MEMORANDUM

To: Medina Valley ISD Board of Trustees
From: Dr. Kenneth Rohrbach, Superintendent
Re: TASB Policy Review Agreement
Date: April 13, 2020

Medina Valley ISD utilizes TASB Policy Service to maintain and update its board policy manual. In the approved 2020 Superintendent Evaluation Document, item 5A requires “during the prior evaluation year, the superintendent recommended a TASB policy review to the Board.” The last comprehensive review of district policy by TASB occurred in 2014. TASB recommends a comprehensive policy audit every 5 to 7 years to “ensure policy matches practice in key areas, to resolve internal inconsistencies that develop over time, and to train administrators and the board on policy issues”.

Superintendent Recommendation: Approve the TASB Policy Review Agreement.

Policy Review Session Agreement

This Policy Review Session Agreement is entered into between the Texas Association of School Boards, Inc. (TASB), through its TASB Policy Service division, and the undersigned “Subscriber.”

1. Scope: This Agreement is for Policy Service to conduct a Policy Review Session for Subscriber. As a prerequisite for entering into this Agreement, Subscriber must be a member of TASB, a subscriber to Policy Service (school district subscribers only), and a subscriber to Policy Updating Services. The Agreement includes the following services: auditing Subscriber’s Localized Policy Manual; preparing for and conducting workshops with Subscriber’s administrators and, if requested, Subscriber’s board; preparing a written summary of the review session; and training Subscriber’s officials on the policy manual. The workshop with administrators consists of up to **eight hours**. The Policy Review Session does not include a review of regulations or handbooks.

2. Cost: Subscriber will pay the required fee and any additional charges presented by invoice or other written statement within 45 days or such other time period authorized by law. The current fee methodology is described in the attached Payment Schedule.

3. Schedule: Upon receipt of the signed Agreement, the policy consultant assigned to the project will contact Subscriber to tentatively schedule the Policy Review Session and to obtain necessary materials and information from Subscriber. Subscriber must provide these materials to the policy consultant at least 30 days prior to the tentatively scheduled date in order for the consultant to confirm a final date for the review session.

4. Termination: Subscriber may terminate this Agreement at any time by giving 30 days’ prior written notice.

TASB may terminate this Agreement based on any of the following: (1) Subscriber’s failure to make timely payment, subject to and consistent with law, including the Texas Prompt Payment Act (Tex. Gov. Code §§ 2251.021 *et seq.*), as applicable; (2) Subscriber’s failure to timely renew its separate TASB membership; however, if the applicable TASB membership fee for Subscriber increases without the benefit of at least 30 days’ prior written notice before the date of this Agreement, TASB may, within its sole discretion, either terminate this Agreement or provide the services described in this Agreement; (3) Subscriber’s failure to timely renew its separate Policy Service Subscription Agreement (for school district subscribers only); (4) Subscriber’s failure to timely renew its separate Policy Updating Services Agreement; (5) Subscriber’s failure to fully and timely pay any undisputed amounts due for any additional “fee for services”; (6) Subscriber’s failure to confirm a Policy Review Session date within 180 days of entering into this Agreement; (7) Subscriber’s failure to address the summary or final policy recommendations within six months of receipt from Policy Service; or (8) TASB providing Subscriber 30 days’ prior written notice of termination.

Either party may terminate this Agreement due to an event of default. An event of default is the failure by either party to comply with any material obligation under this Agreement and such noncompliance remains uncured for more than 30 days after receipt of written notice thereof.

In the event either party terminates this Agreement before the completion of services, Subscriber will reimburse TASB for all costs incurred up to the date of cancellation and will pay TASB's fee for consulting hours actually rendered.

5. Use of Subscriber Information: Subscriber grants TASB a perpetual, nonexclusive, royalty-free license to copy, modify, and use any information and data obtained from Subscriber through this Agreement so that TASB may create analytical trend data (in anonymous form) and in order to improve the quality of TASB's services to its members, clients, and constituents, as well as to carry out TASB's legitimate business purposes, including the creation of statistical studies and compilations. Notwithstanding the foregoing, Subscriber appoints TASB Policy Service as Subscriber's representative to consult with TASB Legal Services for legal advice on Subscriber's localized policy matters, and Subscriber appoints and consents to having TASB Legal Services provide such legal counsel for Subscriber.

9. LIMITATION OF LIABILITY: TASB'S LIABILITY UNDER THIS AGREEMENT SHALL NOT EXCEED THE TOTAL AMOUNT OF FEES PAYABLE UNDER THIS AGREEMENT.

10. Current Revenue: Subscriber represents and agrees that all payments required under this Agreement will be made from revenues currently budgeted and available.

11. Amendments: TASB may amend this Agreement in writing, based on prior written notice, as set out herein. Unless the amendment expressly states otherwise, a written amendment will not require the

Dr. Kenneth Rohrbach, Superintendent
Medina Valley ISD
8449 FM 471 S
Castroville, TX 78009-5309

Dear Dr. Rohrbach:

I am pleased that your district is considering a Policy Review Session, which consists of a comprehensive audit and review of the district's local policy manual to restore the manual to optimal condition and reflect the uniqueness of your district.

A Policy Review Session benefits your district in several ways, such as:

- Ensuring that your manual clearly communicates requirements for local governance and management
- Resolving policy inconsistencies and addressing emerging policy needs
- Restoring confidence in the relevance of district policy and in the use and maintenance of manuals
- Increasing board members' and administrators' understanding of policy
- Identifying and clarifying board and administrative responsibilities

I have enclosed a Policy Review Session Agreement and a description of the process. The basic cost for the Policy Review Session is \$2,000, plus the policy consultant's travel costs and the cost of review session copies. **If actual workshop time with administrators exceeds eight hours, cumulatively, the excess hours will be billed at \$150 per hour.** Policy changes resulting from the Session are billed separately as a Local District Update under the district's Updating Services Agreement at current rates. The cost of the Local District Update will depend on the extent of policy changes necessary to bring the manual up to date and currently averages \$1,639, inclusive of printing charges.

With the return of your signed Agreement, I will contact you to begin the project and work out time lines acceptable to the district. I look forward to working with you and visiting your district. In the meantime, please call me if you have any questions.

Sincerely,

Lexi O'Hair
Policy Consultant

The Policy Review Session Process

The Policy Review Session is a comprehensive audit and review of the district's local policy manual. This undertaking will ensure that your manual is a solid base that clearly communicates requirements for local district governance and management and reflects the uniqueness of your district.

The process takes several months from start to finish, depending on variables at each of the following steps:

1. Following receipt of the Policy Review Session Agreement from the district, the policy consultant schedules a tentative date and sends the district an extensive questionnaire. The questionnaire addresses current demographics, practices, and statutory options the district has exercised.
2. The district returns the completed questionnaire. The questionnaire **must** be received at least 30 days prior to the tentatively scheduled Policy Review Session or the date cannot be confirmed.
3. The consultant conducts a comprehensive manual audit, including:
 - An analysis of the completed questionnaire and the contents of the district's manual
 - A detailed review of (LOCAL) policies to assess the manual's internal consistency
4. The consultant visits the district to work with administrators and the board using the report produced by the audit as the basis for discussion.
 - The consultant meets with administrators for up to eight hours to explore and resolve any inconsistencies identified by the audit, to address other policy issues of importance to the administrators, and to train administrators in the use of the manual. Administrators receive training credit for this time.
 - That evening the consultant meets with the board to review the governance section of the manual and other key policies of particular interest to the board.
 - If the board would like to have a basic training session in policy making and policy manual maintenance for one hour of board training credit, the consultant can conduct a workshop, at no additional charge, in a separate meeting called for that purpose before the meeting in which your policy manual is discussed.
5. Upon returning to the office, the consultant prepares and mails a summary of the work accomplished at the staff and board sessions. The summary includes an itemized list of the recommended policy revisions, along with annotated changes to the district's current policies.
6. The district staff carefully reviews the summary and supplies any missing documentation. The board reviews the recommendations, and the decisions are marked appropriately on the summary document.
7. The district returns the summary, along with any changes, to the consultant.
8. After the changes are made in TASB's internal system, all unique (LOCAL) policies are sent to TASB Legal Services for legal review.
9. A reprinted copy of the manual is sent to the district.
10. The board adopts all the (LOCAL) policies in the reprinted manual and repeals all previously adopted policies.
11. If using *Policy On Line*, the district notifies Policy Service when the adoption/repeal has been completed. TASB then installs or updates the online version of the district's localized policy manual on the TASB web server.
12. After review of the district's unique local policies by TASB Legal Services, any legal concerns will be expressed in a letter to the superintendent from a TASB attorney.

Re: Revised Board Policy DEC (Local)
Date: April 15, 2020

Current adopted Board Policy DEC (Local) requires leave to be recorded in half-day increments. The proposed revision would record leave in half-day increments for positions in which a substitute is normally required, and hourly increments for positions for which a substitute is not normally required. For those positions in which a substitute is not normally required, leave would be recorded in half-day increments when using non-duty days.

Superintendent Recommendation: Approve revised Board Policy DEC (Local).

Re: TEA Waiver for Educator Appraisals for the 19-20 School Year
Date: April 14, 2020

TEA Commissioner Morath announced that districts may apply for a waiver for educator appraisals due to COVID-19. Districts may still complete educator appraisals, but do need to have this waiver in place in the event that they are unable to complete them. As of our closure date, none of our appraisals had been completed. If we are able to return to school this year, principals would likely be able to complete appraisals. If we are unable to return, principals would likely be unable to complete them. If a district is unable to complete appraisals, TEA is requiring that "all districts should document efforts to comply with educator appraisal requirements and, for those requirements that they are unable to meet, give an explanation as to the circumstances that prevented compliance". This waiver requires approval from district site-based decision-making committee prior to be approved by the board. DWAC met on April 9, 2020, with 39 members present. The motion to approve the TEA waiver for educator appraisals passed on a unanimous vote.

Superintendent Recommendation: Approve the TEA waiver for educator appraisals for the 19-20 school year.

I. Condition of the Property until Closing; Cooperation; No Recording of Contract

1. **Maintenance and Operation.** Until closing, Seller will (a) maintain the Property as it existed on the Effective Date, except for reasonable wear and tear and casualty damage and excluding the easement area indicated on the Survey; (b) operate the Property in the same manner as it was operated on the Effective Date except for the easement area indicated on the Survey; and (c) comply with all contracts and governmental regulations affecting the Property. Until the end of the Inspection Period, Seller will not enter into, amend, or terminate any contract that affects the Property other than in the ordinary course of operating the Property, except for the easement area indicated on the Survey, and will promptly give notice to Buyer of each new, amended, or terminated contract, including a copy of the contract, in sufficient time so that Buyer may consider the new information before the end of the Inspection Period. If Seller’s notice is given within three (3) days before the end of the Inspection Period, the Inspection Period will be extended for three (3) days.

After the end of the Inspection Period, Buyer may terminate this contract if Seller enters into, amends, or terminates any contract that affects the Property without first obtaining Buyer's written consent.

2. *Casualty Damage.* Seller will notify Buyer promptly after discovery of any casualty damage to the Property. Seller will have no obligation to repair or replace the Property if it is damaged by casualty before closing. Buyer may terminate this contract if the casualty damage that occurs before closing would materially affect Buyer's intended use of the Property, by giving notice to Seller within fifteen (15) days after receipt of Seller's notice of the casualty (or before closing if Seller's notice of the casualty is received less than fifteen (15) days before closing). If Buyer does not terminate this contract, Seller will (a) convey the Property to Buyer in its damaged condition, (b) assign to Buyer all of Seller's rights under any property insurance policies covering the Property, and (c) pay to Buyer the amount of the deductibles and coinsurance provisions under any insurance policies covering the Property, but not in excess of the cost to repair the casualty damage and less any amounts previously paid by Seller to repair the Property. If Seller has not insured the Property and Buyer does not elect to terminate this contract in accordance with this section, the Purchase Price will be reduced by the cost to repair the casualty damage.

3. *Condemnation.* Seller will notify Buyer promptly after Seller receives notice that any part of the Property has been or is threatened to be condemned or otherwise taken by a governmental or quasi-governmental authority. Buyer may terminate this contract if the condemnation would materially affect Buyer's intended use of the Property by giving notice to Seller within fifteen (15) days after receipt of Seller's notice to Buyer (or before closing if Seller's notice is received less than fifteen (15) days before closing). If Buyer does not terminate this contract, (a) Buyer and Seller will each have the right to appear and defend their respective interests in the Property in the condemnation proceedings, (b) any award in condemnation will be assigned to Buyer, and (c) if the taking occurs before closing, the description of the Property will be revised to delete the portion taken.

4. *Claims; Hearings.* Seller will notify Buyer promptly of any claim or administrative hearing that is threatened, filed, or initiated before closing that affects the Property.

5. *No Recording.* Buyer may not file this contract or any memorandum or notice of this contract in the real property records of any county. If, however, Buyer records this contract or a memorandum or notice, Seller may terminate this contract and record a notice of termination.

J. Termination

1. *Disposition of Earnest Money after Termination.*

a. *To Buyer.* If Buyer terminates this contract in accordance with any of Buyer's rights to terminate, within five (5) days of receipt of Buyer's termination notice, Title Company shall deliver the Earnest Money to Buyer, less \$100, which will be paid to Seller as consideration for the right granted by Seller to Buyer to terminate this contract.

b. *To Seller.* If Seller terminates this contract in accordance with Seller's right to terminate due to Buyer's default, Buyer will, within five (5) days of receipt of Seller's termination notice, authorize Title Company to pay and deliver the Earnest Money to Seller.

2. *Duties after Termination.* If this contract is terminated, Buyer will promptly return to Seller all documents relating to the Property that Seller has delivered to Buyer and all copies that Buyer has made of the documents. After return of the documents and copies, neither party will have further

duties or obligations to the other under this contract, except for those obligations that cannot be or were not performed before termination of this contract.

K. Closing

1. *Closing.* This transaction will close at Title Company's offices at the Closing Date and Closing Time. At closing, the following will occur:

- a. *Closing Documents.* The parties will execute and deliver the Closing Documents.
- b. *Payment of Purchase Price.* Buyer will deliver the Purchase Price and other amounts that Buyer is obligated to pay under this contract to Title Company in funds acceptable to Title Company. The Earnest Money will be applied to the Purchase Price.
- c. *Disbursement of Funds; Recording; Copies.* Title Company will be instructed to disburse the Purchase Price and other funds in accordance with this contract, record the deed and the other Closing Documents directed to be recorded, and distribute documents and copies in accordance with the parties' written instructions.
- d. *Delivery of Originals.* Seller will deliver to Buyer the originals of Seller's Records.
- e. *Possession.* Seller will deliver possession of the Property to Buyer, subject to the Permitted Exceptions existing at closing.

2. *Transaction Costs.*

- a. *Seller's Costs.* Seller will pay the basic charge for the Title Policy; one-half of the escrow fee charged by Title Company; the costs to prepare the deed; the costs to obtain, deliver, and record releases of all liens to be released at closing; the costs to record all documents to cure Title Objections agreed to be cured by Seller; Title Company's inspection fee to delete from the Title Policy the customary exception for parties in possession; the cost of certificates or reports of ad valorem taxes; the costs to deliver copies of the instruments described in section A.5.; and Seller's expenses and attorney's fees.
- b. *Buyer's Costs.* Buyer will pay one-half of the escrow fee charged by Title Company; the costs to obtain, deliver, and record all documents other than those to be recorded at Seller's expense; the costs to obtain the Survey, the additional premium for the "survey/area and boundary deletion" in the Title Policy, if the deletion is requested by Buyer; the costs of work required by Buyer to have the survey reflect matters other than those required under this contract; and Buyer's expenses and attorney's fees.
- c. *Ad Valorem Taxes.* Ad valorem taxes for the Property for the calendar year of closing will be prorated between Buyer and Seller as of the Closing Date. Seller's portion of the prorated taxes will be paid to Buyer at closing as an adjustment to the Purchase Price. If the assessment for the calendar year of closing is not known at the Closing Date, the proration will be based on taxes for the previous tax year, and Buyer and Seller will adjust the prorations in cash within thirty (30) days of when the actual assessment and taxes are known. Seller will promptly notify Buyer of all notices of proposed or final tax valuations and assessments that Seller receives after the Effective Date and after closing. All taxes due as of closing will be paid at closing. If the Property has been the subject of special valuation and reduced tax assessments pursuant to the provisions of chapter 23, subchapter D, of the Texas Tax Code with respect to any period before the closing and additional taxes are assessed pursuant to section 23.55 thereof, the following will apply:

- (1) If Seller changes the use of the Property before closing, resulting in the assessment of additional taxes for periods before closing, Seller will pay the additional taxes.
 - (2) If this sale or Buyer's use of the Property results in the assessment of additional taxes for periods before closing, Buyer will pay the additional taxes.
 - d. *Income and Expenses.* [Paragraph Deleted]
 - e. *Post-closing Adjustments.* If errors in the prorations made at closing are identified within ninety (90) days after closing, Seller and Buyer will make post-closing adjustments to correct the errors within fifteen (15) days of receipt of notice of the errors.
 - f. *Brokers' Commissions.*
 - i. Seller shall compensate Seller's Broker, listed above, six percent (6%) of the sales price as compensation for its services in connection with the sale of the Property.
 - ii. Buyer and Seller each indemnify and agree to defend and hold the other party harmless from any loss, attorney's fees, and court and other costs arising out of a claim by any person or entity claiming by, through, or under the indemnitor for a broker's or finder's fee or commission because of this transaction or this contract, whether the claimant is disclosed to the indemnitee or not. At closing, each party will provide the other party with a release of broker's or appraiser's liens from all brokers or appraisers for which each party was responsible.
3. *Issuance of Title Policy.* Seller will cause Title Company to issue the Title Policy to Buyer as soon as practicable after closing.

L. Default and Remedies

1. *Seller's Default.* If Seller fails to perform any of its obligations under this contract or if any of Seller's representations is not true and correct as of the Effective Date or on the Closing Date ("Seller's Default"), Buyer may elect either of the following as its sole and exclusive remedy:
 - a. *Termination; Damages.* Buyer may terminate this contract by giving notice to Seller on or before the Closing Date and Closing Time and have the Earnest Money, less \$100 as described above, returned to Buyer. If Seller's Default occurs after Buyer has incurred costs to investigate the Property after the Effective Date and Buyer terminates this contract in accordance with the previous sentence, Seller will also pay to Buyer as liquidated damages Buyer's actual out-of-pocket expenses incurred to investigate the Property after the Effective Date within ten (10) days after Seller's receipt of an invoice from Buyer stating the amount of Buyer's expenses.
 - b. *Specific Performance.* Buyer may enforce specific performance of Seller's obligations under this contract. If title to the Property is awarded to Buyer, the conveyance will be subject to the matters stated in the Title Commitment.
2. *Buyer's Default.* If Buyer fails to perform any of its obligations under this contract ("Buyer's Default"), Seller may as its sole and exclusive remedy terminate this contract by giving notice to Buyer on or before the Closing Date and Closing Time and have the Earnest Money paid to Seller.

3. *Damages.* The parties agree that just compensation for the harm that would be caused by a default by either party cannot be accurately estimated or would be very difficult to accurately estimate and that the Earnest Money, in the case of Buyer's default, and the amounts provided above are reasonable forecasts of just compensation to the non-defaulting party for the harm that would be caused by a default.

M. Miscellaneous Provisions

1. *Notices.* Any notice required by or permitted under this contract must be in writing. Any notice required by this contract will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this contract. 5. *Survival.* The obligations of this contract that cannot be performed before termination of this contract or before closing will survive termination of this contract or closing, and the legal doctrine of merger will not apply to these matters. If there is any conflict between the Closing Documents and this contract, the Closing Documents will control.

6. *Choice of Law; Venue; Alternative Dispute Resolution.* This contract will be construed under the laws of the state of Texas, without regard to choice-of-law rules of any jurisdiction. Venue is in the County where the Property is located, except as otherwise provided by applicable law. Time permitting, the parties will submit in good faith to an alternative dispute resolution process before filing a suit concerning this contract.

7. *Waiver of Default.* It is not a waiver of default if the non-defaulting party fails to declare immediately a default or delays taking any action with respect to the default.

8. *No Third-Party Beneficiaries.* There are no third-party beneficiaries of this contract.

9. *Severability.* The provisions of this contract are severable. If a court of competent jurisdiction finds that any provision of this contract is unenforceable, the remaining provisions will remain in effect without the unenforceable parts.

10. *Ambiguities Not to Be Construed against Party Who Drafted Contract.* The rule of construction that ambiguities in a document will be construed against the party who drafted it will not be applied in interpreting this contract.

11. *No Special Relationship.* The parties' relationship is an ordinary commercial relationship, and they do not intend to create the relationship of principal and agent, partnership, joint venture, or any other special relationship.

12. *Counterparts.* If this contract is executed in multiple counterparts, all counterparts taken together will constitute this contract.

13. *Confidentiality.* The parties will keep confidential this contract, this transaction, and all information learned in the course of this transaction, except to the extent disclosure is required by law or court order or to enable third parties to advise or assist Buyer to investigate the Property or either party to close this transaction.

14. *Electronic Signatures.* This Agreement may be executed in counterparts, each of which is deemed an original, but such counterparts, when taken together, shall constitute one agreement. This Agreement may be executed by a party's signature transmitted by electronic means, including by facsimile or e-mail ("Electronic Means"), and copies of this Agreement executed and delivered by Electronic Means have the same force and effect as copies executed and delivered with original signatures. All parties hereto may rely upon signatures transmitted by Electronic Means as if such signatures were originals. Any party executing and delivering this Agreement by Electronic Means, at the request of any other party, shall promptly deliver a counterpart signature page of this Agreement containing said party's original signature. A signature page transmitted by Electronic Means may be introduced into evidence in any proceeding arising out of or related to this Agreement as if it were an original signature page.

NOTICES, STATEMENTS, AND CERTIFICATES

The following Title Notices, statements, and certificates shall be delivered by Seller to Buyer by the deadline set out in section A.7:

A. *Abstract or Title Policy:* Buyer is advised to have an abstract of title covering the Property examined by an attorney of Buyer's selection, or Buyer should be furnished with or obtain a title policy. If a title policy is furnished, the commitment should be promptly reviewed by an attorney of Buyer's choice due to the time limitations on Buyer's right to object.

B. *Statutory Tax Districts:* If the Property is situated in a utility or other statutorily created district providing water, sewer, drainage or flood control facilities and services, Chapter 49, Texas Water Code, requires Seller to deliver and Buyer to sign the statutory notice relating to the tax rate, bonded indebtedness, or standby fee of the district prior to final execution of this Contract.

C. *Annexation:* If the Property is located outside the limits of a municipality, Seller notifies Buyer under §5.011, Texas Property Code, that the Property may now or later be included in the extraterritorial jurisdiction of a municipality and may now or later be subject to annexation by the municipality. Each municipality maintains a map that depicts its boundaries and extraterritorial jurisdiction. To determine if the Property is located within a municipality's extraterritorial jurisdiction or is likely to be located within a municipality's extraterritorial jurisdiction, contact all municipalities located in the general proximity of the Property for further information.

D. *Property Located in a Certificated Service Area of a Utility Service Provider:* Notice required by §13.257, Water Code: The real property, described in Paragraph 2, that you are about to purchase may be located in a certificated water or sewer service area, which is authorized by law to provide water or sewer service to the properties in the certificated area. If your property is located in a certificated area there may be special costs or charges that you will be required to pay before you can receive water or sewer service. There may be a period required to construct lines or other facilities necessary to provide water or sewer service to your property. You are advised to determine if the property is in a certificated area and contact the utility service provider to determine the cost that you will be required to pay and the period, if any, that is required to provide water or sewer service to your property. The undersigned Buyer hereby acknowledges receipt of the foregoing notice at or before the execution of a binding contract for the purchase of the real property described in Paragraph 2 or at closing of purchase of the real property.

E. *Public Improvement Districts:* If the Property is in a public improvement district, §5.014, Property Code, requires Seller to notify Buyer as follows: As a purchaser of this parcel of real property you are obligated to pay an assessment to a municipality or county for an improvement project undertaken by a public improvement district under Chapter 372, Local Government Code. The assessment may be due annually or in periodic installments. More information concerning the amount of the assessment and the due dates of that assessment may be obtained from the municipality or county levying the assessment. The amount of the assessments is subject to change. Your failure to pay the assessments could result in a lien on and the foreclosure of your property.

F. *Texas Agricultural Development District:* The Property is not located in a Texas Agricultural Development District. For additional information, contact the Texas Department of Agriculture. Brokers are not qualified to perform property inspections, surveys, engineering studies, environmental assessments, or inspections to determine compliance with zoning, governmental regulations, or laws. Buyer should seek experts to perform such services. Buyer should review local

building codes, ordinances and other applicable laws to determine their effect on the Property. Selection of experts, inspectors, and repairmen is the responsibility of Buyer and not the brokers. Brokers are not qualified to determine the credit worthiness of the parties.

G. c. *Ad Valorem Taxes.* Ad valorem taxes for the Property for the calendar year of closing will be prorated between Buyer and Seller as of the Closing Date. Seller's portion of the prorated taxes will be paid to Buyer at closing as an adjustment to the Purchase Price. If the assessment for the calendar year of closing is not known at the Closing Date, the proration will be based on taxes for the previous tax year, and Buyer and Seller will adjust the prorations in cash within thirty (30) days of when the actual assessment and taxes are known. Seller will promptly notify Buyer of all notices of proposed or final tax valuations and assessments that Seller receives after the Effective Date and after closing. All taxes due as of closing will be paid at closing.
