Subject: Monthly Financial Report

District Goal Addressed: Organizational Management **Presented By:** Lela Vela

BACKGROUND INFORMATION

The monthly financial report consists of the following reports:

1. Tax Collection Report – reports the actual dollars collected by the Randall County Tax Office on our behalf. The amounts collected are distinguished by prior year and current year taxes. The actual dollars collected and the amount shown as collected in our general ledger may differ due to the fact that we often received tax deposits for a certain month after that month has passed.
2. Tax Roll Changes – summarizes additions and deletions to the district's tax roll that were processed during the month by the Potter-Randall County Appraisal District. Roll changes affect the amount of tax revenues received during this year, either favorably in some cases, or negatively, in others. We allow for such variations in revenue in our total tax revenue projection for the year.
3. Revenue/Expenditure Reports and Check Register – provides summary and detail information regarding revenues and expenditures during the month, with year-to-date totals. Summary reports show revenues and expenditures by fund, with local funds segregated from all other funds, namely special revenue funds. Expenditures are further reported in detail by function and object, allowing you to measure how expenditures occur from month-to-month. The check register lists all manual and computer-generated checks issued during the month, with the exception of payroll checks.

ADMINISTRATIVE CONSIDERATION

The Monthly Financial Report is submitted under separate cover.

ADMINISTRATIVE RECOMMENDATION

That the Board approve the Monthly Financial Report for April 2026.
