Tone of Voice

Formal, Informative, Professional,
Educational

Career and Technical Education (CTE) is an academic program designed to provide an authentic learning experience through technology-rich curriculum and skill application through real-world opportunities. The goal is for high school students to create a balanced four-year plan that prepares students for success after graduation.

Mission Statement

The purpose of the Career and Technical Education Department is to recognize the needs of a diverse student population and to assist students in gaining skills to become competitive, independent, productive citizens in a global economy. Students will be given opportunities to maximize their fullest potential through quality instruction linked to business and industry, career guidance, and active student leadership organizations.

CTE Priorities

- Every CTE student will participate in innovative and engaging learning experiences incorporating career exploration and 21st-century Workplace Readiness Skills.
- CTE students will have the opportunity to engage with business, industry, and community organizations.
CTE students will be provided the opportunity to achieve industry credentials and/or college credits.
- CTE teachers will possess the skills, knowledge, and credentials needed to deliver a state-of-the-art program.
- CTE will maintain current and relevant curriculum in order to meet the needs of a competitive workforce.
- CTE programs must maintain well maintained, state-of-the-art equipment that meets current industry standards.

Color Selection Process

There are **3 different endorsements** offered under the CTE program at Medina Valley Independent School District which include:

Business and
Industry

Public Service

Science, Technology,
Engineering, Math

An endorsement allows students to learn more about a particular subject area, similar to a college major. Considering there are 10 different programs of study and 18 different pathways that fall under these endorsements, different colors were carefully selected to represent the three endorsements. Furthermore, the color for the CTE program as a whole was also carefully chosen.

1. **Business and Industry: Blue**

The color blue was chosen as it is associated with success, unity, intelligence, and stability - all which can be use to represent the business industry.

2. **Public Service: Red**

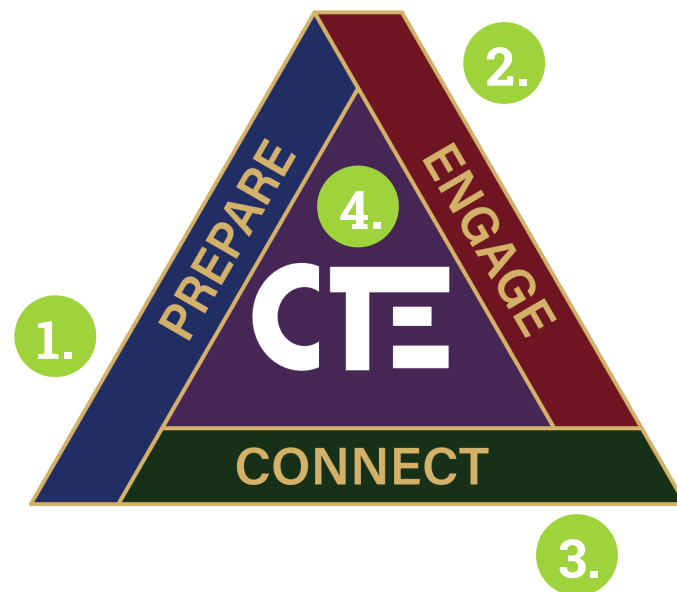

The color red was chosen as it is associated with passion, love, determination and courage - a perfect representation for this endorsement as it includes studies in the medical and teaching industry.

3. **Science, Technology, Engineering and Math: Green**

The color green was chosen as it is associated with vitality, environment, energy, renewal and growth - representing this endorsement.

4. **Career and Technical Education: Purple**

The color purple was chosen as it is associated with creativity, inspiration and wisdom which are all values of the CTE program.

ADVISORY COMMITTEE GOALS 2021-22

- Review Labor Market Information for the Alamo & Middle Rio Grande Regions
- Review survey data
- Recommendations for existing & future programs
- Review/Update CTE Mission, Goals, & Priorities
- Review/Update 5-Year Plan

RECOMMENDATIONS

1. Continue to improve existing facilities and update equipment
2. Continue to develop Curriculum Maps/Pacing Guides for ALL CTE classes
3. Hire two CTE Specialists:
 - Support instruction through observations, coaching, and by providing feedback to CTE teachers regarding all aspects of instruction, student engagement, and classroom environment.
 - Assist CTE teachers with designing and implementing instructional differentiation practices for special populations, to include special education and English learners.
 - Collaborate with Curriculum Department, CTE teachers, and district/campus administration to design and provide professional learning aligned to individual teacher needs, district initiatives, and CTE best practices for teaching and learning.
 - Coach CTE teachers through collection and evaluation of student performance data to close achievement gaps and improve instructional practices.
 - Improve success rate on Industry Based Certifications (IBC).

RE: Proposal for the MVHS Band and Choir to Travel to Disney World in Orlando Florida

The Medina Valley High School Band and Choir is requesting your approval to participate in the Disney You're Instrumental Workshop. The travel dates are Thursday, March 10, 2022, through Monday, March 14, 2022. Departure will be on Thursday, March 10, 2022, at a TBD time. We will return on Monday, March 14, 2022, at a TBD time. There will be 80 students, and 15 directors/chaperones. All expenses will be paid through the Band School Budget, Choir School Budget, Band Boosters, both the Band and Choir Student Activity Account, and payments made directly by families.

Note-Able Travel will handle all planning.

A sample itinerary and cost analysis are attached to this proposal. Payments for the trip will come from student families, fundraising profits (*distributed evenly to all members*), and the band boosters. This trip is for educational purposes, recruitment, and retention purposes of the band and choir programs. It will be highly encouraged that all travelers purchase travel insurance as a precaution of COVID-19 travel disturbances.

Date and Time of Departure: Thursday, March 10, 2022, at a time yet to be determined.

Date and Time of Return: Monday, March 14, 2022, at a time yet to be determined.

Attendees: MVHS Band & Choir

Meals: All Meals will be provided.

Transportation: Airplane, and Charter Bus

Lodging: Disney All-Star Movies Resort or Similar

MEMORANDUM

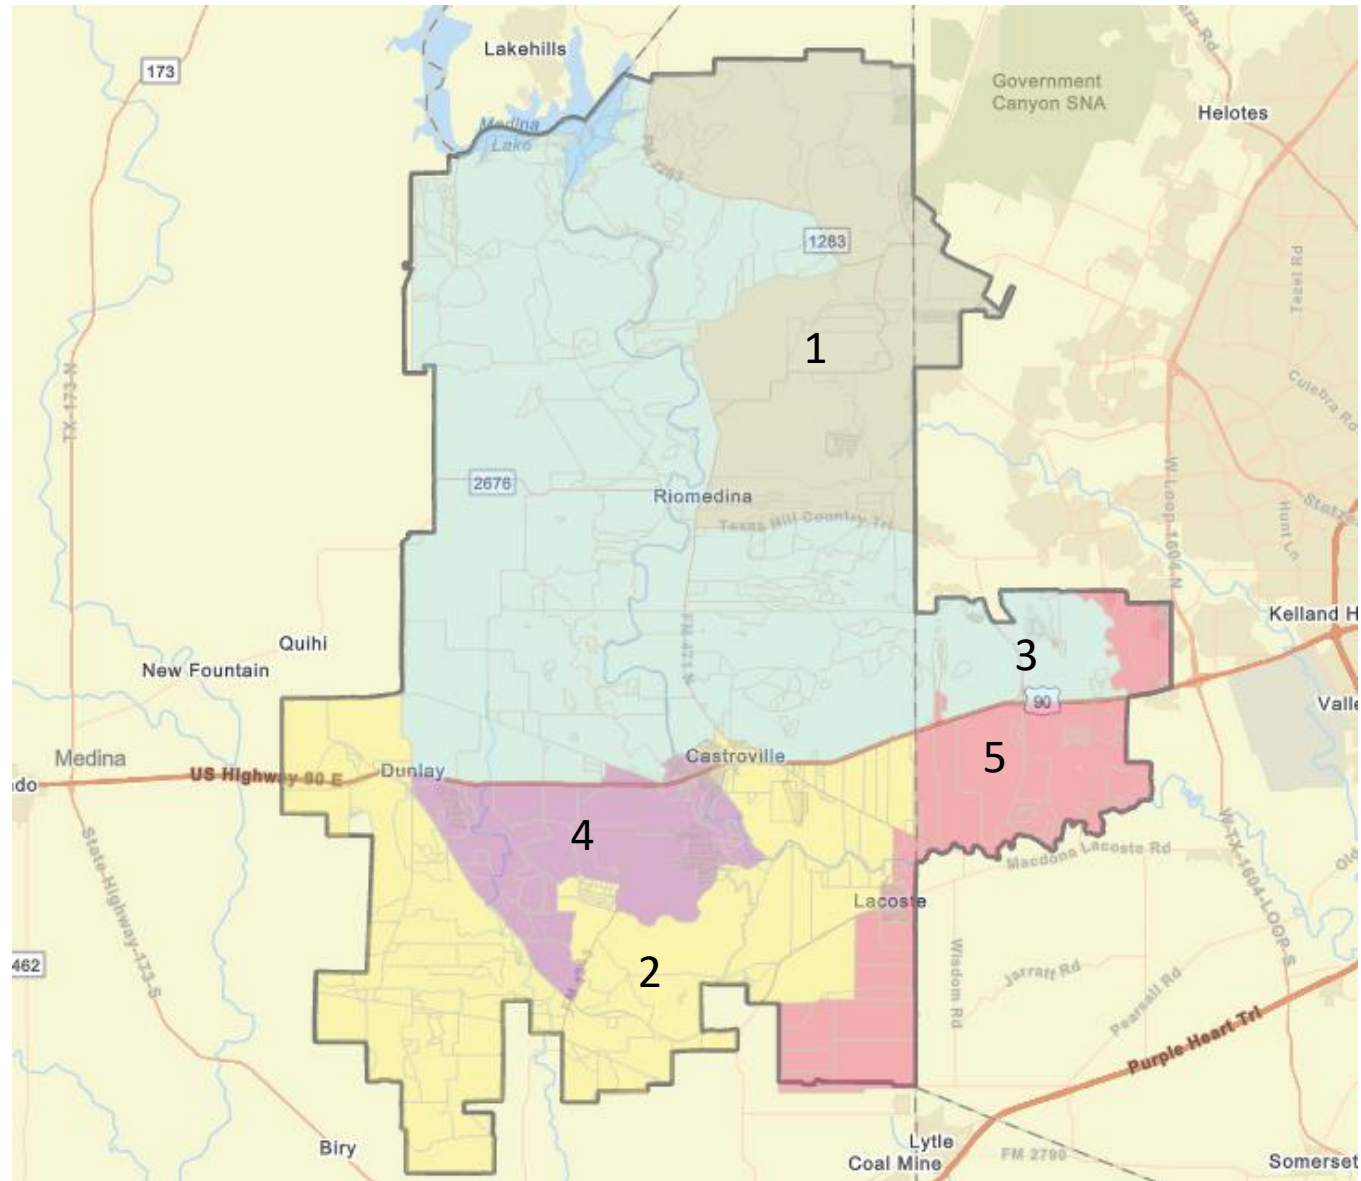

To: Medina Valley ISD Board of Trustees
From: Dr. Kenneth Rohrbach, Superintendent
Re: Consider recommendation from the Redistricting Advisory Committee regarding revision of single-member district boundaries after the 2020 Census.
Date: December 10, 2021

Texas Education Code Section 11.052(i) requires a school board to re-divide single member districts “if the census data indicates that the population of the most populous district exceeds the population of the least populous district by more than 10 percent”. The data collected from the 2020 U.S. Census shows that Medina Valley ISD must redraw our single-member districts. A Redistricting Advisory Committee (RAC) was appointed by the Board and has met with district counsel and the district demographer to redraw the single-member district boundaries, and bring their recommendation to the Board for consideration.

RESOLUTION OF THE BOARD OF TRUSTEES
OF THE
MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT

WHEREAS, the Medina Valley Independent School District's ("Medina Valley ISD" or "the District") election system consists of 5 single-member trustee districts and 2 at-large positions in accordance with the resolution of Civil Action No. SA-93-0454, United States District Court, Western District of Texas, San Antonio Division, and

WHEREAS, Texas Education Code ' 11.052(i) provides that the District must re-evaluate its single-member trustee districts following the availability of the most current Decennial Census; and

WHEREAS, the Fourteenth and Fifteenth Amendments to the United States Constitution, and Texas Education Code ' 11.052(i) require that, based on the current Decennial Census data, if the total population residing in Medina Valley ISD=s most populous single-member district exceeds the total population residing in its least populous single-member district by a deviation of ten percent or more, the District must revise the boundaries of its single-member trustee districts to bring the deviation under ten percent; and

WHEREAS, the total population of Medina Valley ISD=s single-member trustee district 5 exceeds the total population of single-member trustee district 4 by a deviation of 203.8% based on the Federal Census of 2020; and

WHEREAS, Texas Education Code § 11.053(a) permits the Board of Trustees of an independent school district to provide for trustees in office when the redistricting plan is adopted to serve for the remainder of their terms; and

WHEREAS, the Medina Valley ISD Board of Trustees consists of the following members: Mario De Leon, Terry Groff, Jennilea Campbell, Beth Zinsmeyer, Shannon Beasley, Paula Davidson and Veronica Cavazos; and

WHEREAS, prior to final approval, the Medina Valley ISD Board held a public meeting on September 20, 2021, to discuss possible redistricting of the trustee single-member districts resulting from the 2020 census and possible creation of a redistricting advisory committee to assist with redrawing of the map; and

WHEREAS, prior to final approval, the Redistricting Advisory Committee ("RAC") held meetings on November 18, 2021, and December 7, 2021 to review and discuss proposed redistricting Plans, according to the redistricting guidelines; and

WHEREAS, on December 16, 2021 the Medina Valley ISD Board of Trustees considered the plan recommended by the RAC and offered the opportunity for community input at the meeting by providing time for public comment.

BE IT THEREFORE RESOLVED that changes set out herein are adopted as follows:

1. The boundaries of the 5 single-member trustee election districts are re-drawn as shown in the map attached hereto as **Exhibit A**, to include the population statistics under the re-drawn boundaries as shown on **Exhibit A**.
2. This Resolution shall take and be given effect immediately, and implementation of the 2021 Redistricting map shall begin with the next general election of the Board of Trustees of the Medina Valley Independent School District and shall apply to all subsequent general elections of the Board until such time a subsequent lawfully-enacted redistricting plan is adopted by the Board.
3. Pursuant to Texas Education Code § 11.053(a), the trustees currently in office shall serve out the remainder of their terms.

Resolved this 16th day of December, 2021.

MEMORANDUM

To: Medina Valley ISD Board of Trustees
From: Dr. Kenneth Rohrbach, Superintendent
Re: Consider Library Equity Plan
Date: December 9, 2021

Item 2B of the Superintendent Evaluation Instrument reads "During the prior evaluation year, the superintendent ensured the development of an equity plan for district libraries." This item was included in the instrument in order to ensure that there is equity across our district libraries and that library collections remain current. The standard that is used in the plan is "Proficient" as defined by the Texas State Library. The Texas State Library and Archives Commission is directed to develop voluntary School Library Standards in Texas Education Code 33.021. The proposed equity plan brings all of our campus libraries to the proficient standard.

Recommendation: Approve the library equity plan.

**LIBRARY EQUITY
PLAN**

Definitions

Collection Age - The age of the accumulated reading materials found in the library. To reach proficient the average age of a collection is 14 years.

Library Collection - The total accumulation of reading materials found in a library.

Proficient - The minimum passing standard for libraries to operate.

Texas Library Standards - The Texas Library standards consist of 6 components (Goals and Principles), Core Values and expectations of an effective and successful library program put forth by the Texas State Library and Archives Commission in conjunction with the State Board of Education. These standards act as a guideline to develop, implement, and expand library services.

Weeding - is the systematic removal of resources from a library based on selected criteria.

MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT

"Proud of our past, dedicated to the present, committed to the Future"

MEMORANDUM

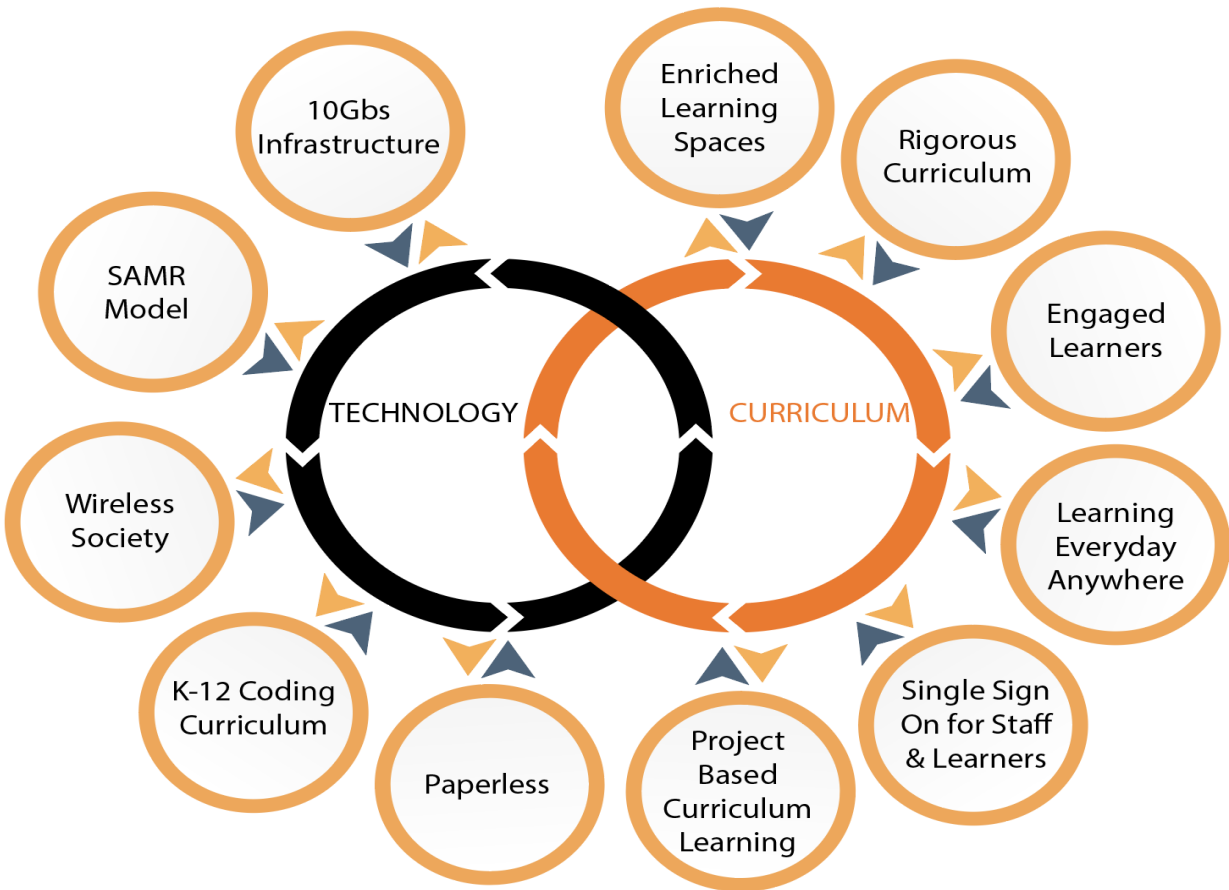

To: Medina Valley ISD Board of Trustees
From: Dr. Kenneth Rohrbach, Superintendent
Re: Consider Long-Range Technology Plan
Date: December 7, 2021

Item 2F of the Superintendent Evaluation Instrument reads "During the prior evaluation year, the superintendent provided a review of the district technology plan and recommended changes to the Board". The technology plan has been reviewed and updated to reflect the current and projected future needs in regard to technology in the district. The new plan integrates the technology plan with the instructional technology plan in order to create a comprehensive long-range plan.

Recommendation: Approve the long-range technology plan.

Long-Range Plan for Technology

Goals, Objectives, and Strategies

Mission: The Medina Valley Independent School District will provide relevant technology that enhances instruction for student success, prepares learners to be competitive in the global market, and encourages all learners to achieve their highest potential.

Vision: To provide a multi-faceted technological skill-set that allows graduates to be competitive and successful.

Goals

- As student enrollment increases and campus populations fluctuate, the District will maintain a technology standard that ensures equity.
- Obsolescence for department devices
- Standardized classroom setup

ECE	Elementary	Secondary
Presentation device Teacher laptop 4 iPads 2 Chrome workstations	Presentation device Teacher laptop 6 chrome devices (core) Storage carts for campus chromebooks	Presentation device Teacher laptop 12 chrome devices (core) Calculators** *all other devices up to 75% will be housed in carts provided by the district
Additional peripheral devices (printers, document cameras, etc) and software may be purchased by campuses, provided they fit with the district's overall goals. **Calculators will be based on demographers projections (i.e.. 100% coverage for testing grade levels as well as alignment to TEKS curriculum requirements)		

- Calculators/TI app
- Increase Wide Area Network (connections between campuses and central office) to 10Gb
- Access points in every classroom – 75% complete
- Phone replacement/Cloud phone system
- Mobile devices available for 75% of student population
- Strive to be paperless
- Include K-12 coding in the core curriculum
- Learning spaces designed for engaging curriculum
- Increase project-based cross-curriculum learning
- Align technology and curriculum IE: SAMR Model
 - Instructional Technology - defined and implemented
- Records retention - scanning paper documents - document management system
- District-wide access controls (HS and new campuses)– safety – 10%
 - Expand to all campuses within 5 years
- Refine District Technology Procedures
 - annual budget for Viewsonics, printers, computers to include growth projections
 - district software purchase/renewals
 - multi-campus software - vetted by district
 - annual tech deploy and pickup
- keeping campus inventory current
 - designate a person on each campus responsible for inventory

Current Status

- Network infrastructure - 10Gbs capable
- Fiber optic network backbone 10Gbs capable
- Wireless access points in 75% of classrooms
- All district staff have new leased laptops - 100%
- Google Domain
- Upgraded every classroom computer lab added additional labs at MVHS and MV LOMA
- Every ES classroom has a minimum of 4 student devices
- Campuses should be equipped with Chromebooks at 75% of the total campus enrollment
 - K-5 classrooms have chromebooks
- Instructional technology - limited by staffing
- District-wide surveillance system - 99% complete (phase 1 and phase 2)
- District-wide inventory system - in-place, 75% of devices inventoried
- Current internet service is 10Gbs = 1.6 Mbps per learner
- Single sign-on to all online applications- Classlink - 100% complete
- Infrastructure at 10Gb capacity- 99% complete
- Obsolescence cycles defined and implemented - ongoing
- All district staff have new leased laptops - 100% - 2020
- Single sign-on to all online applications- Classlink - 100% complete - 2019
- Replace Wireless controllers - 100% complete 2020
- Replace district phone system - 100 % complete 2020

Goal 1: Enhance Instructional Technology

Board/Superintendent **Goal #2:** *Ensure that the district curriculum addresses the needs of all learners, and provide appropriate resources to campuses in order to support the curriculum*

Objective 3: MVISD will provide instructional technology support to allow our staff to embrace 21st-century learning.

Objective 7: MVISD will provide opportunities for all students to problem solve and think critically through the use of digital tools.

Re: Consider Appointment of Members to the Safe and Supportive School Program (SSSP) Team
Date: December 13, 2021

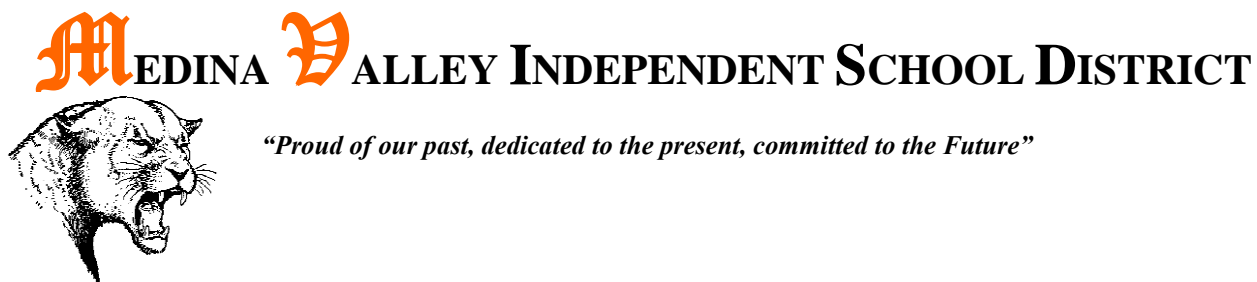

LEAs are required to comply with the provisions of statute in Senate Bill (SB) 11 from the 86th Legislative Session. Each district is required to have a SSSP team, as is each individual campus. The primary role of these teams is to perform threat assessments. TEC §37.115(f)(1) and (2) require each SSSP team to conduct a threat assessment that includes assessing and reporting individuals who make threats of violence or exhibit harmful, threatening, or violent behavior in accordance with the policies and procedures adopted by each LEA. Moreover, those procedures must be consistent with the model policies and procedures developed the TxSSC and TEA. LEAs must also continue to gather and analyze data to determine the level of risk and appropriate interventions for each threat assessed. The individuals recommended meet the qualifications to serve on an SSSP.

Recommendation: Approve the recommended members to the district and campus SSSP teams.

Re: Consider Approval of Changes to District Healthcare Coverages Beginning with the 2022-2023 Plan Year
Date: December 8, 2021

During the 87th Regular Legislative Session (2021), Senate Bill 1444 (SB 1444) was passed to address the provision of health insurance plans by school districts. While a district offers TRS-ActiveCare, state law will no longer allow it to offer an alternative health plan to employees. Therefore, by December 31, 2021, Medina Valley ISD will have to formally notify the Teacher Retirement System (TRS) whether the district will leave TRS-ActiveCare beginning with the 2021-2022 school year or stay exclusively with TRS-ActiveCare. Should the district choose to leave TRS-ActiveCare, it would not be able to rejoin the plan for a period of five years. Should the district stay with TRS-ActiveCare, it may continue to reevaluate its participation yearly.

Currently, the district offers two options for healthcare through TRS ActiveCare and Cigna (brokered by UBC). By December 31, 2021, Medina Valley ISD will have to formally indicate to TRS whether it will stay exclusively with TRS-ActiveCare or leave and offer an alternative choice. Should the district decide to leave TRS-ActiveCare documentation showing support for the decision from the Board of Trustees must be obtained.

2022-2023 Health Insurance

December 16, 2021

SB 1444

- Districts can now opt out of TRS-ActiveCare each year but will have to remain out for 5 years if they choose to do so.
 - If Districts opt out, they cannot rejoin ActiveCare for five years.
 - Statement of intent to leave TRS-ActiveCare has to be submitted by **December 31, 2021**.
 - Starting in September 2022, all employees on TRS-ActiveCare will be denied coverage if the District continues to provide an alternative choice.
 - Regional Pricing for TRS-ActiveCare will be offered but Rates and Plans will not be available until **April 2022**.

REGIONAL COMPARISON TO STATEWIDE AVERAGE

Note: This comparison provided is based on current data and actual regional factors will change until April 2022. Regional factors will change based on shifts in demographics, network discounts, experience and the addition or elimination of participating entities. This comparison is not intended to reflect rate changes for FY2023, only the relative difference between regions based on current data.

HOW WILL THIS IMPACT YOUR RATE NEXT YEAR?

- TRS will determine the health care trend in your ESC over the next few months.
 - Trend includes utilization of medical services + varying prices in the ESC region
- Once we have the trend, we add it to your ESC regional factor and get your premium change from the prior year.
- 2022-23 TRS-ActiveCare rates & benefits are anticipated to be adopted at the April TRS Board meeting.

General Comments

I am just looking for good rates and good service.

I can't truly answer the above question without seeing what each plan offers. The insurance I have now is not good coverage but the cost of the other options is very high.

I DO NOT HAVE A STRONG PREFERENCE BUT I DO WANT TO USE AN HSA SO I HOPE THAT WE WILL BE GIVEN A COMPARABLE PLAN THAT HAS THAT OPTION.

I just want the best coverage we can get.

I need a set rate for meds. Percentage based varies in price.

I need to have health insurance but all of my paycheck can't just go to pay for my insurance.

I really think that MVISD has to try to offer better benefits than these presently being offered.

I think the UBC plan would be better. I had TRS in the past but that did not cover much. As I qualify for free healthcare through the VA I decided to stay with them.

I would like to make sure the plans offered are in network with our local medical providers.

If I have health insurance through the VA and don't need the company's health insurance can I get more pay?

If my providers were in network with Cigna or Aetna then I would go for UBC, but BCBS has always met my family's needs.

If pay is not increased for the next school year, I will be difficult to afford insurance.

Insurance is unaffordable for my wife and I

Is the district searching for ways to help offset the costs of insurance outweighing any salary increases?

It is hard to make a decision when you really don't have any idea of what TRS will charge. I would chose the plan that is most cost effective for my family. I have done TRS my entire career until this year when I switched to UBC.

It is not appropriate for teachers to have to respond without knowing what the actual insurance rates will be. This is an uninformed decision.

More expensive healthcare or less quality of care could force me out of this career that I love. This decision is very important to me.

Paraprofessional pay is small so high insurance costs takes away more money from our checks.

The current plan limits mammograms to be performed only through Baptist imaging. Which has caused me many issues and money out of pocket because I have always used STRIC. STRIC is a far better imaging facility and I would like to see if the UBC can offer coverage with them as a provider.

The only reason why I have insurance out of the district is because of the pricing. It is just too much money for family insurance. Even self-insurance. Out of pockets are too high, and considering how much we make, it is not enough to pay that much of insurance.

This option is more affordable, but wish our district could get us better insurance. I feel like all my family members have better insurance than I do. We are teachers and we get sick often from our kiddos we teach and have to pay so much. I got COVID this school year and I am paying so many bills from being in the hospital for a couple weeks on top of having to use my person days while I was out. We put ourselves in jeopardy and would like for our District to take better care of us in return.

What I do not like about UBC is Lab co pays what I do not like about TRS in the specialist copay is higher and you need to see them more frequently than your regular PCP

thank you

TRS Comments

Coverage for Specialty Medications is very poor with Cigna.

I am willing to risk the unknown from TRS than spend any money with Cigna.

I like having TRS ActiveCare with Blue Cross Blue Shield. I don't want UBC.

My oncologist does not take another insurance other than BCBS.

UBC's copay is undesirable. I do not want to meet my deductible before getting insurance.

My concern with TRS is being able to see specialty doctors.

My understanding is TRS ActiveCare is far too expensive for a family.

TRS Activecare is terrible and pray this isn't the winner.

UBC Comments

All I want is the lowest premium option. I only use health insurance for the catastrophic protection so the lowest premium available is the option I want. UBC seems to have this compared to TRS.

I am very interested in the district bringing a clinic and physician(s) to Castroville to work with our plans. I am also interested in ensuring that plans offered continue to cover my youngest child with his pediatric.

"I choose UBC as long as UBC plan offerings would include comprehensive coverage at competitive rates based on health care markets/plan utilization and provide fair and sound plan administration, benefiting the insured (aka covered employee/dependents).

UBC would be a better choice for MVISD over the TRS option (especially since TRS premiums are unknown for the future and even at present are more expensive than the current benefit choices on some levels, with plan coverage variances, not being as comprehensive over all. I like that UBC already has Cigna & Aetna as comparable plan options & premiums to consider for SY 22-23 by the MVISD health committee. I believe UBC would be the better way to go for the district, as there could potentially be other comparable companies/plans to consider at the committee level to ensure that we get the better plan coverage for the premiums paid. I like that the district has a health committee that meets and reviews proposals, thereby ensuring that MVISD has input into what benefit options are offered to its employees.

I'm glad that MVISD continues to contribute a portion of plan premiums, thus helping it the employee be able to afford health insurance. Thank you for the opportunity to participate in this survey.

I currently have the district UBC plan and the am also a Medicare, NOT TRS-Medicare recipient. As I currently understand the Medicare offerings, if I am on a TRS plan upon actual retirement, I may not be able to keep my current Medicare Advantage plan and would have to switch to TRS-Medicare Switching to TRS at this point would negatively affect my retirement insurance.

I don't want to lose Cigna.

I have insurance for my children and myself. I prefer PPOs. I had to change to the TRS this school year because my daughters' pediatrician's office no longer took Cigna. I highly regret now paying for TRS with PCP referrals; especially for myself. I am changing this as soon as I am able.

I like my insurance (Cigna) and I would like to keep it.

I really like the prescription copays!!! I have been on this plan now for the 2nd year in a row and I like the benefits it offers.

I would rather not have TRS

I'm concerned that, if we go back to TRS, we will be subjected to increase after increase as in years past. I understand that UBC prices could rise as well, however, I'd rather the district be able to shop around versus being "stuck" with TRS.

It is vital that we keep our options open with regards to health insurance. UBC will offer that flexibility for us.

It's difficult to make an informed decision when 1/2 the equation is missing. TRS has acknowledged that Region 20 area medical cost is below the State Average. What is State Average? This is concerning because the decision we make today will impact us for the next 5 years. The fact that UBC has the ability to obtain proposals from multiple Insurance companies each school year, and we know their upfront cost, makes UBC my option.

My biggest concern with TRS is the ability to choose my doctors and seek out specialist doctors myself. As a women this is a big factor as I have medical concerns where I need to see multiple specialist and without UBC I would not have been able to select who I felt would fit my needs the best.

Offering insurance with nationwide coverage will benefit more employees with adult children who attend college out of state as well as offering more options for employees who need specialty care.

Please choose UBC. Many employees have voiced how expensive TRS has ALWAYS been throughout the past years. Thanks!

Presently the doctor of my choosing accepts Cigna and I am very happy with my insurance and pharmacy plan. I only have to pay for 1 of 6 prescriptions.

Since we don't have any information from TRS regarding their prices or what will be covered, I would prefer to keep my coverage with UBC.

The option to have benefits out of state for my college student is very important.

UBC- Health insurance would most definitely be the best option.

All of my healthcare providers accept Cigna

**THE BOARD OF TRUSTEES OF THE
MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT**

Board Resolution to Withdraw from Texas Teacher Retirement System ActiveCare

WHEREAS, the 87th Texas Legislature passed Senate Bill 1444, authorizing public school districts to elect to discontinue participation in the group health insurance coverage provided by the Teacher Retirement System of Texas (TRS), known as TRS ActiveCare, and requiring them to do so by Board vote; and

WHEREAS, the Board recognizes that if it elects to discontinue participation in TRS ActiveCare, such election shall take effect at the start of the 2022-2023 plan year, and the District will not be permitted to rejoin TRS ActiveCare for a period of five consecutive plan years; and

WHEREAS, school districts may be limited in their ability to secure the best and most affordable healthcare for their employees when constrained by the options provided by TRS; and

WHEREAS, the District always strives to provide its employees with the best and most affordable options to maximize their health and safety, and the Board recognizes that opting out from TRS ActiveCare will permit the District greater flexibility to secure better health insurance coverage for its employees at more competitive rates; and

WHEREAS, the Board finds a public purpose will be served by electing to discontinue participation in TRS ActiveCare as authorized by Texas Insurance Code Section 1579.155.

Now therefore it be resolved by the Board that:

1. The findings and recitals outlined above are found to be true and correct and are hereby approved and adopted; and
2. The Board finds that a public purpose and a benefit to the Medina Valley ISD exists to discontinue its participation in the uniform group coverage program established under Chapter 1579 of the Texas Insurance Code, also known as TRS ActiveCare; and
3. The Board authorizes the administration to seek and enter into agreements as necessary to secure quality healthcare coverage at competitive rates for District employees, as is determined to be in the best interests of the District; and
4. The Board hereby authorizes the Superintendent to take whatever other steps reasonably necessary to fulfill the purposes of this Resolution, including sending notice of the District's decision to discontinue participation to TRS no later than December 31, 2021.

Adopted by the vote of the majority of members of the Board of Trustees of the Medina Valley ISD present and voting at an open meeting of the Board on the 16th day of December 2021, at which a quorum was present:

REGULAR MEETING

December 16, 2021

New Business:

Item: Consider procurement and selection criteria for the 2019 Bond Elementary #6 construction project (Silos Subdivision).

Discussion:

- A board that considers a construction contract using a method authorized by Government Code Chapter 2269 other than competitive bidding must, before advertising, determine which procurement method provides the best value for the district.
- The administration, in conjunction with the district's architectural firm (Garza/Bomberger & Associates) recommends the district use competitive sealed proposals for the One-Step **Construction Manager-At-Risk** method of procurement for a contractor for the Elementary #6 construction project.
- The Request for Sealed Proposals for **Construction Manager At Risk** (CM@Risk) will include:
 - ✓ Invitation & instruction to offerors
 - ✓ Construction documents
 - ✓ Selection criteria
 - ✓ Estimated budget
 - ✓ Project scope
 - ✓ Schedule, and
 - ✓ Other information necessary for contractors to respond
- The district will evaluate and rank each proposal based upon published selection criteria and shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation.
- The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected offeror options for a scope or time modification and any price change associated with the modification.
- If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.
- In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria which includes:
 - ✓ Price
 - ✓ The offeror's experience and reputation.
 - ✓ The quality of the offeror's goods or services.
 - ✓ Past performance
 - ✓ The offeror's safety record
 - ✓ The offeror's proposed personnel.

- ✓ Whether the offeror's financial capability is appropriate to the size and scope of the project.
- ✓ Any other relevant factor specifically listed in the request for bids, proposals, or qualifications.
- Proposal selection criteria will include:
 - ✓ Proposal Price
 - ✓ Management Ability
 - ✓ Relevant Experience & Reputation
 - ✓ Past Performance
 - ✓ Subcontractors & Suppliers.
