Background Information:

The OFSDP is a program, authorized under the Texas Education Code (TEC), §29.0822 and 19 Texas Administrative Code (TAC), §129.1027 that your school district (district) or open-enrollment charter school (charter school) may offer to provide flexible hours and days of attendance for students in any grade who meet one of the following criteria:

- the student is at risk of dropping out of school, as defined by the TEC, §29.081.
- the student, as a result of attendance requirements under the TEC, §25.092, will be denied credit for one or more classes in which the student has been enrolled.
- the student is attending a campus with an approved early college high school program designation.
- the student is attending a campus implementing an approved innovative campus plan; or
- the student is attending a community-based dropout recovery education program, as defined by TEC, §29.081 (e-1) or (e-2). (

The goal of the program is to improve graduation rates for students who are in danger of dropping out of school, have dropped out, or who are behind in core subject courses.

**Instructional Materials Allotment TEKS Certification for 2021-2022**

Presented for:

Board action  Report/Review Only

Supporting documents:

None  Attached  Provided Later

Contact Person:

Dr. Peggy Johnson

Background Information:

School districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charters must submit certifications to receive access to ordering 2021-22 instructional materials through EMAT.

This is an updated process from TEA for TEKS Certification. Formerly, Districts were only required to identify the subjects taught with 100% TEKS coverage. The updated process requires Districts to list all materials used for Math, ELAR, Science, and Social Studies to cover 100% of the State standards. The materials listed below are used in Tier 1 instruction to cover 100% of standards in school year 2021-22.

Fiscal Implication:

The State allocates Instructional Materials Allotment funds to purchase these materials.
