WHEREAS, Section 41.001(a)(2) of the Texas Election Code provides that a general or special election in this state shall be held on a uniform election date, and the next uniform election date is occurring on May 2, 2020; and

WHEREAS, Section 49.103 of the Texas Water Code provides that certain districts governed by this provision are required to hold director elections in May of each even-numbered year; and

WHEREAS, Section 41.0052 of the Texas Election Code prescribes a procedure for a political subdivision to change a general election date, but the time for making such a change has expired; and

WHEREAS, Section 31.093 of the Texas Election Code requires a county elections administrator to enter into a contract to furnish election services upon request of a political subdivision; and

WHEREAS, Section 42.0621(c) of the Texas Election Code does not require a political subdivision to enter into a contract with a county or hold a joint election with a county on the November uniform election date; and

WHEREAS, on March 13, 2020, the Governor of Texas certified that the novel coronavirus (COVID-19) poses an imminent threat of disaster and, under the authority vested in the Governor by Section 418.014 of the Texas Government Code, declared a state of disaster for all counties in Texas; and

WHEREAS, pursuant to Section 418.016 of the Texas Government Code, the Governor has the express authority to suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of a state agency if strict compliance with the provisions, orders, or rules would in any way prevent, hinder, or delay necessary action in coping with a disaster.

NOW, THEREFORE, I, GREG ABBOTT, Governor of Texas, under the authority vested in me by the Constitution and Laws of the State of Texas, do hereby suspend Sections 41.0052(a) and (b) of the Texas Election Code and Section 49.103 of the Texas Water Code to the extent necessary to allow political subdivisions that would otherwise hold elections on May 2, 2020, to move their general and special elections for 2020 only to the next uniform election date, occurring on November 3, 2020, without otherwise adjusting the term of office. I further suspend Sections 31.093 and 42.0621(c) of the Texas Election Code to the extent necessary to require all county election officers, if requested by an affected political subdivision, to enter into a contract to furnish election services with any political subdivision who postponed their election to November 3, 2020, under the authority of this proclamation.

The authority ordering the election under Section 3.004 of the Texas Election Code is the authority authorized to make the decision to postpone its election in accordance with this proclamation.

Current office holders will hold over to the extent authorized by Article XVI, Section 17 of the Texas Constitution.

**Subject:** MASS EMAIL (CSO-3488) - April 1, 2020 Update to COVID-19 Election Procedures

**Sensitivity:** Personal

Dear Election Officials:

We have continued to receive questions regarding the recent proclamations by the Governor related to elections and COVID-19. We are providing some additional guidance below.

1. **[Executive Order GA 14](#)**: Governor Abbott's March 31, 2020 executive order includes, but is not limited to, the following items. It (1) extends social distancing guidelines through April 30th, (2) defines essential services, and (3) extends school closures across the state through May 4, 2020. If you haven't already moved your May 2nd election, **you must take action to do so immediately!** This most recent executive order will prevent you from securing polling places, recruiting election workers, and allowing voters a safe way to exercise their right to vote. **If you don't move your May 2nd election, you are subjecting voters to health risks and potential criminal violations. Failure to postpone your election will put your election at severe risk for an election contest.** For procedures related to postponing your election, see [Advisory 2020-12](#).
  - a. Please note, that while Elections Personnel have been included in the federal government's advisory on essential critical infrastructure workers, this does not include voters.
2. **Cities impacted by Article XI, Section 11, Texas Constitution:**
  - a. The Governor's executive order makes it clear that you must take action to move your election, even if your city is holding a special election to fill a vacancy due to the requirements prescribed in Article XI, Section 11 of the Texas Constitution. While the executive order does not suspend the Texas Constitution's requirements to hold your election within 120 days of the vacancy, you should consult with your city attorney about the proper way to handle a postponement of this type of election.
  - b. If you opt to move your election in response to this public health crisis, and to do so safely would result in the election occurring outside of the constitutionally prescribed 120 day period, please direct your attorney to review Attorney General Opinion No. [JC-0318](#), as you may be required to hold your election on the November 2020 uniform election date.
  - c. Runoff Elections being held for Article XI, Section 11, Texas Constitution City Elections -- These situations can vary fact specific. We recommend you contact our office for specific guidance on your situation.
3. **Special Elections Regarding the Continuation of a Sales Tax:** If you have a special election scheduled for May 2, 2020 on the question of the continuation of a sales tax that cannot be rescheduled for November 3, 2020 because the tax will expire before then, please contact the Comptroller's office regarding the expiration of your sales tax. If you are unable to receive an extension from the Comptroller's office regarding your sales tax, please contact the SOS for additional assistance.
4. **Options Other Than November 3, 2020:** The Governor's proclamation allowing a postponement only authorized a move to November 3, 2020. There is no authority for a local political subdivision, on its own order, to move an election to any other date. If an entity would like to move to a date other than November 3, 2020, there are likely only two ways to do so:
  - a. **Emergency Election under Section 41.0011(b) of the Texas Election Code:** A local political subdivision can request permission from the Governor to allow the political subdivision to order a special election on a nonuniform election date. Please note that this only applies to special elections and not general elections.

- b. **Court Order for Nonuniform Election Date:** As there are no other options outside of the Governor's authorization to postpone the election and the option under Section 41.0011 of the Texas Election Code, a political subdivision that wishes to hold its election on a date other than November 3, 2020 could try to seek court order for an alternative date.
5. **Notice Requirements:** Any entities that are exercising the authority to postpone their election date must provide the following notice:
- a. **Notice to Voters:** The entity should post notice on the entity's website and alert any local media organizations regarding this change to their election date.
  - b. **Notice to County Election Officer:** The entity must also provide notice to their county election officer regarding this change, as the county is required to post the entity's notice of election on the county's website no later than the 60th day before the date of the election under Election Code 4.008.
  - c. **Posted Notice at Polling Locations:** If it's possible to post notice at the polling locations that would have been used for the elections, we would recommend doing so. However, your ability to do so may be limited due to the stay-at-home orders that are in place. Please do not put your workers at risk by posting a physical notice. The most important thing is to update local media and update your website.
  - d. **Notice to SOS:** When you take action to postpone your elections, please inform us of the action taken. You may do so at [elections@sos.texas.gov](mailto:elections@sos.texas.gov).

Please let us know if you have any questions or concerns.

## ORDER OF SCHOOL TRUSTEE ELECTION POSTPONEMENT

To the registered voters of Medina Valley I.S.D., Castroville, Texas

**Notice is hereby given that the Medina Valley Independent School District Trustee Election for May 2, 2020 will be postponed to the November 3, 2020 uniform election date.**

**Pursuant to Section 418.016 of the Texas Government Code**, the Governor has issued a proclamation suspending certain provisions of the Texas Election Code and the Texas Water Code to allow all local political subdivisions that are utilizing the May 2, 2020 uniform election date to postpone their election to the November 3, 2020 uniform election date.

By postponing the election date, the political subdivision is preserving all candidate filings and ballot order actions that have already been taken. The postponement does not have the effect of reopening candidate filings.

All **applications for a ballot by mail (ABBMs)** that were filed for the May 2, 2020 election that are marked annual would apply for the November 3, 2020 election. All single use ABBMs that were submitted for reasons of age or disability would still be valid for the November 3, 2020 election. If a single use ABBM was submitted and indicated the reason for voting by mail was due to absence from the county, this ABBM would not be valid as the applicable election date has changed.

**Deadline for submitting an ABBM for the November 3, 2020 uniform election date is October 23, 2020.**

**Voter Registration deadline for the November 3, 2020 uniform election date is October 5, 2020.**

**Early Voting dates for the November 3, 2020 uniform election date are October 19, 2020-October 30, 2020.**

**Necessary Revisions to the Order of Election will be made on or before August 17, 2020.**

Revisions can reflect changes to dates, locations and hours for early voting and changes to date and location for election day.

**Issued this the 9<sup>th</sup> of April 2020**

## ORDEN DE APLAZAMIENTO ELECTORAL DE SÍNDICOS

**A los votantes registrados de Medina Valley ISD, Castroville, Texas**

**Se les da aviso de que la Elección de Síndicos del Distrito Escolar Independiente de Medina Valley para el 2 de mayo de 2020 se pospondrá a la fecha de elección uniforme del 3 de noviembre de 2020.**

**De conformidad con la Sección 418.016 del Código de Gobierno de Texas**, el Gobernador ha emitido una proclamación que suspende ciertas disposiciones del Código de Elecciones de Texas y el Código de Aguas de Texas para permitir que todas las subdivisiones políticas locales que utilizan la fecha uniforme de elección 2 de mayo de 2020 pospongan su elección a la fecha de elección uniforme al 3 de noviembre de 2020.

Al posponer la fecha de las elecciones, la subdivisión política preserva todas las presentaciones de candidatos y acciones de orden de votación que ya se han tomado. El aplazamiento no tiene el efecto de reabrir las presentaciones de candidatos.

Todas las **solicitudes para una boleta por correo (ABBM)** que se presentaron para las elecciones del 2 de mayo de 2020 que se marcan anualmente se aplicarían para las elecciones del 3 de noviembre de 2020. Todas las solicitudes de ABBM de un solo uso que se presentaron por razones de edad o discapacidad seguirán siendo válidas para las elecciones del 3 de noviembre de 2020. Si se presentó un ABBM de un solo uso e indicó que la razón para votar por correo se debió a la ausencia del condado, este ABBM no sería válido ya que la fecha de elección aplicable ha cambiado.

**El plazo para enviar un ABBM para la fecha de elección uniforme del 3 de noviembre de 2020 es el 23 de octubre de 2020.**

**El plazo de inscripción de votantes para la fecha de elección uniforme del 3 de noviembre de 2020 es el 5 de octubre de 2020.**

**Las fechas de votación por adelantado para la fecha de elección uniforme del 3 de noviembre de 2020 son del 19 de octubre de 2020 al 30 de octubre de 2020.**

**Las revisiones necesarias de la Orden de Elección se realizarán el 17 de agosto de 2020 o antes.**

Las revisiones pueden reflejar cambios en las fechas, lugares y horas para la votación por adelantado; y cambios en la fecha y el lugar para el día de las elecciones.

BOARD OF TRUSTEES  
MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT

Resolution  
Concerning SB 693 Relating to Three-Point Seatbelts on Buses that Transport  
Schoolchildren

STATE OF TEXAS   §  
                          §  
                          §

**WHEREAS**, the Texas Legislature has enacted legislation, namely SB 693, requiring that “a bus operated by or contracted for use by a school district for the transportation of schoolchildren shall be equipped with a three-point seat belt for each passenger, including the operator”; and

**WHEREAS**, SB 693 specifically requires three-point seat belts on buses purchased which are model year 2018 or later; and

**WHEREAS**, the legislature allocated no funding for the equipping of school buses with seat belts; and

**WHEREAS**, the legislation only allows local school boards to opt out of the requirement if it “determines that the district’s budget does not permit the district to purchase a bus that is equipped with the seatbelts required”; and

**WHEREAS**, school buses are by far the safest mode of transportation to and from school; and

**WHEREAS**, school buses have an excellent safety record and research has shown that seat belts are not effective in most school bus crashes; and

**WHEREAS**, seat belts prevent students from exiting a bus quickly in the event of a fire or a water evacuation and a bus driver cannot possibly help every student to escape from seat belts in the event of a fire or if the bus is sinking in a body of water; and

**WHEREAS**, the legislation does not mandate the use of seat belts, only the equipping of buses with seat belts. The fact that buses are equipped with seat belts does not mean that they will be used or that they will be used properly; and

**WHEREAS**, seat belts could be used as weapons if a dispute were to occur between students; and

**WHEREAS**, because a school bus is large and weighs tons, collision impact is absorbed and the crash force is far less than that felt in an automobile; and

**WHEREAS**, students on a school bus are protected because they are above the impact zone if a crash occurs; and

**WHEREAS**, the National Highway Traffic Safety Administration has not recommended the installation of three-point seat belts on large school buses due to research that they have conducted; now, therefore, be it

**RESOLVED**, that the Medina Valley ISD Board of Trustees has determined that purchasing school buses with seat belts will put students in more danger than purchasing school buses without seat belts due to the reasons listed above; and, be it further

**RESOLVED**, that purchasing new school buses with seat belts would have the potential to cause a long-term financial strain on the District.
