As permitted by law, 1GPA has designated by said Lead Agencies as the administrator of the purchasing cooperative sponsored by the Lead Agencies, and has been delegated authority by the Lead Agencies to execute interlocal or intergovernmental agreements on behalf of the governing bodies of the Lead Agencies.

In consideration of the mutual promises contained in this Agreement and the mutual benefits to result therefrom, the parties agree as follows:

- 1. The specifications, terms, and conditions for products, materials and services to be purchased under this cooperative shall be determined by 1GPA, or as requested by a Lead Agency.

Entity; however, 1GPA, as the contract administrator, may, but shall not be obligated to unless required by applicable law, join in the resolution of any dispute between Participating Entity and a 1GPA vendor. Failure of the Participating Entity to secure performance from the 1GPA vendor in accordance with the terms and conditions of any issued purchase order does not necessarily require 1GPA to exercise its own rights and remedies.

- 5. 1GPA may terminate this Agreement immediately, upon written notice, if the Participating Entity fails to comply with the terms of this Agreement, applicable state or federal law, or any provision of a 1GPA contract that is binding on Participating Entity.
- 6. The Participating Entity may terminate this Agreement immediately, upon written notice, if 1GPA fails to comply with the terms of this Agreement.
- 7. This Agreement shall take effect upon execution by the parties and shall continue until it is terminated in accordance with its terms. This Agreement supersedes any and all previous purchase agreements.

Re: Consider Adoption of Instructional Materials Related to Proclamation 2022

Date: May 13, 2022

The State Board of Education issued Proclamation 2022 for new instructional materials in certain areas. The areas identified are Health and PE. Textbook committee members reviewed available materials and made recommendations for materials to be purchased. The committee recommends materials from QuaverEd for Health and PE in grades K-5, and Goodheart-Wilcox for secondary Health and PE.

Superintendent Recommendation: Adopt instructional materials related to Proclamation 2022 as recommended by the committee.

## <u>Instructional Material Final Choice</u>

Elementary: QuaverEd K-5 Health and PE

Secondary: Goodheart-Willcox Health Skills

The SBOE uses a proclamation to call for new instructional materials or new information about currently adopted instructional materials. The proclamation lists the subject areas scheduled for review. It contains a schedule of adoption procedures, requirements of publisher participation, links to the required TEKS and English Language Proficiency (ELPS), and instructions for providing electronic files for braille and large-print materials. Proclamations are named for the year the materials go into the classroom.

## **Local Adoption Process**

The review and adoption process determines the instructional materials eligible for adoption by the State Board of Education (SBOE). The process starts when the SBOE calls for new instructional materials and is complete with the selection and implementation of new materials by school districts. Local authorities for each school district or open-enrollment charter school set their own policies for selecting instructional materials for their students.

## **Medina Valley Independent School District**

District Instructional Materials Adoption Process

The District shall establish a team, as needed, to select instructional materials and technological equipment to be purchased with the District's instructional materials allotment. The team shall make selections based upon District instructional needs and in accordance with administrative regulations and board policy. MVISD Local Policy can be found HERE.

## **District Adoption Committee**

The following professional staff members have reviewed new instructional materials:
