school week** in any course in a semester. A probation notice including an attendance summary for all classes shall be sent to that parent/guardian/student at this time. After six (6) absences **on a five day school week and five (5) on a 4 day school**

**week** in a course, a parent/guardian/student/teacher/administrator conference shall be scheduled to determine remedial steps to be undertaken to avoid loss of credit. A student, parent, or guardian may request an attendance summary through the principal at any time during the school year. Valdez High School shall withhold credit for any course in which a student's absences exceed eight (8) in a semester. The student/parent/guardian shall be contacted on a class-by-class basis. A letter with notification of withdrawal of credit shall be mailed to parents/guardians/students in each instance.

### **APPEALS PROCEDURE**

If a parent or student wishes to appeal a decision made pursuant to this policy, such an appeal must be initiated in writing within fifteen (15) school days of the date of the decision or the date of the letter of notification to the Superintendent of schools. The letter requesting an appeal must include specific reasons that the request should be considered. If an appeal is not filed within the timeline provided, the student/parent/guardian shall be deemed to have waived the right to an appeal and a hearing.

A parent/guardian may appeal the Superintendent's decision by requesting in writing that the school board review the decision within five (5) days of the Superintendent's decision. The board will hear the appeal in executive session at the next scheduled board meeting.

Subject: Important Update Regarding the High School Indoor Range Facility

Dear Valdez Jr Rifle Club,

I am writing to share some upcoming changes regarding the allocation of athletic space at Valdez High School. After a review of our current facilities and the growing needs of our student-body physical education and multi-sport programs, the school has decided to transition the current indoor rifle range into a dedicated weight room, aerobic and strength training center. The change will allow us to offer more options for students seeking strength and conditioning classes during the academic school day and ensure the space is used by as many students as possible during the day. Our ultimate goal is to increase the overall use of the current spaces available in the high school.

This decision was not made lightly. However, the increasing demand for strength and conditioning space and a dedicated space in the high school building for our students, athletic teams, as well as the broader community of Valdez has made this conversion a necessity for the overall growth of our school.

Timeline & Logistics:

- Final Date of Use: The range will remain available to the Junior Rifle Club until May 1st, 2026.
- Equipment Removal: We ask that all club-owned equipment and materials be vacated by May 29th, 2026.

We sincerely appreciate the Valdez Junior Rifle Club's presence within our walls over the years and the discipline it has instilled in participating students. If there are specific ways we can assist in removal of equipment, please let us know. Also reach out if you have any additional questions.

Sincerely,

Jason Weber  
VCS Superintendent
