Background Information:
After the passing of HB 1482, The LVISD District of Innovation Plan allows the district to have the flexibility to hire individuals who are knowledgeable in the area and equipped to effectively perform the duties of the position in question. An individual with experience in the content of an elective course (not core content) is eligible to teach a vocational skill or elective course through a local teaching certificate. The principal and HR department maintains documentation of credentials or life experience the teacher possesses that qualifies this individual to teach the proposed subject. LVISD will ensure that all individuals assigned to teach have the knowledge and resources necessary to be successful. The superintendent will report to the Board of Trustees following the assignment of a locally certified individual. The attached list of teachers are locally certified by LVISD to teach elective/CATE courses for the 2022-2023 school year.

Consider La Vega Primary Phil Bancale Campus Vestibule Addition

Presented for:
Board action ☒ Report/Review Only ☐

Supporting documents:
None ☐ Attached ☒ Provided Later ☐

Contact Person:
Mr. Todd Gooden

Background Information:
In the process of undergoing our various security audits, it became apparent that the District needs to enlarge the vestibule (atrium or entry way) at the LV Primary Phil Bancale Campus. The current vestibule is a 10'X10' space and is not large enough to effectively house our metal detection equipment and allow visitors to be effectively vetted before entering the campus. The new vestibule will be 35X12. Since the project bid from Mazanec Construction came in over $50,000, the project requires board approval.

Fiscal Implication:
$84,562

Administrative Recommendation:
The District recommend that the Board approve the construction of the vestibule addition.
