Background Information

To initiate the cancellation process, the authority responsible for preparing the ballot must certify the unopposed status to the authority responsible for ordering the election. The authority is the secretary of the political subdivision's governing body or, if the governing body has no secretary, the presiding officer of the governing body.

This document is filed with the presiding officer of the political subdivision. The governing body must meet, accept this certification, and issue an order or ordinance declaring the election canceled and the unopposed candidates elected. The candidates may take the oath of office on or after the date of election, and the certificate of election should be issued after Election Day.

To complete the cancellation process, a copy of the order or ordinance canceling the election must be posted on Election Day at each polling place that would have been used in the election.

Instructions for certification of unopposed candidates:

The authority responsible for preparing the ballot must certify the unopposed status to the authority responsible for ordering the election. This document is filed with the presiding officer of the political subdivision. The governing body must meet, accept this certification, and issue an order or ordinance declaring the election cancelled and the unopposed candidates elected. To complete the cancellation process, a copy of the order or ordinance canceling the election must be posted on Election Day at each polling place that would have been used in the election. See sample Order of Cancellation and outlines for additional instructions.

An election* may be cancelled if:

- 1) The election is one in which a declaration of write-in candidacy is required; and
- 2) No opposed at-large race is on the ballot* within that election;*and
- 3) Each candidate whose name is to appear on the ballot* is unopposed, with some exceptions;

This means:

- In an all at-large election* (with no single-member districts), if there is one or more opposed at-large races, then all the races go on the ballot within that election.*
- In an election* in which any members of the governing body are elected from single-member districts, an election in a particular district may be cancelled if the candidate is unopposed and the election otherwise meets the above requirements (i.e., there is no at-large opposed race on the ballot).

Note: A general election (for full terms) or a special election (to fill a vacancy in an unexpired term) is considered a *separate election* with a *separate ballot* for purposes of these tests, even if held on the same election date. See our online Cancellation guide for details.

Instrucciones para la certificación de una elección con candidatos únicos:

La autoridad a cargo de preparar la boleta de votación debe certificar los candidatos únicos sin oposición a la autoridad encargada de ordenar la elección. Este documento se debe presentar al presidente de la subdivisión política. La entidad gobernante debe reunirse, aceptar esta certificación y emitir una orden o una ordenanza en la que declara la cancelación de la elección y la elección de los candidatos únicos sin oposición. Para completar el proceso de cancelación, se debe exhibir el Día de la Elección una copia de la orden u ordenanza de cancelación de la elección en todos los sitios de votación que se hubieran utilizado en la elección. Vea el ejemplo Orden de Cancelación y el resumen para más instrucciones.

Una elección* puede ser cancelada si:

- 1) *la elección es una en la que se requiere una declaración de candidatos por escrito en la boleta de votación; y,*
- 2) *no hay oposición para la carrera por acumulación en la boleta* de votación dentro de esa elección**
y
- 3) *Todos los candidatos cuyos nombres deben aparecer en la boleta* de votación no tienen oposición, con unas excepciones;*

Esto significa:

- *En una elección* por acumulación (sin ningún distrito con miembro único), si se encuentra una o más de una carrera por acumulación con oposición, entonces todas las carreras estarán en la boleta dentro de esa elección*.*
- *En una elección* en la que cualquiera de los miembros de la entidad gobernante se eligen de distritos con un solo miembro, se puede cancelar una elección en un distrito específico si hay oposición para el candidato y la elección cumple con los requisitos que anteceden (ej. no hay oposición para la carrera por acumulación en la boleta).*

Nota: Una elección general (con términos completos) o una elección especial (para llenar una vacante de un término no vencido) es considerada como una elección distinta con una boleta distinta con los propósitos de estas pruebas, aunque se lleven a cabo en la misma fecha electoral. Vea nuestra guía de cancelación en línea para más detalles.

Background Information:

Section 2.10.6 of the Financial Accountability System Resource Guide, version 14.0, dated January 2010, states that budget amendments are mandated by the state for budgeted funds reallocated from one function level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and must be amended in the budget for legal compliance.

All budget amendments are required to be adopted by the last day of the fiscal year. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes.
