DMA(LEGAL)

PROFESSIONAL DEVELOPMENT: REQUIRED STAFF DEVELOPMENT

Revisions are to update citations and better reflect statutory wording.

DMA(LOCAL)

PROFESSIONAL DEVELOPMENT: REQUIRED STAFF DEVELOPMENT

SB 1267 (Regular Session) requires the board to annually review the State Board for Educator Certification (SBEC) clearinghouse regarding best practices and industry recommendations for professional development and adopt a professional development policy based on the training recommendations in the clearinghouse.

To meet the policy requirements, the recommended local policy text reflects that the board shall annually approve the district's professional development plan, which must be guided by the clearinghouse; note any differences from the clearinghouse recommendations; and include a schedule of required professional development. Because this requirement applies to open enrollment charter schools, it is not eligible for exemption under an innovation plan. To the extent a district has lawfully exempted itself from training requirements in its DOI plan (i.e., training requirements that are not applicable to open enrollment charter schools), such exemptions should be noted in the district's professional development plan as a difference between the plan and the clearinghouse recommendation.

Please note: SB 1267 requires SBEC to publish the clearinghouse by June 1, 2022, and districts to adopt a professional development policy by August 1, 2022. TASB Policy and Legal Services recommend that the board adopt DMA(LOCAL) and approve the district professional development plan by August 1, or as soon as possible thereafter, to ensure compliance with the bill.

DP(LEGAL)

PERSONNEL POSITIONS

Provisions on school psychological services have been updated based on revised Administrative Code rules.

E(LEGAL)

INSTRUCTION

The E section table of contents has been updated to add the new code EHDF, which includes provisions on local remote learning programs, and to update the subtitle for EFB, Library Materials.

EF(LEGAL)

INSTRUCTIONAL RESOURCES

SB 3 (Second Called Session) requires a district to provide login credentials to parents to access learning management or online learning portals used for student instructional materials.

EHAA(LEGAL)

BASIC INSTRUCTIONAL PROGRAM: REQUIRED INSTRUCTION (ALL LEVELS)

Effective with the 2022–23 school year, SB 9 (Second Called Session) provides that the SHAC must recommend the appropriate grade levels and curriculum for instruction on child abuse, family violence, dating violence, and sex trafficking.

The bill also imposes several requirements regarding curriculum materials on those topics, including:

- Revised parental notification and new parental consent provisions;
- Posting of proposed and adopted curriculum materials and options for a parent to purchase copyrighted materials from the publisher; and
- New board policy on adopting curriculum materials [see EHAA(LOCAL), below].

The [Regulations Resource Manual](#) includes a sample board resolution for convening the SHAC and a sample parental consent form.

La Vega ISD

EHAA(LOCAL) BASIC INSTRUCTIONAL PROGRAM: REQUIRED INSTRUCTION (ALL LEVELS)

New provisions are recommended based on SB 9 (Second Called Session), which imposes several requirements for instruction on the prevention of child abuse, family violence, dating violence, and sex trafficking, including a board policy on adopting curriculum materials. The policy follows the steps required by law, including board adoption of a resolution to convene the school health advisory council (SHAC) to hold meetings and make recommendations to the board at a public meeting, as well as board confirmation that the recommendations meet the requirements in law before taking action by a record vote.

The [Regulations Resource Manual](#) includes a sample board resolution for convening the SHAC and a sample parental consent form.

EHB(LOCAL) CURRICULUM DESIGN: SPECIAL PROGRAMS

This policy requiring the district to provide regular training opportunities for teachers of students with dyslexia is recommended to meet TEA policy requirements for the ongoing TEA special education [cyclical monitoring reviews](#).

Please note: This policy will need to be adopted by the board and linked to the [Legal Framework](#) by the August 31, 2022, deadline. See TEA's FAQ on [Special Education Operating Procedures](#).

EHBAA(LEGAL) SPECIAL EDUCATION: IDENTIFICATION, EVALUATION, AND ELIGIBILITY

Amended Administrative Code rules now refer to a student with an *auditory impairment* as a student who is *deaf or hard of hearing* to match statute. (See page 5.)

EHBAA(LOCAL) SPECIAL EDUCATION: IDENTIFICATION, EVALUATION, AND ELIGIBILITY

This policy requiring the district to ensure that a student who is transitioning from early childhood intervention (ECI) has an individualized education program (IEP) developed and implemented by the child's third birthday is recommended to meet TEA policy requirements for the ongoing TEA special education [cyclical monitoring reviews](#).

Please note: This policy will need to be adopted by the board and linked to the [Legal Framework](#) by the August 31, 2022, deadline. See TEA's FAQ on [Special Education Operating Procedures](#).

EHBAB(LEGAL) SPECIAL EDUCATION: ARD COMMITTEE AND INDIVIDUALIZED EDUCATION PROGRAM

Amended Administrative Code rules revise the list of individuals who must be included in ARD committee meetings for students with deaf-blindness and revise terminology addressing students who are deaf or hard of hearing. Participating special education teachers or providers must be appropriately certified or licensed as required by federal law. The rules also address, as reflected on page 5, IEP implementation for students who enroll in a new district during the summer.

A new Administrative Code rule prohibits consideration of eligibility for supplemental special education services when developing or revising a student's IEP, determining the appropriate educational setting, or in the provision of a free appropriate public education. (See page 8.)

EHBAC(LEGAL) SPECIAL EDUCATION: STUDENTS IN NONDISTRICT PLACEMENT

We have removed a repealed Administrative Code provision on out-of-state placement.

ACADEMIC ACHIEVEMENT: GRADUATION

Revised Administrative Code rules provide additional detail on the requirement for a student to complete a financial aid application to meet graduation requirements. The rules, beginning on page 3 of this policy, require the board to adopt the TEA-provided form a student may submit to opt out of the financial aid application requirement and require adoption of a board policy to address the methods by which a student can confirm submission of a financial aid application. See EIF(LOCAL), below.

EIF(LOCAL)

ACADEMIC ACHIEVEMENT: GRADUATION

Revised Administrative Code rules require a board policy to address the methods by which a student can confirm completion and submission of a financial aid application to meet graduation requirements. The recommended text aligns with TEA guidance and addresses methods for both the free application for federal financial aid (FAFSA) and the Texas application for state financial aid (TASFA). Please contact your policy consultant if you have questions or need additional edits to this policy.

To meet new board policy requirements from SB 9 (Second Called Session), we recommend text at Notice to Parents, which requires the district, upon receipt of a report of dating violence, to immediately notify the parent of the student identified as the alleged victim or perpetrator.

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue, bold font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

**Response to Title IX
Sexual Harassment–
Title IX**

General Response

For purposes of the District's response to reports of harassment prohibited by Title IX, definitions can be found in FFH(LEGAL).

When the District receives notice or an allegation of conduct that, if proved, would meet the definition of sexual harassment under Title IX, the Title IX coordinator shall promptly contact the complainant to:

- Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed or dismissed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct. The Title IX coordinator also reserves the right to sign a formal complaint, initiating the Title IX grievance process, if it would be deliberately indifferent not to investigate and respond to the prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;

3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of
Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student

who refuses to participate in any manner in an investigation under Title IX. [In the absence of a formal complaint, allegations of retaliation shall be investigated under Investigation of Reports Other Than Title IX, above.](#)

Examples

Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

[For Title IX recordkeeping and retention provisions, see FFH(LEGAL) and the District's Title IX formal complaint process.]

Access to Policy and Procedures

Introduction

On January 18, 2022, the La Vega ISD Board of Trustees approved the administration to begin work to review and update the “La Vega ISD District of Innovation Plan” originally adopted in April of 2017, as outlined by the Texas Legislature under HB 1842 (TAC Chapter 102). The plan under review to existing and potential new Texas public schools requirements that hamper meeting the unique needs of La Vega ISD student population.

La Vega ISD seeks the freedom and flexibility to make decisions at the local level in order to pursue innovations in curriculum, instructional methods, governance of campuses, parent and community involvement, modifications to the school day and year, budgeting and sustainable program funding, accountability and assessment above state requirements, or other innovative ideas.

As a District of Innovation (DOI), La Vega ISD has the ability to pursue flexibility choices, especially with respect to the school calendar and attendance, which could impact funding calculations positively. The district will seek relief from unfunded and partially funded mandates that are counter to effective and efficient use of taxpayer dollars for educating students of the district.

The impact of DOI designation on local policies may necessitate adjustments to legal policies to reflect that some legal provisions may be affected by the district’s innovation plan. Under 19TAC §102.13131 (a), the plan may be extended for up to an additional five years, and it may be amended, rescinded, or renewed during that time period.

Review of the plan included teachers (Vision in Action team (VIA), Superintendent Advisory Committee (SAC)) parents, community and business partners through the District Quality Improvement Committee (DQIC). Revisions to the proposed plan as requested by each group.

Summary

The DOI plan is intended to enhance the environment and capabilities of teachers and other instructional staff of LVISD. The ultimate goal of the proposed plans are to advance innovative curriculum, instructional methods, community participation, governance of campuses, and parental involvement – primarily by ELIMINATING costly and/or counter-productive compliance requirements – in an effort to focus resources and energy on what really matters ...student success at all levels.

Texas Education Code:

Sec. 11.251. PLANNING AND DECISION-MAKING PROCESS

Sec. 11.252. DISTRICT-LEVEL PLANNING AND DECISION –MAKING

Sec. 11.253. CAMPUS PLANNING AND SITE-BASED DECISION-MAKING

BQ(LOCAL); BQ(LEGAL)

BQA: PLANNING AND DECISION-MAKING PROCESS DISTRICT-LEVEL

BQA (LOCAL); BQA (LEGAL)

BQA: PLANNING AND DECISION-MAKING PROCESS CAMPUS-LEVEL

BQA (LOCAL); BQA (LEGAL)

Manner in which statute inhibits the goal of the plan:

According to Sec. 11.251 stipulates that the board of trustees of each independent school district shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for the purpose of improving the performance of all students. Sec. 11.255 requires each district-level and campus-level planning and decision-making committee analyze information related to dropout prevention. Sec. 11.252, (e), “The district-level committee established under Section 11.251 shall hold at least one public meeting per year.” Sec 11.253 mirrors the language found in the district-level committee for the campus-level committee. The section also requires each “campus-level committee hold at least one public meeting per year.” La Vega ISD holds six to nine meetings yearly. However, considering the various committee roles and responsibilities outlined in both the education code and in board policy require members at a minimum to address the areas of planning, budgeting, curriculum, staffing patterns, staff development, school organization in addition to a host of other responsibilities identified in a number of additional sections of the education code, one – or

even nine – meetings are not sufficient to discuss any of the required topics much less “extensive training” to be able to productively contribute to a discussion of the topic.

Furthermore, in addition to effective planning methodology as outlined in Sections 11.251, 11.252, 11.253, and 11.255 including a comprehensive needs assessment, measurable performance objectives, strategies, resources (including staff), and evaluative measure, the number of strategies identified in Sec. 11.252 that must be included are excessive. District Improvement Plans (DIP) and Campus Improvement Plans (CIP) become compliance documents and not as helpful as the district’s strategic plan, Performance Based Improvement Required Plan or Campus Improvement Required plan. While it may be necessary to have some compliance information compiled for federal purposes, others should be researched for elimination or incorporated in innovative instructional methodology.

Proposed Innovation Plan:

Reduce or eliminate plan requirements that are redundant with other local planning processes to enable LVISD to implement a good comprehensive plan.

Chapter 21 – Educators

Subchapter A – General Provisions

Subchapter B – Certification of Educators

Texas Education Code:

Sec. 21.003. CERTIFICATION REQUIRED

Sec. 21.0031. FAILURE TO OBTAIN CERTIFICATION, CONTRACT VOID

Sec. 21.044. EDUCATOR PREPARATION

Sec. 21.053. PRESENTATION AND RECORDING OF CERTIFICATES

Sec. 21.057. PARENTAL NOTIFICATION

Related board policy:

DBA: EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CREDENTIALS AND RECORDS

DBA (LEGAL); DBA (LOCAL)

DK: ASSIGNMENT AND SCHEDULES

Manner in which statute inhibits the goal of the plan:

TEC 21.003 states that a person may not be employed as a teacher, teacher intern or trainee, librarian, education aide, administrator, educational diagnostician, or school counselor by a school district unless the person holds an appropriate certificate or permit issued by the appropriate state agency.

TEC 21.0031 states that an employee's probationary, continuing, or term contract under this chapter is void if the employee does not hold a valid certificate or permit issued by the State Board for Educator Certification.

TEC 21.053 requires a teacher to present his or her certificate to the district before their employment contract will be binding and prohibits the district from paying an educator for teaching if the educator does not hold a valid certificate at the time.

TEC 21.057 requires that the district provide written notice to parents if an inappropriately certified or uncertified teacher is assigned to a classroom for more than 20 consecutive instructional days.

Proposed Innovation Plan:

The district will continue to first seek qualified applicants with a TEA certification for all teacher positions. However, if a satisfactory candidate is not available, a procedure would be implemented permitting the Superintendent to allow a certified teacher to teach a subject outside of their certification or permitting the district to employ an uncertified person for other teaching positions, on an at-will agreement. Upon written request from the Human Resources Department or a Campus Principal, a qualified individual may be eligible to teach any course through a local teaching certificate. The superintendent may hire an eligible person on a local certification under an at-will agreement. The district shall develop minimum required qualifications for persons hired in the above manner and will also require certain professional development in the areas of student management, instructional strategies, curriculum, and parent engagement. Notwithstanding the foregoing, all certification requirements will remain in place for special education and primary ESL (bilingual) teachers.

When it is not reasonably possible, the district will have the flexibility to hire individuals who are knowledgeable and equipped to effectively perform the duties of the position. La Vega ISD would like the ability to locally certify teachers to better meet the educational needs of our students, as well as expand on and innovate with regard to the courses the district can offer. This will also greatly expand the district's hiring capability, which is impacted by the district's geographical proximity to highly populated areas and competitive hiring practices at neighboring school districts. This flexibility will be particularly beneficial in CTE areas (where industry experience is highly valued) and hard-to-fill classroom positions. Nonetheless, La Vega ISD will continue to prioritize obtaining certified candidates for all positions when available.

Subchapter C – Probationary Contracts

Texas Education Code:

TEC 21.102 (b) PROBATIONARY CONTRACT

Related Board Policy:

DCA (LEGAL)

Manner in which statute inhibits the goal of the plan:

For experienced teacher new to the district, the probationary period may not exceed one year if the person has been employed as a teacher in public education for at least five of the previous eight years. A one-year probationary period is not sufficient to evaluate the teacher's effectiveness in the classroom since teacher Contracts renewal timelines demand that employment decisions be made seven months after the first day of employment and prior to district receipt of state assessment results.

Proposed Innovation Plan:

For experienced teachers, counselor, or nurses new to the district that have been employed as a teacher in public education for at least five of the eight previous years, a probationary contract may be issued for up to two years. All other teachers hired in the district may remain on probationary status for three years and may be issued a fourth year of probation in accordance with TEC 21.102.

Subchapter D – Continuing Contracts

Texas Education Code:

Sec. 21.158 NOTICE UNDER CONTINUING CONTRACT

Related Board Policy:

DF (LEGAL)

Manner in which statute inhibits the goal of the plan:

Sec. 21.158 requires the Board of Trustees to notify the teacher of a proposed suspension without pay.

Proposed Innovation Plan:

Then superintendent manages the day-to-day affairs of the district. S/He will have the authority to suspend a teacher without pay. Such decisions can still be appealed to the Board; thus, due process is preserved. Oftentimes, the necessity for the suspension is many days before the next called board meeting. LVISD is seeking relief from this notification requirement.

Subchapter I – Duties and Benefits

Texas Education Code:

Sec. 21.401 MINIMUM SERVICE REQUIRED

RELATED BOARD POLICY

DC (LEGAL)

Manner in which statute inhibits the goal of the plan:

TEC 21.401 states that a contract between the district and an educator must be for a minimum of ten months of service. An educator employed under a ten-month contract must provide a minimum of 187 days of service.

TEC 25.081 references the Commissioner may reduce the number of days of service, but such a reduction by the Commissioner does not reduce an educator's salary.

TEC 25.081 requires that a school district provide at least 75,600 minutes of instruction each school year, including intermission and recess. However, when the required number of minutes are met, teachers are required to work well beyond the instructional and professional development days needed for the school year.

Proposed Innovation Plan:

Relief from this statute will allow LVISD the flexibility to consider the reduction in contract days to align with the 75,600 minutes required of students. Should the district experience financial distress or need to remain competitive with surrounding districts, as stated in TEC 25.081, teacher contract days may be reduced without reducing teacher pay. The benefits of this plan will naturally increase the daily rate paid to teachers with no additional cost. A reduction in days will enhance teacher retention and recruitment.

Subchapter J – Staff Development Requirements

Texas Education Code:

Sec. 21.451 Staff Development Requirements

Sec. 21.458 Teacher Mentor

Related Board Policy:

DL (LEGAL)

DMA (LEGAL)

DEAA (LEGAL)

Manner in which statute inhibits the goal of the plan:

Sec. 21.451 prescribes staff development requirements. TEC 21.458 sets eligibility requirements for teacher mentors and mentors. This provision states that the district may only assign a mentor to a teacher with less than two years of teaching experience, despite the fact that a teacher at any level of experience may benefit from a mentor- mentee relationship.

Proposed Innovation Plan:

LVISD seeks relief from §21.451 by protecting planning and preparation time through scheduled professional learning time and adding additional professional learning days throughout the school year. These professional learning days have been purposefully placed throughout the calendar to allow for teachers to analyze data in addition to engaging in relevant, targeted professional development.

LVISD seeks flexibility to assign mentors to more experience teachers in need of assistance. The statute also sets eligibility requirements for teacher mentors. An exemption from these requirements would allow for teachers with more than two years of experience to be assigned a mentor that excels in areas that are targeted for improvement or innovation, such as 1:1 technology, project-based learning, and AVID. In addition, mentors would be exempt *from* the qualifications described in Subsection (b), thus increasing the pool of teachers from which the district could draw for these target mentoring programs.

Chapter 25 – Admission, Transfer, and Attendance

Subchapter C – Operation of Schools and School Attendance

Texas Education Code:

Sec. 25.0811 FIRST DAY OF INSTRUCTION

Sec. 25.0812 LAST DAY OF SCHOOL

Related Board Policy:

EB (LEGAL)

Manner in which statute inhibits the goal of the plan:

Sec 25.0811 states that a school district may not begin instruction for students for a school year before the fourth Monday in August unless the district operates a year-round system. Sec. 25.0812 states a school district may not schedule the last day of school before May 15. The current process allows no flexibility in the design of school calendars to fit the need of the community of the wishes of the local Board of Trustees who represent community interests in the matter.

Previously, districts had the option of applying to TEA for a waiver to start earlier, even as early as the 2nd Monday in August. The Texas tourism groups lobbied to have this stopped because they believed it was hurting their tourism business. Therefore, several years ago the legislature

took away all waivers and dictated that districts may not begin until the 4th Monday, with no exceptions.

Proposed Innovation Plan:

Exemption from Sec. 25.0811 will allow La Vega ISD to determine locally, on an annual basis, what best meets the needs of the students and local community. Altered school start dates allow Early College High School students and dual credit students to have calendars that match the institutions of higher education and provide for increased local control of the instructional calendar in order to be responsive to community needs and align with local universities, college entrance exams, and STAAR timelines. This empowers LVISD to personalize learning, increase college and career readiness, and balance the amount of instructional time in each semester. The district would not need to seek waivers for professional development or early release days.

Subchapter C – Operation of Schools and School Attendance

Texas Education Code:

Sec. 25.083 School Day Interruptions

Related Board Policy:

EC (LEGAL)

Manner in which statute inhibits the goal of the plan:

The Sec. 25.083 stipulates that the Board of Trustees of each school district will adopt and strictly enforce a policy limiting interruptions of classes during the school day for no academic activities such as announcements to once during the school day except in the course of an emergency. The provision also requires that no more than 10 % of the school day be allocated for school tutorials.

Proposed Innovation Plan:

LVISD is seeking relief from this requirement for greater flexibility and local control. Decisions on how to spend each school day should be the sole purview of the campus/district. There are situations when announcements must be made several times during the day to increase efficiency. There are times when more than 10% of a child's day should be spent in tutoring, studying, and/or intervention.

Subchapter C – Operation of Schools and School Attendance

Texas Education Code:

Sec. 25.092 Minimum Attendance for Class Credit or Final Grade

Related Board Policy:

FEC: ATTENDANCE FOR CREDIT

FEC (LEGAL)

FEC (LOCAL)

Manner in which statute inhibits the goal of the plan:

“A student in any grade level from kindergarten through grade 12 may not be given credit or a final grade for a class unless the student is in attendance for at least 90% of the days the class is offered.” LVISD believes the 90% “seat time” determines mastery of content mastery is an arbitrary rule. Penalizing students for participation in extra- and co-curriculums activities, academic competitions, and/or other extenuating circumstances exacerbates student disinterest and apathy.

Proposed Innovation Plan:

By exempting the state requirement, LVISD can put local policies in place to curb absenteeism while abstaining from penalizing students who miss class time due to legitimate conflicts. Acknowledgment of scheduling conflicts and accommodating students will reduce dropouts and increase the number of eligible graduates. The relief from Sec. 25.092 does not in any way impact or alter existing compulsory attendance requirements or University Interscholastic League (UIL) rules. Furthermore, in a way does this exemption limit a teacher’s right to determine the finality of a grade in accordance with Texas Education Code Sec. 28.214, nor does it restrict or alter a teacher’s right to assign grades in accordance with TEC 28.216.

Chapter 25 – Admission, Transfer, and Attendance

Subchapter D – Student/Teacher Ratios: Class Size

Texas Education Code:

Sec. 25.111 STUDENT TEACHER RATIOS

Sec. 25.112 CLASS SIZE

Sec. 25.113 NOTICE OF CLASS SIZE

Related Board Policy:

EB (LEGAL)

Manner in which statute inhibits the goal of the plan:

Sec 25.111 specifies that each school district must employ a sufficient number of teachers certified under Subchapter B, Chapter 21, to maintain an average ratio of not less than one teacher for each 20 students in average daily attendance. Sec. 25.112 requires districts to maintain a class size of 22 students or less for Kindergarten–4th Grade classes. When any class exceeds this limit, the district must complete and file a waiver with the Texas Education Agency. These waivers are never rejected by TEA. This is a bureaucratic step that serves no purpose.

Sec. 25.113 requires school districts to notify parents of waivers or exceptions to class size limits. In many cases, the class has returned to a smaller student to teacher ratio before the waiver is even approved negating the need for this notice.

Proposed Innovation Plan:

The district has a goal to begin each school year with enough teachers to establish 22:1 in each Kindergarten through Fourth grade classroom. While we believe that small class size plays a positive role in the classroom, this must be balanced with the logistics of adding staff and the best student: teacher ratio based on student needs. In the event any class size exceeds this 22:1, the superintendent will report this information to the Board of Trustees. Decisions regarding the most appropriate student to teacher ratios will be made at the local level, taking into consideration the age and grade level of students, the subject matter of the class, and the needs of student groups and the availability of additional instructional staff members.

Therefore, a TEA waiver request will no longer be filed when a K-4 classroom exceeds the 22:1 ratio. Parents will continue to be notified as per TEC 25.113.

Chapter 37 – Discipline; Law and Order

Subchapter A – Alternative Setting for Behavior Management

Texas Education Code:

Sec. 37.0012 DESIGNATION OF CAMPUS BEHAVIOR COORDINATOR

Related Board Policy:

FO (LEGAL)

Manner in which statute inhibits the goal of the plan:

Sec. 37.0012 requires that each school appoint one Campus Behavior Coordinator. In order for the district to promote the social and emotional learning of its students and foster the connection between actions and consequences, the district seeks relief from the code.

Proposed Innovation Plan:

The Principal and Assistant Principal already serve in this capacity, and it is unnecessary to “designate” one of them as such. By seeking relief, the district will allow for more collaborative behavior management programs that have the support and buy-in of the students and local community.

Chapter 44 – Fiscal Management

Subchapter B – Purchases; Contracts

Texas Education Code:

Sec. 44.031 PURCHASING CONTRACTS

Sec. 44.0331 MANAGEMENT FEES UNDER CERTAIN COOPERATIVE PURCHASING CONTRACTS

Sec. 44.0352 COMPETITIVE SEALED PROPOSALS

Sec. 44.042 PREFERENCE TO TEXAS AND UNITED STATE PRODUCTS

Sec. 44.043 RIGHT TO WORK

Sec. 44.047 PURCHASE OR LEASE OF AUTOMATED EXTERNAL DEFIBRILLATOR

Related Board Policy:

CH (LEGAL)

Manner in which statute inhibits the goal of the plan:

No changes recommended at this time.

Subchapter Z – Miscellaneous Provisions

Texas Education Code:

Sec. 44.902 LONG RANGE ENERGY PLAN TO REDUCE CONSUMPTION OF ELECTRIC ENERGY

Related Board Policy:

CL (LEGAL)

Manner in which statute inhibits the goal of the plan:

Chapter 44 establishes their requirement of districts to reduce annual electric consumption by 5 percent and to develop plans for that purpose

Proposed Innovation Plan:

The statewide arbitrary 5% rule is indicative of a “one size fits all” mentality. Energy consumption and savings are a building by building, district by district calculation. Districts that have older facilities struggle to cut energy consumption by the very nature of the building’s age. Therefore, relief from the requirements to develop plans are not necessary.

The La Vega ISD reserves the right to add/delete changes in the areas permitted by this legislation – with the consent of the VIA and/or Board when applicable.
